#### REPORT OF THE FACULTY SPECIAL COMMITTEE ON ENROLMENT

On 17th December 1962, a Special Committee of the Faculty was appointed to study and report on certain matters in the operation of the School which might create problems in view of the anticipated substantial increase in enrolment in the foreseeable future.

The Special Committee of the Faculty made an intensive study of the matters within its terms of reference and its report was considered by the Faculty at its meetings on 19th and 20th December 1963 and 9th January 1964. The Report of the Special Committee, as amended and adopted by the Faculty, and the Faculty's recommendations arising therefrom are before your Committee.

Referred to the Sub-Committee on Projected Increase in the Numbers in the Bar Admission Course.

The Dean asked that the following recommendations arising out of the Report of the Special Committee on Enrolment be considered immediately:

1. that the size of the teaching units in the First Year should be reduced by offering three sections in the Courses in Contracts, Evidence, Land Law, Personal Property and Torts;

*Approved.*

2. that the allocation of the Courses to the members of the Faculty for the academic session 1964-65, subject to the power of the Dean to make changes should the need arise, should be as follows:

Land Law	— Foote, Hefferon

4. that two additional secretaries should be employed on the Law School Administrative Staff as soon as possible.

*Approved*, subject to the approval of the Finance Committee.

#### TREASURER'S LECTURE TO THE LAW SCHOOL

Two Judges of the Supreme Court of Ontario have suggested that the Treasurer be asked to give a lecture to the students of Osgoode Hall Law School on the subject "The Practice of Law as a Profession as Distinct from a Business". Other approved law schools in Ontario might also wish to have the Treasurer deliver such a lecture to their students. Dean

Lederman of Queen's University Law Faculty favours the suggestion.

The question is before the Committee for consideration.

*Approved in principle.*

*Richard Lee Verity* was admitted on the rolls and records of the Law Society as *Richard D. Verity*. He now asks that his name be changed to *Richard Lee Verity*.

Your Committee recommends that the request be granted.

#### COMPENSATION FUND CHARGES

On several occasions there have been discussions as to charges in connection with the administration of the Compensation Fund which might properly be charged to the Compensation Fund rather than to the Discipline Committee. Letters from Mr. M. A. Mackenzie of Clarkson Gordon & Company, from the Chairman, and from Mr. O'Brien were considered. Mr. Mackenzie's letter of 18th December 1963 reads, in part:

"It has been suggested that the Compensation Fund be asked to bear some or all of the cost of the Discipline Committee incurred in connection with investigations and hearings relating to members of the Law Society who are charged with professional misconduct in relation to the keeping of trust funds. These costs would include some or all of the following:

Salary and expenses of Mr. Anderson, the Law Society's Chartered Accountant (and salary and expenses of his assistant if and when he is hired).

Fees paid to independent chartered accountants engaged to examine members' records and report on their examination to the Discipline Committee.

Costs of the court reporter engaged to record the evidence taken at hearings before the Discipline Committee.

Legal and other costs in connection with action taken by the Law Society in connection with members charged with professional misconduct in relation to the keeping of trust funds.

In our opinion it would not be proper to charge all these costs to the Compensation Fund. It is possible, however, that an argument could be made for charging the following to the Compensation Fund:

(1) Mr. Anderson's salary and expenses. Mr. Anderson was engaged by the Law Society in the first instance to do spot audits. It was hoped that as a result of his engagement as the Law Society's auditor and performing a series of spot audits of practising members of the profession, the incidence of misappropriation of clients' trust funds would decrease and in the long run there would be a substantial reduction in the claims against the Compensation Fund. Accordingly there is some justification for charging all or a portion of Mr. Anderson's salary against the Fund.

(2) While the main content of any report and evidence given as a result of an investigation may relate to the problem of establishing the facts necessary for the Discipline Committee to reach a decision, portions of the report and the evidence may be of considerable assistance in establishing the amounts of claims against the Fund. In such cases it may be appropriate to charge the Compensation Fund with a portion of the costs of the investigation and the hearing before the Discipline Committee.

Provided that the necessary approvals are obtained for such charges being levied against the Compensation Fund, we see no reason why this handling would not be proper. We do not know whether this matter should be referred to the membership at large or not. Charging these items to the Compensation Fund may increase the annual charges to the Fund by \$15,000. to \$25,000. Other costs related strictly to the hearings before the Discipline Committee, whether leading to disciplinary action or not should, in our view, be charged to the Discipline Committee."

Your Committee recommends that the policy as outlined by Mr. Mackenzie be approved and put into effect forthwith; and

that the Law Society apply for an appropriate amendment to The Law Society Act.

### IRON FENCE

Mr. Heeney reports that the iron fence is deteriorating rapidly.

Your Committee has been aware for more than five years that the fence is in need of attention, but in view of the considerations in connection with the proposed widening of Queen Street and other changes in the area, your Committee has directed and again directs that this matter stand.

### REVISION OF RULES — Finance Committee

Mr. R. F. Reid, Q.C., is presently attempting a complete re-drafting and revision of Rules. He asked for the guidance of the Finance Committee on certain matters of policy, and at its meeting on 16th October your Committee made recommendations on the following four subjects:

- (1) Fees
- (2) Suspension for non-payment of fees
- (3) Re-admission to practice after a period of non-practice.
- (4) Estimates

These statements of policy were referred to Mr. Reid to enable him to complete the revision of the Rules as they affect the Finance Committee.

At its meeting on the 13th November 1963 the Committee directed that this matter stand to the next meeting. Copies of the revised rules and other relevant material have been sent to all members of the Committee.

Your Committee recommends that the draft Rules be approved and submitted to the Special Committee on Revision of Rules.

## THE REPORT WAS ADOPTED

## DISCIPLINE COMMITTEE

Mr. O'Brien, Vice-President, presented the Report of the Discipline Committee:

RE: JOHN WILLIAM DICK, Student-at-law

The Discipline Committee reported that after due inquiry it found the student-at-law guilty of professional misconduct and conduct unbecoming a student-at-law in that he—

1. while serving his solicitor under articles of clerkship rendered legal services to persons who were not clients

- of that firm and in so doing used the firm's name and letterhead without the firm's knowledge or consent;
2. while serving his solicitor under articles of clerkship received payment for legal services he rendered without disclosing to his principal or to his firm that such services had been rendered and without accounting to his principal or to his firm for such payments.

and recommended that his service under articles be repeated over the full period necessary to enable him to present proof of proper completion of the necessary term, and that he be not permitted to sit for further examinations in the teaching period of the Bar Admission Course earlier than the term commencing in September 1965 and then only on the filing of proper proof of service under articles prior thereto.

The Committee further reported that this was the first instance of such a complaint being investigated, and in the event of a similar situation being brought to its attention at some future date a more serious view of the conduct would be taken.

Moved by Mr. O'Brien, seconded by Mr. Robins, that the Report be adopted.

The student attended with his counsel, Mr. A. R. Paterson, who addressed Convocation.

The motion was carried.

## DETAILS

During the period 1st July 1963, to 31st December 1963, your Discipline Committee considered applications for grants from the Compensation Fund in respect of the defalcations of F. C. Brown, L. A. Cavasin, R. J. Corkery, A. R. Douglas, R. E. Fairs, M. R. J. Heffer, G. J. Majic, R. F. X. Marentette and John Velanoff. In each case where a grant was made your Committee was satisfied that a solicitor and client relationship existed and that the loss resulted from misappropriation by the solicitor. The applications were disposed of as follows:

THE REPORT WAS RECEIVED

CONVOCATION ADJOURNED AT 1 P.M.

The Treasurer and Benchers entertained at luncheon the Honourable Mr. Justice Aylesworth and the Honourable Mr. Justice Brooke.

Convocation resumed at 2 p.m., a quorum being present.

**SPECIAL COMMITTEE ON THE ADMINISTRATION OF THE  
COMPENSATION FUND, AND RELATED QUESTIONS OF PROFES-  
SIONAL CONDUCT, SOLICITORS' ACCOUNTS, AND PUBLIC  
RELATIONS**

Mr. John J. Robinette, Chairman, presented the Report of the Special Committee on the Administration of the Compensation Fund, and Related Questions of Professional Conduct, Solicitor's Accounts and Public Relations:

**TO THE BENCHERS OF THE LAW SOCIETY OF UPPER CANADA  
IN CONVOCAION ASSEMBLED:**

The SPECIAL COMMITTEE ON THE ADMINISTRATION OF THE COMPENSATION FUND AND RELATED QUESTIONS OF PROFESSIONAL CONDUCT, SOLICITORS' ACCOUNTS, AND PUBLIC RELATIONS begs leave to report:

At the meeting of Convocation on the 19th October 1962 it was resolved that a Special Committee on the Administration of the Compensation Fund and Related Questions of Professional Conduct, Solicitors' Accounts, and Public Relations be appointed consisting of Messrs. Robinette, G. A. Martin, O'Brien, R. F. Wilson, Sheard and Wright.

Your Special Committee met on 21st June 1963, the following members being present: Messrs. Robinette (Chairman), G. A. Martin, O'Brien, Sheard, R. F. Wilson, and the Treasurer; and on the 23rd December 1963, the following members being present: Messrs. Robinette (Chairman), G. A. Martin, O'Brien, Sheard, R. F. Wilson, Wright, and the Treasurer.

**ABOLITION OF TRUST ACCOUNTS**

Your Committee considered correspondence from members of the profession which suggested the abolition of trust accounts or the limiting of the amount to be carried in trust accounts, and other restrictions which, if adopted, might inconvenience the great majority of honest lawyers. It was suggested during consideration that members of the profession are prepared for far greater supervision and are willing to put up with some inconvenience in an effort to solve the problem of defalcations and the resultant adverse publicity.

Your Special Committee is of the opinion that these suggestions do not provide the answer to the problem, and recommends that no action be taken on them at this date.

## SPOT AUDITS

Your Committee considered correspondence from members of the profession and from two County Law Associations recommending the appointment of more auditors and the extension of the policy of spot audits. This policy is already in effect, and the Society is presently looking for a second auditor for its permanent staff. Your Committee is of the opinion that the Law Society might well consider five auditors as part of the Secretary's staff.

Your Committee recommends that five leading firms of auditors be retained to do spot audits in three larger cities; the audit to be a spot check rather than a regular audit, and the Committee recommends that Mr. R. L. Anderson, C.A. be asked to draft instructions as to what the auditors should look for and a standard report to be made to the Society. On the instructions to the auditor there would be included —

“This information is to be given to no one but the Law Society of Upper Canada.”

If Convocation approves of this resolution it is estimated that these investigations would be proceeded with as soon as possible — probably late in March. The Discipline Committee will be organized so that it may meet immediately to consider reports by the auditors, lay charges where warranted, investigate the charges, and make recommendations to Convocation forthwith.

## COMPULSORY BONDING

Your Committee considered letters from members of the profession, including two Benchers, with reference to the compulsory bonding of all practising solicitors in some form. The Committee was informed that Mr. R. F. Wilson and Mr. Jarvis, the Deputy Secretary, were getting further information with reference to this matter.

Your Committee is of the opinion that compulsory insurance or bonding is the last resort in an attempt to solve the problem of defalcations; and recommends that this matter stand for further information and a specific proposal from an insurance company or group of companies.

## SOLICITOR'S PRACTISING

### CERTIFICATE — AUDITOR'S CERTIFICATE

The following resolution was made by Mr. Isadore Levinter at a joint meeting of the Discipline Committee and Professional

Conduct Committee on 15th November 1963, and was referred to this Committee:

That each member of the Society who receives clients' funds be required as a condition of obtaining an Annual Practising Certificate to file with the Society, signed by a Chartered Accountant, a certificate that a Chartered Accountant has examined the books and records of the solicitor and that they comply with the rules of the Society: and

1. that the solicitor keeps books and records as required by the Society;
2. that such books are posted up to date which record separately trust account receipts and disbursements;
3. that there is a monthly reconciliation of the trust banking account which appeared to be in balance on the 31st of October;
4. that the solicitor maintains a record and list of liabilities to clients of trust funds and a comparison of this list with the bank balance;
5. that neither the solicitor's bank trust account nor any of the accounts of trust money held for clients appeared to be overdrawn.

AND that in default of the filing of such certificate the solicitor may be suspended.

AND that the Rules of the Society be amended accordingly.

Your Committee recommends that Mr. Jarvis, the Deputy Secretary, discuss with the Secretary of the Institute of Chartered Accountants of Ontario and Mr. Michael Mackenzie of Clarkson, Gordon & Company, all the problems involved in this policy including a new form of certificate, and in the policy of spot audits as recommended above.

#### WORK OF THE DISCIPLINE COMMITTEE

Your Committee reviewed the burden of work on members of the Discipline Committee, particularly in the last few years, and more particularly since September 1963.

Your Committee recommends that the Discipline Committee be asked to draft a new Rule to authorize the Chairman or Vice-Chairman to designate a Committee of not less than three members of the Committee to investigate any particular matter.

Moved by Mr. Robinette, seconded by Mr. O'Brien, that the report be adopted.

*Carried.*

## SPECIAL COMMITTEE ON ELECTION OF BENCHERS

Mr. R. F. Wilson, Chairman, presented the Report of the Special Committee on Election of Benchers:

TO THE BENCHERS OF THE LAW SOCIETY OF UPPER CANADA  
IN CONVOCATION ASSEMBLED:

The SPECIAL COMMITTEE ON ELECTION OF BENCHERS begs leave to report:

A Special Committee on Election of Benchers was first appointed by the Treasurer in May 1961. The present Committee was re-constituted by the Treasurer in September 1963, with the following terms of reference:

“To examine and report upon the present provisions and practices concerning the election of benchers, and to make recommendations thereon.”

The members appointed by the Treasurer to the Special Committee are: Mr. R. F. Wilson, Q.C., Chairman, and Messrs. C. F. H. Carson, Q.C., J. J. Robinette, Q.C., and A. R. Jessup, Q.C., with Mr. J. D. Arnup, Q.C., Treasurer, assisting in its deliberations.

A memorandum was prepared by the Treasurer setting out certain items which he felt might be considered by the Committee with respect to the election of benchers. The Committee was not restricted to these items. At the request of Convocation, this memorandum was forwarded to all the benchers, asking them for their comments.

Your Committee met on 18th October 1963, and again on 14th November 1963, to consider the Treasurer's memorandum and review the correspondence received from eight benchers. The Committee had before it the relevant sections of The Law Society Act, R.S.O. 1960, Chapter 207, The Rules of the Law Society of Upper Canada and extracts from Statutes in Canada, England, Scotland, Australia and New Zealand with respect to the election of benchers.

At the present time there are 2,802 members of the Law Society in Metropolitan Toronto, plus 76 members within a radius of 10 miles of Metropolitan Toronto, bringing the total number of members in or near Metropolitan Toronto to 2,878. In Ontario there are 5,685 members of the Society, so that the distribution of members in the Province and those in and around Metropolitan Toronto is about even.

The Bench as presently constituted consists of 15 benchers

elected from Toronto and 14 benchers elected from the rest of the Province.

It is the opinion of your Committee that one of the most serious problems to solve is how to ease the burden of work which now falls upon Toronto benchers. This arises primarily because of the great increase in the number of matters required to be processed by the Discipline Committee and the ever increasing number of applications for payment out of the Compensation Fund which also have to be dealt with by this same Committee. Your Committee is satisfied that having regard to the limitations of time and distance the out of town benchers have faithfully discharged their duties as the members of the various committees of the Society and to ask them to do more would be unfair and inequitable. Your Committee has therefore concluded that the only way in which the workload can be reduced to reasonable proportions is by increasing the number of Toronto benchers.

Your Committee therefore recommends that the number of elected benchers be increased from 30 to 32 and of these 32 benchers 17 be elected from Metropolitan Toronto and 15 from the rest of the Province. Metropolitan Toronto shall be deemed for the purposes of this report to embrace the geographical area occupied by "The Municipality of Metropolitan Toronto."

The voting for the election of benchers will proceed as before with each member of the Society having the right to vote for the election of 32 of the nominees without regard to their place of residence. The 17 persons in the Metropolitan Toronto area and the 15 persons from the rest of the Province who have the highest number of votes in these two areas shall constitute the elected body of 32 benchers.

Your Committee recommends that in the future retired Judges of the Supreme Court of Canada, the Exchequer Court of Canada and the Supreme Court of Ontario should not be ex officio benchers of the Society.

The Treasurer had suggested in his memorandum that a bencher became a life bencher after serving 15 years even if he has not been elected at four quinquennial elections. Your Committee recommends that no alteration should be made to the requirement that a bencher be elected at four quinquennial elections before he becomes an ex officio bencher of the Society.

Your Committee recommends that any person who has held

the office of Treasurer, should be an ex officio benchers of the Society.

Your Committee considered an IBM Report with respect to the use of a business machine in the operation of counting ballots. It would appear that the use of a punched card format to tabulate votes under such a system would save the Society both time and money. Your Committee recommends that an IBM business machine be used in the counting of ballots.

Your Committee recommends that nominations for benchers should continue to be signed by at least ten persons entitled to vote, but that in addition the written consent of the nominee, agreeing to become a candidate, should be incorporated into the nomination form.

Mr. Wilson read a letter of 20th November 1963 from Mr. Fennell, and a letter of 9th December 1963 from Mr. Jessup.

Moved by Mr. R. F. Wilson, seconded by Mr. Robinette, that the Report be adopted.

Moved in amendment by Mr. Robins, seconded by Mr. Ford, that the recommendation of the Special Committee with reference to ex officio benchers elected at four quinquennial elections be struck out and the following substituted therefor:

“Your Committee recommends that every person who has been elected a bencher at three quinquennial elections and has served fifteen years as a bencher, shall ex officio be a bencher of the Society.”

The amendment was carried.

Moved in amendment by Mr. Wright, seconded by Mr. Chitty, that the Report be adopted including the amendment referred to immediately above — except those paragraphs referring to the increase in the number of elected benchers from 30 to 32 — and that this matter be referred back to the Special Committee for further consideration and report.

The amendment was carried.

THE MOTION AS AMENDED WAS CARRIED.

## REPORTING COMMITTEE — Mr. Wright

Your Committee met on Wednesday, 15th January 1964, the following members being present: Messrs. Wright (Chairman), O'Brien (Vice-Chairman), Common, Harris, Maloney, W. S. Martin, McCulloch and Strauss.

## REASONS FOR JUDGMENT

In a letter of 20th March 1963 Mr. W. B. Common, Q.C., Deputy Attorney-General, informed the Secretary that during the debate on the Departmental estimates, Department of the Attorney-General, it had been suggested that in all cases where Reasons for Judgment have been delivered, copies of the Reasons should be filed in the office of the Clerk or Registrar of the appropriate Court in order that they might be available to the litigants without cost.

At its meeting on the 16th October 1963 your Committee approved in principle of a copy of any written Reasons being filed with the Record; and recommends the continuation of the present system of the Law Society providing copies on order. Mr. Common agreed to discuss the matter further with the Attorney-General, and the Committee recommended that the matter be further considered when he reports.

At its meeting on the 15th January 1964 Mr. Common reported that the Attorney-General approved of a policy which would apply to the Supreme Court of Ontario and the County and District Courts of Ontario whereby copies of judgments, including oral judgments, will be filed with the Registrar of the relevant Court and attached to the Records. Litigants may then examine the Record, read the Reasons, make notes or copy if they so desire.

The Society's policy of supplying copies of Reasons for Judgment on order will be continued.

#### REPORTING — FREE LIST

In its Report of the 13th November 1963 the Committee recommended that the Secretary ascertain the necessity of continuing distribution of the Ontario Reports to those persons designated under old Rule 68. A memorandum of the Secretary of the 8th January, and a letter of 10th January 1964 from the Chairman were considered.

Your Committee recommends that the present policy be continued, and that the free list as checked be approved; and that the policy be considered each year in the month of January.

#### REPORTING, 1963

The Canada Law Book Company Limited, printers of the Ontario Reports, has given to the Chairman the following information with reference to Reporting in 1963:

"In the two volumes of Ontario Reports published during 1963 we find there are 1472 pages compared with the 1470 pages (combined total) in the volumes of Ontario Reports and Ontario Weekly Notes published in 1962.

We also published 163 pages of Minutes of Convocation compared to 142 pages published in 1962.

During 1963 we distributed 5405 copies of Ontario Reports to individual names on the Law Society's list compared to 5366 copies during 1962.

The amount charged to the Law Society for the Ontario Reports during 1963 was \$35,750.19 compared to \$34,981.18 in 1962. During 1963 both the cost of paper and wages increased so that the cost to the Law Society increased from \$12.50 per page and \$16.50 per page to \$13.27 per page and \$17.42 per page respectively.

We feel that our special offer with regard to binding Ontario Reports 1963 and supplying Ontario and Domi-

nion Statutes met with a very substantial acceptance and we actually supplied 1,180 copies of bound volumes, of both 1963 O.R. Vol. 1 and Vol. 2. Present indications are that approximately the same number of people have taken advantage of this offer for 1964."

#### FIRST CANADIAN ASSOCIATION FOR ASSISTANCE OF PERSONS INJURED BY ACCIDENT, INC.

Your Committee had considered correspondence from the Department of the Provincial Secretary with respect to the above Association's application for incorporation in Ontario.

Messrs. Seaman, Levinter, and Strauss were appointed a Committee to study the matter and take whatever action they considered necessary.

In October 1963, the Secretary wrote the Provincial Secretary setting out the Sub-Committee's recommendations which opposed the application for incorporation.

On 18th November 1963 the Director of Companies replied stating that it had been decided that it would not be in the public interest to incorporate the above Association.

#### LAWYERS' ASSISTANCE

At the meeting of the Committee on the 15th November 1963, the Committee considered a letter from the Treasurer with reference to an organization called "Lawyers' Assistance."

A problem was raised as to whether the firm drew applications for letters patent, by-laws, minutes, etc. for members of the public.

The Committee requested that the Secretary investigate "Lawyers' Assistance" and ascertain whether it confined its services to the legal profession.

Lawyers' Assistance wrote the Secretary on 14th January 1964 confirming that it is a secretarial service confined to members of the profession.

## SUB-COMMITTEE ON TRUST COMPANIES

Pursuant to the recommendation of the Committee at its meeting on 19th April 1963, the Sub-Committee on Trust Companies met with the Senior Officers of The Trust Companies Association, as requested by the President of the Association, Mr. W. Leo Knowlton, Q.C. —

It was agreed that the Trust Companies Association of Canada (Ontario Division) was to prepare and present to the Sub-Committee on Trust Companies, an agreement formulating a code of ethics between Trust Companies and the legal profession with respect to trust functions and the drawing of wills. This agreement was confirmed in a letter written by the Secretary to the Executive Director of The Trust Companies Association dated 22nd May 1963.

At the meeting of the Unauthorized Practice Committee on 15th November 1963, the agreement not having been received, the Secretary was instructed to write to all the Trust Officers of The Trust Companies Association of Canada, who had met with the Sub-Committee on 16th May 1963, and inquire as to the Association's progress in drafting an agreement.

The Secretary was also instructed to inform the Senior Officers that the Committee would proceed to deal with its report at its next meeting on 17th January 1964, if it was not in receipt of the agreement.

Letters of reply were received from:

- (1) Ernest T. Godwin, General Manager, Crown Trust Company, dated 27th November 1963;
- (2) J. E. Taylor, President and General Manager, The Canada Trust Company, dated 5th December 1963;
- (3) E. F. K. Nelson, Executive Director, The Trust Companies Association of Canada, dated 2nd January 1964.

The correspondence was considered by the Committee.

The Committee, not having received the agreement, instructed the Secretary to prepare a synopsis of Statute Law in other Provinces with respect to trust functions and the drawing of wills, and forward this information to all the Committee members before its next meeting.

## UNAUTHORIZED PRACTICE GENERAL

The Committee considered several matters which have been or are under investigation. In one matter your Committee recommended that a further opinion from counsel be obtained and that counsel investigate another matter and take whatever action he considered necessary.

## COMMITTEE MEMBERSHIP

Your Committee recommends that Mr. W. S. Martin, Q.C., be added to the Committee.

## THE REPORT WAS ADOPTED

## CONTINUING EDUCATION COMMITTEE — Mr. Robins

#### THE REPORT WAS ADOPTED

---

#### PROFESSIONAL CONDUCT COMMITTEE

At the request of the Chairman, Mr. O'Brien, Vice-Chairman, presented the Report dated 14th November 1963 which was presented to Convocation on the 15th November 1963 and directed to stand to this meeting; and the Report dated 16th January 1964:

Your Committee met on Thursday, 14th November 1963 the following members being present: Messrs. Slemin (Chairman), Fennell, Howland, Strauss.

Mr. R. F. Reid, Q.C. was present by request.

#### RULINGS OF THE PROFESSIONAL CONDUCT COMMITTEE

At the meeting of Convocation on 18th October your Committee presented Rulings 1-30, and recommended their adoption by Convocation. It was moved in amendment that Ruling 30 be referred back to the Committee for consideration of the suggestions made by Messrs. Fennell and Williston.

Your Committee recommends the adoption of Ruling 27 as amended to read as follows:

#### SPLITTING FEES:

Unauthorized or  
unqualified persons

Any arrangement whereby solicitors directly or indirectly share, split or divide fees with conveyancers, nota-

ries public, students, clerks or other persons who bring or refer business to the solicitor's office is highly improper and constitutes professional misconduct. It is similarly improper for a solicitor to give any financial or other reward to such persons for referring business.

Thus an arrangement between a solicitor and a conveyancer to divide fees on applications for Probate or Administration is improper whether both participate in the work involved or not.

Similarly, any arrangement whereby in return for a flat fee or for part of the fee charged a solicitor permits his name to be placed on such applications which had been prepared by the conveyancer is equally improper.

Section 25 of The Solicitors Act prohibits an Ontario solicitor from acting for a person not qualified as a solicitor in Ontario. Thus a solicitor may not act for an unqualified person, whether that person is in Ontario or outside Ontario. A solicitor may not, therefore, share a fee with a lawyer qualified to practise in, say, Quebec or the United States but not qualified to practise in Ontario.

It should be borne in mind that the Act provides severe penalties for the infraction of this rule. For such infraction the Ontario solicitor may be struck off the rolls and the "unqualified" person may be committed to jail for up to one year.

Your Committee recommends the adoption of *Ruling 30*, as amended, to read as follows:

#### FEES WHERE TWO OR MORE MEMBERS ACT IN ONE INTEREST:

1. In any matter, whether civil or criminal, in which one member of the Society consults or retains another member, or in which two or more members are consulted or retained, it is:

- (a) proper for each to charge for work that he has done in the matter; but
- (b) improper for either to split or share his fee with the other or, directly or indirectly, to remit any part of such fee to the other or to give, directly or indirectly, any financial or other reward to another member or any other person in connection with the referral of the matter to him.

2. It is furthermore improper:

- (a) for a member to hold himself out as willing to split or share fees with other members or give payment or reward of any kind to other members or to other persons for referring matters to him;
  - (b) for members to suggest or require that such be done by other members.
3. In a matter in which two or more members have acted in the same interest, an account should be sent to the client showing the total amount charged by and to be paid to each member so that the client will be aware that a fee is being charged by each member and the amount of such fee.

(NOTE: The Committee draws attention to the prohibition in The Solicitors Act against sharing fees with unqualified persons. This includes solicitors of the United States or of other provinces who are not qualified to practise in Ontario. (See Ruling 27) )

Your Committee recommends the adoption of a new *Ruling* 31 as follows:

#### TARIFF OF FEES:

The following statement of policy was proposed by the Discipline Committee and was adopted by Convocation in October 1957:

- 1. That it is ethical for County Law Associations to establish a tariff of fees;
- 2. That an inflexible tariff which does not in itself allow for deviation in proper cases, should be discouraged;
- 3. That the Discipline Committee is not prepared to recommend enactment of any rule providing that a mere breach of a tariff is in itself a disciplinary offence;
- 4. That holding himself out or allowing himself to be held out as prepared to do professional business at fees less than the appropriate scale prevailing in the area in which he practises, is unprofessional conduct on the part of a solicitor;
- 5. That it is not practicable for the Discipline Committee in the first instance to investigate alleged breaches of the principle set out in paragraph 4, but that such breaches should first be investigated by the local association, which in its discretion could make

a report to the Discipline Committee setting out the facts ascertained by the Association.

---

Your Committee met on Thursday, 16th January 1964, the following members being present: Mr. O'Brien (in the Chair), and Messrs. Fennell, Howland, Sheard and Strauss.

Mr. R. F. Reid, Q.C., was present by request.

#### RULINGS OF THE PROFESSIONAL CONDUCT COMMITTEE

At the meeting of Convocation on the 15th November 1963 the Professional Conduct Committee presented a Report dated 14th November 1963 and containing recommendations with reference to Ruling 27, Ruling 30, and a new Ruling 31. Following a motion to adopt the Report it was moved in amendment and carried that consideration of the Report be deferred to the January meeting of Convocation, and that a copy be sent to all Benchers.

The motion was carried.

#### RULING 27

Your Committee recommends that Ruling 27, as it appears in the Committee's Report dated 14th November 1963, be amended by striking out the word "highly" in the fourth line of the first paragraph, and striking out the last two paragraphs.

#### RULING 30

Your Committee recommends that Ruling 30, as it appears in the Committee's Report dated 14th November 1963, be amended by striking out the Note, and otherwise the Ruling stands for consideration of Convocation.

#### RULING 31

Your Committee recommends no change in this Ruling as it appears in the Report of 14th November 1963.

#### PUBLICATION OF PROFESSIONAL CONDUCT BOOK

Your Committee considered certain proposals made by law book publishing companies, and recommends that consideration stand for further information.

Your Committee recommends, however, that Rulings 1 - 31, except Ruling 30, be printed forthwith in the Ontario Reports.

Moved by Mr. O'Brien, seconded by Mr. Howland, that the

Reports be adopted with the exception of Ruling 30 and the paragraphs referring thereto.

Moved in amendment by Mr. Ball, seconded by Mr. Sanders, that Ruling 31 be amended by adding thereto the final paragraph of the statement of policy concerning county tariffs as adopted in 1957.

The amendment was lost.

The motion was carried.

The Finance Committee asked this Committee to consider how expenditures might be reduced in the Bar Admission Course. At its meeting on 16th January 1964, your Committee referred the matter to a Sub-Committee which was appointed by the Chairman to consist of himself, the Vice-Chairman and Messrs. Keith, Sheard and Williston, the Director to be invited to attend. The Sub-Committee met on 17th February 1964, and its report and recommendations are before the Committee.

#### TO THE MEMBERS OF THE LEGAL EDUCATION COMMITTEE OF THE LAW SOCIETY OF UPPER CANADA

Your Committee met on Monday, 17th February 1964 at 4:00 o'clock in the afternoon, the following members being present: Mr. Howland, Chairman and Messrs. Keith, Robins and Sheard. Mr. Roberts attended at the Chairman's request. The Committee considered a memorandum submitted by the Director of the Bar Admission Course and, after giving the whole question careful consideration, recommends:

1. Heads of courses be paid \$350 per week instead of \$500 per week.
2. Instructors should receive \$40 per day for a five-day week but should get no pay for the days on which they give no

group instruction (when their standby must conduct groups in their stead).

3. Standby instructors should receive a minimum of \$100 per week, and for every day they give group instruction they will receive \$40 which will be applied against their basic stipend of \$100 each week (i.e. if a standby gives no lectures or two lectures he will receive \$100 per week but if he delivers three lectures in one week he would receive \$120 for that week).
  4. A per diem rate should be maintained for lecturers rather than an hourly rate.
  5. The Director be asked to make every possible reduction in the costs of printing and stationary.
  6. The cost of the Call ceremony be charged to the Society's general funds instead of to the Bar Admission Course.
  7. Any changes in the structure of the courses which would involve increased cost be considered by the Legal Education Committee and scrutinized carefully.
- All of which is respectfully submitted.

"W. G. C. Howland"  
Chairman.

*Approved.*

#### SUB-COMMITTEE ON PROJECTED INCREASE IN THE NUMBERS IN THE BAR ADMISSION COURSE

The Sub-Committee met on Thursday, 20th February 1964, at 2:00 p.m., and its interim report and recommendations are before the Committee.

#### TO THE MEMBERS OF THE LEGAL EDUCATION COMMITTEE OF THE LAW SOCIETY OF UPPER CANADA

Your Committee recommends:

1. The Law School limit its first year enrolment to 200 or less commencing in September 1964.

Mr. Reid discussed these with Mr. Howland, Chairman of the Legal Education Committee, and they have suggested a revision of Part IV which is submitted herewith.

The case would be made by Ridpaths of Toronto, and the exterior including wood and metal would be made to match the present Convocation Hall. #### CALL TO THE BAR

#### DISCIPLINE COMMITTEE—Mr. O'Brien

Messrs. Ford, Common and Maloney asked that it be recorded in the Minutes that on account of previous knowledge of the matters involved in the first four Reports of the Discipline Committee to be presented today, they had not sat on any of these matters and did not vote on any of these Reports.

#### *Re X, a Solicitor*

The Committee investigated four specific complaints against the solicitor covering his relations during the years 1953 to 1960 with Messrs. Vincent Feeley and Joseph McDermott, who had been active in the operation of certain social clubs long suspected of illegal gaming activities. The complaints are summarized as follows:

The solicitor

(a) assisted Feeley and McDermott in their illegal activities over a number of years knowing them to have criminal records;

(b) made written representations to the Attorney General's Department on their behalf without reasonable enquiry as to the accuracy of the information communicated;

(c) acted in disrespect for a judicial office in relation to an enquiry before the Deputy Provincial Secretary respecting the suspension of the charter of one of the clubs;

(d) made representations as to the character and qualifications of Feeley and McDermott to the office of the Superin-

tendent of Insurance at Ottawa (in relation to an application for a licence for a finance company) which representations were of a misleading nature and made without reasonable enquiry as to their accuracy.

On the evidence the Committee found that the complaints mentioned in paragraphs (a) (b) and (c) had not been established but had more difficulty with respect to the complaint mentioned in paragraph (d) being of the opinion that the conduct of the solicitor came very close to professional misconduct in that he failed to communicate to the office of the Superintendent of Insurance information that was detrimental to his clients, though it was probably material to the enquiry that had been made, it being the contention of the solicitor that he was not under a duty to disclose detrimental information, and that he thought that the Department would make its own investigation. Speaking generally the Committee was of the opinion that in such a situation the solicitor's conduct should be governed by the following considerations:

1. When a solicitor is called upon to give a character reference or to make representations of fact on behalf of a person to advance that person's interests he should not give such reference or make such representation without adequate knowledge concerning the matter.
2. He must not in any circumstance convey information that he knows to be false and more especially so where the information is material to the enquiry.
3. He must not convey information carelessly or recklessly without concern as to its truth or falsity.
4. He must not deliberately withhold or conceal any material information concerning the matter even though its disclosure might be detrimental to the person concerned.
5. When the client or person concerned insists that certain information be withheld which is material, the solicitor should decline to give the character reference or to make the representation.

The Committee was further of the opinion that it is of importance to the legal profession that when representations of fact are made on behalf of a client or a character reference is given, that the recipient can rely on the information given, and it should not be necessary that the truth or accuracy of the information be investigated by the recipient.

While it has not been the usual practice for the Committee to make a report to Convocation where the complaint against

the solicitor has not been established, nevertheless the Committee felt that it was desirable in the circumstances to make a report embodying the foregoing views for the guidance of the profession.

Moved by Mr. O'Brien, seconded by Mr. Robins, that the Report be adopted.

The solicitor attended with his counsel, but neither addressed Convocation.

The motion was carried.

---

RE: DAVID GONDRAN HUMPHREY

The Committee reported after due inquiry that the solicitor's conduct as a whole in relation to persons known to him to be professional gamblers having interests in or operating illegal gaming houses was unbecoming a barrister and solicitor in Ontario inasmuch as over a period of four years he fraternized with them to an extent neither required nor justified by his professional association and participated in arrangements under which another solicitor engaged in discreditable activities, and also at the request of one of them permitted a mortgage belonging to a convicted professional gambler to be registered in his own name when he did not appreciate all that was involved in the transaction. The Committee recommended that he be reprimanded in Convocation and ordered to pay \$1,500.00 to the Society, being part of its expenses incurred in this investigation.

Moved by Mr. O'Brien, seconded by Mr. Pattillo, that the Report be adopted.

The solicitor attended but did not address Convocation.

The motion was carried.

---

RE: WALTON CHARLES ROSE

The Committee reported that after due inquiry it found that the solicitor was guilty of conduct unbecoming a barrister and solicitor in that he took part in a transaction that required him to assume a false identity and conveyed false information to a police officer and in that connection took instructions and guidance from a person without determining that person's right to give instructions or his interest in the matter and also that in preparing an affidavit purporting to show bias on the part of a Commissioner he permitted himself

to be dominated by his clients and went far beyond what was necessary or proper to advance his clients' interest. The Committee recommended that he be reprimanded in Convocation and that he be ordered to pay \$500 to the Society, being part of its expenses incurred in its investigation.

Moved by Mr. O'Brien, seconded by Mr. Creighton that the Report be adopted.

The solicitor attended but did not address Convocation.

The motion was carried.

---

RE: SOLLY GEBIRTIG

The Committee reported that after due inquiry it found that the Solicitor was guilty of conduct unbecoming a barrister and solicitor in that he permitted himself to be used by persons known to be professional gamblers and moving spirits in gambling clubs for their illegal purposes and recommended that the solicitor be reprimanded in Convocation.

Moved by Mr. O'Brien, seconded by Mr. Levinter, that the Report be adopted.

The solicitor attended but did not address Convocation.

The motion was carried.

---

Messrs. Humphrey, Rose and Gebirtig attended before Convocation and were reprimanded by the Treasurer.

Messrs. Humphrey, Rose and Gebirtig were informed that Messrs. Ford, Common and Maloney had taken no part in the consideration of these three Reports.

---

*Discipline Committee* — The Treasurer reported to Convocation that on these four matters reported immediately above, the Discipline Committee sat for seventeen days, and expressed to the members of the Discipline Committee the thanks and appreciation of the members of Convocation.

---

REVISION OF RULES — *Discipline Committee*

Mr. O'Brien, Vice-Chairman, presented the Report of the Discipline Committee:

Moved by Mr. O'Brien, seconded by Mr. Gregory, that a copy of this Report be sent to all members of Convocation, and that consideration stand to the March meeting of Convocation.

##### *Rule (5)*

Moved by Mr. Harris, seconded by Mr. W. S. Martin, that the Report be adopted.

Moved in amendment by Mr. Ball, seconded by Mr. Ford, that the matter be referred back to the Committee for further consideration, and that the Committee be reminded that the proposed Rule 5(a) is already provided for in the Contract with the publisher.

The amendment was carried.

### MISSING BOOKS

Your Committee recommends that a notice be inserted in the Ontario Reports listing the books taken out contrary to the Rules, in 1963, and appealing to the members of the profession to return any library books which may be in their possession.

### MR. MIDDLETON:

Your Committee reports that Mr. John G. Middleton, Q.C., has presented certain framed pictures, of considerable interest to the members of the Society, to be placed in the museum set up by the Committee on Muniments and Memorabilia.

### RULES REVISION:

Your Committee approved a draft revision of the Rules relating to the library and the Great Library regulations, subject to certain changes, at its November 1963 meeting but asked that the Phillips Stewart Library regulations be redrawn. Your Committee now reports that it has approved the draft revision of the Rules and Great Library regulations, a copy of which is attached to and forms a part of this report and recommends that the Phillips Stewart Library regulations be not published with the Rules since they are for use only in the law school.

### SHELVING — LEGAL PERIODICALS:

As many of the legal periodicals shelved in the Old Robing Room have filled the spaces left for them in 1957, your Committee recommends to the Finance Committee that three nine-foot double sided book cases be purchased at a cost of around \$900.00 to provide space for from seven to ten years expansion in this section of the library.

written complaint and such formal complaint shall then stand referred to the Discipline Committee for further investigation and report or such action as the Committee deems proper as hereinafter set forth.

3. The Chairman, Vice-Chairman or Secretary shall thereupon appoint a time and a place for the investigation of the formal complaint and the Secretary shall notify the solicitor whose conduct has been called into question of the formal complaint and the time and place appointed for the investigation and shall arrange for the attendance of such witnesses and the production of such books and records and other documents as may be indicated and may require such witnesses to give evidence under oath or by affirmation concerning the complaint that is being investigated, and may require the production of such books and records and other documents.

4. For the purposes of its investigation and report the Committee may receive and accept as *prima facie* evidence of any facts stated in it, the statutory declaration of any person who therein declares to his personal knowledge of such facts.

5. The notice required to be given to the solicitor of such investigation (or any other notice required to be given to a solicitor by these Rules) may be given by personal service or by mailing a copy thereof in a registered letter addressed to the solicitor at his last known residence or office address and such service or mailing shall be not less than 7 days before the date of the investigation (or in other cases 7 days before the event or the thing required to be done) and proof by statutory declaration of the mailing of the said notice shall be sufficient evidence of service of such notice on the solicitor concerned. The Committee may also in its discretion, direct that notice be given by publishing a copy of the same in one issue of a newspaper published in the city or town or county in which the solicitor concerned resides, resided or carried on his practice and proof of such publication may be made by statutory declaration as in the case of mailing, and the proof by statutory declaration of such publication shall be sufficient evidence of service of such notice on the solicitor concerned. In cases of mental incompetency of a solicitor, where there is a committee, a copy of such notice shall be sent by registered mail to such committee.

6. If the solicitor shall fail to appear pursuant to the notice at the time and place appointed, the Committee may thereupon proceed with such investigation in the absence of such solicitor.

7. The Committee may from time to time adjourn any investigation.

8. Where there is a variance between the wording of the formal complaint and the evidence adduced in support thereof, and where in the opinion of the Committee, the solicitor has not been prejudiced by lack of notice, the Committee may direct an amendment of the formal complaint so as to make it conform to the evidence and proceed with the investigation, but where in the opinion of the Committee the solicitor may be prejudiced by such amendment, the Committee may if it is of the opinion that such prejudice can be removed by an adjournment, make such amendment and adjourn the investigation to a later date.

9. The Committee shall reduce to writing or cause to be taken down in shorthand, or by a mechanical recording process, the evidence adduced or given by the witnesses and the solicitor, if he testifies.

10. In all cases where professional misconduct or conduct unbecoming a solicitor has been established, the Committee shall report the results of their investigation to Convocation together with their views and recommendations as to disciplinary action, but where the Committee finds that there has been a breach of discipline or conduct reflecting on the honour of the Bar which does not amount to professional misconduct or conduct unbecoming a solicitor the Committee may take disciplinary action by way of reprimand and may require the solicitor to give such undertakings or to submit to such supervision as the Committee may deem proper.

11. Whether or not the Committee finds that professional misconduct or conduct unbecoming has been established, the Committee may recommend to Convocation that the name of a solicitor be removed from the rolls of the Society at his request.

12. When the Committee shall have prepared its report for submission to Convocation, the Secretary shall thereupon cause a copy of the report to be served upon the solicitor whose conduct is under investigation, either personally or by registered letter or by publication of a notice of such report in manner aforesaid, together with a notice that the report will be considered and dealt with by Convocation at a meeting to be held at a certain hour upon a date to be named, which shall be not less than seven days after the date of service in manner aforesaid, and such notice shall provide that the solicitor may appear at such meeting and be heard per-

sonally or by counsel in respect of the report of the Committee and in respect of the action of Convocation to be taken thereupon; and Convocation may thereafter take such action in the manner as to it may seem meet, whether or not the solicitor shall appear in response to the said notice. If the solicitor intends to challenge or dispute any statement of fact or finding of fact contained in the report of the Committee at such meeting of Convocation he shall, not later than the day previous to such meeting, give to the Secretary a statement in writing setting forth any statement of fact or finding of fact which he intends to challenge or dispute.

13. A solicitor may be appointed by Convocation or the Committee either at a salary to be fixed or by special retainer whose duty it shall be to enquire into all cases which may be brought to his notice by the Committee or its Chairman, or by the Secretary, whether or not any formal complaint has been made and to report thereon to the Committee, and if requested by the Committee or its Chairman or the Secretary, to prepare matters for investigation by the Committee and to appear before the Committee on any investigation as its counsel and to conduct the examination of witnesses.

14. Where the solicitor appointed by Convocation or the Committee has made his report, the Committee or its Chairman or a member thereof or the Secretary, may direct the preparation of a formal complaint and may proceed with the investigation of such formal complaint as hereinbefore provided.

15. Any solicitor whose conduct is being investigated shall have the right to adduce evidence and to appear by or be represented by counsel.

16. Where preliminary investigation has indicated some minor breach of discipline or the possibility that a breach of discipline will occur or in any other case, the Committee, may, without formal complaint, invite a solicitor to appear before it to enable it to make an informal investigation, and the Committee in addition to any of its other powers may after such informal investigation admonish or warn the solicitor in relation to the matter so investigated.

DISCIPLINE COMMITTEE—Mr. G. A. Martin

RE HENRY HARRY ECKLER

The Committee reported that after due inquiry it found the solicitor guilty of professional misconduct and conduct unbecoming a barrister and solicitor in that he had not replied

to letters from the Law Society of Upper Canada in connection with complaints against his professional conduct. The Committee reported that the solicitor was reprimanded in Committee, and recommended that no further action be taken.

Moved by Mr. Martin, seconded by Mr. O'Brien, that the Report be adopted.

RE: A, a solicitor

The Committee reported that after due inquiry it found the solicitor guilty of professional misconduct and conduct unbecoming a barrister and solicitor, in that he failed to maintain his books and records in accordance with the Society's Rules Respecting Accounts; and had allowed various of his clients' trust accounts to be overdrawn, and recommended that the solicitor be reprimanded in Convocation.

Moved by Mr. Martin, seconded by Mr. O'Brien, that the Report be adopted.

The solicitor attended with his counsel, but did not address Convocation.

The motion was carried.

RE: B, a solicitor

The Committee reported that after due inquiry it found the solicitor guilty of professional misconduct and conduct unbecoming a barrister and solicitor, in that he failed to maintain his books and records in accordance with the Society's Rules Respecting Accounts; and had allowed various of his clients' trust accounts to be overdrawn, and recommended that the solicitor be reprimanded in Convocation and required to pay \$830.00, being the cost of the Society's investigation.

The Committee considered that since Mr. A. was a partner of the solicitor, using the same books, he should also bear responsibility for them, and Notice of Complaint was served upon him and he gave evidence at a later date concerning the partnership's books. The Committee wished to point out the responsibility of all partners in such situations.

Moved by Mr. G. A. Martin, seconded by Mr. O'Brien that the Report be adopted.

The Solicitor attended with his counsel who addressed Convocation briefly.

The motion was carried.

Messrs. A and B and their counsel, re-attended before Convocation, and Messrs. A and B were reprimanded by the Treasurer.

SPECIAL COMMITTEE ON THE ADMINISTRATION OF THE  
COMPENSATION FUND AND RELATED QUESTIONS OF  
PROFESSIONAL CONDUCT, SOLICITORS' ACCOUNTS,  
AND PUBLIC RELATIONS

Mr. Robinette, Chairman, presented the Report of the Special Committee on the Administration of the Compensation Fund &c.:

TO THE BENCHERS OF THE LAW SOCIETY OF UPPER CANADA  
IN CONVOCATION ASSEMBLED:

The SPECIAL COMMITTEE ON THE ADMINISTRATION OF THE COMPENSATION FUND begs leave to report:

On the 23rd December 1963 the Special Committee on the Administration of the Compensation Fund, &c., recommended that extensive spot examinations be made in three areas. This was approved by Convocation on 17th January 1964.

The undertaking required the cooperation of the Institute of Chartered Accountants of Ontario and the detailed arrangements were made with the help of the President of the Institute who undertook to ask chartered accountants to assist the Society to carry out its plan.

Three areas were selected in which a total of 493 lawyers practised.

Lists of all the lawyers in each area were compiled and chartered accountants assigned to carry out investigations. They were provided with authorizations and letters of introduction to the lawyers as well as copies of the Rules Respecting Accounts, detailed instructions how to carry out their investigation, a simple form of report to be filled out and a return addressed envelope to carry the report back to the Society.

At 8:00 p.m. on Monday 16th March, a meeting was held in Osgoode Hall for 38 chartered accountants who received final instructions from Mr. Robert Anderson to examine the accounts of every lawyer in Metropolitan Toronto east of the Don River. The investigation began at 9:00 a.m. on 17th March and was completed by late afternoon with but one or two exceptions.

At 8:00 p.m. on Wednesday 18th March, Mr. Anderson met with the chartered accountants in Windsor and gave them final instructions. They began examinations of the accounts of every lawyer in Windsor at 9:00 a.m. the following morning. One other area will be done shortly.

It is expected on the basis of present returns that the reports will fall into three broad categories.

1. Those which indicate that the Rules have been kept;
2. Those which disclose minor breaches; and
3. Those which on their face disclose serious breaches of the Society's Rules.

Where serious faults appear, Notice of Complaint will be drafted forthwith and where necessary a further investigation will be carried out.

Where minor faults have been discovered, members will be required within a period of three months to satisfy the Society by a certificate by a chartered accountant that their records have been brought into compliance with the Rules. Failure to supply such a certificate will result in Notice of Complaint and further investigation.

Where it appears that the Society's Rules have been kept no action need be taken.

67 reports had been received when this report was written.

1. 22 of them indicate the solicitors have kept the Rules.
2. 25 reports show faults as follows:
  - (a) 19 made no reconciliation of clients' ledgers with clients' bank accounts.
  - (b) 4 made no monthly comparison of the trust ledger accounts.
  - (c) 3 kept no list of securities held for clients.
  - (d) 2 kept no trial balance.
  - (e) 2 had insufficient book records.
  - (f) 1 maintained no trust bank account separately from his general bank account.
3. 2 reports indicate serious faults; in one instance no books were kept and in the other there were overdrawn clients' trust accounts.

(These three categories total 49, not 67, because lawyers grouped as firms kept books in common).

Three instances did not fit easily into any of the above categories: in one case no records were kept and the member stated that his practice was such that he required no trust

records. In the second case the member had withdrawn from practice entirely, and in the third the member was away on holidays.

In summary:

Class 1 (no action needed)	45%
Class 2 (minor faults)	52%
Class 3 (serious faults)	3%

A further report will be made when all the reports have been considered.

### LIBRARY COMMITTEE—Mr. Steele

Your Committee met on the 18th March 1964, the following members being present: Messrs. Steele (Chairman), W. S. Martin (Vice-Chairman), and Messrs. Levinter, Strauss and P. D. Wilson.

#### PHILLIPS STEWART LIBRARY

At the request of Dean Leal the standing committee of the Faculty of Osgoode Hall Law School dealing with Phillips Stewart Library problems was invited to attend the meeting of your Committee to discuss the facilities, conditions and policies of the Osgoode Hall and Court House libraries with a view to formulating a long-term plan for acquisitions in the Phillips Stewart Library. The meeting was attended by Mr. Howland, the Chairman of the Legal Education Committee, Mr. Roberts, the Director of the Bar Admission Course, Miss Brown, librarian of the Judge's Library, Miss MacBeth, librarian of the York County Law Association and Mr. Honsberger, the secretary of that Association as well as by the Dean and members of the law school committee. A memorandum prepared by Mr. Lamek, the assistant librarian in charge of the Phillips Stewart Library, was presented and discussed.

Your Committee recommends, in view of the importance of the matters being considered and, in particular, of the urgent need for increased space for books and seating accommodation in the Phillips Stewart Library, that copies of this memorandum be sent to all the Benchers of the Society and that the matter be further considered at the April meeting of the Committee.

## REPORTING COMMITTEE—Mr. Wright

Your Committee met on Wednesday, the 18th March 1964, the following members being present: Messrs. Wright (Chairman), O'Brien (Vice-Chairman), Levinter, W. S. Martin, Strauss and P. D. Wilson.

## RULES—Reporting Committee

The following is an extract from the Report of the Committee dated 19th February 1964:

*"Notices and Advertisements — Ontario Reports"*

Further to certain advertisements which appeared recently in the Ontario Reports and the considerable comment thereon, your Committee recommends the addition of the following to the Reporting Rules:

## RULE (5)

(a) The Reporting Committee may permit the publisher to publish with each part of the Reports such advertising not objectionable to the Society as the publisher may wish to print at his own expense, but all such advertising shall be entirely separate from the text of the Reports.

(b) All advertisements placed in the Ontario Reports by solicitors except announcements should not disclose the solicitor's name but may include a box or telephone number."

Following a motion to adopt the Report, it was moved in amendment, seconded and carried, that the matter be referred back to the Reporting Committee for further consideration.

The Secretary reported that during the discussion on Rule (5) it was pointed out that the principle of (a) is already included in the present printing contract; and that there appeared to be considerable feeling that an advertisement should have the name and locality attached if the advertiser wishes.

Your Committee has carefully considered the proposed Rule, referring again to certain advertisements which appeared recently in the Ontario Reports and the considerable comment thereon, and recommends the addition of the following to the Reporting Rules:

## RULE (5)

(a) The Reporting Committee may permit the publisher to publish with each part of the Reports such ad-

vertising not objectionable to the Society as the publisher may wish to print at his own expense, but all such advertising shall be entirely separate from the text of the Reports.

(b) Any advertisement placed in the Ontario Reports by a member of the Society which discloses his name must not in any way call attention to special qualifications or connections of the member.

- (e) The association shall make an annual report to the Society, showing the state of its finances, and of its library, for the fiscal year, which shall commence on 1st January, and end on 31st December, with such other particulars as may be required by the county libraries committee.
- (f) (i) If in the opinion of the county libraries committee a county library is not being properly cared for or for any other reason it is not being satisfactorily maintained, the committee may, with the approval of Convocation, require the trustees of the responsible law association to return the books comprising the library to the Chief Librarian at Osgoode Hall at the expense of the association and the trustees shall do so.
- (ii) If such trustees fail or refuse to return the books as above, or if there are no trustees or not sufficient trustees capable of acting or willing to act, the association acknowledges that Convocation may take such steps to obtain the said books as it deems advisable and that any expense incurred thereby shall be paid by the said law association.

(4) Upon formation an association shall transmit to the Chief Librarian a certified copy of its Constitution and by-laws and all amendments made thereto, and upon incorporation a certified copy of its Charter and by-laws, and all amendments made thereto, containing the above provisions and proof of the condition of its funds and that proper accommodation has been provided for its library, with such other particulars as may be required by the county libraries committee.

(5) Where sittings of the Supreme Court of Ontario are held in two or more towns or cities in any county, the county law association may establish a library in each; if more than one library has been established in any county, the annual grant to the law association under Rules 7 and 8 may be increased by an amount not exceeding 50 per cent of the grant that would otherwise be made.

#### RULE 6

Where the committee is satisfied that the required conditions have been complied with, it shall make a report thereon to Convocation.

#### RULE 7

For each year thereafter, the grant in aid from the Society shall, subject to the provisions of Rules 8 and 11, be an amount double the amount of the fees actually paid to the association by its members who are members of the Society, or who are Judges, Magistrates or Justices of the Peace, up to a maximum sum of twenty-five dollars per annum for each such member unless Convocation otherwise directs, having regard to the report of the Chief Librarian on the condition of the respective libraries and their needs.

#### RULE 8

(1) In addition to the grant provided for by Rule 7 each association whose library is reported on satisfactorily by the Chief Librarian shall be entitled to receive an amount equaling two-thirds of the sum actually paid out by such association for telephone service and for salary of librarian. The amount shall, however not exceed \$200.00 except in the case

of associations having a membership of fifty or more, which may receive not more than \$300.00.

Where the Chief Librarian makes a special report in favour of an increased grant, the sums heretofore may be increased to not more than \$400.00 and \$600.00 respectively on the recommendation of the county libraries committee.

Your Committee recommends that the matter be referred to Messrs. Strauss and Ford to confer with Mr. Houser and other Trustees, and with Mr. Weisdorf.

## TO THE LEGAL AID COMMITTEE

The Provincial Director begs leave to present his twelfth Report for the year 1963.

Reports have been received from all but 4 Counties this year. The information contained herein provided information only with respect to those Counties which have compiled regular records, and does not include those services which are provided by individual lawyers who recognize their duty to provide voluntary assistance free of charge to the indigent.

Our thanks are extended to the entire legal profession whose overwhelming support has made possible the provision of legal services to members of the public who find themselves in financial difficulties. We further acknowledge with thanks the financial aid provided us by the Government and Attorney-General of this Province.

Legal Clinics were held in fourteen (14) Counties and Districts, in nine (9) regularly, and in five (5) as required. The following Counties and Districts held clinics throughout the year:

Algoma	19	Lambton	8
Bruce	12	Lincoln	19
Carleton	23	Middlesex	5
Elgin	19	Northumberland	
		and Durham	19
Essex	51	Wellington	19
Frontenac	19	Wentworth	52
Grey	19	York	46

A total throughout the Province of 310.

The number of Counties holding clinics has increased by two since 1962, however the total number of clinics held has increased by sixty-five percent (65%). The total number of applicants as set out below has increased, the greatest increase taking place in York County.

During the last year, the Assistant Director made regular attendances at the penitentiaries in the Kingston area for the purpose of interviewing applicants for legal aid in these institutions. The Assistant Director has attended the penitentiaries each month and has interviewed one hundred and thirty-four (134) applicants during 1963.

Assistance in criminal matters was provided in every County and District reporting.

The interest of the Legal Aid Committee of this Society is of prime importance to the Bar of Ontario, particularly in the areas of public relations, guidance and control, and the work done by the Committee and other members of the Society can be of very great assistance in the solution of such problems as may be encountered by local directors as well as in-

dividual practitioners. The Legal Aid Committee is most anxious that any problems be brought to its attention through the Provincial Director, Mr. W. Earl Smith, Q.C., or his assistant, Mr. John Weisdorf, both of whom will render their fullest assistance with enthusiasm and dispatch in the interest of promoting the full and efficient functioning of the Ontario Legal Aid Plan.

With the information at our disposal, the following figures indicate legal work done in 1963:

<i>Applications</i>	<i>1963</i>	<i>1962</i>	<i>1961</i>	<i>1960</i>
Civil	10,931	8,389	6,405	4,553
Criminal	2,338	1,990	2,300	1,909
<i>Aid</i>				
Civil	10,300	7,210	5,303	3,658
Criminal	1,656	1,398	1,735	1,414

York County accounted for 8,534 applicants in Civil matters, while aid was given in 8,234 cases; 1,055 applications were received in criminal matters, and aid was given in 713 cases. The great bulk of the 8,234 cases consisted of advice only, or were otherwise disposed of in the clinics or in the office of the Assistant Director of Legal Aid.

During the last year Legal Aid defended thirteen (13) persons accused of murder, and three hundred and five accused of other serious charges.

To the Chairman and members of the Legal Aid Committee I wish to extend my thanks for their guidance and counsel.

On behalf of the Committee and personally, I wish to thank the local Advisory Committee, Local Directors, and members of the profession generally for their contribution to the Legal Aid Plan.

“W. Earl Smith”  
Provincial Director.

The index to be reviewed periodically, perhaps once a year.

At the meeting of the 20th February the Chairman presented a copy of this Survey and the Committee recommended that the matter be referred to a sub-committee consisting of Messrs. Raney (Chairman), McCulloch and O'Brien to consider the Survey and report on how its recommendations might apply in Ontario. The Chairman, Mr. Raney, has been in correspondence with various officials of the Missouri Bar, and with the Chairman of the Public Relations Committee of the Canadian Bar Association.

### ELECTION OF TREASURER

Mr. John Douglas Arnup, Q.C. was elected Treasurer for the ensuing year.

The Treasurer expressed to Convocation his deep gratitude for the complete cooperation and warm support he had had from all Benchers during the past year, and for the immense amount of work which so many benchers, especially those on the Discipline Committee, had performed with cheerfulness and ability.

He stated that our chief problems, continuing or imminent, appeared to be:

- (1) The enormous total of claims against the Compensation Fund, raising problems not only as to how to pay them, but as to how to give them all the thorough review they require.
- (2) The continuing need of supervision of solicitors' accounts.
- (3) The formulation and implementation of a broader basis of legal aid.
- (4) Problems of space and accommodation for the Secretary's Staff, for the Bar Admission Course and the Osgoode Hall Law School, and for Committees of Convocation, especially the Discipline Committee.

The Treasurer, on behalf of himself and all members of Convocation, expressed appreciation of the efficiency and cheerfulness of the Secretary, his Deputies and staff in the discharge of their duties, and of the importance of the public relations aspects of the work of the Secretary's office, since the principal contact between the public and the Society was through that office.

## THE REPORT WAS ADOPTED

## SPECIAL COMMITTEE ON LIBRARY STAFF

Pursuant to the recommendation of the Library Committee, the Treasurer appointed a Special Committee on Library Staff consisting of: Messrs. Steele, Keith and Strauss.

## REPORTING COMMITTEE—Mr. Wright

Your Committee met on Wednesday the 13th May 1964, the following members being present: Messrs. Peter Wright (Chairman), O'Brien (Vice-Chairman), Harris, Maloney, W. S. Martin and Strauss.

### REPORTING

In February 1964 the Honourable Mr. Justice Arthur Kelly drew to the attention of the Chairman two matters which are said to be of concern to some of the Judges:

1. The delay in printing judgments;
2. The lack of any published record of the disposition of appeals before the Reasons for Judgment are printed.

As to the delay in printing judgments, the Committee recommended that no action be taken, except that the Chairman see the Honourable Mr. Justice Kelly and explain that the main reason for the delay in printing is a matter of cost.

As to (2), the Committee at its March meeting recommended that where a case is reversed, judgment at the trial having been reported, a note of the reversal should appear without waiting for the reporting of the Reasons for Judgment.

The Chairman reported that the necessary arrangements have been made with the publishers.

*Approved.*

### REASONS FOR JUDGMENT

The Carswell Company Limited reports that over the years it has purchased copies of judgments in matters of interest to the Company, but that they have now reached the stage where it would seem advisable in providing various services for the profession in Ontario to have access to all judgments from which it could extract those which had relevance to any of its publications. They ask what type of arrangements as to costs could be made with the Law Society.

At the present time solicitors are charged for judgments \$1.00 per page. Canada Law Book Company receives copies of all judgments without charge, and other publishers receive them at a special discount.

Your Committee recommends that the Society make available a special rate for law book companies and publishers in Ontario for whatever copies they wish over and above the one free copy provided to the Canada Law Book Company as publishers of the Ontario Reports.

## ONTARIO REPORTS — Costs

Your Committee considered correspondence from Canada Law Book Company Limited stating that the price of the Ontario Reports per page would be increased to take care of the increase of 238 members who were Called to the Bar in April 1964. The price per page will be increased from \$13.27 and \$17.42 to \$13.63 and \$17.78 respectively.

*Noted and Approved.*

# UNAUTHORIZED PRACTICE COMMITTEE—Mr. Seaman

Your Committee met on Friday, the 15th May 1964, the following members being present: Mr. R. L. Seaman (Chairman), Mr. R. D. Steele (Vice-Chairman), and Messrs. Ball, Clement, Fennell, Levinter, W. S. Martin, Seymour, Slein and Strauss.

## P. LICANDRO

Mr. E. Peter Newcombe, Q.C., an Ottawa Solicitor, wrote the Secretary, enclosing a letter from Mr. P. Licandro, in which the latter described himself as a solicitor.

An action was commenced against Mr. Licandro for violating Section 6 of The Solicitors Act.

On 30th April 1964, the Society's Counsel reported to your Committee that the trial was before Magistrate Carter, and that at the conclusion of the hearing, the Magistrate accepted the plea of guilty and sentenced Mr. P. Licandro to a fine of \$50.00 and costs. The Magistrate took a serious view of the offence and in sentencing Mr. Licandro, told him that the practice of law was a highly complex undertaking and that he, Licandro, was a menace to others when he attempted to advise them on matters of which he had no knowledge. Mr. Newcombe attended the trial on behalf of the Law Society, since he was the President of the Carleton County Law Association at the time the complaint against Licandro was reported. In a report to Mr. Walker, Mr. Newcombe said: "I think all practising solicitors should be grateful to the Law Society for the interest which they show in our welfare and in acting promptly on complaints of this nature."

## SOLICITOR'S TITLE SERVICE LIMITED

The Director of Companies in a letter to the Secretary, dated 9th December 1964, asked the Law Society for its comments with respect to the application for incorporation of Solicitor's Title Services Limited. The Secretary was instructed to refer this matter to Mr. C. H. Walker for his opinion.

A report from the Committee's counsel was considered by the Committee at its meeting in February. During the discussion, several matters were introduced which might raise problems if such a company was granted a Provincial Charter.

Mr. W. S. Martin was appointed a Sub-Committee, with power to add, to investigate further into those aspects which might create difficulty.

Your Committee at its March meeting, recommended to Convocation that it would oppose the application of Solicitor's Title Services Limited for incorporation.

Mr. W. S. Martin's written recommendations opposing the incorporation were reviewed by the Committee members, and the Secretary was requested to draft a letter to the Director of Companies, objecting to the incorporation of Solicitor's Title Services Limited.

On 13th May 1964 the Secretary received a letter from the Director of Companies advising that it was the decision of the Department of the Provincial Secretary that incorporation would not be granted.

#### UNAUTHORIZED PRACTICE — GENERAL

The Committee referred two matters to counsel for investigation and directed the Secretary to obtain further information with respect to several complaints.

#### LEGAL AID COMMITTEE—Mr. Levinter

Your Committee met on Thursday, the 14th May 1964, the following members being present: Messrs. Levinter (Chairman), Wright (Vice-Chairman), Maloney, Steele and Strauss.

#### NATIONAL LEGAL AID AND DEFENDER ASSOCIATION

The 42nd Legal Aid and Defender Conference will be held in Buffalo 13th - 16th October 1964. The Ontario Legal Aid Plan has been invited to —

1. Co-sponsor the Conference
2. Become a regular member of the Association (Minimum fee \$50.00)
3. Appoint one member to the Programme Committee.

Your Committee recommends that the Ontario Legal Aid Plan accept the invitation to act as Co-sponsor of the Conference; that it become a regular member of the Association; and that it appoint to the Programme Committee Mr. Arthur Maloney, Q.C., and Mr. John Weisdorf, Assistant Provincial Director.

## LEGAL AID — YORK COUNTY

In March 1964 Mr. Elmore Houser, Q.C., President of the County of York Law Association, informed the Chairman that he would like to discuss certain matters of legal aid in York County with the Committee. The matter was referred to Messrs. Strauss and Ford to confer with Mr. Houser and other Trustees of the Association. —

On 13th April 1964 Messrs. Levinter, Ford and Strauss and the Secretary met with Mr. Houser and three other representatives of the County of York Law Association.

On the 6th May Mr. Houser wrote to the Chairman confirming the intention of the County of York Law Association to review, and where necessary revise, the operation of the legal aid system in the County of York. In order to carry out their plans, they ask that the Association be granted complete control and jurisdiction over the employees of the Law Society employed in the Legal Aid Office at the City Hall while they are working on legal aid matters for the County of York.

The Association also asks the assistance of the Committee in making representations to the Attorney-General with a view to implementing the recommendations contained in the Association's report to the Joint Committee on Legal Aid in respect of the following matters:

1. Creation of a central remand court of first instance in the County of York.
2. Distribution of notice to the public and particularly to accused persons at the time of their arrest of the availability of legal aid.
3. Notification by all Magistrates of the availability of legal aid and the right of an accused to a remand pending the securing of legal aid in his defence.

Your Committee recommends that authority be given forthwith to the County of York Law Association to direct the members of the Law Society's staff employed in the Legal Aid Office in the City Hall, when engaged in legal aid work for the County of York, subject to the performance of province-wide duties of Mr. Weisdorf as Assistant Provincial Director, and subject to the submission to your Committee by 15th June 1964 of a proposal and plan of operation of legal aid work in the County of York.

Your Committee further recommends that it assist the County of York Law Association in making representations to the Attorney-General on the three matters as set out above.

PUBLIC RELATIONS COMMITTEE—Mr. W. S. Martin

Your Committee met on Thursday, the 14th May 1964, the following members being present: Messrs. W. S. Martin (Chairman), Ball, Gray, O'Brien and Wright.

Mr. James Cowan, Public Relations Consultant, was present by invitation.

PUBLIC RELATIONS PROGRAMME OF THE MINNESOTA STATE BAR ASSOCIATION

In its Report dated 9th April 1964 the Committee recommended:

1. that the Chairman of your Committee be authorized to retain Mr. James Cowan for advice, not only on a public information programme similar to that of the Minnesota State Bar Association, but for suggestions for a public relations programme for the Law Society of Upper Canada and the approximate cost thereof; and that Mr. Cowan be invited to attend the next meeting of your Committee.
2. consideration of a public relations programme similar to that of the Minnesota State Bar Association, and that the Sub-Committee be authorized to set up a test pamphlet on the subject — "Buying a Home? Why do you need a Lawyer", or a similar subject, and that Mr. W. G. C. Howland be requested to suggest a writer for the pamphlet on this subject; that the pamphlet be revised by your Committee and Mr. Cowan and presented to Convocation with an estimate of approximate costs.

Mr. A. S. Pattillo, the Chairman of the Sub-Committee in this matter, presented for the consideration of the Committee the draft of a test pamphlet to be called — "Buying a Home? Why you need a Lawyer". Your Committee, with the assistance of Mr. James Cowan, considered and edited the draft pamphlet, and for the next meeting of the Committee Mr. Cowan will have for the consideration of the Committee copies in layout form together with an estimate of cost.

## MISSOURI BAR — PRENTICE HALL SURVEY :

A MOTIVATIONAL STUDY OF PUBLIC  
ATTITUDES AND LAW OFFICE MANAGEMENT

At its meeting on 9th April the Committee recommended that Mr. Fraser Raney, Q.C. and Mr. S. L. Robins, Q.C., Vice-Chairman of the Legal Education Committee and Chairman of the Continuing Education Committee, be requested to attend the lawyers' Practising Institute at the expense of the Continuing Education Committee. Messrs. Raney and Robins had made arrangements to attend the Institute on 5th June. In view of Mr. Raney's unfortunate accident, Mr. Brendan O'Brien will attend in his place.

Your Committee recommends that further consideration of this Survey stand for the report from Messrs. O'Brien and Robins following their attendance at the Lawyer's Practising Institute in St. Louis, Missouri.

## THE REPORT WAS ADOPTED

SPECIAL COMMITTEE ON THE ADMINISTRATION OF THE  
COMPENSATION FUND AND RELATED QUESTIONS OF  
PROFESSIONAL CONDUCT, SOLICITORS' ACCOUNTS,  
AND PUBLIC RELATIONS

At the request of the Treasurer, Mr. O'Brien presented the Report of the Special Committee:

Your Committee met on Friday, the 1st May 1964, the following members being present: Messrs. Robinette (Chairman), the Treasurer, G.A. Martin, O'Brien, R. F. Wilson and Wright.

UNSCHEDULED EXAMINATIONS OF TRUST ACCOUNTS IN  
TORONTO, WINDSOR AND OTTAWA

Your Committee reported to Convocation when it met on 10th April 1964. As part of its report were appended statistical results of the "Blitz" examinations which took place in Toronto, Windsor and Ottawa. The figures have been revised to reflect the correct interpretation of Rule 8 (e) of the Rules Respecting Accounts. The result of this is to lower the number of instances in which faults had appeared in members' books and records; in Ottawa from 80% to 69%, in Toronto from 90% to 85% and in Windsor from 91% to

86%. This represents over the three centres a reduction from 85% to 78%. The altered figures appear in Schedules 1 and 3 which are attached hereto and form part of this report.

#### COMPULSORY ANNUAL AUDITOR'S CERTIFICATE

When it met on 10th April 1964, Convocation had before it a draft auditor's certificate. The matter was referred back to this Committee for further consideration and when your Committee met on 1st May 1964, changes were suggested in the certificate which the Deputy Secretary will discuss with Mr. Robert Anderson, Mr. Michael Mackenzie of Clarkson, Gordon & Co. and Mr. Merrilees of the Institute of Chartered Accountants of Ontario.

Your Special Committee further recommends that the form of Declaration to be signed by solicitors on payment of their annual fees be redrafted to give further details with reference to the completing of accounts, etc.

#### UNSCHEDULED EXAMINATIONS OF TRUST ACCOUNTS

Your Special Committee recommends that further unscheduled examinations be made in the near future in three representative centres to be chosen by lot.

#### SCHEDULE 3

Contraventions of the Society's Rules Respecting Accounts were grouped under the classifications shown on this schedule. Below are brief explanations of these categories:

(i) *No books for clients' trust monies*

Certain firms either did not maintain trust cash receipt and disbursement records, or did not maintain a clients' trust ledger. Many felt that since they handled but few trust transactions, proper records were not necessary.

(ii) *No books for solicitors' own monies*

These firms did not maintain books to record the receipt and disbursement of general office monies. Most of these firms did not maintain trust accounting records.

(iii) *Books do not separate trust and office monies*

Trust and general office transactions were not properly segregated so that not only were the members monies mixed with their clients' monies, but the monies handled for each client were not kept separate from all other clients.

(iv) *Trust books not up to date*

Arrears in recording and posting the trust books of account were the second most common deficiencies encountered in these investigations. The average lengths of time in arrears in each centre were:

Ottawa	54 days
Toronto	49 days
Windsor	29 days

It would appear that the records in these cases are being recorded at intervals, for example, on Monday for the prior week's transactions. Obviously it would not be possible for the solicitors to be provided with clients' trust balances at the time they are making disbursements on their behalf. The trust records serve only to record historical facts rather than to be of service to the solicitors.

(v) *Trust bank account records not available*

Some firms deposit their clients' trust monies into interest-bearing savings accounts on which the cashed cheques are retained by the banks. The solicitor has only his cheque stubs, at best, to support trust disbursements.

Other firms do not retain copies of deposit slips for deposits into the trust bank account.

These deficiencies make it difficult for the Benchers of the Law Society to take effective steps to examine the accounts of solicitors when necessary to ascertain compliance with the Rules.

(vi) *Trust bank account not so designated*

The bank accounts used for trust account transactions were not so designated on the records of the bankers.

(vii) *No record of fees*

The Rules provide that members must record all fees and other billings to clients. The firms in this category did not maintain such a record. Some had copies of billings in individual clients' files but nowhere was there a record compiling all such billings.

(viii) *No listing of valuable property held in trust*

These firms had such information only in their clients' files. No formal record was maintained wherein the valuables held for all clients were listed.

(ix) *Trust ledger balances not reconciled monthly with monies in the trust bank account*

Infractions of Rule 8 (e) were present in 61% of the

firms examined. The profession at large does not realize what is required under this Rule: a monthly trial balance of the clients' trust ledger, the total of whose credit balances, representing liabilities to clients, should agree with the reconciled balance of cash in the trust bank account; this record must be prepared and maintained and forms as much a part of the accounting records as the ledgers.

A number of firms simply ran adding machine tapes of the trust ledger balances, and if the balance of cash in the trust bank equalled or exceeded this total, the tape was destroyed. No permanent records of such comparison were retained.

In practice, such a record is of great assistance to solicitors. Not only does it allow them to check regularly their clients' balances, but it:

- (a) draws attention to amounts in trust which can properly be transferred to general;
- (b) permits them to check the accuracy of the book-keeping function.

Unless such records were available to the Chartered Accountants making these investigations, it was not possible for them, under their instructions, to discover whether there were in fact overdrawn clients' trust accounts or shortages in trust funds. Any of these firms may in fact have trust shortages.

(x) *Overdrawn clients' trust accounts*

Some firms appear to make a practice of advancing funds to or on behalf of clients in excess of the monies they hold in trust for such clients. Such contraventions of Rule 3 are serious and are to be discouraged. Unless the solicitors maintain personal monies in the trust bank account (a practice to be discouraged), the result is that one client's money is being used on another client's behalf.

(xi) *Apparent shortages in trust funds*

The majority of these shortages appeared to be the result of overdrawn clients' trust accounts.

It is possible that any of the 144 firms which did not prepare the record required under Rule 8 (e) may also have shortages in trust funds.

# THE LAW SOCIETY AMENDMENT ACT, 1964

The Treasurer informed Convocation that this Act came into force on the 8th May 1964.

The Treasurer reported that pursuant to the action of Convocation on the 21st February, 1964 he had appointed a Special Committee on Retired Judges Returning to Practice, consisting of Messrs. O'Brien (Chairman), R. F. Wilson, Sheard, Steele and Gray.

## LEAVE OF ABSENCE — PROFESSOR DAVID W. MUNDELL, Q.C.

In a letter to the Dean, dated 21st May, 1964, Professor David W. Mundell, Q.C., requested leave of absence for a

THE ONTARIO LAW REFORM COMMISSION —  
PROFESSOR H. ALLAN LEAL, Q.C.

At the recent session, the Ontario Legislature passed an act to constitute the Ontario Law Reform Commission. The Commission is to be composed of three or more members appointed by the Lieutenant Governor in Council, and the function of the Commission is to inquire into and consider any matter relating to

(a) reform of the law having regard to the statute law, the common law and judicial decisions;

(b) the administration of justice;

(c) judicial and quasi-judicial procedures under any Act;  
or

(d) any subject referred to it by the Attorney-General. It is provided that the Commission may institute and direct legal research for the purpose of carrying out its functions and the Commission is to report from time to time to the Attorney General.

The Dean has been invited by the Prime Minister of Ontario to act as one of the members of the Commission, of which the Honourable J. C. McRuer will be Chairman. The Dean would serve on a part-time basis.

The Dean asks the Committee's permission to accept the invitation to serve on the Ontario Law Reform Commission.

LAW SCHOOL TEACHING STAFF AND  
ALLOCATION OF SUBJECTS

1. *Full-time Teaching Staff*

At its meeting on 16th January 1964, the Committee authorized the appointment of two additional members to the full-time teaching staff for the session 1964-65. Acceptable candidates have not been found but the Dean recommends two persons to be appointed 1st July 1965 for the session 1965-66. They are:

*Paul Cronin Weiler* (B.A., University of Toronto).

*Derek Mendes da Costa* (LL.B., London).

## 2. *Part-time Teaching Staff*

At its meeting on 16th January 1964, the Legal Education Committee approved the recommendation of Faculty that the size of the teaching units in the First Year should be reduced by offering three sections in the courses in Contracts, Evidence, Land Law, Personal Property and Torts. Since it has not been possible to make full-time appointments, the Faculty recommends that part-time appointments be made in order that the above plan may be implemented in the academic session 1964-65. In addition it is anticipated that Professor David W. Mundell, Q.C., will be granted leave to act as assistant to the Royal Commissioner on the Inquiry into Civil Rights in Ontario, and provision will have to be made for covering the subjects normally taught by him. Accordingly, the Faculty recommends the appointment as Special Lecturers of Ralph Edward Scane and Barry Allan Percival.

*Approved.*

*Dean W. R. Lederman, Q.C.*

In the event that the Committee confirms the decision that leave be granted to Professor David W. Mundell, Q.C., the Faculty recommends that Dean W. R. Lederman, Q.C. of the Faculty of Law, Queen's University, be invited to conduct the class in Constitutional Law with the Second Year at this Law School.

Mr. O'Brien, Chairman, presented the Report of the Discipline Committee:

RE: GEORGE AUSTIN PATERSON, of Hanover

The Committee reported that after due inquiry it found the solicitor guilty of professional misconduct and conduct unbecoming a barrister and solicitor in that he failed in five different ways to keep his books and accounts in accordance with the Rules Respecting Accounts; and recommended that the solicitor be reprimanded in Convocation; that the fact of his having been reprimanded be published in the Ontario Reports; that he be required to submit audited statements of his professional affairs in June, July, August and September 1964, and thereafter quarter-yearly; and that he be required to pay the costs of the Society's investigation.

Moved by Mr. O'Brien, seconded by Mr. Howland, that the Report be adopted.

The solicitor attended and addressed Convocation briefly.

The Report was adopted.

The Solicitor appeared before Convocation and was reprimanded by the Treasurer.

## ORDERS

The Secretary placed before Convocation the following Orders, which, in compliance with Rule 79, are entered on the Minutes of Convocation:

RE: JAMES DOUGALL BARCLAY

RE: ROBERT PHILIP DOYLE

RE: HAROLD WELLMAN SHUTTLEWORTH

Orders Striking off the Rolls.

## LIBRARY COMMITTEE—Mr. Steele

Your Committee met on the 17th June 1964, the following members being present: Messrs. Steele (Chairman), Keith, Levinter, Maloney and Strauss.

### PHILLIPS STEWART LIBRARY

Your Committee reports that it considered further the memorandum of the Assistant Librarian in charge of the Phillips Stewart Library on that library's problems which was

presented at the March Meeting of the Committee and decided that for the near future at least, there was no prospect of the formation of a large central law library. Your Committee recommends that the Chief Librarian request the librarians of the four law libraries in downtown Toronto or others interested in them to form a committee to study the present situation and make recommendations as to the other matters referred to in the memorandum.

#### JUDGES' NOTE-BOOKS

Your Committee reports that at the request of Mr. Justice Gale it has agreed to have the judges' note-books, which have for many years been shelved in an attic room in the west wing of Osgoode Hall, moved and stored in a basement room of the library. This is to be done at no expense to the Society and the Society assumes no responsibility for the note books and may at any time require that they be removed.

THE REPORT WAS ADOPTED.

---

#### REPORTING COMMITTEE

Mr. Ford, Chairman, reported orally that there was a strike at the plant of General Printers Limited, Oshawa, the company which prints the Ontario Reports. Mr. W. B. Cartwright, of the Canada Law Book Company, reported that the next two issues of the Ontario Reports would probably come out on time, but that there was a possibility that one or two issues might have to be omitted after the 1st of July. If this happens the Canada Law Book Company Limited will send out an announcement to all those on the Reports list, and the material will be picked up later when publication is resumed.

THE REPORT WAS RECEIVED.

---

#### COUNTY LIBRARIES COMMITTEE—Mr. Ball

Your Committee met on the 19th June 1964, the following members being present: Messrs. Ball (Chairman), Fennell (Vice-Chairman), Clement, Creighton, Slein, Steele and Strauss.

## ANNUAL GRANTS

Your Committee reports specially that the following county and district law associations, having failed to file their annual returns within three months from the 15th January 1964, have now filed their annual returns and otherwise complied with the Rules adopted from time to time relating to county law libraries and recommends that grants be made to them as follows:

Carleton	\$1,850.00
Kenora	600.00
Lennox & Addington	600.00
Lindsay	658.34
Lanark	600.00

 UNAUTHORIZED PRACTICE COMMITTEE—Mr. Jessup  
Vice-Chairman

Your Committee met on Friday, the 19th June 1964, the following members being present: Mr. A. R. Jessup (in the Chair), and Messrs. Ball, Clement, Creighton, Fennell, Ford, Levinter, Sheard, Slein, Steele and Strauss.

## MEXICAN SERVICE COMPANY

At its May meeting, the Committee requested the Secretary to write a letter to Mexican Service Company pursuant to a report from Mr. C. H. Walker, Q.C. The Committee had

referred a letter from the Better Business Bureau of Metropolitan Toronto to counsel for an opinion. The letter informed the Law Society that Mexican Service Company had placed an advertisement in the Toronto Globe and Mail purporting to represent lawyers in obtaining Mexican divorces recognized in Ontario.

A letter was received by the Committee from the Manager of the Company, dated 2nd June 1964, undertaking to discontinue the advertisement and stating that the Company had not advised anyone that a Mexican divorce would be acceptable in Ontario.

#### GENERAL LAWYER'S SERVICES

Your Committee considered a letter with respect to a business designed as a service for lawyers, to be called "General Lawyer's Services".

The Secretary was instructed to write to Mr. Chapman advising him that the Committee found the company name objectionable as it might be taken to mean that a lawyer, or lawyers, were associated with the operation of the company and this was not the case. Your Committee recommends that the Society oppose any application for incorporation of such an organization.

#### UNAUTHORIZED PRACTICE GENERAL

Your Committee considered correspondence in several other matters and referred one matter to counsel for investigation and requested further information with respect to another.

Moved by Mr. Jessup, seconded by Mr. Steele, that the Report be adopted.

Moved by Mr. Weir, seconded by Mr. Wright, that the Report be amended by referring one matter back to the Committee for further consideration.

The amendment was carried.

The Report as amended was adopted.

---

#### LEGAL AID COMMITTEE—Mr. Levinter

Your Committee met on the 18th June 1964, the following members being present: Messrs. Levinter (Chairman), Steele (Vice-Chairman), Ford, Keith, Maloney and Strauss.

## MEETING OF COUNTY AND DISTRICT DIRECTORS

It has been suggested by the Treasurer, Mr. W. B. Common, a member of this Committee and Chairman of the Joint Committee on Legal Aid, and by Mr. R. F. Reid, one of the Society's representatives on the Joint Committee, that it might be highly desirable to call a meeting in Toronto of all County and District Directors of the Ontario Legal Aid Plan.

Your Committee recommends that all County and District Directors of Legal Aid be invited to attend a meeting in Toronto, on Saturday, 26th September 1964. The meeting will be a private one between the Treasurer, the members of the Legal Aid Committee and the Directors who are personally involved with the administration of legal aid in Ontario. It is hoped that the Directors will assist the Benchers by commenting on the operation of the present plan and on any suggested plans for the future.

## LEGAL AID — YORK COUNTY

At its meeting on the 14th May 1964 this Committee recommended that authority be given forthwith to the County of York Law Association to direct the members of the Law Society's staff employed in the Legal Aid Office in the City Hall, when engaged in legal aid work for the County of York; subject to the performance of province-wide duties of Mr. Weisdorf as Assistant Provincial Director; and subject to the submission to this Committee by 15th June 1964 of a proposal and plan of operation of legal aid work in the County of York. Convocation adopted the Report.

Your Committee has now considered in detail a letter of 11th June 1964 from Mr. Elmore Houser, Q.C., President, County of York Law Association, dealing with

- (a) *Location of Office*
- (b) *Control and Operation of Plan*
- (c) *Staff*

Your Committee recommends approval of the three proposals of the Committee of the County of York Law Association, subject as to staff to the recommendation of your Committee in its Report of 13th April 1964:

“ . . . that authority be given forthwith to the County of York Law Association to direct the members of the Law Society's staff employed in the Legal Aid Office in the City Hall, when engaged in legal aid work for the

County of York; subject to the performance of province-wide duties of Mr. Weisdorf as Assistant Provincial Director."

THE REPORT WAS ADOPTED.

### PUBLIC RELATIONS COMMITTEE—Mr. Ball

Your Committee met on Thursday, 18th June 1964, at 11:00 o'clock in the morning, the following members being present: Mr. Ball, in the Chair, and Messrs. O'Brien and Wright.

### PUBLIC RELATIONS PROGRAMME—*Minnesota State Bar Association*

In the absence of Mr. W. S. Martin (Chairman), Mr. Pattillo and Mr. Cowan, your Committee directed that this matter stand.

### MISSOURI BAR — PRENTICE HALL SURVEY: A Motivational Study of Public Attitudes and Law Office Management

Your Committee recommended that Mr. Brendan O'Brien and Mr. S. L. Robins attend the Lawyers' Practising Institute in St. Louis, Missouri, and that further consideration of this Survey stand for their report. Messrs. O'Brien and Robins attended in St. Louis and presented their Report. Your Committee received the report and recommended that it be circulated to all members of the Committee.

THE REPORT WAS ADOPTED.

---

### PROFESSIONAL CONDUCT COMMITTEE—Mr. Wright

Your Committee met on Thursday, the 18th June 1964, at 2:30 p.m., the following members being present: Mr. Peter Wright, Chairman, Mr. S. E. Fennell, Vice-Chairman, and Messrs. Howland, Keith, O'Brien, Slein and Strauss.

Your Committee has dealt with all letters received on professional conduct as a result of the distribution of the Professional Conduct Handbook in April 1964.

Your Committee proposes to continue to give rulings on matters submitted to it and to review the rulings in the Handbook and others matters requiring ruling. It proposes that minor and individual rulings by it which are not of

general interest will continue to be made and communicated to the individuals directly concerned. "General Rulings" of the type found in the handbook will be reported to Convocation from time to time by the Committee and if approved will be set out in the published minutes of Convocation. From time to time these will be reprinted and sent out to the members of the Profession in loose leaf form for inclusion in the Handbook.

Your Committee would like to report it has:

(a) advised a solicitor that a solicitor making payments against an uncertified cheque or acting on a direction does so at his own risk.

(b) advised a solicitor that he should not be a party to exhortations by a church organization urging its members to make wills using the organization's solicitor.

(c) warned five solicitors that a professional card under the heading "Supply and Trade members" in promotional material for a home builders' festival was contrary to Ruling 18.

(d) determined to give a hearing to counsel on behalf of Canada Bonded Attorney and solicitors listed in it with regard to their position under Ruling 26.

(e) referred a puffing advertisement in a Swiss newspaper to the Discipline Committee.

(f) advised a solicitor who was broadcasting as Canadian correspondent for a periodical that he should be described as correspondent and not as a solicitor and that he was not responsible for references to him as a solicitor which he did not solicit nor knew of beforehand.

(g) advised a solicitor originally retained by one party to institute divorce proceedings that he should not act for any of the four persons concerned where he was later asked by his original client to act for one of the others at the original client's expense, it having been thus agreed among the two couples concerned.

(h) advised a county law association that it was improper to advertise for creditors before an administrator was appointed and exceptional and questionable to do it before probate was granted.

(i) advised a solicitor that photographs of the signs on his office showed them not to be in accordance with Ruling 10.

Your Committee proposes at a later meeting to determine which of the matters set out in the preceding paragraph should be the subject of a Standing Ruling for approval by Convocation and insertion in the Handbook.

In addition your Committee has under consideration matters arising under Rulings 2, 3-6, 8, 9, 11, 12, 15, 16, 17, 23, 24, 28 and 29. Members of the Society having views on these and other matters of Professional Conduct are invited to write the Secretary of the Committee.

THE REPORT WAS ADOPTED.

---

#### SPECIAL COMMITTEE ON LIBRARY STAFF—Mr. Steele

Your Committee met on the 18th June 1964, the following members being present: Messrs. Steele (Chairman), Keith and Strauss.

Your Committee reports that it has interviewed two applicants for the position on the library staff of a prospective replacement for the Chief Librarian but it not yet prepared to report as to its choice.

Your Committee recommends, in view of the fact that there will be no regular meeting of Convocation until September, that the matter be left to your Committee and the Treasurer with power to appoint a candidate.

THE REPORT WAS ADOPTED.

---

#### SPECIAL COMMITTEE ON REVISION OF RULES

The Treasurer reported that the Special Committee had met on the 18th June and reviewed a revision of the Rules, with the exception of a few Rules which must be redrafted in view of some changes in policy. He stated that a copy of the revised Rules would be sent to all Benchers, and that they would be considered at the meeting of Convocation in September.

THE REPORT WAS RECEIVED.

---

#### ONTARIO INTER-PROFESSIONAL LIAISON COMMITTEE

Mr. Howland reported that two meetings of this Committee had been held since the last report to Convocation. The prevailing view of the members is that the Committee should continue to function as a liaison committee, and that no separate body should be incorporated. The Committee has adopted the following as its aims and objectives:

- (1) To create understanding among the professions.
- (2) To determine basic requirements for the practice of a profession.
- (3) To stimulate interest in the professions as a career.
- (4) To interpret the professions to the public.
- (5) To maintain professional freedom.
- (6) To serve humanity and the professions by studying all matters in which the professions may properly interest themselves.
- (7) To foster the co-ordination of the activities of the professions.

Mr. Howland stated that no commitments as to policy would be made by the Society's representatives without first consulting Convocation.

THE REPORT WAS RECEIVED.

---

#### OSGOODE HALL EXTENSIONS

The Treasurer reported that the Ontario Government's part of Osgoode Hall is overcrowded, and the Premier has approved in principle of an addition, and various suggested methods are to be considered. A Committee has been formed by Chief Justice Porter, the Law Society being represented by the Treasurer and Messrs. Carson and O'Brien. Information as to requirements is to be collected and considered in September. The Treasurer stated that at a meeting of the Committee he had raised the question of the existence of five legal libraries in Osgoode Hall and the new Court House.

Moved by Mr. O'Brien, seconded by Mr. Robins, that the question of library accommodation on a long term basis be referred to the Library Committee, with the suggestion that a report be submitted to Convocation in September.

*Carried.*

---

#### LORD DENNING, *Master of the Rolls*

---

CONVOCATION RESUMED at 2:30 p.m. at the O'Keefe Centre, a quorum being present.

The Treasurer and Benchers and their guests, and the Dean and the members of the Faculty of the Osgoode Hall Law School, in academic robes or hoods, then proceeded in academic procession to the stage of the auditorium.

Mr. W. G. C. Howland, Q.C., Chairman of the Legal Education Committee, read the prayer.

## CONFERRING OF HONORARY DEGREES

The Chairman of the Legal Education Committee read the following citations:

I present to you, Sir, James Chalmers McRuer, on the eve of his retirement as Chief Justice of the High Court of Justice for Ontario. His career has been in the best tradition of the legal profession as officer of the Crown, law teacher, practitioner, bencher and judge. Although exhibiting a sincere concern for a proper result in the immediate case, his judgments also reflect a consuming passion for the attainment of more substantial justice as the ultimate purpose of the law, and an equal concern for the development of a more perfect legal system. His special interest in the economically and socially underprivileged in our society is genuine and pervasive and is the natural result of a deep religious faith, made manifest in his active participation in the affairs of his church. His aptitude for the criminal law led to his appointment to no less than three royal commissions and now he is on the threshold of another career as a single Royal Commissioner on the Inquiry into Civil Rights. We salute him as a man honoured and highly respected at home and abroad, as a legal scholar, author, jurist and devout churchman and request you, Mr. Treasurer, to confer upon him our highest academic award.

I present to you, Sir, David Park Jamieson, a graduate of this law school who has already given forty devoted years

to the demands of legal practice and the legal profession. He has always had an uncomplicated and steadfast belief that the organized bar is a vital force for peace, order and justice in our society and he has kept the faith by assuming the onerous duties of high office in the provincial, national and international bar associations. His contribution to legal education has special significance for this Convocation since he played a leading part in the establishment of the course at Osgoode Hall Law School leading to an academic degree. Furthermore, the concept of a Bar Admission Course, providing clinical and practical training so that new lawyers might ably serve the public, bears testimony to his imaginative and energetic approach to these matters. His lifelong interest in the cultural life of the community, and particularly his support of the performing arts, makes him a most valued member of the Canada Council. As one who always maintained his conservative inclinations within proper bounds, I present him to you, Mr. Treasurer — fittingly resplendent in these academics — that you may confer upon him our highest academic award.

The Treasurer then conferred the degree of Doctor of Laws, *honoris causa*, upon James Chalmers McRuer and David Park Jamieson.

**APPROVED LAW FACULTIES CURRICULUM — CIVIL PROCEDURE**

On the 29th July 1964, Professor A. W. R. Carrothers, Dean of the Faculty of Law, University of Western Ontario, wrote to the Society suggesting changes contemplated in the curriculum to be offered by that Faculty. In particular he proposed to delete the Second Year Course in Civil Procedure and to offer an optional Course in Civil Procedure in the Third Year.

Also before the Committee is a copy of a letter of the 3rd April 1957, written by Dr. D. Park Jamieson, Q.C., in which Dr. Jamieson sets out the basic curriculum required of

Law Faculties seeking approval for the purpose of having their graduates enter the Bar Admission Course.

Your Committee recommends that Dean Carrothers be advised that the Committee is unwilling to approve of the proposed change from the basic required curriculum agreed upon by all approved Law Schools without first considering representations on the subject from the other approved Law Schools.

#### OSGOODE HALL LAW SCHOOL

##### SUPPLEMENTAL EXAMINATION RESULTS — AUGUST, 1964

The record of the returns of the examiners of the supplemental examinations, August 1964, for all years, is submitted herewith.

#### PHILLIPS STEWART LIBRARY

At its meeting on 18th June 1964, this Committee considered a memorandum submitted by the Dean requesting the authorization for the employment of a cataloguer for the Phillips Stewart Library, with the condition that her salary be included in the Phillips Stewart Library appropriation in the Law School budget for 1964-65 and thereafter. In the month of August the Faculty considered an application from Mrs. Delores J. Phillips, a First Class Honours graduate in Arts with the Bachelor's degree from the University of Toronto and a further degree of Bachelor of Library Science from the University of Toronto. For the past four years she has been working for the North York Library Board and, prior to that for a short time, with the General Reference Library at the University of Toronto. The necessary approval was obtained for the appointment of Mrs. Phillips as cataloguer for the Phillips Stewart Library as of 29th September 1964.

*Approved.*

#### CRIMINAL LAW PROGRAMME — 1964-1965

The Dean submits the following proposal and budget for the programme for 1964-65:

At its meeting on 25th June 1964, your Committee considered the Report of the Criminal Law Programme, 1963-64, submitted by Professor Martin L. Friedland. It was there stated that recommendations on projects for the ensuing year and budgetary estimates to support the recommendations would be submitted at the meeting of your Committee in September 1964.

1. Secretary's salary	\$3,880.00
2. Work on the Bail Project — Professor M. L. Friedland	2,000.00
3. Work on Canadian Criminal Statistics	1,000.00
4. The programme in Criminal Law at the Law School during the past few months has included a substantial research project on Legal Aid. The interim expenses of this project have been borne by the Criminal Law Programme, but the total cost is to be reimbursed to the Law Society by the Government of the Province of Ontario.	
5. Professors J. D. Morton, Q.C., and M. J. Friedland anticipate that further research projects this year requiring research assistants will be undertaken although the topics are not yet settled.	\$1,000.00
6. As part of the programme in Criminal Law a Spring Conference on some aspects of Criminal Procedure is contemplated and it is felt that a reasonable guarantee for such a Conference would be —	1,000.00
Total —	<u>\$8,880.00</u>

The figure which has been taken, then, for purposes of the Law School estimates and the one recommended for the Criminal Law Programme for 1964-65 is \$9,000.00.

Your Committee recommends that the programme be approved in principle.

#### LAW SCHOOL TEACHING STAFF

##### *Full-time Teaching Staff*

At its meeting on 18th June 1964, the Committee authorized the appointment of *Paul Cronin Weiler* as Assistant Professor, his appointment to be effective as of 1st July 1965. Mr. Weiler has now been appointed for the academic session 1965-66. During the present academic session he will study at Harvard University.

*Approved.*

At its meeting on 18th June 1964, the Committee authorized the appointment of *Derek Mendes da Costa* of the Faculty

of Law, University of Melbourne, as a full Professor on the Faculty of the Osgoode Hall Law School, the appointment to be effective as of 1st July 1965. Professor da Costa has been appointed for the academic session 1965-66. He is presently teaching in the University of Melbourne, Australia.

*Approved.*

Early in July *Professor J. Desmond Morton, Q.C.* was appointed Regius Professor of Laws at Trinity College, Dublin, as of 1st January 1965, and accordingly submits his resignation from the Faculty of Osgoode Hall Law School to be effective 31st December 1964.

Your Committee recommends that Professor Morton's resignation be accepted with regret.

*Professor Ivan R. Feltham* submits his resignation. He intends to join the firm of Messrs. Baker, McKenzie & High-tower beginning the 1st July 1965.

A memorandum from the Dean is before the Committee recommending that Professor Feltham be considered to be on leave of absence for one year but without any obligation upon the Society to re-appoint him at the end of that time.

Your Committee recommends that Professor Feltham be granted leave of absence from 1st July 1965, the details to be worked out by the Chairman, Vice-Chairman and the Dean.

#### *Part-time Teaching Staff*

Consequent upon the approved sectioning of the number of First Year Courses and the granting to Professor Mundell of leave of absence for the forthcoming academic year, it was found that one seminar in Third Year — the Legal Regulation of Competition — could not be conveniently covered without the appointment of a Special Lecturer for this purpose.

At a meeting on 29th June 1964, it was agreed that Professor Spence should be authorized to invite *W. M. H. Grover, Esq.*, a solicitor in the firm of Messrs. Blake, Cassels & Graydon, Toronto, to conduct the seminar in the academic session 1964-65 for thirty hours.

*Approved.*

The Faculty, at its meeting on the 17th September 1964, recommended that *Barry B. Swadron* be appointed Associate in Criminal Law at an honorarium of \$300 to be paid out of the budget for the programme in Criminal Law. Mr. Swadron's appointment is for the academic session 1964-1965 terminating the 30th June 1965.

## DETAILS

During the period 1st January 1964 to 30th June 1964 your Discipline Committee considered applications for grants from the Compensation Fund in respect of the defalcations of F. C. Brown, L. A. ## OUTSTANDING APPLICATIONS TO 30TH JUNE 1964

Applications for payment out of the Compensation Fund totalling \$1,717,696.19 have been submitted to 30th June 1964, but have not yet been disposed of.

It is likely that a proportion of these applications will fail to comply with the requirements of The Law Society Act, but it is impossible to tell what proportion will not result in grants from the Fund.

Mr. O'Brien also presented a summary of the work of the Discipline Committee on Compensation Fund applications during July, August and the first half of September 1964.

## COMPENSATION FUND

At 1st July 1964 applications totalling \$1,717,696.19 were outstanding.

Sixty-four applications were considered by the Committee during July, August and the first half of September, totalling \$331,242.83. Payments have been approved totalling \$139,464.41. Except in cases of extreme hardship no payments have been made. On 7th October 1964, the Committee will finish its scheduled summer work. The total payments approved by then will be considered and the questions of the levy for the ensuing year and the payments which can be made forthwith from the Fund will be studied. The Fund now contains \$285,377.25.

THE REPORT AND THE SUMMARY WERE RECEIVED.

---

On behalf of Convocation the Treasurer thanked the members of the Discipline Committee for their devotion to duty, particularly during the past summer.

Mr. Murphy represented himself to be a solicitor to gain access for an interview with an inmate of the Carleton County Jail.

The Secretary had referred the correspondence to Mr. C. H. Walker, Q.C., for an opinion. Mr. Walker recommended that

a charge be laid against Mr. Murphy for holding himself out and representing himself to be a solicitor.

Your Committee has now instructed counsel to proceed with the charge.

#### UNAUTHORIZED PRACTICE GENERAL

The Committee referred two matters to Counsel for investigation and requested further information on two other matters.

The Committee held one matter over until the next meeting.

#### ESTIMATES 1964-65

The estimates of expenditures for the year 1964-65 were approved by the Committee.

#### LEGAL AID COMMITTEE—Mr. Levinter

Your Committee met on Thursday, the 17th September 1964, the following members being present: Messrs. Levinter (Chairman), Steele (Vice-Chairman), Common, Maloney and Strauss.

Mr. John Weisdorf, Assistant Provincial Director, was present by invitation.

#### ESTIMATES — 1964-65

Your Committee approved of estimates for the year 1964-65 for submission to the Finance Committee.

#### NATIONAL LEGAL AID AND DEFENDER ASSOCIATION

The 42nd National Legal Aid and Defender Association Conference will be held in Buffalo 13th - 16th October 1964. The Ontario Legal Aid Plan was invited to co-sponsor the Conference; become a regular member of the Association; and appoint one member to the Programme Committee. In its Report of the 16th May 1964 the Committee recommended that the Ontario Legal Aid Plan accept the invitation to act as co-sponsor of the Conference; that it become a regular member of the Association.

Plans for the Conference are well under way, and it is expected that several Benchers and other members of the Law Society of Upper Canada will attend. Mr. R. F. Reid, Q.C., a member of the Joint Committee on Legal Aid, has accepted an invitation to address the Conference on Wednesday, 14th October.

Your Committee approves of the action taken to date, and recommends that Mr. R. F. Reid, Q.C. and Mr. Andrew M. Lawson, Deputy Secretary of the Society, and Secretary of the Joint Committee on Legal Aid, attend the Conference as representatives of the Law Society of Upper Canada.

#### LEGAL AID — *York County*

In its Report of 18th June 1964 your Committee approved of certain proposals by the County of York Law Association as to —

- (1) New location of the Legal Aid Office;
- (2) Control and operation;
- (3) Staff.

the latter "subject to the performance of province-wide duties of Mr. Weisdorf as Assistant Provincial Director".

On account of long vacation some delay has occurred with reference to the setting up of the new office, but it is expected that all plans will be implemented in the near future.

#### LONG TRIALS — CIVIL AND CRIMINAL

Two County Directors have recently reported on the difficulty — or impossibility — of obtaining counsel to undertake cases where several weeks are involved. In some criminal cases counsel for co-accused have been retained and paid substantial fees but legal aid has been asked for one accused.

Your Committee recommends that this matter be referred to Mr. John Weisdorf to get the fullest information possible from the Local Directors for further consideration by your Committee.

#### DOMESTIC RELATIONS CASES

One Director reports difficulty in obtaining counsel for domestic relations cases where again a considerable amount of time is involved. In some counties the problem has been partly solved by City Solicitors agreeing to act where the applicants are receiving welfare benefits, but this load is sometimes heavy. It is suggested that consideration might be given to establishing some form of permanent legal assistance in cases involving applicants on welfare and in domestic relations matters generally.

As these matters have already been raised before the Joint Committee on Legal Aid, the Secretary was asked to suggest to the Director that his local Law Association prepare and present a brief to the Joint Committee.

## PROFESSIONAL CONDUCT COMMITTEE—Mr. Wright

Your Committee met on Monday, the 13th July 1964, the following members being present: Mr. Peter Wright, Chairman, Mr. S. E. Fennell, Vice-Chairman, and Messrs. Howland, O'Brien and Strauss.

This report is designed to cover the matters dealt with at both meetings.

Your Committee has continued to deal with all letters received on Professional Conduct and with the various issues which have been raised. It wishes to report the following specific matters.

(a) *Ruling 6 — Real Estate Practice*

The Secretary wrote to Mr. W. N. Jaffray, Director of Registration and Examination of Real Estate Brokers, pointing out to him that the Society intends to deal with lawyers in their relations with Real Estate Brokers which might involve touting, soliciting, steering and conflict of interest. Mr. Jaffray replied on 21st August 1964, in the following terms:

"I refer to your 19th August letter concerning arrangements between lawyers and real estate brokers involving fee splitting and the steering of clients to particular lawyers' offices.

In the past we have had the odd complaint from County Law Associations on this topic. We do not condone real estate brokers or salesmen being parties to such arrangements and are prepared to investigate immediately any such complaint lodged against either real estate brokers or salesmen.

Whenever such a question is raised with us, we take it up with the local Real Estate Board immediately concerned, as these Boards have assured us that they also are opposed to this practice.

We shall be happy to co-operate in investigating such complaints even to the extent of arranging to conduct our investigation of any named broker or salesman jointly, or at least simultaneously, with any investigation being made by others of any named member of the legal profession."

The Committee is pursuing the matter.

(b) *Ruling 15 — Mortgage Brokers*

A solicitor asked the Committee's opinion as to whether he can properly engage in mortgage broking and real estate broking through a limited company or partnership in which he would be a minority shareholder or "silent partner". The Committee considered the proposed practice undesirable.

(c) *Ruling 18 — Advertising*

A firm of solicitors asked whether they could advertise in the Ontario Reports that they were available "for agency work of all types". The Committee directed that the solicitors be informed that the Committee did not approve the suggested advertisement.

(d) *Ruling 18 — Advertising*

The question has been raised with regard to the practice of publishing the picture of a recent graduate together with a statement that he has joined or is about to join a certain firm. The Committee has directed the Secretary to write in the following terms:

"The Committee's view is that if the press as a matter of public interest wish to publish the picture of a recent graduate stating, for example, that he has graduated as a gold medallist, that is, no doubt, quite proper, but such information coupled with the statement that the graduate has joined or is about to join a certain firm, seems to infringe the rule against self-advertising if it is published by arrangement although not paid for."

(e) *Ruling 21 — Trust Accounts*

The Committee considered a Judgment of the House of Lords, *Brown vs. Inland Revenue Commissioners* 1964, 3 W.L.R. 511, in relation to this Ruling and requested that the profession be notified by the publication of this report in the Minutes of Convocation that the Committee was reconsidering Ruling 21 in the light of that report and would appreciate comments from members of the profession concerned. The Committee is also seeking the comments of the Secretary of The Law Society in England.

(f) *Ruling 26 — Collection Agencies — Canada*

*Bonded Attorney*

The Committee heard submissions by Mr. W. E. Estey, Q.C., on behalf of Canada Bonded Attorney and Legal Directory Limited and adjourned the hearing until the next meeting of the Committee. These submissions involved a reconsideration of Ruling 26 and Ruling 19.

*(g) Ruling 9 — Disbarred Persons*

The Committee considered the question of the employment in solicitors' offices of disbarred persons and requested that the profession be notified by the publication of this report in the Minutes of Convocation that the Committee on Professional Conduct is considering the propriety of permitting members to employ disbarred lawyers in any capacity in solicitors' offices, and would appreciate comments from members of the profession concerned.

The Committee considered estimates for its expenditures for the year 1964-65, and after discussion set the figure at \$5,000.00 to include any further publication of the Committee's Rulings.

There are a number of other matters pending before the Committee to be considered at its next meeting.

## THE REPORT WAS ADOPTED

During consideration of the Report of the Professional Conduct Committee the following principle was suggested for consideration:

"A solicitor may arrange for the publication of his picture on commencing practice, indicating where or with whom he intends to practise, providing that no payment is made therefor."

Moved by Mr. Maloney, seconded by Mr. Creighton, that the proposed principle and matters raised by it, be referred to the Professional Conduct Committee for consideration and report; and that the Committee be asked to consider, if required, a draft ruling setting out the principle.

## DISCIPLINE COMMITTEE — COMPENSATION FUND

*Re: Murray Gruson, a disbarred lawyer.*

At the request of the Chairman, Mr. Peter Wright presented the Report.

The report may be summarised as follows:

The Discipline Committee begs leave to report on its investigation of the claims against the Compensation Fund in respect of Murray Gruson, a disbarred lawyer.

1. Gruson was called to the Bar on the 29th June 1950. He practised in partnership and alone in the City of Toronto. On 18th September 1962, while attempting to leave that city by air he was arrested. He was disbarred on the 16th November 1962. He was convicted of criminal offences in connection with his practice and was sentenced to nine years imprisonment

after an appeal by the Crown to the Court of Appeal for Ontario.

2. Claims in respect of his dishonesty and broken trust were filed against the Compensation Fund amounting in total to \$472,627.53. These claims were investigated by your Committee in the summer and early autumn of 1964. This report summarizes the conclusions of your Committee after 20 sittings each covering a whole or half day, at which oral testimony was presented in support of each claim.

3. It was apparent in the consideration of these claims that Gruson was not a solicitor, who had by dishonesty or breach of trust taken clients' funds. His work was a frightening parody of lawyers' work. He induced clients and others to loan large sums of money on short term at high rates of interest. He converted that money to his own use but sent reporting letters, forged deeds and certificates and paid principal and interest sedulously to create the impression that real and profitable transactions had been entered into. With very few exceptions his dastardly work succeeded and he stole in one way or another over half a million dollars. His clients and customers admired and trusted him.

4. What he offered to his clients and customers were rewards and returns from mortgage transactions far above the normal rates of secured return. With bonuses and interest the great bulk of the transactions he contrived were to produce 12% to 24% per annum. It is our considered opinion that the Compensation Fund does not exist to insure, persons who seek such returns, against loss nor does it exist to stand behind persons whose profession is that of a criminal and who use the trappings and reputation of the legal profession the better to impose on their clients.

5. We have therefore followed in our consideration of the amounts to be recommended for payment out of the Compensation Fund a number of guiding *ad hoc* rules which we have applied to this case in view of its extreme character but which may well be considered properly applicable by this Committee or Convocation in similar cases if any should hereafter arise.

These guiding rules are:

(a) No claimant is to be entitled to more than \$25,000 from the Compensation Fund.

(b) Clients or customers who expect an annual return of 12% to 24% must know that this reflects a risk which the Law Society of Upper Canada cannot be expected to insure.

We have therefore generally reduced the claims in respect of monies advanced for such returns severely and proportionately.

(c) In this case we do not think that the legal profession as a group should be called on to pay more than \$130,000 in total. The shortages and practices of Gruson could have been disclosed by some of the members of his family and of his clientele and would have been apparent to anyone making enquiry in the public registers. In our view, the Compensation Fund does not exist to cast its protection over the criminals who are lawyers for the benefit of all who choose to deal with them for high returns but to those who use lawyers for normal purposes and returns and who, suffering damage through their dishonesty, have no redress.

(d) In some cases there was not a true or normal solicitor and client relationship. Gruson was regarded and used by some, not as a lawyer but as a mortgage broker or investment finder.

(e) In all stolen money cases we have regarded every repayment no matter how denominated as a repayment of principal.

(f) Where there were several claims by different people in respect of moneys coming in one form or another from the same source, we have tended to treat these as one claim despite their form.

(g) When, as here, we have had to consider priorities, we have considered that the claims of the needy should be given more generous treatment than the claims of well-to-do investors seeking a higher return than generally is offered them.

Applying these rules, we recommend payment of the claims in respect of Gruson in the total amounts set forth in Schedule "A".

6. We wish to express our deep appreciation of the help given us throughout by the Committee's counsel in this matter. Mr. Alastair Paterson, and to a number of counsel representing claimants, who made our task much easier by their fairness, frankness and devotion to truth and detail.

October 15th 1964.

#### PUBLIC RELATIONS COMMITTEE—Mr. Pattillo

Your Committee met on Thursday, the 15th October 1964, the following members being present: Messrs. Pattillo (Vice-Chairman in the Chair), Gray and Raney.

Mr. Devon Smith, representing Mr. James Cowan, Public Relations Consultant, was present by invitation.

#### ESTIMATES, 1964-65

Your Committee approved estimates for the year 1964-65 for submission to the Finance Committee.

#### PUBLIC RELATIONS PROGRAMME of the MINNESOTA STATE BAR ASSOCIATION

For some time your Committee has been considering a number of pamphlets on various services of a solicitor which are printed and distributed by the Minnesota State Bar. The matter was referred to a sub-committee consisting of Messrs. Pattillo, Ball and Gray to consider and report back on all phases of this public relations programme, including cost, method of distribution, etc., and the Chairman was authorized to consult a Public Relations Consultant of his choice with no financial obligation to the Law Society.

At a meeting on the 9th April 1964 Mr. Pattillo reported on correspondence with the Minnesota State Bar Association, and on his consultations with Mr. James Cowan, a Public Relations Consultant.

Your Committee recommended —

- (1) That the Chairman be authorized to retain Mr. James Cowan for advice, not only on a public relations pro-

gramme similar to that of the Minnesota State Bar Association, but for suggestions for a public relations programme for the Law Society of Upper Canada, and the approximate cost thereof.

- (2) Consideration of implementing a public relations programme similar to that under review, and that the sub-committee be authorized to set up a test pamphlet on the subject, "Buying a Home? Why You Need a Lawyer".

At a meeting on the 15th May 1964, Mr. Pattillo presented for the consideration of the Committee the draft of a test pamphlet, "Buying a Home? Why You Need a Lawyer". Your Committee, with the assistance of Mr. James Cowan, considered and edited the draft pamphlet, and for the next meeting Mr. Cowan agreed to have for consideration copies in layout form, together with an estimate of cost.

At its meeting on this date Mr. Devon Smith for Mr. James Cowan, presented the following recommendations for consideration:

1. Layout of the proposed pamphlet, copy of which is attached hereto.

2. *Proposed distribution:*

Distribution would be made in three or four cities in widely scattered parts of the Province for a trial release of the pamphlet, "Buying a Home? Why You Need a Lawyer", and a news release on it. Local radio stations and newspapers would be used, and they would be asked to invite inquiries for copies of the pamphlet on the basis that a test of media impact with regard to institutional publicity is being made. On the basis of test results further copies of the pamphlet would be distributed in what then appeared to be the most effective fashion.

3. *Cost*

The first 10,000 copies of the pamphlet would cost \$598.00 plus Federal and Provincial taxes. Further amounts would be at reduced cost, and the printer will keep the plates ready and be able to print quickly.

It was further suggested that additional programmes be undertaken in connection with the distribution of the pamphlet. One suggestion is for a speaker service to be made available to churches, service club groups, etc., with a two or three member panel in each community ready to accept assignments in turn. The subjects would be suggested by the

Society's Public Relations Committee, and the Committee would offer the speaking members an outline address purely as an aid and not as a direction. The programme could include offers to Boards of Education for secondary school and adult training courses, and to Y.M.C.A. groups aimed at covering the fundamental need of an understanding of the legal profession in society. Each such-public relations activity would be launched in a pilot form so that the Society might be satisfied that the effects desired actually were being obtained and that the cost in members funds and energies are reasonable in relation to the return expected.

Your Committee recommends that Mr. James A. Cowan be authorized to have the first 10,000 copies of "Buying a Home? Why You Need a Lawyer" printed, and to proceed with his suggested test plan project in the following cities: London, Ottawa and Sudbury.

Your Committee further recommends that a speaker programme along the lines suggested be prepared in case the test project is successful.

#### SPECIAL COMMITTEE ON INCOME TAX ACT (1964)

Mr. Pattillo, Chairman, presented the Report of the Special Committee on Income Tax Act (1964) :

At the meeting of Convocation on the 18th September the Treasurer referred to a letter written with reference to a question raised by the Income Tax Department involving a matter of advance payments on account of fees and the Society's Rules Respecting Accounts. It was moved, seconded and carried that the matter be referred to a Special Committee to be appointed by the Treasurer, and he has now appointed a Special Committee on the Income Tax Act and the Society's Rules Respecting Accounts, consisting of Messrs. Pattillo (Chairman), Creighton and Howland.

Your Committee met on the 13th October 1964, all members being present.

Your Committee considered the correspondence, and recommends that it be authorized to retain counsel, Mr. Stuart D. Thom, Q.C., to consider the problem, including consultation with the Department of National Revenue, and to give his

opinion as to the rules that should be adopted to meet the requirements of the Department.

## UNFINISHED BUSINESS (from meeting of 16th October 1964)

### DISCIPLINE COMMITTEE—Mr. O'Brien

#### *Report on Policy*

Your Committee met on the 8th October and again on the 13th October at 2:00 o'clock in the afternoon to consider various matters of general interest.

#### DIVISIONS:

A revised arrangement of those primarily responsible for meetings of the Committee was arranged.

#### COMPENSATION FUND:

1. The list of Compensation Fund applications which had been considered over the summer months was received and payments were authorized with the exception of applications relating to Samuel Resnick. It was decided that no payments should be made in the Resnick applications until all have been considered.

#### PAYMENTS INTO THE COMPENSATION FUND:

2. Your Committee recommends that payment for the coming year be increased to \$100.
3. The Committee recommended that the Chairman appoint a sub-committee to consider recent problems which had arisen in connection with the administration of the Fund and also to consider the feasibility of designating a person to hear evidence and make recommendations to the Committee with respect to applications for payment out of the Fund.

#### SIGNS ON LAW OFFICES:

Rule No. 10 requires signs on law offices to be of modest dimensions and in good taste but many examples exist which appear to be in breach of the Rule. Your Committee recommends that members whose signs appear to infringe the Rule should first be written to and, if no satisfactory results are obtained, the member should then

be invited to attend to discuss the matter with the Committee before resort to more drastic action.

#### **RULES RESPECTING ACCOUNTS:**

Questions have arisen respecting the meaning of certain words in Rules 2(d), 7(e), 8(f) and 10 of the Rules Respecting Accounts, and the question of whether a member should be allowed to maintain a "cushion" in his trust account was raised. These matters were referred to the sub-committee to be appointed by the Chairman.

#### **TRUSTEE OF PROFESSIONAL AFFAIRS OF FORMER MEMBER**

The Committee considered legislation passed in Saskatchewan enabling the appointment of a trustee of the professional affairs of members of the profession who are disbarred, suspended from practice, mentally incapacitated or otherwise unable to practise and referred the question to the sub-committee whether such legislation should be sought in Ontario.

#### **THE REPORT WAS RECEIVED**

#### **LIBRARY COMMITTEE—Mr. Steele**

Your Committee met on the 14th October 1964, the following members being present: Messrs. Steele (Chairman), Levinter, Slein and Strauss.

#### **PHILLIPS STEWART LIBRARY**

Your Committee recommended at the June 1964 meeting of Convocation that the Chief Librarian should request the librarians of the downtown Toronto law libraries to form a committee to study the Phillips Stewart Library problems referred to in Mr. Lamek's memorandum presented at the March meeting of the Committee. The Chief Librarian has now presented his report of the librarians' discussions.

#### **THE REPORT WAS ADOPTED**

#### **LEGAL AID COMMITTEE—Mr. Levinter**

Your Committee met on the 23rd September 1964, the following members being present: Messrs. Levinter (Chairman), Ford, Maloney, and Strauss.

Mr. A. M. Lawson, Deputy Secretary and Secretary of the Joint Committee on Legal Aid, and Mr. John Weisdorf, Assistant Provincial Director, were present by request.

Your Committee met again on the 15th October 1964, the following members being present: Messrs. Levinter (Chairman), Ford and Strauss.

#### APPEALS IN CRIMINAL CASES

Your Committee considered applications with reference to appeals in three rather exceptional cases, and made recommendations thereon.

#### MEETING OF COUNTY AND DISTRICT DIRECTORS OF LEGAL AID

Pursuant to a recommendation of the Legal Aid Committee, approved by Convocation, a meeting of County and District Directors of the Ontario Legal Aid Plan was held at Osgoode Hall on the 26th September. At its meeting on the 23rd September your Committee recommended that the costs of this meeting be paid out of the Legal Aid funds.

At the meeting on the 26th September, at which the Treasurer presided, there were present seven members of the Law Society's Legal Aid Committee; all seven members of the Joint Committee on Legal Aid, and its Secretary, Mr. Andrew M. Lawson, a Deputy Secretary of the Society; thirty-three County and District Directors, the Provincial Director and the Assistant Provincial Director.

There was a general discussion on subjects previously suggested — eligibility; exclusions, such as repeaters, from the Legal Aid Plan; long trials, both civil and criminal; domestic relations cases; and proposed changes in legal aid in Ontario.

All persons who attended the meeting were convinced that it was worthwhile. Several Directors have written to the Secretary expressing their appreciation for the holding of this meeting for all Directors, and commenting on its value. Some of the Directors have stated that they are reporting to their County or District Associations and some have asked for a copy of any report that might be made.

*Approved.*

## ONTARIO INTER-PROFESSIONAL LIAISON COMMITTEE

Mr. Howland reported that a further meeting of the Inter-Professional Liaison Committee was held on 13th October 1964 at the Inn on the Park with the Veterinarians acting as hosts. The Chartered Accountants were represented for the first time as observers.

A sub-committee has been appointed to consider the representation of other professional groups on the Committee.

It was decided to invite key Provincial officials in the guidance field to the next meeting to discuss the role of the professions in helping students to select their future careers and whether it was being most effectively performed. The Engineering profession had taken a booth at the C.N.E. this year and had found it filled a need but that it had to answer questions concerning other professions. It suggested the possibility of other professions joining in this venture.

On the question of the population explosion the Medical profession has used the services of an economist but has not yet been able to reach a conclusion as to what the ratio of doctors to population should be.

---

## OSGOODE HALL EXTENSIONS

The Treasurer reported that the Committee of the Chief Justice of Ontario is active and had held a meeting on the 16th November. It appears probable that there will be an extension constructed on the west side of Osgoode Hall in conformity with the present building.

The Special Committee on Osgoode Hall Buildings and Grounds appointed by the Treasurer on the 16th October 1964, met on the 18th November and had useful discussions, and has arranged for further information and hopes to report further in January 1965.

---

## LEGAL EDUCATION COMMITTEE—Mr. Howland (October Report)

Your Committee met on Thursday, the 15th October 1964, at 4:15 p.m., the following members being present: Mr. W. G. C. Howland, Chairman, Mr. Sydney L. Robins, Vice-Chairman, and Messrs. Ball, Gregory, Pattillo, Seaman, Sheard, Slein and R. F. Wilson.

## BAR ADMISSION COURSE

## DIRECTOR'S ANNUAL REPORT

The Director's Annual Report is summarized as follows:

"I wish to report on the state of the Bar Admission Course at this date.

*Numbers*

In the teaching period which began on 14th September 1964, there are 234 students of whom five are repeating the course having failed it last year.

Under articles, there are 260 students who came from the following institutions and jurisdictions:

Northern Irish Solicitor	1
Scottish Solicitors	2
Commonwealth Transfers	3
Dalhousie	5
Manitoba	1
New Brunswick	2
Osgoode Hall	103
Ottawa	19
Queen's	31
Toronto	59
Western	34

The five Ontario law schools awarded LL.Bs in 1964 to 260 people. It will, therefore, be seen that all but six entered the Bar Admission Course this year. Last year, of 236 LL.Bs, 217 entered.

*Curriculum*

This year two major changes have been made in the curriculum of the Course.

1. The one week section on Law Office Management has been discontinued. The three lectures given by the Taxing Master, Mr. Sankey, have been moved ahead to the Civil Procedure I section of the Course. I am working out an arrangement with Mr. Soward, the former head of the section, by which all the written material in his course will be given to the students and they will be told that they are responsible to cover it. Then Mr. Soward will appear before them for an hour or two during the last week of the Course during the section on Professional Conduct, to answer questions or otherwise assist the students in the area of law office management.

One question will, I hope, be able to be devised, to be written at the same time as the examination on professional conduct.

2. The Domestic Relations section, formerly two weeks, has been shortened to one.

### *Faculty*

The Faculty has shrunk by perhaps 20 because of the changes in the curriculum. The new rates at which honoraria are established having, for the most part, been accepted without comment, the number of resignations from persons who participate in the Course seems not to be affected. It is becoming easier all the time, I think, to get help from members of the profession almost all of whom, when approached to accept posts as replacements, seem glad to serve. I am continuing, where possible, to appoint graduates of the Course itself because I think they have a much better idea of what makes a good instructor than those who have not taken the course.

### *Students' Handbook*

The Ontario Law Students Association made a survey of our graduates and found that they appreciated the teaching period but that they had some criticism of the year spent under articles. There was no significant consensus among them that articles should be dispensed with but they thought that steps should be taken to make them more useful. The Association suggested that a handbook be prepared by which students could keep track of the things they should be given to do by their offices so that they could see whether the training they were getting in the first office they went to was adequate, within reason, or whether they should change offices. I asked the Heads of Sections in the teaching period to give me a list of matters in each of their fields, which I have now received. I must now edit them and see the book through printing and into the hands of the students and their principals.

### *Interest of Other Jurisdictions*

In December I attended a Conference on Continuing Education at Arden House in New York State and there explained the Ontario system to delegates from all over the United States. There was considerable interest and the Arden House consensus, as the conclusions of the Conference are called, includes a recommendation that where possible "bridge-the-gap" courses should be given as requirements for call to the Bar.

On Friday, 25th September, I addressed the Allegheny County Bar Association in Pittsburgh, Pennsylvania, to explain to its members the workings of the Course. Pennsylvania has a six months clerkship requirement which is not working out very well and thought is being given to changes. Again, there was great interest and a wish that something along the lines of our system could be implemented, in spite of the fact that there is no State-wide governing body, but only voluntary County and State Bar Associations representing the bar, and the further fact that the Court and not the profession itself prescribes the requirements for admission to practice.

There is some talk of my going to the University of Missouri at Kansas City in the spring because that law school is considering turning its third year into a "bridge-the-gap" course. So far no final arrangements have been made."

*Received.*

#### DATE FOR CALL TO THE BAR

Your Committee recommends that the graduates of the Bar Admission Course be called on the 26th March 1965, and that Convocation consider holding the regular March Convocation on that day.

#### MISS A. ANNE MASSEY

The Society has had correspondence with Miss Massey who is practising in New Zealand. She wishes to come here to attend the teaching portion of the Bar Admission Course upon the understanding she would not be called to the Bar nor admitted as a solicitor at the end, but simply receive a certificate. Her purpose is to study the Course with a view to having a similar programme begun in New Zealand.

Your Committee recommends that she be allowed to attend the teaching portion of the Bar Admission Course upon the understanding stated.

#### OSGOODE HALL LAW SCHOOL

#### LAW SCHOOL ADMISSIONS

The Report of the Law School Admissions Committee for the Annual Session 1964-65 as adopted by the Faculty at its meeting on Thursday, 8th October 1964, is before the Committee. A summary and comparative analysis of the disposition of applications for admission to the First Year is as follows:

	<i>Academic Session 1964-65</i>	<i>Academic Session 1963-64</i>
Applications received	402	281
Applications refused	67	15
	<hr/>	<hr/>
Applications approved	335	266
Withdrawals before and after registration (to date)	141	78
	<hr/>	<hr/>
Net	194	188
Plus repeaters, etc.	6	9
	<hr/>	<hr/>
First Year Enrolment	200	197
	<hr/>	<hr/>

The Report for the Annual Session 1964-65 indicates an increase in the number of applications of 121, or 43.1% over 1963-64. There was an increase in the applications refused from 5.7% in 1963-64 to 16.6% in 1964-65. This reflects the screening necessary to limit First Year enrolment to 200.

#### BURSARIES - REPORT OF COMMITTEE

The Bursaries Committee, consisting of the Dean, Professor I. F. C. Baxter and Professor Dennis C. Hefferon, recommends the award of 45 bursaries as set out in its report which is before the Committee.

#### ADMISSION TO THE FIRST YEAR OF THE LL.B. COURSE

At a meeting on Thursday, 8th October 1964, the Dean and the Faculty considered applications for the approval of courses leading to foreign degrees as follows:

Bachelor of Arts, Finch College, New York, New York, U.S.A., an institution accredited by the Middle States Association of Colleges and Secondary Schools;

Bachelor of Arts, Western Michigan University, Kalamazoo, Michigan, U.S.A., an institution accredited by the North Central Association of Colleges and Secondary Schools;

Bachelor of Business Administration, Niagara University, Niagara Falls, U.S.A., an institution accredited by the Middle States Association of Colleges and Secondary Schools;

Bachelor of Science in Agriculture, National Taiwan University, Taipei, China;  
and recommend that they be approved for the purpose of admission to the First year of the LL.B. Course under Regulation (4) (c).

*Approved.*

OSGOODE HALL LAW SCHOOL - GIFT -  
BURSARIES - EDUCATION PURPOSES -  
W. W. McLAUGHLIN

At its meeting on the 14th May 1964, the Committee recommended that the gift received from the Estate of the late W. W. McLaughlin be used for bursaries in the Bar Admission Course or Osgoode Hall Law School.

The bursaries to be provided by the income from this bequest are to be known as the Robert James McLaughlin Memorial Bursaries in memory of the father of the testator.

*Approved.*

#### BURSARIES

The Secretary has received a cheque from John G. Parkinson, Esq., Treasurer of The Lawyers Club, in the amount of \$800.00 for bursaries to be awarded to students at Osgoode Hall Law School. The gift was accepted with appreciation.

Mr. W. I. Linton, Administrator of Estate Tax, Department of National Revenue, Ottawa, a lecturer in the 1964 series of Special Lectures given by the Law Society has returned his honorarium of \$100.00 which amount is now available for a bursary. Accepted with appreciation.

#### ADMISSION TO LAW SCHOOLS - EXPANSION OF FACILITIES

From correspondence between the Chairman of the Legal Education Committee and the Deans of the five Law Schools it would appear that no sizeable number of students having the minimum admission requirements have been unable to gain admission to any law school. Several of the law schools accepted only students with an average of 60% or higher. The University of Ottawa was prepared to take a few more students with minimum requirements up to the commencement of classes. Queen's University is considering an expansion to accommodate 250-275 students and 20 professors. Its present building was only designed for 150-175 students and 12 professors. It has been advised that the Law Society will support such a move in principle, as the expansion of the

existing law schools at leading universities would seem to be the best way to fill the initial need. The University of Ottawa plans to have a new building ready by the Fall of 1967 which will accommodate a total in all three years of 350 as opposed to its present registration of 117.

Your Committee recommends that approval in principle be given to the proposed expansion of Queen's University.

#### MEETING OF DEANS OF ONTARIO LAW SCHOOLS

Dean Leal with the approval of the Treasurer and the Chairman of the Legal Education Committee is inviting the Deans of the other Ontario Law Schools to attend a meeting in November to discuss the regulations respecting admission to the Law Schools and other matters of mutual interest. It is proposed that the Law Society will only participate in respect of matters concerning the Bar Admission Course and the expansion of facilities to meet the anticipated increase in the number of those seeking a legal education.

*Noted.*

#### COMMERCIAL LAW PROGRAMME 1963-1964

The Dean submits a financial statement covering the receipts and expenditures of the programme; showing a deficit of \$4,022.77, which is within the allocated budget.

*Received.*

#### CRIMINAL LAW PROGRAMME 1963-1964

For the academic session 1963-64 the Committee recommended an allocation of \$8,500.00. The Dean submits a financial statement covering the receipts and expenditures of the programme in the amount of \$6,604.32.

## OSGOODE HALL LAW SCHOOL

Your Committee noted that the Executive Committee of the National Conference of Canadian Universities and Colleges met on the 13th October 1964, and unanimously accepted the recommendation of its Visiting Committee that Osgoode Hall Law School be admitted to membership. The matter was placed before the Conference of the N.C.C.U.C. at its annual meeting on the 27th October 1964, and was duly approved.

The recommendation of the Dean that Robert James Wright be appointed to teach a section of the First Year class on the subject of Evidence comprising 54 hours at the usual rate was approved. Mr. Wright would take the section Professor Morton would have taught had he remained.

Professor Martin Lawrence Friedland submitted his resignation from the full-time Faculty of Osgoode Hall Law School in a letter to the Dean dated the 17th November 1964, effective from the 30th June 1965. The resignation was accepted.

*Fees* — Every member of the Society, regardless of the type of practice in which he is engaged, or whether he is in practice, and whether or not within the Province of Ontario, pays the same Law Society fees — presently \$70.00.

*Compensation Fund Levy* — There was an increase in the levy to \$100.00, but there was no recommendation as to any change in policy as to who pays the levy.

All members practising or employed in Ontario pay the Compensation Fund levy except the following:

- (a) Members fully retired from practice or other employment.

(b) Members called to the Bar since 30th November 1963.

Members outside the Province of Ontario do not pay the levy.

*Approved.*

*Payment by instalments* — Since the increase of fees and Compensation Fund levy to \$170.00 per annum, inquiries have been made as to whether these fees might be paid by instalments.

Your Committee recommends that any member who asks for consideration of payment on terms, be permitted to pay one-half of the total fee and Compensation Fund levy — \$85.00 — by 1st December 1964, and the balance of \$85.00 by the 1st March 1965.

#### REPORT OF A SUB-COMMITTEE OF THE DISCIPLINE COMMITTEE

Mr. O'Brien read a Report of a Sub-Committee of the Discipline Committee with reference to delegating powers of investigating compensation fund claims and recommending that the Law Society request an appropriate amendment to The Law Society Act:

20th November 1964

#### REPORT OF THE SUB-COMMITTEE OF THE DISCIPLINE COMMITTEE

At its meeting on the 8th October 1964 your Committee recommended the appointment by the Chairman of a sub-committee to consider the Rules Respecting Accounts, recent problems of the Compensation Fund, including the possibility of delegating investigation of claims to persons outside the Bench and legislation providing for the appointment of a trustee of the professional affairs of solicitors or former solicitors in certain circumstances.

The Chairman appointed Messrs. Keith, Gray, Martin, Pattillo and Wright to meet with him as the Sub-Committee.

Your Sub-Committee met on 28th October and on 19th November, the following members being present:

October 28th—Mr. O'Brien in the Chair,  
Messrs. Gray, Martin, Pattillo and Wright.

November 19th—Mr. O'Brien in the Chair,  
Messrs. Gray, Martin and Wright.

The Sub-Committee discussed at length the various aspects of the problems that have arisen in connection with the Compensation Fund, including the fact that experience has shown that a special hazard exists where solicitors practice alone and also where solicitors engage in the investment business, especially where interest rates are higher than usual.

There was a full discussion of the desirability from the standpoint of the Fund of attempting to regulate or control such situations, either by the impost of a special levy, or by requiring bonding, or the employment of full-time auditors. The Sub-Committee was of the opinion that our Committee should not make decisions of such a radical nature that would affect in a drastic way the practice of a great many solicitors who carry on their practice in a perfectly proper manner. On the other hand the Sub-Committee felt that the matter should be given further study, and that it should be brought to the attention of Convocation with the suggestion that the time was opportune for a study of the legal profession with a view to defining and perhaps limiting the legitimate fields of endeavour that are or should be open to a barrister and solicitor practising in Ontario.

Consideration was also given to an announcement to the profession and to the public concerning claims which arise from investment or intended investment in high interest and large bonus loans. Your Sub-Committee was of the opinion that the Professional Conduct Committee should be asked to consider an announcement to the profession concerning solicitors who engage in transactions that may offend the Unconscionable Transactions Act, and the Discipline Committee should consider the publication of a notice to the public that the Fund would not ordinarily be available to meet claims arising from transactions or intended transactions that offended or were within the area of unconscionable transactions within the meaning of that Act, explaining that public policy does not countenance indemnity against loss arising from unlawful transactions.

Your Committee was of the opinion that until the Compensation Fund is in a healthy financial position, and subject always to the general discretion of the Committee, no claimant should receive more than \$15,000.00 and that payment should not be made in excess of a total of \$100,000.00 in relation to the practice of any one solicitor.

Your Committee also felt that further consideration should be given to these problems in the Committee as a whole.

Your Sub-Committee has considered legislation providing for the appointment of a trustee of the professional affairs of a solicitor or former solicitor in certain circumstances, and in particular gave consideration to the existing legislation in Saskatchewan. Your Sub-Committee was of the opinion that such legislation was desirable but that it should be integrated with the existing legislation that provides for the freezing of trust accounts and consideration should also be given to possibly improving upon the legislation that presently exists in Saskatchewan, and for these purposes a drafting Sub-Committee should be appointed.

Your Sub-Committee has considered the question of the delegation of the powers of this Committee to a person or persons other than Benchers in relation to claims against the Compensation Fund and reached the conclusion that it would not be possible to do this unless and until the Law Society Act were amended so as to give such person or persons the power to swear witnesses and conduct hearings in the manner that is now permitted in the case of investigations by the Discipline Committee. Since this is a matter of some urgency it was considered proper that the fact that an amendment to the Act was desirable should be brought to the attention of November Convocation, so that if Convocation agreed, the matter could be referred to the Committee on legislation in time to be considered by the Legislature at the session commencing in January, 1965.

Your Sub-Committee considered the matter of revision of the Rules Respecting Accounts but reached the conclusion that it would be desirable to defer any action until a Committee headed by Mr. Pattillo, which is considering the problem of income tax claims and trust accounts, has made its report, since if the Rules Respecting Accounts are to be amended it is desirable that all amendments be considered at the same time.

Moved by Mr. O'Brien, seconded by Mr. Wright, that the Report be adopted.

## PROFESSIONAL CONDUCT COMMITTEE—Mr. Wright

Your Committee met Thursday, the 19th November 1964 at 10:30 a.m., the following members being present: Mr. Peter Wright, Chairman, Mr. S. E. Fennell, Vice-Chairman, and Messrs. Howland, O'Brien and Strauss.

Your Committee considered a general report by its Chairman on touting, advertising and attracting business unfairly and decided to re-examine the Rulings with regard to these matters in the light of the report.

Your Committee reports that it has

(a) advised a solicitor that it is proper for a member of the Board of Governors of a University in Ontario to appear as counsel or to act for the University either on a fee or honorarium basis or without charge;

(b) advised a private solicitor acting for an Official Board of the Ontario Government that in the special circumstances of the case he was permitted to have his name as solicitor on the Board's letterhead as submitted to the Committee on the ground that the body was a public one;

(c) advised two solicitors that it was improper to advertise in the Ontario Reports that they were available for special work;

(d) referred the question of the Canada Bonded Attorney and entries in law lists elsewhere to a special Sub-Committee;

(e) advised solicitors who, for a fee, had been asked to send out collection letters wholly from their office for a collection agency, that the Committee does not disapprove the practice proposed. The Committee disapproved the use of mimeographed letters for this purpose and did not pass upon whether the fee mentioned conformed to the local tariff.

(f) prepared a redraft of Ruling 9 with a view to having the draft published in the Ontario Reports, with an invitation for comments from the profession;

(g) advised a solicitor who had been retained by a married woman that it would be improper for him to act on behalf of the husband in connection with divorce and other proceedings;

(h) advised a solicitor who submitted a letter which he proposed to send to those who have left Wills in his office suggesting they be brought up to date that the Committee approved the object and practice but that such a letter should simply draw to the testator's attention that an unrevised

Will is in the office and may require revision, unless it is an individual letter dealing with an individual Will;

(i) advised a solicitor who had received a direction to pay moneys given to him on behalf of a client that when the client had changed solicitors the solicitor's professional duty was simply to bring to the attention of the new solicitor and to the person in whose favour the direction was drawn the fact of the direction. The Committee expressed no opinion on any other issues which might be involved.

Your Committee is continuing the examination of the Rulings on which it has reported previously.

1. THAT the Report of the Discipline Committee in the matter of HENRY KOURY, Barrister, a member of this Society and a Solicitor of the Supreme Court of Ontario, be adopted.
2. THAT upon the facts ascertained and appearing by the said Report and the evidence and other papers referred to and submitted to Convocation therewith, Convocation finds the said HENRY KOURY guilty of professional misconduct, and of conduct unbecoming a Barrister and Solicitor in respect of the charges dealt with by the said Report.
3. THAT the said HENRY KOURY be disbarred.
4. THAT the said HENRY KOURY is unworthy to practise as a Solicitor.

The Committee reported that after due inquiry it found the solicitor guilty of professional misconduct and conduct unbecoming a barrister and solicitor in that he had permitted various of his clients' trust accounts to become overdrawn; and had failed to maintain at all times, particularly in May 1964, sufficient money on deposit in his trust bank account to satisfy his indebtedness to clients for trust funds; and recommended that the solicitor be reprimanded in Convocation; that he be required to submit audited statements of his account quarter yearly for one year; and that he be required to pay the cost of the Society's investigation.

*Note:* The shortages referred to were approximately \$9,224.60. In most cases the overdrawn position was of short duration and the solicitor derived no personal benefit.

Moved by Mr. O'Brien, seconded by Mr. Howland, that the Report be adopted.

The solicitor attended and addressed Convocation.

Moved in amendment by Mr. Pattillo, seconded by Mr. McLaughlin, that the matter be referred back to the Discipline Committee for further consideration as to penalty in the light of the discussion in Convocation.

The amendment was lost. The motion was carried.

The solicitor attended before Convocation and was reprimanded by the Treasurer.

## ORDERS

The Secretary placed before Convocation the following Orders which, in compliance with Rule 79, are entered on the Minutes of Convocation:

RE: LOUIS DAVIDSON

RE: DOUGLAS CAMERON McKECHNIE

Orders Striking off the Rolls.

## LIBRARY COMMITTEE — Mr. Steele

Your Committee met on the 13th January 1965 the following members being present: Messrs. Steele (Chairman), W. S. Martin (Vice-Chairman), Harris, Levinter and Strauss.

## COUNTY OF YORK LAW ASSOCIATION

The County of York Law Association has requested a grant to enable it to purchase additional sets of books that will be needed in its library in the new court house. Your Committee recommends that representatives of the Association be asked to meet with the members of the Committee to discuss this matter prior to the February Convocation.

## UNIVERSITY OF TORONTO LIBRARY

A letter has been received from Mr. J. A. Langford in which he suggests that some sets of old books belonging to the library, but rarely if ever used, be given to the University of Toronto Library to be stored in its new research library which is soon to be built. Your Committee has asked the Chief Librarian to prepare a list of such books with approximate values for use in considering this suggestion.

## PHOTO-COPY SERVICE

Your Committee recommends that the Chief Librarian be authorized to have installed on a temporary and experimental basis a Docustat coin-operated copying machine which would be used by the members of the Society requiring copies, at no cost to the society.

## THE REPORT WAS ADOPTED

## REPORTING COMMITTEE

At the request of the Treasurer, Mr. Wright presented the Report of the Reporting Committee:

Your Committee met on Wednesday, the 13th January 1965, the following members being present: Messrs. Wright (in the Chair), Harris, Levinter, W. S. Martin, O'Brien and Strauss.

## REPORTING — Free List

At its meeting on the 15th January 1964 your Committee considered a memorandum from the Secretary of the 8th January, and a letter from the then Chairman, Mr. Peter Wright of the 10th January 1964, explaining how the free list was made up under the old Rule 68.

At that time the free list was made up of 132 judges, (being those of the Supreme Court of Ontario, the Supreme Court of Canada, the Exchequer Court, County Court Judges (Ontario)) and the Judges Library at Osgoode Hall. In addition there were 54 Miscellaneous, for a total of 186. Under the new policy of payment of Law Society fees, 31 persons who appeared on the Miscellaneous list now pay full fees and receive the Reports and may be deleted from the free list. Instead of 54 Miscellaneous, there will be 23, for a total of 155.

The Committee approved of the list as checked and recommends that the policy be reviewed in January, 1966.

#### ORAL JUDGMENTS

In November 1964 Mr. Roy Fredericks, Executive Assistant to the Chief Justice of Ontario, suggested that the sale of copies of oral judgments might be handled through the Reporting Office of the Law Society rather than through the Judges' Secretaries.

Your Committee recommends the adoption of the following policies:

Copies of all oral judgments will be forwarded to the Law Society Reports Office at no cost, and will be submitted to the Canada Law Book Company. Copies of oral judgments will be sold to members of the profession or the public at the price charged for other judgments, \$1.00 per page.

#### CANADA LAW REPORTS

Kenneth J. Matheson, Q.C., Registrar, S.C.C., sent to the Law Society the following notice:

"Commencing with Part I of the 1965 Volume of the Canada Law Reports, these Reports will be mailed with the Supreme Court Reports and Exchequer Court Reports in separate pamphlets. Subscriptions will continue to be accepted for the Canada Law Reports, as such, only. No Subscriptions may be had for either the Supreme Court or Exchequer Court Reports alone.

It is hoped that the availability of separate mailing and other production dates for the two series will accelerate delivery."

CONVOCATION ADJOURNED AT 12:45 P.M

CONVOCATION RESUMED AT 2:15 P.M,  
a quorum being present.

PROFESSIONAL CONDUCT COMMITTEE — Mr. Wright

Your Committee met on Thursday, the 7th January, 1965, at 2:30 o'clock in the afternoon, the following members being present: Mr. Peter Wright, Chairman, Mr. S. E. Fennell, Vice-Chairman, and Messrs. Howland, Keith, O'Brien and Strauss.

(1) In particular connection with legal directories your Committee has been impressed with the desirability of having a uniform Ruling, if possible, in Canada. There are many other fields of Professional Conduct where it would be desirable

and convenient to develop uniform Rules and Rulings. Our Ruling 1, being the Canon of Ethics of the Canadian Bar Association, is the basis of professional conduct in most provinces. Your Committee recommends that the Society's representatives to the Executive Committee of the Conference of Governing Bodies of the Legal Profession in Canada meeting at the Seignior Club in March should be asked to propose that a national Professional Conduct Committee be appointed to consider, draft and approve rules which all the Governing Bodies could consider and adopt if they wished without in any way impairing the autonomy of the Governing Bodies.

(2) Your Committee has had representations made to it that it would be desirable to make it a Ruling of Professional Conduct that members of the profession should draw to the Society's attention matters involving misconduct. The chartered accountants have a rule to this effect. After consideration your Committee recommends the following proposed Ruling:

"Every member shall unless prevented by good and sufficient reasons including his clients' privilege bring to the attention of the Society any instance involving or appearing to involve professional misconduct or conduct unbecoming a barrister, solicitor or student-at-law or reflecting on the honour of the Bar."

Your Committee recommends that the text of this Ruling should be published in a forthcoming part of the Ontario Reports inviting the comments of members of the profession, and that it should thereafter be considered by Convocation.

(3) Your Committee also considered a proposed Ruling respecting members failing to pay Income Tax or failing generally to meet their obligations as they become due. It was referred to Mr. O'Brien to prepare a proposed Ruling for further consideration.

(4) Your Committee also considered the following present Rulings in the Professional Conduct Handbook:

#### RULING 2 — ACTING FOR BOTH SIDES

Your Committee has redrafted the form of this Ruling and recommends that the present Ruling should be cancelled and that in its stead two new Rulings, 2 and 2-A, should be made after the next text has been published in a forthcoming

part of the Ontario Reports and the comments of the profession invited.

#### Proposed Ruling 2:

"A solicitor must not act for two or more clients where their interests are in conflict. However, in connection with a real estate transaction where a solicitor is asked to act for a vendor and purchaser, or in any other matter where he contemplates that there may be a conflict of interest between two parties, he should in all such cases inform both parties that he is acting for both parties and that no information which he receives in connection with the transaction from either party can be treated as confidential so far as the other party is concerned. He should obtain the consent of both parties to act for them and advise them that if there is a conflict of interest which cannot be resolved he cannot continue to act for both parties in that matter and may not be able to act for either."

#### Proposed Ruling 2-A:

"Subject to lawful authority and to the special circumstances set forth in Ruling 2, the disclosure by a solicitor of confidential information obtained by him in the course of carrying out his professional duties, or the use of such confidential information either for the benefit of the solicitor or against the interest of the party from whom such confidential information was obtained, is professional misconduct."

#### RULING 9 — DISBARRED PERSONS

In the December 18, 1964, part of the Ontario Reports a Notice was published to the profession that the Committee was considering amending this Ruling. As a result of this Notice thirty letters were received from members of the profession. These letters were considered by the Committee and particularly the issue of whether or not a discretionary power should be given to the Committee or Convocation to permit disbarred persons in special cases to work in a solicitor's office. Your Committee recommends that present Ruling 9 be cancelled and replaced by a Ruling in the following form.

#### "Ruling 9 — Disbarred Persons:

No member of the Law Society of Upper Canada shall retain, use the services of or employ in any capacity having to do with the practice of law any person who has been disbarred or struck off the Rolls in Ontario or elsewhere and who has not been reinstated."

## RULING 10 — SIGNS

Your Committee is continuing its consideration of the whole question of touting, advertising and unfair attraction of business and will be reporting further. In the meantime it is studying Ruling 10 — Signs, it being apparent that there are many signs used by lawyers at the present time in the province which are offensive to the traditions of the profession. Your Committee recommends that Convocation should consider the cancellation of Ruling 10 and replacing it by the proposed Ruling after the proposed Ruling has been published in a forthcoming part of the Ontario Reports.

### Proposed Ruling 10:

“(1) Signs identifying the office of a member should be restricted to the name of the lawyer or firm, a list of the members of any firm including counsel practising with the firm and the words “barrister and solicitor”, “law office”, or the plural where applicable; the words “notary” or “commissioner for oaths” or both and their plural where applicable may be added. A statement of office hours or alternative addresses may appear.

(2) Such words as “money to loan”, “lawyers”, “insurance office”, “proctors”, “attorneys”, “mortgages”, “solicitor to the township”, and the like if now in use will be removed not later than the 1st of June 1965.

(3) Lettering and signs will be of modest size and in good taste. As a general guide no sign need have the letters larger than six inches in height.

(4) The Professional Conduct Committee may in special circumstances authorize exceptions to this Ruling.”

## RULING 12 — LETTERHEADS

Your Committee considered Ruling 12 establishing an exception permitting patent agents' names to appear on the letterhead of barristers and solicitors, and recommends that by Notice in a forthcoming part of the Ontario Reports the profession should be advised that the cancellation of the second part of Ruling 12 is being considered by the Professional Conduct Committee who would welcome the view of members of the profession.

## RULING 13 — MUNICIPAL COUNCILS

This is a general Ruling against serving two conflicting interests which is much wider than the title suggests. Your

Committee recommends that the heading of the Ruling should be amended to read "Conflict of Interest with regard to Public and Other Offices".

#### RULING 16 — ADVERTISING

The position with regard to the yellow pages of telephone books in the province is causing considerable concern in the profession. Your Committee authorized Mr. Strauss to discuss the situation with the Bell Telephone Company of Canada so that the Committee might recommend to Convocation a satisfactory Ruling.

#### RULING 21 — TRUST ACCOUNTS

Reference was made in the Ontario Reports published on November 20, 1964, to the reconsideration of this Ruling in the light of the Judgment of the House of Lords, and comments from members of the profession were invited. One detailed and informed comment was received but in the meantime there has been forwarded to the Society a copy of the firm advice given by The Law Society in England to its members under date of December 9, 1964. In the light of its consideration of the matter your Committee recommends that Ruling 21 should be cancelled.

#### RULING 30 — PUBLIC APPEARANCES BY SOLICITORS

The Ruling of the Law Society of British Columbia dealing with this matter was referred to Mr. Keith to compare the Ontario Ruling with the British Columbia one for consideration at the next meeting of this Committee.

#### YOUR COMMITTEE FURTHER WISHES TO REPORT THAT IT HAS:

(a) advised a solicitor that any commission received by a member of the profession for investing funds must be disclosed to the client;

(b) advised a solicitor not to apply to register as a mortgage broker under a firm name;

(c) taken steps to provide a citizen with a lawyer where a plaintiff retained one firm of solicitors in town to prosecute his case and the other firm not to defend it. Your Committee expressed the view that it was unprofessional conduct to accept a negative retainer of this kind when it would in the normal course deprive a citizen of the right of being represented by a lawyer;

(d) advised a solicitor that it was improper to practise under the name of the estate of a deceased solicitor and improper to have on his letterhead the name of an employee who is not a barrister and solicitor;

(e) asked the Secretary to wrote solicitors advertising in a credit bulletin that they should discontinue references to a special department for collections or claims that they act for specified clients.

Moved by Mr. Wright, seconded by Mr. Fennell, that the Report be adopted.

The Treasurer announced that in view of the importance of the recommendations in the Report, it would be considered clause by clause.

DISCIPLINE COMMITTEE — COMPENSATION FUND —  
10 YEAR REPORT — Mr. O'Brien

(For the text of this report, see the statement of the Treasurer in the issue of Ontario Reports, March 12, 1965.)

Attached hereto as Schedule "C" to this Report is a summary of the Compensation Fund transactions for the year ending the 31st of December 1964. (See Treasurer's statement.)

The above report was approved and adopted at a meeting of the Discipline Committee attended by the Chairman and Messrs. Ford, Gray, Howland, Levinter and Wright on the 13th day of January, 1965.

SCHEDULE "A"  
1st December, 1964.

COMPENSATION FUND  
BONDING

A basic objection to compulsory bonding is that the Society has been charged with the responsibility of licensing qualified members to practise law in Ontario. To require each member to become bonded in order to practise would be to abdicate the licensing power to the bonding companies, since the bonding companies could for private and perhaps irrelevant or even improper reasons refuse to bond an otherwise qualified person. If the bonding companies covered only part of the profession the Society would have to cover those the bonding

companies rejected and this would mean that the premium paid by the bonded members would not be available to the Society to cover the defalcations of the unbonded members and would limit the sources of revenue out of which grants could be made on behalf of unbonded members.

It has been suggested that bonding companies which would be inclined to issue bonds to some members and refuse to issue them to others might issue a blanket bond to cover a number of individuals since then the risk would be spread. This would seem to make bonding a possibility but the benefits are illusory. If the risk were spread as far as it would go it would include all members of the profession in Ontario and so the position then would be substantially what it was under the terms of the insurance the Society maintained in connection with the Compensation Fund. The insurance companies gave no better protection than \$100,000 deductible policy with an upper limit of \$400,000 per solicitor at a yearly premium of \$8,957.03. The Fund's difficulties arose with respect to the \$100,000 retention and this would not be obviated by any other system of bonding except one which would cost the members so much that a like amount of money put in the Compensation Fund would end financial anxiety.

In this connection the following are particulars of a Blanket Position Bond covering a law firm of eight partners, two associated lawyers, two students and thirty-seven other employees. The coverage is for \$50,000 and the three year premium \$1,054.89. To increase this Blanket Position to cover \$100,000 on each employee and partner, a three year premium would be \$1,701.75, or an increased annual cost of \$215.62. \$100,000 is the maximum amount written for Blanket Position Bonds which cover each position or person to the limit of the bond except where collusion with other employees is involved. Should a \$200,000 coverage be desired a commercial Blanket Bond for three years would cost \$2,255.30. The commercial Blanket Bond apparently limits the total loss to \$200,000 in all, whereas a Blanket Position Bond covers each position or person to the limit of the bond.

The figures quoted came from a reputable law firm which was able to obtain coverage. The problems already indicated would arise in connection with new firms or members who could not be bonded at all.

There is another aspect of bonding which makes it undesirable and that is the rigidity of a bonding contract. This

matter was discussed by a Special Committee on Bonding in 1939, and a memorandum prepared at that time contains the following statement:

“No doubt it would be quite impossible that a solicitor, any more than any other person, could procure a bond in respect of all his transactions — personal as well as professional. This essential limitation upon the covering of a bond would undoubtedly lead to much dissatisfaction and disappointment. The bonding company will have the undoubted right to insist that it is liable only within the terms of the bond. There are certain to be cases where the injured party will think that he is unjustly deprived of a remedy that he thought was available to him. This is one aspect of the bonding of solicitors that illustrates that this is the wrong way to deal with the misconduct of individual members of any profession or class. It is impossible to put a whole profession under such bonds that no one can suffer from any misconduct, professional or otherwise, of any of its members, and a bond limited to strictly professional misconduct will afford wholly inadequate security in the case of the few members of the profession in respect of whose misconduct some remedy is desired.”

The same considerations obtain today, and what seems to be the best solution has been found in the wide discretion and flexibility of the powers given the Benchers by the Law Society Act to administer the Compensation Fund. In this connection it should be emphasized that the limit on applications to the Compensation Fund which is now in force is subject to the overriding discretion of the Discipline Committee. For example, it would be open to the Committee to allow and make a grant in excess of the limit in circumstances which moved the Committee to exercise its discretion, and such circumstances can readily be imagined as where, for instance, a widow might claim \$40,000, being the whole of an estate left her by her deceased husband, she having no other means of support in the world. That case has not arisen and is a purely invented set of facts.

#### UNAUTHORIZED PRACTICE COMMITTEE — Mr. Seaman

Your Committee met on Friday, 15th January, 1965, the following members being present: Mr. R. L. Seaman (Chairman), and Messrs. Ball, Beament, Clement, Creighton, Fennell, Levinter, Martin, Raney, Slein, Steele and Strauss.

#### LOUIS C. WIGGINS

The Law Society received a letter from a Toronto lawyer enclosing a notice from the Globe & Mail, published on May 28, 1964 under the Change of Name Act, wherein Louis C. Wiggins was described as "Solicitor for the Applicant".

A search of the proceedings in the County Court disclosed that in support of the application Louis C. Wiggins had filed an affidavit in which he swore that he caused to be published in the Ontario Gazette a notice of application, and that the said notice had been duly published and did appear in the Ontario Gazette. The notice which appeared in the Ontario Gazette was the same as that which had been published in the Globe & Mail.

The Society's Counsel, on the instructions of the Committee, laid an Information against Wiggins for holding himself out as or representing himself to be a solicitor, contrary to The Solicitors Act.

The case came up for trial on November 25th, 1964, and at its conclusion Wiggins was found guilty.

## SUB-COMMITTEE ON TRUST COMPANIES

(see Treasurer's statement)

Your Committee recommends the adoption of the Statement of Policy submitted by the Trust Companies Association.

## UNAUTHORIZED PRACTICE GENERAL

The Committee referred three matters to counsel for consideration, and in four other matters requested the Secretary to obtain further information and report back to the Committee.

Moved by Mr. Seaman, seconded by Mr. Fennell, that the Report, except the paragraph headed — "TRUST COMPANIES — Proposed Statement of Policy" — be received.

*Carried.*

## TRUST COMPANIES — Proposed Statement of Policy

Moved by Mr. Seaman, seconded by Mr. Ford, that in the light of the proposals of the Trust Companies Association to its members, they be accepted, and that the Law Society inform its members of the last paragraph of the proposals.

The Treasurer presented a statement of the position of the Society (see Treasurer's statement, referred to supra).

The Treasurer explained why the statement was presented to the Joint Committee without the previous approval of Convocation; there was urgency in the matter and the Treasurer had had the benefit of reading all briefs and submissions and of a one day meeting with the County and District Directors of Legal Aid.

It was pointed out that there had been considerable favourable comment in news and editorial statements, and on the radio.

Moved by Mr. Maloney, seconded by Mr. G. A. Martin, that Convocation approve of and confirm the action of the Treasurer in presenting the statement to the Joint Committee.

## ROYAL COMMISSION INQUIRING INTO CIVIL RIGHTS

*Re: Police Officers Prosecuting in Magistrates' Courts.*

The Commission had received a submission to the effect that police officers should not prosecute cases in Magistrates' Courts. The Commissioner asked for the views of The Law Society on this practice. The Treasurer appointed a special committee consisting of Messrs. G. A. Martin and A. E. Maloney, and requested that they present a recommendation to Convocation on January 15th.

Mr. G. A. Martin presented the Report of the Special Committee:

January 11th, 1965.

Report of The Special Committee appointed by The Treasurer to consider questions arising out of a letter, dated December 10th, 1964, received by The Law Society from J. W. Morden, Counsel to The Royal Commission Inquiry into Civil Rights.

Mr. Morden in his letter states:

"The Commission has received a submission to the effect that Police Officers should not prosecute cases in the Magistrates' Courts. The Commission has asked me to ascertain from you what The Law Society's position is on this practice."

Your Committee communicated with Mr. Morden with a view to ascertaining the basis of the submissions made to the Commission. Mr. Morden by letter dated January 5th, 1965, replied as follows:

"Pursuant to your telephone request I set forth hereunder those portions of the brief filed by The Toronto Peace

Center which deal with the prosecution of cases by police offices in Magistrates' Court:

'One of the problems seems to be that despite Mr. Bick's numerous speeches saying that the public must understand that the police and the courts are separate and distinct the Police Department still assigns policemen to act as prosecutors in Magistrates' Court. One cannot expect a policeman acting as a prosecutor to be interested in objective ascertainment of the facts.

'2. That under no circumstances should a member of the police force act as prosecutor in a Magistrates' Court.' "

Your Committee conceives that two questions are raised by the matter which has been referred to it:

1. Whether the conduct of the prosecution of offences in Magistrates' Court by police officers infringes the prohibition contained in s. 6 of The Solicitors' Act R.SO. ch. 368 which provides:—

"6 (1) Unless admitted and enrolled and duly qualified to act as a solicitor, no person shall act as a solicitor in any court of civil or criminal jurisdiction or before any justice of the peace — or hold himself out as or represent himself to be a solicitor, or practice as a solicitor, or for gain or reward act as a solicitor."

2. Whether, assuming that no breach of the Solicitors' Act is involved, that it is against the public interest for a police officer to conduct prosecutions in Magistrates' court.

Magistrates in addition to possessing jurisdiction to try offences punishable on summary convictions have absolute jurisdiction to try certain indictable offences without the consent of the accused and jurisdiction to try all but the graver indictable offences with the consent of the accused.

We have no knowledge of police officers conducting the prosecution of indictable offences in Magistrates' Courts and would not consider it proper for them to do so. In our experience the offences in which police officers conduct the prosecution are limited to summary conviction offences, and for the most part their use in that role is confined to prosecutions under The Highway Traffic Act and prosecutions under Federal Statutes for failure to file returns and in offences of like nature.

With respect to the first question arising in Mr. Morden's letter we are of the opinion that the conduct of prosecutions

by police officers of summary conviction matters does not infringe the provisions of s. 6 of The Solicitors' Act.

S. 709(1) of The Criminal Code provides:—

(1) The prosecutor is entitled to personally conduct his case.

(2) The prosecutor, or defendant, as the case may be, may examine and cross-examine witnesses personally or by counsel or agent.

By s. 692 (e) of The Criminal Code "Prosecutor" is defined for the purpose of part XXIV of the Code, the part dealing with summary convictions, as meaning "an informant or the Attorney-General or their respective Counsel or agents."

Section 3 of The Ontario Summary Convictions Act R.S.O. 1960, ch. 985, incorporates, except where inconsistent with that Act, Part XXIV of The Criminal Code.

Sections 709 and 692, are, therefore, applicable to prosecutions under Ontario Statutes.

In *Reg v. Woods* [1962] O.W.N. 27, the conviction of the accused, who made a practice of representing persons charged in the Magistrates' Court, on a charge of holding himself out as a solicitor when not qualified as such was affirmed on appeal to the County Court. In that case the accused had conducted the defence of a person charged with an indictable offence tried summarily before the Magistrate as well as with a summary conviction offence and had generally conducted himself in such a way as to convey the impression that he was a solicitor.

In the course of his Judgment Miller, County Court Judge said at page 28:—

"I would not have anything I have said taken as indicating that a layman may with impunity make a practice of appearing on behalf of accused persons even in summary conviction cases."

We agree that s. 709(2) which permits the prosecutor and the defendant either personally or by agent to examine and cross examine witnesses is not in conflict with s. 6 of The Solicitors' Act and that a person purporting to act as an agent who is in fact acting as a Solicitor is within the prohibition contained in s. 6. We do not, however, regard a police officer, even one who makes a practice of conducting prosecutions in summary conviction offences as a part of his official duties, as falling within that category.

In Cross and Jones, *An Introduction to Criminal Law*, 4th Edition, the following statement is made with respect to the English practice:—

“The normal procedure is for the Commissioner or Chief Constable to instruct Solicitors and Counsel to appear for the prosecution although small summary cases are habitually conducted by a police officer.” (at p. 11.)

With respect to the second question arising out of Mr. Mordey's letter, namely, whether the practice referred to is against the public interest we are not aware of any abuse to which the practice has led.

It may be suggested that a police officer might be inclined to be less than impartial in giving his evidence in the presence of a senior police official. Our experience has been that this has not occurred in practice and that a police witness who is inclined to colour his evidence would be equally inclined to do so if the case were being conducted by a Crown Attorney.

There does remain one possible further objection, namely, that the practice may create a feeling on the part of the citizen that the prosecution is not being conducted objectively. We have no way of ascertaining whether this is so without conducting an appropriate survey of public opinion. In the Metropolitan area the officer conducting the prosecution is frequently not in uniform and our joint experience has not caused us to have any feeling that such prosecutions are unfairly conducted.

Nevertheless it is of the utmost importance not only that Justice be done but manifestly appear to be done.

R. M. Jackson in his well known work, entitled “*The Machinery of Justice in England*,” makes the following statement:—

“Above all it is hard for members of a police force to have that detachment that the lawyer cultivates with such care. Hence it is not surprising that police advocacy has been strongly criticized; Judges have condemned the method and the Legal Profession does not conceal its dislike of the practice.”

(Jackson *The Machinery of Justice in England*, 3rd Edition, pp. 117-8)

The Learned author suggests that when a case is presented by a Police Officer all advocacy should be avoided and the

officer should confine himself to asking the necessary questions of witnesses to elicit the facts. With this view we are in agreement. "G. A. Martin"

Moved by Mr. G. A. Martin, seconded by Mr. Maloney, that the Report be adopted.

*Carried.*

Moved by Mr. Steele, seconded by Mr. O'Brien that the Secretary be authorized to send a copy of the Report to the Royal Commission.

see. Professor Parker's areas of special interest are Criminal Law, Criminology and related subjects. The Dean recommended his appointment to the full-time staff at Osgoode Hall as Associate Professor, effective July 1, 1965, and your Committee approved.

Because a replacement for Professor Feltham in the Commercial Law subjects has not been appointed and further because a Visiting Professor for 1965-66 has not been appointed, it is uncertain how many of the remaining special lecturers of the 1964-65 annual session will be required. Your Committee approved the Dean's recommendation that the matter of their appointment stand and be left to the Chairman and the Vice-Chairman of the Legal Education Committee, and the Dean.

#### *Conditions for Holding Legal Meetings and Entertainments*

Evening functions at Osgoode Hall have increased greatly in recent years. Dinners and dances particularly impose a great deal of extra duties on the part of the maintenance staff. There seems to be some doubt, however, amongst the various groups using the facilities as to who should pay for the over-time services of the maintenance staff.

The Committee recommends the adoption of the following policy:

1. For committee and other meetings without dinner or other social functions — No charge.
2. For dinners, dances, receptions, &c —
  - (a) Mr. Glen, the Superintendent, to be paid \$2.75 per hour for overtime, and members of his staff \$2.50 per hour, to be paid by the organization using the Hall.
  - (b) Bar profits from such functions are not to be used for paying the staff.

4. THAT the said ROBERT ANDERSON DOWNING is unworthy to practise as a Solicitor.

# PROFESSIONAL CONDUCT COMMITTEE—Mr. Wright

Your Committee met on Thursday, the 11th February, 1965, at 2:30 o'clock in the afternoon, the following members being present: Mr. Peter Wright, Chairman, Mr. S. E. Fennell, Vice-Chairman, and Messrs. Howland, Keith, O'Brien and Strauss.

## UNCONSCIONABLE TRANSACTIONS — PROPOSED RULING

The Committee had before it the report of the Discipline Committee which Convocation had adopted on the 15th January, 1965, recommending the new monetary limits for the Compensation Fund and laying down the principle that subject always to the general discretion of the Committee and in accordance with well recognized principles of public policy, the Fund will not be available to satisfy claims which have their origin in transactions tainted with illegality as where calculated to evade payment of income tax or where the transaction if completed would have offended the Unconscionable Transaction Relief Act, or would otherwise have been illegal. Your Committee had postponed consideration of a suggestion by Mr. Brendan O'Brien, Q.C., that the Professional Conduct Handbook contain a Ruling making it improper for a member to act in connection with the creation of an unconscionable transaction. Your Committee has now referred the matter to

Mr. O'Brien to draft a proposed Ruling for your Committee's consideration with the intention that it be brought as a recommendation to Convocation.

#### FAILURE TO MEET FINANCIAL OBLIGATIONS — PROPOSED RULING

At its meeting on the 7th January, 1965, your Committee referred to Mr. Brendan O'Brien, Q.C., the drafting of a Ruling respecting members failing to pay their income tax or failing generally to meet their financial obligations. After consideration of Mr. O'Brien's draft your Committee recommends that the following proposed Ruling be published in a forthcoming part of the Ontario Reports with an invitation to the members to comment upon it and that it should thereafter be considered by Convocation:

"To maintain the honour of the Bar members have a professional duty (quite apart from any legal liability) to meet financial obligations in relation to their practice such as debts incurred to Sheriffs, Special Examiners, Registrars of Deeds and other public officials; agency accounts and obligations to members of the profession.

When a member incurs an obligation on behalf of a client which he is not prepared to pay personally he shall make his position clear in writing at the time the obligation is incurred."

#### RULING 23 — LEGAL WRITING

The Committee considered a trade publication containing the photograph of a member together with a description of him as having considerable experience in a particular branch of law, mentioning two books that he has written on the subject and naming the firm with which he is associated. The matter was referred to the Discipline Committee.

#### RULING 12 — LETTERHEADS

Your Committee has written to firms which have in their firm names the name of a former member of the Society who is now serving as a Judge, drawing to the firms' attention the provisions of Ruling 12.

Most of the firms written to have written to say they will comply with the Ruling. Several have objected to the effect of the Ruling and one firm has asked to be represented before

the Committee for the purpose of challenging the legal validity of the Ruling as applied to the firm name on its letterhead.

Your Committee further wishes to report that it has advised a solicitor that when he is on permanent retainer to a collection agency it is not entitled to taxed costs and that it would be unprofessional for him to engage in an arrangement whereby the client, a licensed collection agency, would retain the member's services at a stated monthly fee, the member to be paid in addition counsel fees awarded in defended actions but no fee in undefended action where default judgments are obtained.

#### THE REPORT WAS ADOPTED.

---

#### LIBRARY COMMITTEE—Mr. Steele

Your Committee met on the 17th February 1965, the following members being present: Messrs. Steele (Chairman), Casels, Common, Harris, Keith, Slein and Strauss.

#### MCLAUGHLIN DIARY

Mr. Hugh J. McLaughlin has presented to the Society a copy of the diary of his father, R. J. McLaughlin, K.C., covering the first year of his articles, 1884. Your Committee has directed that a letter be sent to Mr. McLaughlin gratefully acknowledging this gift.

#### MISSING BOOKS

Your Committee reports that fifteen text-books, most of which cannot be replaced, disappeared from the library in the year 1964 and that forty text-books taken out in previous years were returned during the year. Your Committee recommends that a notice be inserted in the Ontario Reports listing the books taken contrary to the Rules in 1964 and appealing to the members of the profession to return any library books which may be in their possession.

#### LIBRARY STAFF

Your Committee reports that Mr. Ronald E. Kaiser has been engaged as a library assistant from the first day of February 1965.

#### THE REPORT WAS ADOPTED.

## REPORTING COMMITTEE—Mr. Ford

Your Committee met on Wednesday, the 17th February 1965, the following members being present: Messrs. Ford (Chairman), Harris, Keith, O'Brien, Strauss and Wright.

ONTARIO REPORTS — *Sufficiency of the present form of Reports.*

The Chairman reported on a few complaints which he had received about cases, particularly in the Court of Appeal, which had not been reported.

Your Committee recommended that no action be taken, except that the Chairman be authorized to confer with any barristers or judges who may make complaints, and ask for their views in writing with reference to the specific cases concerned.

ONTARIO REPORTS — *Costs*

Your Committee noted a letter of January 25, 1965 from the Canada Law Book Company Limited reporting on increases in cost due to increased cost of labour and paper. The increase will be from \$13.63 to \$15.47 per page for material picked up from D.L.R., and from \$17.78 to \$19.84 per page for all new set material.

Your Committee also considered a memorandum covering the costs of Ontario Reports from 1st January 1956 to 31st December 1964, and particularly for the period of the new contract which came into effect 1st January 1961. Your Committee noted that this Contract expires 31st December 1965 and is renewable.

Your Committee recommended that the Chairman be authorized to confer with Canada Law Book Company Limited as to their views on the renewal of the Contract, and on what terms, and to report back to the next meeting.

THE REPORT WAS ADOPTED.

#### SPECIAL COMMITTEE ON THE SCOPE OF THE LEGAL PROFESSION

Mr. Howland, Chairman, presented the Report of the Special Committee on the Scope of the Legal Profession:

Your Committee met on Wednesday, the 17th February 1965, the following members being present: Messrs. Howland (Chairman), Harris and Keith.

At the meeting of Convocation on the 15th January 1965 Mr. O'Brien presented a Report of the Discipline Committee on "Compensation Fund — Ten Year Report". It was resolved that the Report be adopted, including the five specific recommendations made therein. In the second last paragraph of the Report the Committee said:

“ . . . the time is opportune for a full scale survey of the legal profession in Ontario to determine what its role is or ought to be.”

It was resolved that the Treasurer appoint a special committee to consider or arrange for a full scale survey of the legal profession to determine what its proper role is or ought to be.

The Treasurer appointed a Special Committee on the Scope of the Legal Profession, consisting of Messrs. Howland (Chairman), Robins, W. S. Martin, Harris and Keith.

Your Committee referred to the conditions which led to its appointment and considered its terms of reference. After a general discussion the Committee recommended that information be obtained on the following matters :

1. Who are the solicitors registered under The Mortgage Brokers Act, and to what extent are they engaged in business as mortgage brokers.
2. The number of solicitors practising alone.
3. Inquiries of other jurisdictions, particularly the other provinces of Canada and the Law Society of England, as to any controls on the practice of solicitors in the areas under consideration.

#### THE REPORT WAS ADOPTED.

---

#### MOTION

Mr. Keith, having given notice of motion, moved, seconded by Mr. O'Brien, that the practice and procedure for the appointment of Queen's Counsel in the Province of Ontario is unsatisfactory, causing an honourable distinction to be brought into disrepute and contempt, and that the Treasurer be authorized to appoint a special committee to consult with the Attorney-General for Ontario with a view to introducing a procedure which would ensure that the appointment of Queen's Counsel would be such as to enhance the honour of the Bar.

The motion was carried.

The Treasurer appointed a Special Committee on Appointment of Queen's Counsel, consisting of Messrs. Fennell (Chairman), Beament, Ford, Keith and R. F. Wilson.

---

#### CORRESPONDENCE

The Treasurer read a letter of January 12, 1965 from the Honourable Guy Favreau, P.C., Q.C., thanking the Treasurer and Benchers for entertaining him on the occasion of the opening of Her Majesty's Court, January 11, 1965.

---

#### TARIFFS

Mr. Ball reminded Convocation that the Surrogate Court Tariff had not been increased for many years, although there had been some increases in other tariffs and also increases in Law Society fees, etc. He also pointed out that although the jurisdiction of the County Courts had been increased, there had been no corresponding increase in County Court Tariffs.

Moved by Mr. Ball, seconded by Mr. Maloney, that the Treasurer appoint a Special Committee on Surrogate Court Tariffs, and a Special Committee on Supreme and County Court Tariffs, to consider these matters and report back.

Moved in amendment by Mr. Ford, seconded by Mr. Howland, that the matters raised by the above motion be referred to the Civil Justice Section of the Canadian Bar Association.

The amendment was lost. The motion was carried.

The Treasurer appointed a Special Committee on Surrogate Court Tariffs, consisting of Messrs. Creighton (Chairman), Ball, W. S. Martin, Raney and Sheard; and a Special Committee on Supreme and County Court Tariffs consisting of Messrs. Steele (Chairman), Gray, Robins, Starr and Williston.

### PROPOSED RULING TO GOVERN RESIGNATIONS FROM MEMBERSHIP IN THE LAW SOCIETY

Mr. O'Brien, Chairman, presented the Report of the Discipline Committee:

At the meeting of Convocation on the 19th February the question of members being allowed to resign at their own request arose out of the Finance Committee Report. The matter was referred to the Discipline Committee for the formation of a general policy in this regard.

Your Committee met on the 25th February 1965, the following members being present: Mr. O'Brien in the Chair and Messrs. Ford, Levinter and Robins.

The Chairman presented a draft ruling setting out the conditions upon which members might be allowed to resign from membership in the Society. Your Committee discussed the draft, and after making minor amendments recommends that the following Rule be adopted:

The Finance Committee may require additional information and may accept undertakings from the applicant and in reporting its recommendations to Convocation it may include conditions which are to be complied with by the applicant as a term of granting permission to resign.

4. Where the applicant believes that there may be good reason for dispensing with some or all of the foregoing requirements, he may make application to the Finance Committee setting forth his reasons and the Committee may in its discretion dispense with some or all of the above requirements.

REPORT OF THE SUB-COMMITTEE  
TO CONSIDER REPRESENTATIONS BY THE MAGISTRATES

Mr. O'Brien, Chairman, presented the Report of the Discipline Committee which incorporated the Report of the Sub-Committee to consider representation by the Magistrates.

TO THE BENCHERS OF THE LAW SOCIETY OF UPPER CANADA  
IN CONVOCATION ASSEMBLED:

The DISCIPLINE COMMITTEE begs leave to report:

Mr. Keith in the Chair and Messrs. Gray and Pattillo formed your Committee when it met on the 5th March, 1965. The Committee considered the report of the Sub-Committee to Consider Representations by the Magistrates, which is attached hereto, forming part of this Report. Your Committee recommends that the Report of the Sub-Committee be adopted.

TO THE DISCIPLINE COMMITTEE:

Your SUB-COMMITTEE TO CONSIDER REPRESENTATIONS BY THE MAGISTRATES RELATING TO THEIR MEMBERSHIP IN THE SOCIETY begs leave to report:

Your Sub-Committee met at 2:30 p.m. on Thursday the 4th March, 1965, the following members being present: Mr. Peter

Wright in the Chair and Messrs. Gray and Howland. The following Magistrates attended to make their representations: Magistrate R. B. Baxter, Port Hope, Magistrate S. Tupper Bigelow, Toronto, Magistrate M. J. Cloney, Toronto, Magistrate J. C. Dunlap, Sarnia, Magistrate F. C. Hayes, Toronto, Magistrate H. R. Howitt, Guelph, Magistrate D. B. Menzies, London and Magistrate W. R. Philp, Peterborough.

Speaking on behalf of the approximately seventy full-time Magistrates, Magistrate Baxter submitted that there are three classes of the judiciary: Judges of the Supreme Court of Ontario, Judges of the County Courts and Magistrates, and that the Society should treat Magistrates in exactly the same way as Judges of the Supreme Court are treated. Your Sub-Committee commented that Judges as well as being appointed differently appear to occupy a somewhat different position in that they cease to be members of the Bar upon their appointment to the bench and may not thereafter allow their names to appear in the names of firms of solicitors. They said that a Special Committee of the Benchers had been appointed to consider the position of Judges who have retired from the bench and seek to return to the practice of law. The Magistrates were asked if they would accept the position if Judges were not readmitted to practice after their retirement and answered that they would prefer to meet that problem when it arose.

The second submission the Magistrates made was that by paying the Compensation Fund levy they assumed conflicting interests and gave as an illustration their position when a disbarred lawyer came before them charged with a criminal offence which might involve the Compensation Fund. The Sub-Committee pointed out that the Compensation Fund might be involved whether or not there was a criminal conviction and that, in any event, the Sub-Committee did not understand that the Magistrates thought that their judgment was in fact affected by their paying the Compensation Fund levy. The Sub-Committee stated that all members of the Society must share membership on the same basis and bear the same responsibilities. Magistrate Bigelow suggested that Magistrates were not in a position to cause application to be made to the Fund because no solicitor and client relationship could exist between them and members of the public, but he was referred to the wording of the Act which allows grants to be made to mitigate loss in connection with any trust of which a member was trustee.

The third submission the Magistrates made was connected to the second submission and was that they should at the most be required to pay their membership fee of \$70 annually to the Society or, if they were not to maintain their membership, that they be assured they could resume practice upon retirement. They pointed out that the retirement age for some Magistrates was lower than for Judges. Your Sub-Committee suggested that the present arrangement whereby Magistrates continued to be members of the Society, paying the normal fees, gave the Magistrates an option that Judges did not have and that only the recent increase in the Compensation Fund levy made their position onerous. It would still preserve to them the absolute right to engage in practice after retirement from the bench. Magistrate Baxter thought it unfair that Magistrates who wanted not to pay the Society's fees while on the bench were threatened with the possibility of being required to complete the Bar Admission Course before being allowed to practice whereas those who paid their fees escaped that danger. The Sub-Committee indicated that the requirement of the Bar Admission Course was conceived primarily for those who had let their membership lapse and engaged in activities not connected with the law.

Your Sub-Committee considered the submissions that had been made and recommends that the matter be referred to the Special Committee on Retired Judges Returning to Practice.

## PROFESSIONAL CONDUCT COMMITTEE (March)—

Mr. Wright

Your Committee met on Thursday, the 18th March, 1965, at 2:30 o'clock in the afternoon, the following members being present: Mr. Peter Wright, Chairman, Mr. S. E. Fennell, Vice-Chairman, and Messrs. Howland, O'Brien and Strauss.

Your Committee considered the comments from the profession on proposed Rulings published in the Ontario Reports on February 12th, 1965, and having made some amendments recommends that the following Rulings be approved by Convocation for inclusion in the Professional Conduct Handbook:

## (1) RULING 2 — ACTING FOR BOTH SIDES

A solicitor must not act for two or more clients where their interests are in conflict. However, where a solicitor is asked to act for a vendor and purchaser, or in any other matter where he contemplates that there may be a conflict of interest between two parties, he should in all cases inform both parties that he is acting for both parties and that no information which he receives in connection with the transaction from either party can be treated as confidential so far as the other party is concerned. He should obtain the consent of both parties to act for them and advise them that if there is a conflict of interest which cannot be resolved he cannot continue to act for both parties in that matter and may not be able to act for either.

## (2) RULING 2-A — DISCLOSURE OF CONFIDENTIAL INFORMATION

Subject to lawful authority and to the special circumstances set forth in Ruling 2, the disclosure by a solicitor of confidential information obtained by him in the course of carrying out his professional duties, or the use of such confidential information either for the benefit of the solicitor or against the interest of the party from whom such confidential information was obtained, is professional misconduct.

By reason of the new entitlement of Ruling 13 on "Conflict of Interests" letters were received for clarification from several members of the profession.

The Committee dealt with situations involving lawyers serving voluntarily on public Boards who had adopted the practice of declaring their interest and taking no part in any proceedings before the Board where their law office was involved. This practice was approved in the particular cases.

Your Committee has received a letter from the legal department of the Bell Telephone Company of Canada promising its active assistance in obtaining the profession's compliance with Ruling 16.

Your Committee is continuing its consideration of the whole question of touting, advertising and securing business unfairly and will be reporting later with regard to it.

Your Committee passed on the propriety of four announcements brought to its attention.

Your Committee considered enquiries from members of the profession in regard to the present situation resulting from

the repeal of Ruling 21 and approved a standard letter in the following form:

"The effect of the cancellation of Ruling 21 is to remove any approval by The Law Society of the practice of taking interest earned on clients Trust Accounts, and to leave the question to be determined by the general law, having particular regard to the judgment of The House of Lords in *Brown v. Inland Revenue Commissioners*, (1964) 3 W.L.R. 511. As that case is generally understood, it held that a solicitor or other person in a fiduciary position is not entitled to retain interest earned on trust funds unless authorized to do so by the persons whose money he holds in trust."

Your Committee ruled that lawyers could not retain commissions paid in respect of mortgage or other business on behalf of clients without the knowledge and consent of the client.

Your Committee ruled that a lawyer may with propriety act for a client who has given a general retainer to another lawyer or firm.

Your Committee ruled that a lawyer could have his name as an executive director on the letterhead of a non-profit organization so long as he does not use this title in connection with his practice nor refer to his practice in connection with the use of the title.

THE REPORT WAS ADOPTED.

---

#### UNAUTHORIZED PRACTICE COMMITTEE (March)— Mr. Seaman

Your Committee met on Friday, the 26th day of March, 1965, the following members being present: Mr. R. L. Seaman (Chairman), and Messrs. Ball, Beament, Creighton, Fennell, Ford, Levinter, W. S. Martin, Raney, Slemin, Steele and Strauss.

Your Committee further recommends that this loan be repaid out of future annual grants in four instalments of \$700.00 and one of \$800.00.

THE REPORT WAS ADOPTED.

PUBLIC RELATIONS COMMITTEE (March)—  
Mr. W. S. Martin

TO THE BENCHERS OF THE LAW SOCIETY OF UPPER CANADA  
IN CONVOCATION ASSEMBLED

The PUBLIC RELATIONS COMMITTEE begs leave to report:

Your Committee met on Thursday, the 25th March 1965, the following members being present: Messrs. W. S. Martin (Chairman), Gray, O'Brien, Pattillo, Raney and Wright.

Mr. James A. Cowan, Public Relations Consultant, was present by request.

PUBLIC RELATIONS PROGRAMME — *"Buying a Home? Why You Need a Lawyer"*

Mr. James A. Cowan presented the following report on the programme as adopted by the Committee on the 15th October 1964 for presentation in London, Ottawa and Sudbury:

"With actual copies of the pamphlet: BUYING A HOME? WHY YOU NEED A LAWYER, available for use in testing reactions — as advertising campaigns, for example, are normally pre-tested before publication, — it has been possible to secure much more precise information on the effectiveness of this approach to public opinion in Ontario.

This was largely a random survey but did include press, radio, educators, representatives of various groups and organizations, etc. This reaction was excellent. Comments stressed that the folder was brief and to the point. The subject could not be more timely. Housing starts in Ontario during February at 2,070 units, were up 18 per cent over the same month of 1964 though down slightly in January compared with last year. Dwellings under construction nationally in February 1965 totalled 87,514, an increase of 10 per cent over the same period of the year preceding while the figure for January, 89,888 dwellings under construction, was also well above January, 1964. Loan applications show an increase as well. The possibility that the condominium principle of property ownership may in due course become applicable in Ontario would increase the need for legal services as far as the individual buyer is concerned. The timeliness and widening interest does create problems as well as opportunity.

The original plan called for distribution of the pamphlet to be tried out in three areas, Ottawa, Sudbury and London, under the direction of the local associations in each case. These plans are well advanced and tied in to local use of the speech on the need for a family lawyer. The three areas cover among others, the assured-income white collar group in Ottawa; heavy-industry employees, high hourly-rated payrolls and multilingual groups in Sudbury; higher-income suburban residential developments, service industry workers and rural dwellers in London. Press and radio are the chief promotional media in all three. This method of promotion and distribution based on local and regional programs actively led in each case by members of the Society resident in the area appears on further investigation to be the sound one and that most suitable for the Province at large. But a re-examination of these local programs is proposed here in the light of recent information.

The press run of the first edition of the pamphlet is 10,000 copies. In the present situation demand could run very much higher, could easily reach ten times this figure. Budget control would in any case be difficult. If the publication became popular, there would be direct requests to the Society for copies and this, in turn, would boost distribution costs. In the original discussions, the objective was to develop low-cost methods of both printing and distribution.

What is proposed for discussion today is a re-examination of the Society's continuing public relations program with special reference to techniques used at the local level. The home-buying pamphlet is intended as the first in a series of such studies and is therefore an experimental effort. The level of public interest in this case is extremely high. The pamphlet and the accompanying speech may best be considered as basic information pieces around which a broader program can be developed at much lower cost than would be involved in attempting to do it by direct distribution to the general public of printed literature."

As the restricted test distribution of the pamphlet has proved successful, YOUR COMMITTEE RECOMMENDS that Mr. Cowan be authorized to distribute the pamphlet "Buying a Home? Why You Need a Lawyer" generally on a local level in the areas designated — Ottawa, Sudbury and London.

PUBLIC RELATIONS — *Sault Ste. Marie Law Association*

The Professional Conduct Committee has referred to the Public Relations Committee some correspondence with re-

ference to a programme sponsored by the Canadian Life Underwriters Association with the cooperation of the Sault Ste. Marie and District Law Association designed to encourage people to make wills.

Your Committee requests the Secretary to write the President of the Sault Ste. Marie and District Law Association to ascertain the success of such campaign.

THE REPORT WAS ADOPTED.

Your Special Committee met on 19th March 1965, the following members being present: Messrs. Steele (Chairman), Gray, Robins and Starr.

### YOUR COMMITTEE RECOMMENDS —

THAT the Secretary write to each of the other Provincial Law Societies for a copy of the relevant tariffs.

THAT a notice be printed forthwith in the Ontario Reports informing the profession that a Special Committee has been appointed, and that the Committee would be glad to receive submissions from County and District Law Associations or from individual members of the Bar by May 31, 1965.

THE REPORT WAS ADOPTED.

PROFESSIONAL CONDUCT COMMITTEE — Mr. Wright

Your Committee met on Wednesday the 14th day of April, 1965, at 2:30 o'clock in the afternoon, the following members being present: Mr. Peter Wright, Chairman, Mr. S. E. Fennell, Vice-Chairman, and Messrs. Howland, Keith, O'Brien, Slein and Strauss.

RULING 12 (b) — LETTERHEADS — EXCEPTION IN RE  
"PATENT AGENTS"

Members active in the Industrial property field and a representative of the Patent and Trade Mark Institute of Canada

appeared before the Committee in regard to the proposal that Ruling 12(b) should be dropped. In the course of their remarks they developed the history of the special position of Patent Agents in Ontario, the assistance which the Law Society had given to the establishment of their position and their submissions that the Ruling should remain unchanged.

After consideration the Committee recommends that the Ruling remain unchanged.

#### PROPOSED RULING 32 — DUTY TO MEET FINANCIAL OBLIGATIONS

Your Committee considered the comments from the profession on the proposed Ruling on the "Duty to Meet Financial Obligations" and with one amendment recommends that the following be approved for incorporation in the Professional Conduct Handbook as Ruling 32 — Duty to Meet Financial Obligations:

#### RULING 32

##### DUTY TO MEET FINANCIAL OBLIGATIONS

To maintain the honour of the Bar members have a professional duty (quite apart from any legal liability) to meet financial obligations in relation to their practice such as debts incurred to Sheriffs, Special Examiners, Registrars of Deeds and other public officials; agency accounts and obligations to members of the profession.

When a member incurs an obligation on behalf of a client which he is not prepared to pay personally he shall make his position clear in writing at the time the obligation is incurred.

#### RULING 10 — SIGNS

In the light of the discussion with regard to the appeal of Ruling 12(b) the proposed new Ruling 10 was reconsidered by the Committee and it was decided to make no change with regard to the special position of Patent Agents but to permit the use of the word "lawyer" and "barrister-at-law" in such signs. Your Committee therefore recommends that the following Ruling be approved by Convocation for inclusion in the Professional Conduct Handbook replacing the present Ruling 10:

## RULING 10

## SIGNS

(1) Signs identifying the office of a member should be restricted to the name of the lawyer or firm, a list of the members of any firm including counsel practising with the firm and the words "barrister-at-law", "barrister and solicitor", "lawyer", "law office", or the plural where applicable, the words "notary" or "commissioner for oaths" or both and their plural where applicable may be added. A statement of office hours or alternative addresses may appear.

(2) Such words as "money to loan", "insurance office", "proctors", "attorneys", "mortgages", "solicitor to the township", and the like if now in use will be removed not later than the 1st of June, 1965.

(3) Lettering and signs will be of modest size and in good taste. As a general guide no sign need have the letters larger than six inches in height.

(4) The Professional Conduct Committee may in special circumstances authorize exceptions to this Ruling.

THE REPORT WAS ADOPTED.

Convocation adjourned at 12:47 p.m.

Convocation resumed at 2:15 p.m., a quorum being present.

DISCIPLINE COMMITTEE—Mr. O'Brien

RE: RICHARD JAMES JONES, Oakville, Ont.

The Committee reported that after due inquiry it found the solicitor guilty of professional misconduct and conduct unbecoming a barrister and solicitor in that he —

- (1) contrary to Rule 3 of the Rules Respecting Accounts, has drawn money from his trust account other than money properly required for payment to or on behalf of clients or in respect of liabilities of clients to him;

- (2) has failed to maintain at all times, and particularly in November 1964, sufficient money on deposit in his trust bank account to satisfy his indebtedness to clients for trust funds; (Note: on the 24th November, 1964 the shortage was \$9,020.26)
- (3) failed to maintain the books and records required by Rules 7 and 8 of the Rules Respecting Accounts as required by the Rules Respecting Accounts;
- (4) received \$1,480.00, more or less, in trust for H. A. Bailey but failed to deposit it in a trust bank account as required by Rule 1 of the Rules Respecting Accounts;

and recommended that he be disbarred and struck off the rolls of The Law Society of Upper Canada.

The Committee pointed out that it recommended disbarment although a relative of the solicitor had put up the money to cover the trust shortages and although no member of the public was harmed; and that the disbarment is recommended because of the fact that the solicitor persistently misused his trust account, and in effect used it as a personal account.

Moved by Mr. O'Brien, seconded by Mr. Howland, that the Report be adopted.

The solicitor attended with counsel, Mr. J. E. Eberle, who addressed Convocation. Mr. Eberle submitted a Petition dated 22nd April 1965 signed by nine members of the Bar practising in Oakville, and asking leave for Mr. Jones to resign in place of disbarment.

Mr. O'Brien read a letter of 22nd April 1965 from Mr. Peter McWilliams, Crown Attorney at Milton, Ontario.

The motion was carried.

It was accordingly ordered —

1. THAT the Report of the Discipline Committee in the matter of RICHARD JAMES JONES, Barrister, a member of this Society and a Solicitor of the Supreme Court of Ontario, be adopted.
2. THAT upon the facts ascertained and appearing by the said Report and the evidence and other papers referred to and submitted to Convocation therewith, Convocation finds the said RICHARD JAMES JONES guilty of professional misconduct, and of conduct unbecoming a Bar-

risters and Solicitors in respect of the charges dealt with by the said Report.

3. THAT the said RICHARD JAMES JONES be disbarred.

### ONTARIO LEGAL AID PLAN 1964

Attached hereto as part of this Report is the Report of the Provincial Director for the year 1964.

Your Committee approves and adopts the Report, and refers it to Convocation for its information and for distribution to the Benchers.

### TO THE LEGAL AID COMMITTEE

The Provincial Director begs leave to present his thirteenth Report — for the year 1964.

Reports have been received from all Counties this year. The information contained herein provides data only with respect to those Counties which have compiled regular records, and does not include those services which are provided by individual lawyers who recognize their duty to provide voluntary assistance free of charge to the indigent.

Our thanks are extended to the entire legal profession whose overwhelming support has made possible the provision of legal services to members of the public who find themselves in financial difficulties. We further acknowledge with thanks the financial aid provided us by the Government and the Attorney-General of this Province.

Legal Aid Clinics were held in seven (7) Counties and Districts on a regular basis, in others as required.

Algoma .....	19
Carleton .....	24
Essex .....	51
Middlesex .....	44
Waterloo .....	2
Wentworth .....	52
York .....	30

---

Total throughout the Province ..... 224

The number of Counties holding regular Legal Aid Clinics has decreased for 1964, but the number of applicants has increased noticeably, particularly in York County.

Since more office space was made available to York County, Legal Aid evening clinics have been discontinued, but replaced by regular interviews conducted daily with more lawyers in attendance, thereby accommodating approximately one thousand and more applicants over last year. Other Counties who do not hold regular clinics render assistance whenever required. As reported, no person held in custody is denied assistance.

During the last year, the Assistant Director made regular attendances at the penitentiaries in the Kingston area for the purpose of interviewing applicants for legal aid in these institutions. In 1964 the Assistant Director interviewed one hundred and twelve (112) applicants.

Assistance in criminal matters was provided in every County and District reporting.

With the information at our disposal, the following figures indicate legal work done in 1964:

<i>APPLICATIONS</i>	1964	1963	1962	1961
Civil	11,476	10,931	8,398	6,405
Criminal	3,251	2,338	1,990	2,300
<i>AID</i>				
Civil	10,284	10,300	7,210	5,303
Criminal	2,441	1,656	1,398	1,735

York County accounted for 9,217 applicants in civil matters, while aid was given in 8,745 cases; 1,457 applications were received in criminal matters, and aid was given in 1,245 cases. The great bulk of civil cases required advice only, or were otherwise disposed of in the clinic or in the office of the Assistant Director of Legal Aid.

During the last year Legal Aid defended thirty (30) persons accused of murder (11 in York County) and seven hundred and thirty-five (735) accused of other serious charges (338 in York County).

To the Chairman and members of the Legal Aid Committee I wish to extend my thanks for their guidance and counsel.

On behalf of the Committee and personally, I wish to thank the local Advisory Committees, Local Directors, and members of the profession generally for their contribution to the Legal Aid Plan.

## ONTARIO INTER-PROFESSIONAL LIAISON COMMITTEE

Mr. Howland presented a Report on the Ontario Inter-Professional Liaison Committee:

## REPORT

## RE: ONTARIO-INTERPROFESSIONAL LIAISON COMMITTEE

A further meeting of the above Committee was held on February 2nd, 1965 and the following are the principal matters which were dealt with: —

The Institute of Chartered Accountants it now officially represented on the Committee by Mr. Lancelot J. Smith.

Career Guidance — Mr. F. J. Clute, the Director of Guidance Service of the Ontario Department of Education, and Mr. Blake H. Goodings, the Director of Special Services of the Association of Professional Engineers were present at the meeting, which was devoted largely to the subject of career guidance. Stress was laid on the importance of education as to what is a profession. It was decided that the professions should participate in a special panel discussion during the specialists' course on career guidance this summer.

Last summer the Professional Engineers had a booth at the Canadian National Exhibition to give advice on the question of careers in the engineering field. They found that during the period of the Exhibition they talked to thousands of people including guidance counsellors, parents and students. In many instances they found that they were being asked for information about the other professions which they were not able to answer.

The matter of further professional participation in a joint "careers" booth was discussed.

The Chartered Accountants expressed their concern that they were now being treated as an industry for the purpose of The Workmens' Compensation Act.

"W. G. C. Howland"

THE REPORT WAS RECEIVED.

---

MAGNA CHARTA DAY, June 15, 1965

The Treasurer referred to suggestions which had been made that some formal recognition should be given to the 750th Anniversary of the signing of the Magna Charta on June 15,

1215. Following discussion it was moved by Mr. Wright, seconded by Mr. Steele, that the matter be referred to a Special Committee with power to act.

*Carried.*

The Treasurer appointed the following Special Committee on Magna Charta Day, June 15, 1965: Messrs. G. A. Martin (Chairman), Wright, Bruce and McLaughlin.

#### CONVOCATION, March 1966

The Treasurer announced, pursuant to Rule 8, that Convocation in March 1966 would be held on Friday, the 25th, for Call to the Bar.

---

#### CORRESPONDENCE

The Treasurer referred to the following correspondence:

Letter from the Treasurer thanking the Benchers for their expression of sympathy and flowers on the recent death of his father.

Letter from the Honourable G. A. Gale, Chief Justice of the High Court, thanking the Treasurer and Benchers for allowing the judges of the High Court to meet in Convocation Room on Monday, April 5th.

ORDERED that this correspondence be received and filed.

The Treasurer read to Convocation a letter from Mr. John F. Petch, who was called to the Bar on March 26th, expressing his appreciation for the awards of the Treasurer's Medal and the Law Society First Prize, and also for the training which he received in the Bar Admission Course. ## MEETING OF CONVOCATION

FRIDAY, 21ST MAY 1965

10:30 a.m.

### PRESENT

The Treasurer and Messrs. Ball, Beament, Bruce, Creighton, Fennell, Ford, Gray, Gregory, Harris, Howland, Keith, Levinter, G. A. Martin, W. S. Martin, McCulloch, O'Brien, Pattillo, Raney, Robins, Seaman, Sheard, Slein, Steele, Strauss, Weir, Williston, R. F. Wilson and Wright.

---

Mr. R. F. Wilson, Q.C. was appointed Chairman.

### ELECTION OF TREASURER

Mr. John Douglas Arnup, Q.C. was elected Treasurer for the ensuing year.

The Treasurer expressed to Convocation his continuing gratitude to all benchers and to the Society's entire staff for their unselfish and dedicated co-operation and hard work during the past year. He stated he was particularly gratified to record the progress achieved towards solution of the problems he had noted a year ago. The position of the Compensation Fund is much stronger. The matter of unpaid claims and how to deal with them has been thoroughly reviewed and the several methods adopted of improving our procedures are already showing good results. Our audit program has been intensified, with obvious success, and with little complaint from the profession. A new and satisfactory program of legal aid has been proposed. There is good reason to believe that our problems of space may be resolved in the foreseeable future.

Our problems continue to be varied and complex, but there is no reason to think that any of them is insoluble, provided the present level of work, interest and enthusiasm is maintained by all concerned.

The Treasurer announced to Convocation that this would be his last term in the office of Treasurer; and also that the Secretary would retire at the end of June 1966, but that both he and the Secretary would continue their interest in the Society and would be available for consultation with their respective successors.

He concluded by stating that no Treasurer could have asked for greater co-operation and assistance or more sound and sympathetic advice than he had received from the Secretary, and that so long as the Society existed, it would always owe a tremendous debt of gratitude to Mr. W. Earl Smith, Q.C.

---

The Minutes of the meeting of Convocation of the 23rd April 1965 were read and confirmed.

#### DISCIPLINE COMMITTEE

Mr. O'Brien, Chairman, presented the following Reports of the Discipline Committee:

RE: GERARD JOSEPH CECIL VAN BERKEL

The Committee reported that after due inquiry it found the solicitor guilty of professional misconduct and conduct unbecoming a barrister and solicitor in that he had failed to maintain at all times, and particularly in January 1965, sufficient money on deposit in his trust bank account to satisfy his indebtedness to clients for trust funds; and had failed to maintain the books and records required by Rules 7 and 8 of the Rules Respecting Accounts.

The Committee reported that it found the facts of each complaint to be established, but it was not completely satisfied that the solicitor realized his true position until it was brought to his attention by the Society's auditors.

Having given careful consideration to all of the evidence and the surrounding circumstances, and upon the solicitor undertaking not to engage in practice alone and to accept the offer of employment made to him by Mr. J. N. Desmarais, Q.C., and to inform the Society if he should change such employment, the Committee recommended that he be reprimanded in Convocation, and that so long as he complies with his undertakings no further action be taken in the matter.

Moved by Mr. O'Brien, seconded by Mr. Levinter, that the Report be adopted.

The solicitor attended with his counsel, Mr. J. G. J. O'Driscoll, who addressed Convocation briefly. Counsel admitted that the solicitor had been duly served with a copy of the Report, and that he agreed with it.

On questions by the Treasurer, the solicitor undertook not to practice alone without the express permission of the Law Society; to accept the offer of employment made to him by Mr. J. N. Desmarais, Q.C.; and to notify the Law Society of any change of employment or of address.

The Report was adopted.

The solicitor again attended before Convocation with his counsel and was reprimanded by the Treasurer.

TO THE BENCHERS OF THE LAW SOCIETY OF UPPER CANADA  
IN CONVOCATION ASSEMBLED

The DISCIPLINE COMMITTEE begs leave to report:

In a report to Convocation on the 15th January 1965 your Committee reviewed the first ten years of operation of the Compensation Fund and related matters and made five recommendations which Convocation adopted. The fourth recommendation was that

"Starting in the fall of 1965, members be required where applicable to file with the Society the certificate of an auditor containing as a minimum substantially the information required in the specimen certificate attached as Schedule 'A' to this Report."

Your Committee met on Wednesday the 19th May 1965 at 2:00 o'clock in the afternoon, the following members being

present: Mr. O'Brien in the Chair and Messrs, Arnup, Bruce, Ford, Howland, Keith and R. F. Wilson. Your Committee gave careful consideration to the form of compulsory auditor's certificate and also drafted a Rule requiring the filing of the auditor's certificate or of a statutory declaration in lieu thereof in a proper case.

Your Committee recommends that the Rule be adopted. The form of auditor's certificate is a schedule of the recommended Rule.

It is further suggested by the Committee that if this report be adopted by Convocation a letter be sent forthwith to all members of the Society enclosing a copy of the Rule and such additional information as may be considered appropriate.

(Note: This Rule was amended at the meeting of Convocation on June 18th, 1965, and its text as amended will appear in the published minutes of that meeting.)

Moved by Mr. O'Brien, seconded by Mr. Levinter, that the Report be adopted.

#### PROPOSED NEW RULING 16

1. No member shall authorize the insertion in the yellow pages of any telephone book published in Ontario of more than a single listing of name, address and number in normal type under the heading "Lawyers".
2. A member may circulate among the profession or among clients announcement cards pertaining to his practice which convey information of use to them such as a change of address or of personnel.
3. A member may insert a card, notice or such announcement in connection with his practice in any newspaper published in Ontario.
4. A member may insert a card, notice or announcement in connection with his practice in any law list, legal directory, professional or trade journal or similar publication when such publication has been approved by Convocation on such terms as Convocation may from time to time approve.
5. Such approval shall normally be on the recommendation of the Professional Conduct Committee and may be withdrawn at any time.

(Note: It is the present intention of the Professional Conduct Committee to recommend the approval of the principal law lists now in use in the Province. As to any further names, the Committee would welcome specific suggestions from members.)

6. (a) In publications circulating generally outside the legal profession, the text in modest print shall contain no more than the name of the lawyer or firm, a list of the members of any firm including counsel practising with the firm, and the words "barrister-at-law", "bar-

risters and solicitors", "lawyer", "law office", "notary", "commissioner for oaths" or their plural where applicable, the address, telephone number, cable address, office hours, and any pertinent announcement when required.

(b) In publications of restricted circulation used by the legal profession there may appear in addition date and place of birth and admission to the Bar, schools attended with dates of graduation, degrees and other educational distinctions; war service and decorations; public or quasi public offices, posts of honour, legal authorships, legal teaching positions, memberships and offices in bar associations and committees thereof and in legal and scientific societies.

7. Notwithstanding the other clauses of this Ruling the Professional Conduct Committee may generally and in particular cases authorize other and additional publication.

If this Ruling is approved your Committee recommends the repeal of Rulings 16, 18, 19, 22 and 26.

#### TOUTING, ADVERTISING AND ATTRACTING BUSINESS UNFAIRLY

Your Committee continues its consideration of the general subject of touting and advertising and recommends that the following proposed Ruling be published in a forthcoming part of the Ontario Reports with an invitation for the members to comment upon it and thereafter it should be considered by Convocation:

#### PROPOSED NEW RULING 18

No member of the Society or firm of members shall engage in any activity for the purpose of touting or advertising his practice or attracting clients unfairly.

#### PROPOSED NEW RULING ON NOTIFICATION OF BREACHES TO THE SOCIETY

A proposed Ruling was published in the Ontario Reports on February 12th, 1965, and led to a number of submissions by members of the profession and complaints that the fact that it was a new Ruling was not sufficiently brought to the attention of the members.

Your Committee has considered the submissions and complaints and recommends that the following amended proposed Ruling be published in a forthcoming part of the Ontario Re-

ports with a further invitation to the members to comment on it and that it should thereafter be considered by Convocation:

## PROPOSED NEW RULING NOTIFICATION OF BREACHES TO THE SOCIETY

It is proper for any member to bring to the attention of the Society any instance involving or appearing to involve professional misconduct or conduct unbecoming to a barrister, solicitor or student-at-law or reflecting on the honour of the Bar and it is the duty of every member to bring such instances to the Society's attention when they clearly involve shortage of trust funds.

The Treasurer stated that the Report would be considered paragraph by paragraph.

## LIBRARY COMMITTEE—Mr. Steele

Your Committee met on the 19th May, 1965, the following members being present: Messrs. Steele (Chairman), Keith, Levinter, McCulloch, W. S. Martin and Strauss.

## COUNTY OF YORK LAW ASSOCIATION

Your Committee recommended, in its January 1965 report, that representatives of the County of York Law Association be asked to attend a meeting to discuss its request for assistance in the purchase of additional books for its library in the new York County court house. This meeting has been held and a list of books, to cost around \$37,500.00, considered to be necessary, has been submitted by the Association and approved by the Chief Librarian. Your Committee recommends, in view of the importance of this library in the administration of justice in the Province of Ontario, that representations be made to the government for a grant of all or part of the amount required.

## REPORTING COMMITTEE—Mr. Ford

Your Committee met on Wednesday, the 19th May, 1965, the following members being present: Mr. G. W. Ford (Chairman), and Messrs. Common, Levinter, O'Brien, W. S. Martin and Strauss.

## ONTARIO REPORTS—contract for printing

At its meeting on the 17th February, 1965 your Committee considered a memorandum covering the costs of the Ontario Reports from 1st January, 1956 to 31st December, 1964, and particularly for the period of the new contract which came into effect 1st January, 1961. Your Committee noted that this contract expires 31st December, 1965 and contains an option to renew. Your Committee recommended that the Chairman be authorized to confer with Canada Law Book Company Limited as to its views on the renewal of the contract, and on what terms, and to report back.

At its meeting on the 15th April, your Committee asked that this matter be considered at the May meeting of the Committee.

The Chairman invited Mr. W. B. Cartwright to be present at this meeting. The existing contract was discussed. The Chairman made reference to two complaints, namely:

- 1) slowness in the reporting of some Ontario judgments, and the fact that the number of cases reported is said to be insufficient;
- 2) the escalator clause in the contract which has brought up the costs in the last five years from approximately \$32,000 to \$39,000.

With respect to the slowness in reporting, and the fact that the number of cases reported is said to be insufficient, Mr. Cartwright informed the Committee that the problem is, in effect, a matter of dollars and cents. Mr. Cartwright reported that slowness in reporting is primarily because the Ontario cases are published first in the D.L.R.s to save costs in publishing the O.R.s, and that the scarcity of cases reported is because of the financial restriction placed on Canada Law Book by the contract providing that the annual costs (subject to the escalator clause) be not more than \$32,000.

Mr. Cartwright stated that the escalator clause has increased the cost of reporting in the last five years, due to a 26% rise in the cost of labour, and a 10% rise in the price of paper.

Mr. Cartwright informed the Committee that the Canada Law Book Company has had to absorb the increase in editorial costs. By the contract the Society agreed to pay an editorial fee to the publisher of \$6,750.00 per annum, rising to \$7,950.00 in the final year. Editorial costs now exceed this sum.

The publisher has tripled advertising rates and also increased the number of sales of the O.R.s to persons who are not on the Rolls of the Law Society. This has resulted in a reduced cost to the Society of the Reports.

Mr. Cartwright pointed out that there are about 1500 pages a year being published at a cost per solicitor of approximately \$7.00 per annum. Ten years ago the average cost per solicitor was approximately \$11.00 per annum. He informed the Committee that if the contract price was to be increased from approximately \$7.00 per solicitor per year, to approximately \$9.00 per solicitor per year, Canada Law Book could in all probability, publish more cases, and publish them faster — say 1800 pages per year.

The Committee requested the Chairman to confer, informally, with other Law Book Companies who might be interested in printing the Reports and ascertain whether they would care to give the Law Society an estimate as to costs under a yearly contract and what provisions they would make for editing.

#### UNAUTHORIZED PRACTICE COMMITTEE—Mr. Seaman

Your Committee met on Friday, the 21st May, 1965, the following members being present: Mr. R. L. Seaman (Chairman), Mr. S. E. Weir (Vice-Chairman), and Messrs. Ball, Beament, Creighton, Fennell, Ford, Levinter, W. S. Martin, McCulloch, Raney, Slein, Steele and Strauss.

#### EUROPEAN NOTARIES

From time to time the Committee has considered correspondence from various solicitors alleging that European Notaries have been assisting new Canadians in obtaining divorces from their native countries, enabling them to remarry in Ontario without attending in Ontario divorce courts.

The Secretary was asked by the Committee to contact the Attorney General's Department to ascertain what steps, if any, were being taken to prevent Canadian immigrants from obtaining divorces from their domicile of origin, and subsequently receiving Ontario marriage licenses.

On April 30th, 1965, a meeting was held at Queen's Park at the request of Mr. F. L. Wilson, Department of the Attorney General. Mr. J. S. Yoerger, Q.C., the Deputy Provincial Secretary, and Mr. T. D. Thomson, Q.C., also attended.

The Secretary was asked to write a letter to the Attorney General's Department setting out the situation.

Your Committee approved the letter which was forwarded to the Attorney General's Department.

## COUNTY LIBRARIES COMMITTEE—Mr. Ball

Your Committee met on the 21st May 1965, the following members being present: Messrs. Ball (Chairman), Fennell (Vice-Chairman), Beament, Creighton, Harris, McCulloch, W. S. Martin, Raney, Seaman, Steele, Strauss and Weir.

## ANNUAL GRANTS

Your Committee reports specially that the following law associations, having failed to file their annual returns by the 31st January, have now filed their annual returns for the year 1964 in accordance with Rule 103 and otherwise complied with the requirements of the Rules adopted from time to time by Convocation in relation to county libraries and recommends that grants be made to them as follows:

Brant	\$ 1,275.00
Carleton	1,850.00
Kenora	600.00
Lanark	600.00
Lincoln	1,850.00
Northumberland & Durham	1,041.67
Norfolk	625.00
Parry Sound	600.00

## PEEL ASSOCIATION

The application of the Peel Law Association for a loan of \$3,600.00 was approved subject to the delivery of a bond as provided by Rule 105. Your Committee reports that a bond in the usual form has now been received.

## COUNTY OF YORK ASSOCIATION

Your Committee has further considered the request by the County of York Law Association for assistance in the purchase of additional books required for its library in the new court house for the county and for an increase in its annual grant of \$1,000.00 to cover the greater cost of maintaining it. Your Committee agrees that such an increase should be made but, in view of the importance of this library in the administration of justice in the Province of Ontario, recommends that representations be made to the government for

an increase of \$1,000.00 in its annual grant for the County of York Law Association.

#### NIPISSING ASSOCIATION

The Nipissing Association has applied for incorporation with the name "Nipissing Bar Association". Your Committee recommends, in view of the fact that the county associations are referred to in the Ontario Statutes only as law associations or law library associations, that the name proposed by the Association be not approved.

#### THE REPORT WAS ADOPTED

#### PUBLIC RELATIONS COMMITTEE—Mr. W. S. Martin

Your Committee met on the 20th May 1965, the following members being present: Messrs. W. S. Martin (Chairman), Ball, Gray and O'Brien.

Mr. J. A. Cowan, Public Relations Consultant, was present by invitation.

At the meeting of your Committee on the 22nd April 1965, Mr. Cowan presented a further report on the progress of the programme, with particular reference to the initial distribution in Ottawa, London and Sudbury. He also presented a draft of the letter of instructions to be sent to the Presidents of the three local Law Associations with reference to the organization of the programme. The Committee approved of the report and of the draft letter as amended by the Committee. The letter was sent to the Presidents of the three Law Associations on May 4th, and a shipment of folders was sent the following day.

The Presidents of the Carleton and Middlesex Law Associations have written to the Chairman assuring him of the cooperation of their Associations.

On May 17th the Chairman telephoned the three Associations, and reports that progress is being made.

Your Committee recommends that a follow-up letter be sent to the three Associations enclosing a check list of all details to be attended to in forwarding the project.

#### FUTURE PAMPHLETS

The Secretary was requested to write to the County and District Law Associations listing the pamphlets under con-

sideration by your Committee, and asking for further suggestions.

SPECIAL COMMITTEE ON THE CORONERS ACT

— Mr. Williston

The SPECIAL COMMITTEE ON THE CORONERS ACT  
begs leave to report:

At the meeting of Convocation on the 18th September 1964 the Treasurer read letters from the College of Physicians and Surgeons of Ontario and the Ontario Medical Association requesting the views of the Law Society on the Coroners Act and related subjects. It was resolved that the matter be referred to a special committee to be appointed by The Treasurer, and he appointed a Special Committee on The Coroners Act consisting of Messrs. Williston (Chairman), Fennell, Gray, Keith and O'Brien.

Your Committee met on the 9th October, Messrs. Williston (Chairman), Gray and O'Brien being present; on the 29th October, Messrs. Williston (Chairman), Fennell, Gray and O'Brien being present; and on 8th December 1964, Messrs. Williston (Chairman), Fennell, Gray and Keith being present.

At the meeting on 29th October there were present by invitation of your Committee Mr. Harvey F. McCulloch, Q.C., Crown Attorney, Hamilton; Dr. J. C. C. Dawson, Registrar of the College of Physicians and Surgeons of Ontario; and Dr. R. S. Duggan, President, Dr. Glenn Sawyer, Secretary, and Mr. A. K. Gillies, Executive Secretary, respectively, of the Ontario Medical Association.

Your Committee received and considered a large amount of material, including eight valuable articles from Dr. H. B. Cotnam, Supervising Coroner of Ontario; the relevant Statutes of other Canadian provinces; a letter from the Secretary of the Canadian Bar Association enclosing "Coroners Inquests Across Canada", a Review for the National Council on the Administration of Justice in Canada; a letter from the Secretary of the Bar of the Province of Quebec, and a memorandum of the General Council of the Bar of the Province of Quebec respecting The Coroners Act, January 1964; Reports on the Coroners System, Interim and Final, by a Committee appointed by the Attorney General 1960, Mr. Eric Silk, Q.C., Chairman; and letters from the Administrative Secretary of the American Bar Association, and from Sir Thomas Lund, Secretary, The Law Society, England, enclosing a booklet "Deaths in the Community".

At the meeting of 8th December 1964 the Secretary reported to your Committee that other bodies inquiring into this problem are —

- (1) The National Council on the Administration of Justice in Canada;
- (2) The Canadian Bar Association, Section on Civil Justice.

At that meeting your Committee recommended that further investigations stand until the Committee knows exactly what these other bodies are doing, and whether either of them is going to make a real investigation and report which could form the basis of any recommendations that should be made to the relevant bodies including the Royal Commission to Inquire Into Civil Rights.

The Chairman of your Committee has made further investigations of the action taken by the National Council on Administration of Justice in Canada, and in a letter of May 4, 1965 reported in part as follows:

*"Re: Special Committee on The Coroners Act*

This morning I had an opportunity to discuss this matter with Mr. Pattillo.

As you know, Mr. Pattillo is a member of the National Council for the Administration of Justice in Canada. The Chairman is Mr. Louis Phillip Pigeon. This Council, which was created under the aegis of the Canadian Bar Association, is composed of three members appointed by the Minister of Justice, three members appointed by the Attorney General for each of the provinces, and seven members appointed by the Canadian Bar Association. The Committee meets twice a year.

Last year the National Council appointed Mr. Pattillo a committee of one to ascertain and report on the present law respecting Coroners throughout Canada. Mr. Pattillo obtained the statutes from each province in Canada and prepared a statement of the practice followed in each province. He correlated these statutes and statements into one document entitled "Coroners' Inquests Across Canada" for presentation to the National Council. Mr. Pattillo already furnished you with a copy of this document.

In September of 1964 the General Council for the Bar of the Province of Quebec proposed a number of recommendations respecting Coroners. You already have a copy of these recommendations. They were submitted to the meeting of the National Council on the Administration of Justice in Canada held in September of 1964. At the same time, Mr. Pattillo submitted his report.

The result was that the National Council appointed a Committee to consider Mr. Pattillo's report and the recommendations of the Bar of the Province of Quebec. Mr. Pigeon was made Chairman of this Committee. At the December meeting of the National Council held in Quebec City, the Committee brought in a statement of principles respecting the conduct of coroners inquests. The Committee unanimously agreed to a number of the principles, but there was disagreement on some. On the question of the publicity to be given to a coroner's inquest, there was serious disagreement in principle.

The result was that Mr. J. E. Hart, Deputy Attorney-General for Alberta, was asked to communicate with the appropriate authorities in the English-speaking countries throughout the world to ascertain the practice in such countries. He is to report in September of 1965. At that time it is believed that the National Council for the Administration of Justice in Canada will bring down a report setting

out the principles which it considers appropriate to be followed. In the meantime, the proposed statement of principles has not been released.

In view of this situation, it is my opinion that our Committee should do nothing further until the National Council for the Administration of Justice in Canada has delivered its report. . . .”

The four other members of your Committee approve of the Chairman’s recommendations as set out in the last sentence quoted above, and your Committee so recommends to Convocation.

Your Committee is of the opinion that another reason for not doing anything further at the present time is that the Committee has been informed by Mr. R. S. W. Campbell, Chairman of the Ontario Section on Civil Justice, Canadian Bar Association, that at the Annual Meeting of the Canadian Bar Association to be held in Toronto in September 1965, there will be a panel discussion which will deal with the question of coroners throughout Canada.

DISCIPLINE COMMITTEE—Mr. O'Brien

RE: PETER LEWIS SLAGHT

The Chairman presented the Report of the Discipline Committee and read a letter of 17th June 1965 from the Solicitor.

Moved by Mr. O'Brien, seconded by Mr. Ball that the Report be adopted.

The Solicitor attended and addressed Convocation and read a memorandum dated 18th June 1965 and asked that in place of the recommendation of disbarment, he be permitted to have his name removed from the rolls and records of The Law Society on his own request; and asked leave to engage counsel to present argument on the question of jurisdiction, among other points, on his undertaking that in the meantime he will not practise as a Barrister or Solicitor.

Moved in amendment by Mr. Ford, seconded by Mr. Keith, that the Report be referred back to the Discipline Committee for further consideration and amendment; that the Solicitor be notified of the date set for the further hearing when he may attend with counsel; that the amended Report be served on the Solicitor and considered at the meeting of Convocation on 17th September 1965; on the Solicitor's undertaking that in the meantime he will not practise as a Barrister or Solicitor.

The amendment was carried.

REPORT ON COMPULSORY AUDITOR'S REPORT AND RULE

Your Committee recommended to Convocation on the 21st May 1965 the adoption of a Rule requiring every member of the Society on or before the 30th November in each year to file with the Society either a certificate duly completed by a public accountant in the form which was made a schedule to the Rule or a statutory declaration setting forth that during the preceding 12 month period the member had not handled or been responsible for any clients' trust funds or clients' valuables. This report was adopted.

Your Committee met on the 16th June 1965 at 10:30 o'clock in the morning, the following members being present: Mr.

O'Brien, Chairman, and Messrs. Bruce, Common, Ford, Gray, Howland, Keith, Levinter, G. A. Martin, Starr and Wright.

Since the meeting of Convocation in May your Committee has been advised by the Institute of Chartered Accountants of Ontario that, from their point of view, they would prefer the form of auditor's report if certain changes were made in it. Your Committee has given careful consideration to the suggested changes and recommends that the Rule be amended by changing the word "certificate" in the third line thereof to the word "report" and by adding after the word "accountant" in the fourth line thereof the words "and signed by the member", and that Schedule "A" to the Rule be in the form attached as part of this Report.

Moved by Mr. O'Brien, seconded by Mr. Levinter, that the Report and the new Rule attached thereto, be adopted.

*Carried.*

NOTE: The form Schedule "A" has been sent to all members of the Society. Copies available at the Secretary's office.

## RULE

As a condition of receiving his annual certificate enabling him to practise, every member of the Society shall on or before the 30th day of November in each year file with the Society either a report duly completed by a public accountant and signed by the member in the form annexed as Schedule "A" or a statutory declaration setting forth that during the preceding 12 month period he has not handled or been responsible for any clients' trust funds or clients' valuables.

### PROFESSIONAL CONDUCT COMMITTEE—Mr. Wright

Your Committee met on Thursday, the 3rd June 1965, at the hour of 10:00 o'clock in the morning, the following members being present: Mr. Peter Wright, Chairman, Mr. S. E. Fennell, Vice-Chairman, and Messrs. O'Brien and Strauss.

#### 1. RULING 9 — DISBARRED PERSONS

Your Committee considered a recommendation from the Unauthorized Practice Committee relating to members sharing office space with former members who have been disbarred and as a result now recommends that Ruling 9 be amended

by the addition of the words "occupy office space with," immediately after the word "retain," in the second line thereof.

3. RULING 12 — LETTERHEADS  
RULING 29 — FIRM NAME

The whole question of Firm Names and Letterheads will receive further consideration at the Committee's next meeting. A proposed new Ruling relating to judges' names in firm names and letterheads will be before it then.

Your Committee recommends that the question of a uniform Rule with respect to firm names be referred to the Conference of the Governing Bodies for the attention of the Professional Conduct Committee.

4. RULING 32 — DUTY TO MEET FINANCIAL OBLIGATIONS

Your Committee considered a letter from A. T. Jousse, Esq., M.D., regarding the difficulty medical doctors encounter in some cases in trying to collect their fees for services to a patient in connection with an action for damages for injuries. Your Committee considered that the situation the Doctor referred to was covered by Ruling 32 and invited him to bring to the Society's attention any apparent breaches of the Ruling.

5. MISCELLANEOUS

(a) DEGREE OF BARRISTER-AT-LAW —  
ABBREVIATIONS "BAR.L." or "B.L."

At its meeting of the 20th May 1965, the Legal Education Committee recommended, and Convocation subsequently confirmed, that the question of the Degree of Barrister-at-law being indicated by the abbreviation "BAR.L." or "B.L." after members' names, be referred to the Professional Conduct Committee.

Your Committee considered the matter and recommends that the use of the suggested abbreviations be not approved.

(b) In dealing with questions from members, your Committee has —

(i) Informed a member that it would be contrary to section 4 of Ruling 31 for him to allow a Trade Union for whom he acts to publish to its members the availability of his services at a flat rate per person for advice given;

(ii) Expressed the opinion to a member that it would be unprofessional and contrary to Ruling 28 for him to participate in an arrangement with a collection service that its customers pay it in advance a fixed fee to insure that all the customers accounts if necessary would be referred to the member without further payment for legal services by the customer, it being understood that the collection service would retain a portion of the fixed fee;

(iii) Referred a member to section 3 of Canon 4, of Ruling 1, and advised him that in the Committee's opinion it would be improper for a solicitor acting for a plaintiff in litigation to discuss the case with an insurance adjuster representing the insurer of the defendant when a solicitor has entered an appearance to the litigation, but that it would not be improper for a solicitor acting for a defendant in the litigation to agree to specific arrangements which would permit an insurance adjuster to see the plaintiff's solicitor and discuss and complete settlement of the case;

(iv) Informed a member that it is permissible for him to take back mortgages on property as security for his fees;

(v) Told a member that in the Committee's opinion it is not in keeping with the dignity of the profession for him to put at the bottom of his standard fee billing form "Six percent per annum charged on outstanding balance of accounts not paid within sixty days";

#### (vi) RE: RULING 10 — SIGNS

On the 23rd April 1965, Convocation approved a new Ruling governing the size of the lettering on member's signs and limiting the words which may appear on it. Your Committee has begun a survey of lawyer's signs, particularly within Metropolitan Toronto, and apparent breaches of Ruling 10 will be reported to the Committee. The members involved will be notified that their signs have been reported and given an opportunity to make representations.

(vii) In view of articles appearing in the press with regard to firms in other professions based on interviews with partners the Committee recommends that Ruling 1 Article 5(3) should be brought to the attention of the profession by a notice in the Ontario Reports. So far as relevant it reads:

"Indirect advertisement for business by furnishing or inspiring newspaper comment concerning causes in which the lawyer has been or is connected, or concerning the manner of their conduct, the magnitude of the interests involved, the importance of the lawyer's position, and

like self-laudations defy the traditions and lower the tone of the lawyer's high calling, should not be tolerated."

Moved by Mr. Wright, seconded by Mr. Fennell, that the Report be adopted.

The Treasurer announced that in view of the importance of the recommendations in the Report it would be considered clause by clause.

LIBRARY COMMITTEE—Mr. Steele

Your Committee met on the 16th June 1965, the following members being present: Messrs. Steele (Chairman), W. S. Martin (Vice-Chairman), Common and Strauss.

Your Committee reported on certain staff changes and on the purchase of Library equipment.

*Approved.*

## STANDING COMMITTEES

The Committee discussed the "work load" of the Benchers. On motion unanimously resolved the Committee recommends that Convocation consider the appointment of a special committee to consider a merger of the Library, County Libraries and Reporting Committees, and generally to consider the constitution and organization of all standing committees and report to Convocation.

THE REPORT WAS ADOPTED.

---

## REPORTING COMMITTEE—Mr. Ford

Your Committee met on Wednesday, the 16th June 1965, the following members being present: Mr. G. W. Ford (Chairman), and Messrs. Common, W. S. Martin, Wright and Strauss.

### ONTARIO REPORTS — Contract for printing

At its May meeting, the Chairman invited Mr. W. B. Cartwright of Canada Law Book Company Limited, to be present to discuss the existing contract which expires 31st December 1965 and contains an option to renew.

Your Committee recommends that Convocation approve the following five statements of principle:

1. The Society should publish no more Ontario cases than our editors deem necessary.
2. Only those cases that deserve full coverage should be given full coverage.
3. The Society should continue to purchase the Canada Law Reports for all its members.
4. The Society should not aim at increasing the number of pages in the O.R. to 1800, unless the increase is necessary to publish worthwhile decisions.
5. All Ontario cases should be printed first in the Ontario Reports, if publication does not increase the printing costs by too great an amount.

Your Committee further recommends that Convocation authorize the Chairman to confer with any other law book companies interested in printing the Reports, to ascertain whether they would care to give the Law Society an estimate

as to costs under a yearly contract and what provision they would make for prompt publication and for editing.

#### LAW SOCIETY OF UPPER CANADA — Standing Committees (Construction and reorganization)

The Committee discussed the fact that a number of Benchers are compelled to give a great deal of time to attendance at numerous committee meetings, and recommended that a merger of the Library, County Libraries and Reporting Committees be considered.

On a motion unanimously carried, the Committee resolved that Convocation be asked to appoint a special committee to consider the construction and reorganization of the Standing Committees of the Society; the special committee to make such recommendations as it sees fit.

THE REPORT WAS ADOPTED.

---

#### UNAUTHORIZED PRACTICE COMMITTEE

Mr. Seaman, Chairman, reported orally on several matters before the Committee.

The Report was received.

---

#### COUNTY LIBRARIES COMMITTEE—Mr. Ball

Your Committee met on the 18th June 1965, the following members being present: Messrs. Ball (Chairman), Fennell (Vice-Chairman), Beament, Creighton, W. S. Martin, Raney, Seaman, Slemin, Steele, Strauss and Weir.

#### ANNUAL GRANTS

Your Committee reports specially that the following law associations, having failed to file their annual returns by the 31st January, have now filed their annual returns for the year 1964 in accordance with Rule 103 and otherwise complied with the requirements of the Rules adopted from time to time by Convocation in relation to county libraries and recommends that grants be made to them as follows:

Halton (\$1277.00 less deduction for loan

\$400.00)	\$ 877.00
Huron	622.64
Lennox and Addington	600.00
Peel	1,342.00
Peterborough	800.00
Sudbury	1,850.00
Thunder Bay	1,270.00
Wellington	1,225.00

The annual returns for the County of Simcoe Law Association were not received until after the 30th May but the Association asks that the penalty provided for by Rule 104(3) be not imposed. Your Committee recommends, this Association's returns having now been received, and in view of the fact that the provision for a penalty after the 30th May has been in force only since the 1st January 1965, that the penalty under Rule 104(3) be not imposed and that the grant based on the returns for the year 1964 be \$1,428.00 instead of \$1,285.20.

#### STANDING COMMITTEE

Your Committee recommends that a special committee be appointed to consider, in particular, the merger of the Library, Reporting and County Libraries Committees and, generally, reconstitution of the committees of the Society.

#### ANNUAL RETURNS

The Lampton, Nipissing and Sault Ste. Marie Associations being still in default in sending in their annual returns, your Committee recommends that letters be sent to all their members bringing this to their attention and pointing out that Rule 104(3) provides for the reduction of their grants by ten per cent.

#### *Chief Librarian*

Your Committee reports that it has invited the Chief Librarian to attend its meetings after his retirement; and wishes to record its appreciation to Mr. Johnston for his many contributions as Chief Librarian and recommends that he be elected an Honorary Member of the Committee.

THE REPORT WAS ADOPTED.

GEORGE A. JOHNSTON, Q.C., CHIEF LIBRARIAN

The following resolution was moved by Mr. Ball and seconded by Mr. Weir:

WHEREAS Mr. George A. Johnston, Q.C., is retiring as Chief Librarian of The Law Society of Upper Canada after 26 years in that position.

BE IT RESOLVED that all members of Convocation extend to Mr. Johnston their hearty thanks and deep appreciation for his most capable supervision and his untiring, cheerful and courteous co-operation in the discharge of his duties.

*Carried unanimously.*

#### ONTARIO INTERPROFESSIONAL LIAISON COMMITTEE

Mr. Howland presented a Report on the Ontario Inter-professional Liaison Committee:

##### REPORT OF INTERPROFESSIONAL LIAISON COMMITTEE

A further meeting of the Interprofessional Liaison Committee was held on 29th April 1965.

##### *Panel Discussion — Department of Education Summer Course*

Representatives of the profession are to conduct a panel discussion on professionalism in July at the Department of Education Summer Course in Career Guidance. A representative of the legal profession is to be asked to speak briefly on the essential nature of a profession. This will be followed by a discussion on such matters as what are the particular talents and facets of character required for each of the professions, and what are the needs of the various professions within the next ten year period.

##### *Joint Careers Information Centre — C.N.E.*

Almost all of the professions indicated their willingness to participate in such a Centre. It was felt desirable that the matter should not be proceeded with this year and that it should be reassessed after it had been studied in more detail. Consideration is being given to the possibility of assisting in the training of career guidance teachers instead of direct counselling of students.

## *The Workmen's Compensation Act*

The chartered accountants have been concerned as a result of their members having been made subject to The Workmen's Compensation Act. The Ontario Institute of Chartered Accountants has had a very low incidence of claims which might come under the Act and was disturbed that it has been proposed to charge them .15¢ per \$100. whereas they can get coverage for 3.3¢ per \$100. of wages. They learned in the course of their discussions that it was intended to place other professions under the Act including the legal profession. The Law Society has requested an appointment with the Attorney General to make representations that members of the legal profession should not be subject to The Workmen's Compensation Act.

## *Collective Bargaining*

It is anticipated that the Provincial Government may be enacting legislation with reference to collective bargaining for members of the various professions. It is also contemplated that Federal legislation is to be enacted which will give various groups of Civil Servants, including professional groups, the right to collective bargaining. This is a matter which has been of concern particularly to the Professional Engineers. The next meeting of the Committee to be held on June 24th is to be devoted to this subject. The views of counsel are being obtained.

THE REPORT WAS RECEIVED.

## THIRD COMMONWEALTH AND EMPIRE LAW CONFERENCE

Park Jamieson, Q.C., and Mr. Brendan O'Brien, Q.C., be designated as the official representatives of The Law Society of Upper Canada to the Third Commonwealth and Empire Law Conference to be held in Sydney, Australia from 25th August to 1st September 1965.

*Carried.*

## OSGOODE HALL EXTENSIONS

The Treasurer reported that the Committee of the Chief Justices of Ontario at its last meeting on 11th June had con-

sidered a plan for an extension to the west wing and a tower of nine stories on the west lawn, and that a further meeting of the Committee would be held on 21st June.

Moved by Mr. Gray, seconded by Mr. Bruce, that Convocation record its view that it would approve any addition to the west wing of Osgoode Hall in keeping with the present building, but does not approve of a nine storey building on the west lawn.

*Carried unanimously.*

#### CONFERRING OF HONORARY DEGREES

The Chairman of the Legal Education Committee read the following citation:

"I present to you, Sir, Austin Wakeman Scott, Dane Professor of Law, Emeritus, of the Harvard Law School, whose brilliant career as a law teacher has spanned a period of over 50 years and whose legal scholarship has won for him a reputation of the highest order throughout the common law world. Generations of law students have found his classes an exciting and rewarding intellectual experience. His teaching methods, skills, legal scholarship, and his friendly and wise counsel have been an inspiration and guide to his colleagues in the law teaching profession within and beyond his own school and his own country. In the field of legal writing he has no peer and his great treatise on The Law of Trusts has made a singular and momentous contribution to the law and its literature. In a style at once simple, clear and concise his writing has clarified and ordered this complex subject and established a precedent which will guide and instruct all those who would in the future emulate his example. Canadian law schools have special reason to be grateful to him and his school for the profound influence they have had upon the development of legal education in this country. We salute him as a teacher, scholar, counsellor and friend and present him to you, Mr. Treasurer, that you may confer upon him our highest academic award.

Mr. Treasurer, in the name of the Benchers of the Law Society of Upper Canada, I request you to confer upon Austin Wakeman Scott the degree of Doctor of Laws, *honoris causa*."

## MEETING OF CONVOCATION

FRIDAY, 17TH SEPTEMBER 1965  
11 A.M.

### PRESENT:

The Treasurer and Messrs. Beament, Beaton, Bruce, Cassels, Chitty, Clement, Common, Creighton, Davis, Fennell, Ford, Gray, Gregory, Harris, Howland, Keith, Levinter, Maloney, G. A. Martin, W. S. Martin, McCulloch, McLaughlin, O'Brien, Pattillo, Robins, Roebuck, Seaman, Seymour, Sheard, Slemin, Starr, Steele, Strauss, and R. F. Wilson.

The Minutes of Convocation of 18th June and <sup>24</sup>25th June 1965 were read and confirmed.

### SPECIAL COMMITTEE ON ORGANIZATION OF CONVOCATION AND COMMITTEES

The Treasurer announced that pursuant to recommendations of the Reporting, Library and County Libraries Committees in June, he had appointed a Special Committee on Organization of Convocation and Committees composed of Messrs. Robins (Chairman), Keith, W. S. Martin, Steele and Wright, and he read to Convocation the following terms of reference which he suggested purely for the guidance of the Committee:

To consider the constitution, terms of reference and organization of the standing committees, and the work of Convocation and in particular:

1. Whether the Reporting, Library and County Libraries Committees should be merged.
2. The days appointed for meetings of standing committees and of Convocation, and their relation to each other.
3. The method of reporting to Convocation, including the feasibility of reproducing committee reports for all members of Convocation so that such reports need not be read aloud.
4. The order of business in Convocation.

5. Such other changes in present procedures as the Committee deems appropriate to improve the efficiency of the work of Convocation and its committees.

#### SPECIAL COMMITTEE OF THE APPOINTMENT OF A SECRETARY

At the request of the Treasurer, Mr. Howland presented the Report of the Special Committee:

At its meeting on 21st May 1965 Convocation authorized the Treasurer to appoint a special committee to make recommendations to Convocation as to the appointment of a Secretary to succeed Mr. W. Earl Smith as of 1st July 1966. The Treasurer subsequently appointed a special committee consisting of the Treasurer as Chairman, and Messrs. G. A. Martin, Howland and O'Brien. The committee has had several meetings, and has had the benefit of lengthy and frank discussions with Messrs. Earl Smith, Kenneth Jarvis, Andrew Lawson, Alfred E. Bennett, and Robert L. Anderson. The Treasurer has also had private meetings with Messrs. Jarvis and Lawson.

Your committee makes the following recommendations:

1. That Mr. Kenneth Jarvis be appointed Secretary of The Society effective 1st July 1966, at a salary to be fixed by Convocation on the recommendation of the Salaries Sub-Committee of the Finance Committee.

2. While it is not strictly within the terms of reference of the committee, we recommend that in view of his long experience and value to the Society, Mr. Alfred E. Bennett be appointed Comptroller, as of 1st July 1966, and that subject to the general direction of the Secretary, the Comptroller should have the functions of an office manager, in charge of routine administration, as well as having responsibility for the accounts, books and records of the Society, and that his salary for all services performed for the Society as such be fixed on an annual basis, on the recommendation of the Salaries Sub-Committee, having regard to his extended functions.

3. That immediate steps be taken to engage an Assistant Secretary, his employment to take effect as soon as possible, so that such Assistant Secretary may have the benefit of association with Mr. Smith, and will have become thoroughly

acquainted with the various functions of the Secretary's office prior to Mr. Smith's retirement.

Dated this 17th day of September 1965.

### *Note re September payments*

So far in September \$26,881.76 has been paid out in Slater claims and \$3,052.08 in counsel fees, thus reducing the balance in the Fund as at 10th September to \$496,223.20. This compares to a balance on 30th June 1964 of \$290,529.87, which was before any Gruson claims had been paid.

The Slater claims originally totalled \$282,233.47. The Committee has paid \$81,114.89 in respect of these claims and provisionally approved for payment \$54,932.85. The claims disallowed total \$48,150.00 and claims totalling \$73,737.43, remain to be heard.

Evidence in the Majic claims has all been taken and the Committee will meet to consider it and the recommendations of its counsel.

### COMPENSATION FUND — LEVY

There is presently in the Compensation Fund \$496,223.20 and the outstanding claims total \$1,238,763.32. Your Committee considered carefully the above reports of the state of the Fund and recommends that the Levy for 1965-1966 be \$75.00, but that Convocation be informed that the Levy will not likely be reduced again at least for the succeeding year.

### COMPENSATION FUND — SLATER HEARINGS — POLICY

The Discipline Committee met in London, Ontario to consider applications arising out of the activities of Earl Slater. On the 18th August 1965 Mr. Williston, Chairman, and Messrs. Ball and Slein considered applications from the Sydenham Valley Conservation Authority for \$13,675.00 and the Upper Thames River Conservation Authority for \$25,751.57. That Committee considered that the Sydenham Valley Conservation Authority and the Upper Thames River Conservation Authority qualified for grants in the amount of \$13,435.50 and \$25,000.00 respectively, so far as proving their

losses, establishing a solicitor-client relationship with Slater and his dishonesty, but that Committee asked that a larger Committee consider as a matter of policy whether these quasi-public bodies should benefit from the Fund. When your Committee met on the 14th of September, Mr. Williston being present, it concluded that the grants should be made. Speaking generally, the Society should not declare any class of claimant to be ineligible, reserving always the overriding discretion of the Committee to deal with particular claims as they see fit.

Moved by Mr. O'Brien, seconded by Mr. Levinter, that the Report be adopted.

Mr. Steele stated that he would not vote on this motion in view of the paragraph headed — "Compensation Fund — Slater Hearings — Policy" as his firm acts for another Conservation Authority which has a claim arising out of Mr. Slater's practice.

The motion was carried.

#### CORRESPONDENCE

#### PROFESSIONAL CONDUCT COMMITTEE—Mr. Fennell

Your Committee met on Thursday, the 9th September 1965, at the hour of 2:05 o'clock in the afternoon, the following members being present: Mr. Peter Wright, Chairman, Mr. S. E. Fennell, Vice-Chairman, and Messrs. O'Brien, Slein and Strauss.

## RULING 10 — SIGNS

Your Committee had before it a number of photographs of lawyer's signs which appear to contravene the provisions of Ruling 10, together with correspondence relating to some of these. The files were referred to Messrs. Strauss and O'Brien to consider and report with recommendations to the next meeting of the Committee.

## RULING 14— BORROWING FROM CLIENTS AND INVESTING CLIENTS' MONEY

An enquiry was received from a firm of solicitors asking if it were proper for them to form with client builders a Limited Company to purchase mortgages. Your Committee expressed the view in the circumstances that it was imprudent for solicitors to form such a company.

## PROPOSED NEW RULING 18 — TOUTING, ADVERTISING & ATTRACTING BUSINESS UNFAIRLY

This proposed new Ruling had been published for the information of the profession on 4th June 1965, and correspondence was before your Committee. It was considered and your Committee recommends to Convocation a proposed new Ruling in the following form:

## PROPOSED NEW RULING 18 TOUTING, ADVERTISING & ATTRACTING BUSINESS UNFAIRLY

No member of the Society or firm of members shall engage in any activity for the purpose of toutting or advertising his practice or otherwise attracting clients unfairly.

## RULING 23 — LEGAL WRITING

The issue of whether a lawyer's firm name should appear beneath his name as author of a legal article in a non-legal weekly newspaper was before your Committee and the Committee ruled that it was prohibited by Ruling 23 and instructed the secretary to write the solicitor accordingly.

## RULING 24 — SPECIALIZATION

Your Committee considered this matter further and instructed the secretary to secure from the American Bar Association and other Law Societies Rulings and material that they had on the development of this topic.

## PROPOSED NEW RULING — UNCONSCIONABLE TRANSACTIONS

Your Committee continued its consideration of this Ruling prompted by the prevalence in Compensation Fund work of mortgages contrary to the Unconscionable Transactions Relief Act, but came to the conclusion that it would be more effective for the Committee to answer the following question posed to the Committee by a solicitor:

“Is it proper for a solicitor to make a practice of carrying out mortgage transactions, either on his own behalf or on behalf of clients at usurious rates?”

Your Committee's answer to the question was “no”.

## RECOMMENDATION OF LAWYERS

The problem of the Society being asked to recommend lawyers in particular fields was before your Committee. Although it was felt that the work in connection with Specialization would ultimately help this problem, its consideration at the present time was referred to the Public Relations Committee.

## MISCELLANEOUS

An enquiry was before the Committee from an Ontario firm of solicitors asking if they could show on their letterhead the fact that they had arranged office space for their firm in New York City. Your Committee ruled that it would be improper to include the American address on the Ontario letterhead.

(Note: Certain other paragraphs of the report were referred back to the Committee.)

Moved by Mr. Fennell, seconded by Mr. O'Brien, that the Report be adopted.

## PROPOSED NEW RULING 18 — TOUTING, ADVERTISING & ATTRACTING BUSINESS UNFAIRLY

Moved in amendment by Mr. Starr, seconded by Mr. Levinger, that the following words be inserted at the beginning of proposed New Ruling 18 — “Notwithstanding anything contained in Ruling 1”.

The amendment was carried.

The Report as amended was adopted.

The Treasurer announced that members of Convocation are requested to send their views on the above rulings to the Professional Conduct Committee; and it was suggested that copies of the new draft rulings be sent to all Benchers.

#### LIBRARY COMMITTEE—Mr. Steele

Your Committee met on the 15th September 1965, the following members being present: Messrs. Steele (Chairman), W. S. Martin (Vice-Chairman), Bruce, Cassels, Common, Hariss, Keith, Levinter, Slemin and Strauss.

##### *Estimates*

Your Committee's estimate of expenditures for the year 1965-66 was approved at \$80,000.00 for submission to the Finance Committee.

##### *Night Librarians*

Your Committee recommends the appointment of ten students to act as night librarians for the year 1965/66.

Your Committee recommends that the Chief Librarian be authorized to replace unsatisfactory appointees by other applicants.

##### *Book on Indians*

Your Committee reports that an informal inquiry has been received as to whether the library books on North American Indians, most of which are in the Riddell Canadian Library, could be presented to the library of an Ontario university.

Your Committee recommends, in view of the growing demand for material on Indians, the likelihood that there will shortly be Ontario legislation on Indian claims and the fact that the Riddell library was given to the Society on the express condition that it would be kept intact, that the books on Indians be kept in the library.

THE REPORT WAS ADOPTED

#### REPORTING COMMITTEE—Mr. Maloney

Your Committee met on Wednesday, the 15th September 1965, the following members being present: Mr. G. W. Ford, Chairman, and Messrs. Cassels, Common, Harris, Levinter, Martin, W. S. McCulloch, O'Brien and Strauss.

## ONTARIO REPORTS — Contract for Printing

The Law Society's contract with Canada Law Book Company Limited to print the Ontario Reports expires 31st December 1965.

At its meeting on the 16th June 1965, your Committee recommended, and Convocation approved, that the Chairman confer during the long vacation with law book companies interested in printing the Reports, to ascertain:

1. Whether they would care to give the Law Society an estimate as to costs under a yearly contract.
2. What provision they would make for prompt publication and for editing.

The Chairman conferred with five law book companies, and only two are interested in publishing the Ontario Reports — The Carswell Company Limited and Canada Law Book Company Limited.

Your Committee now recommends that a Sub-Committee be appointed, composed of four members: Mr. Ford, Chairman, and Messrs. Levinter, O'Brien and Strauss, to meet with The Carswell Company Limited and Canada Law Book Company Limited and report back to the Committee on their recommendations as to the awarding of the publishing contract.

Your Committee further recommends that for any meeting of this Sub-Committee, two members of the Committee shall be a quorum.

## REPORTING

During the long vacation, the Chairman authorized publication in the Ontario Reports of the Amendments to the Revised Regulations of Ontario, 1960, being the Rules of Practice and Procedure of the Supreme Court of Ontario.

## ESTIMATES

Your Committee approved estimates for the year 1965-66 for submission to the Finance Committee.

## INTERPROFESSIONAL LIAISON COMMITTEE

Mr. Howland presented the Report:

### REPORT OF INTERPROFESSIONAL LIAISON COMMITTEE

A further meeting of the Interprofessional Liaison Committee was held on 24th June 1965 as the guest of the Ontario Association of Architects.

*Panel Discussion — Department of Education Summer Course*

A panel discussion on professionalism was conducted by the Committee at the Department of Education Summer Course for guidance teachers at York University on 12th July. An excellent keynote address on what is the essential nature of a profession was given by Mr. Peter Wright, Q.C. Representatives of the Architectural, Engineering, Medical and Chartered Accounting professions also participated. It is felt that the professions may be able to render greater assistance in the field of career guidance through similar panel discussions with career guidance teachers rather than by the direct counselling of high school students.

*Professional Unions — Compulsory Collective Bargaining*

The meeting discussed at length the proposed federal legislation respecting collective bargaining rights for Civil Service employees including those who are members of the professions. It also discussed the possibility of provincial legislation which might extend collective bargaining to the professions, particularly as a result of the representations by the nurses. The Ontario Association of Professional Engineers is strongly opposed to compulsory collective bargaining for the members of its profession.

As the legal profession might deem it desirable to express its views on this matter it has obtained the views of Mr. R. V. Hicks, Q.C., and Mr. David Lewis, Q.C. Mr. Norman L. Mathews, Q.C. has also been asked for his views. The matter has been referred to the Legislation Committee for consideration.

*The Workmen's Compensation Act*

In June last a letter was written to the Attorney General for Ontario advising him of the concern of the Law Society about the possible extension of The Workmen's Compensation Act to the legal profession and requesting an appointment to make submissions.

*Executive of Interprofessional Liaison Committee  
for 1965-66*

Chairman—W. G. C. Howland, Q.C.

Vice-Chairman—E. C. Morgan, Ontario Association of  
Architects

Secretary — Dr. Glenn Sawyer, Ontario Medical Association

The Law Society will be acting as the host at the next meeting of the Committee which is tentatively planned for 7th October.

Moved by Mr. Howland, seconded by Mr. O'Brien, that the question of Professional Unions — Compulsory Collective Bargaining, be referred to the Legislation and Rules Committee.

## DISCIPLINE COMMITTEE

Mr. O'Brien, Chairman, presented the Report of the Discipline Committee:

### RE: JOHN MILLS DRYSDALE

The Committee reported that after due inquiry it found the solicitor guilty of professional misconduct and conduct unbecoming a barrister and solicitor in that he misappropriated money he had received in trust for a client; and recommends that his name be struck off the rolls of the Law Society of Upper Canada.

Moved by Mr. O'Brien, seconded by Mr. Common, that the Report be adopted.

The solicitor did not attend, but his counsel, Lloyd W. Houlden, Esq., Q.C., attended and addressed Convocation. He stated that his client had received a copy of the Report, and confirmed that he had been instructed to waive the usual notice and to accept service of the Report on the solicitor's behalf. He asked Convocation to note that the solicitor had come voluntarily to the Treasurer to report the shortage in his trust accounts, and had provided the evidence which enabled the matter to be dealt with expeditiously by the Committee and Convocation.

The motion was carried.

It was accordingly ordered

1. THAT the Report of the Discipline Committee in the matter of John Mills Drysdale, Barrister, a member of this Society and a Solicitor of the Supreme Court of Ontario, be adopted.
2. THAT upon the facts ascertained and appearing by the said Report and the evidence and other papers referred to and submitted to Convocation therewith, Convocation finds the said JOHN MILLS DRYSDALE guilty of professional misconduct, and of conduct unbecoming a Barrister and Solicitor in respect of the charge dealt with by the said Report.
3. THAT the said JOHN MILLS DRYSDALE be disbarred.
4. THAT the said JOHN MILLS DRYSDALE is unworthy to practise as a Solicitor.

#### SPECIAL COMMITTEE ON OSGOODE HALL LAW SCHOOL AFFILIATION WITH YORK UNIVERSITY

At its meeting on 26th March 1965 Convocation approved the report of the Special Committee on Osgoode Hall Law School Affiliation with York University which report was substantially as follows:

At its meeting on 26th March 1965 Convocation approved in principle the carrying on of negotiations with York University with a view to the affiliation of the Osgoode Hall Law School with it and authorized the Treasurer to appoint such Committees as he might deem advisable, such Committees to report further to Convocation.

At its meeting on 21st May 1965 Convocation unanimously approved in principle of the affiliation of the Osgoode Hall Law School with York University on the understanding that definitive proposals would be submitted to Convocation.

At the meeting of Convocation on 24th June 1965 the Treasurer announced that he had appointed a Special Committee in connection with the proposed affiliation composed of the Treasurer as Chairman, Mr. Howland as Vice-Chairman and Messrs. G. A. Martin, Keith, Robins and R. F. Wilson.

During the summer discussions took place between the Vice-Chairman of the Special Committee and Dr. Murray Ross and Mr. Donald Rickerd, the President and Registrar respectively of York University and a meeting was held at York University on 13th July 1965 which was attended by Dr. Ross, Mr. Rickerd, Mr. Howland, Mr. G. A. Martin and Mr. Robins. In these discussions Dr. Ross pointed out that on

two occasions he had raised with the Board of Governors and the Senate of York the question whether the proposed law school should be situate on the York Campus at Keele Street and Steeles Avenue or whether it should be situate downtown. He stated that both the Board of Governors and Senate of York University had been firm in their view that it must be situate on the York Campus and that accordingly affiliation with York University was only possible on this basis. Otherwise York University would develop its own law school at a later date.

Following these discussions a Memorandum Concerning Points of Agreement between York University and the Law Society of Upper Canada respecting the affiliation was prepared so that the definitive proposals would be considered by the various bodies concerned and the final proposals could then be embodied in a formal agreement. The Special Committee met on Tuesday, 14th September 1965 at 4 p.m., all members being present, and considered the draft Memorandum. The changes which it recommended were then considered by Dr. Ross and Mr. Rickerd and were embodied in the Memorandum dated 29th September 1965, a copy of which is annexed as Schedule "A" to this Report. Whilst the Memorandum has not been formally submitted to the Board of Governors and the Senate of York, Mr. Rickerd stated that the President, the Chairman of the Board of Governors and the individual members of the Executive Committee of the Senate of York University were in general agreement with it.

On 16th September 1965 the Treasurer had a meeting with Dr. J. R. McCarthy, the Deputy Minister of University Affairs to confirm the views of the Minister and the Department on the proposed affiliation. After speaking to the Minister Dr. McCarthy telephoned on 17th September 1965 and stated that the Minister considered that the question of affiliation between the Law Society and York University was entirely a matter for those two bodies. It was in no way contrary to the views of the Minister and the Department which favoured multi-faculty institutions. The Department would be sympathetic to a request by York for a capital grant for a law school because it is a multi-faculty institution. The Department did not wish to anticipate what its views would be if it were to receive a request from the Law Society for a capital grant of \$1,200,000. to expand its existing premises to accommodate both the Osgoode Hall Law School and the Bar Admission Course, other than to say it would have to take a

long, hard look at it. During the summer Mr. Heeney, the Law Society's architect, had confirmed that the cost (including furnishings) of expanding the existing premises of the Law Society to the full extent permissible to meet the needs of the Law Society including the Osgoode Hall Law School and the Bar Admission Course would amount to approximately \$1,200,000.

On Friday, 1st October 1965 at 4 p.m. the Special Committee (all of the members being present) had a joint meeting with the Faculty of the Osgoode Hall Law School. The Treasurer presented to the Faculty the above Memorandum Concerning Points of Agreement dated 29th September 1965 as embodying the general proposals for affiliation which the Special Committee unanimously recommended should be adopted by Convocation. He asked the members of the Faculty to consider the matter and to let either Dr. Ross or himself know whether they wished to participate in the planning committees for the Osgoode Hall Law School of York University. He added that it was implicit that the only persons who should participate in such planning committees were those whose present intentions were to become members of the Faculty of Osgoode Hall Law School of York University.

The Special Committee unanimously recommends that the proposals respecting the affiliation of the Osgoode Hall Law School with York University set out in the Memorandum Concerning Points of Agreement annexed as Schedule "A" to this Report be approved.

All of which is respectfully submitted.

Dated this 13th October 1965.

"J. D. Arnup"  
Treasurer.

(Note: The principal matters dealt with in the "heads of agreement" were set out in a special letter from the Treasurer to all members of the profession in November, 1965).

The Treasurer expressed his thanks to the members of the Special Committee, and especially to Mr. Howland, the Vice-Chairman.

Moved by Mr. Howland, seconded by Mr. Robins, that the Report be adopted.

The Treasurer commented on several matters with reference to the proposed affiliation and informed Convocation that the basic terms of agreement had been formally approved by the Board of Governors of York University on 13th October.

The motion was *carried unanimously*.

Moved by Mr. Howland, seconded by Mr. Robins, that the Special Committee on the affiliation of the Osgoode Hall Law School with York University be authorized to settle such further details within the principles set forth in the Memorandum Concerning Points of Agreement between York University and the Law Society of Upper Canada dated 29th September 1965 as it may consider satisfactory.

*Carried.*

Moved by Mr. G. A. Martin, seconded by Mr. Levinter, that the Treasurer be authorized to make a statement by way of a letter printed and sent to every member of the profession, and to issue a statement to *Obiter Dicta*, published by the Legal and Literary Society.

*Carried.*

Refunds to certain students were then approved.

#### CHANGE OF NAME

*Dorothy Jeanne Mallory* — is entered on the rolls and records of the Law Society as “Jeanne D. Mallory”. She asks that her name be changed to her proper name — Dorothy Jeanne Mallory.

Your Committee recommends that the request be granted.

#### SOLICITORS’ PRACTISING CERTIFICATES

*John Lewis Leibel* — was Called to the Bar on the 17th September 1936 and has not practised since 1941, but paid Bar Fee and Compensation Fund levy where relevant to 30th November 1960. During this time he was President and General Manager of a manufacturing company. He files a cheque in the sum of \$390.00 to cover arrears of Bar Fee and Compensation Fund levy and his fee for his Practising Certificate for the current year, a Declaration of Non-Practice, and two letters of character. He asks that he be reinstated and his Practising Certificate issued.

*Angus William MacMillan* was Called to the Bar on the 21st October 1926, and has not paid fees since 1954-55. From the 1st May 1944 to the 24th September 1965 he has served as a Magistrate in the City of Windsor. He files a cheque for \$520 to cover arrears of Bar Fee and Compensation Fund levy and his fee for his Practising Certificate for the current year, Declaration of Non-Practice, and two letters of character. He asks that he be reinstated and his Practising Certificate issued.

Your Committee recommends that these requests be granted, and that the Solicitors' Practising Certificates be issued.

#### PARKING

The Secretary reports that the entrance to the judges' parking lot is now the main west gate on University Avenue, and the gate has to be unlocked at all hours. As a result the roadway is used for parking day and evening. On occasion it would be difficult for fire fighting equipment to get in at the south side of the building.

Your Committee recommends that the Secretary notify the Director of the Bar Admission Course and the Dean of the Osgoode Hall Law School that the respective staffs and students may not park within the grounds at any time.

#### LEGAL MEETINGS AND ENTERTAINMENTS

## DISCIPLINE COMMITTEE

### ORDER

The Secretary placed before Convocation the following Order which is entered in the Minutes of Convocation:

RE JOHN MILLS DRYSDALE—Striking off the Rolls.

---

### PROFESSIONAL CONDUCT COMMITTEE—Mr. Wright

Your Committee met on Thursday, the 7th October 1965, at the hour of 2:15 o'clock in the afternoon, the following members being present: Mr. Peter Wright, Chairman, and Messrs. Howland, O'Brien and Strauss.

#### 1. PROPOSED RULING 10 AND RULING 12 — SIGNS AND LETTERHEADS

At its meeting in September your Committee recommended to Convocation a new Ruling 10 consisting of a blend of the present Rulings 10 and 12. Convocation referred the matter back to the Committee for further consideration on a broader basis particularly as to the question of firm names including the names of deceased persons and the distinction between firm names and the list of personnel of firms.

It is not the present intention of the Committee to deal with existing firm names except as they are dealt with by the existing Rulings. It is the Committee's view that the question of future Rulings for firm names should only be considered by a Special Committee if Convocation feels it should now be dealt with.

#### 2. PROPOSED NEW RULING — DIVISION OF FEES

At its meeting on the 9th September 1965, your Committee considered a draft Ruling concerning "kick-backs" within the profession. The matter was allowed to stand so that members could consider the wording of the Ruling of the American Bar Association on this subject.

Your Committee recommends that the following proposed new Ruling be published in the Ontario Reports to obtain the views of Convocation and of the profession generally:

## PROPOSED NEW RULING — DIVISION OF FEES

“No division of fees for legal services is proper except with another lawyer, based upon a division of service or responsibility.”

### 3. PROPOSED NEW RULING 33 — NOTIFICATION OF BREACHES — TO THE SOCIETY

At its meeting on the 9th September your Committee recommended a proposed new Ruling 33 and Convocation referred it back to the Committee for further consideration.

Your Committee recommends the following new Ruling be adopted:

#### RULING 33

##### NOTIFICATION OF BREACHES TO THE SOCIETY

Unless it be unlawful it is proper for any member to bring to the attention of the Society any instance involving or appearing to involve professional misconduct or conduct unbecoming a barrister, solicitor or student-at-law or reflecting on the honour of the Bar and the duty of every member to bring such instances to the Society's attention when they involve shortage of trust funds.

##### THE REPORT WAS ADOPTED

Moved by Mr. O'Brien, seconded by Mr. Howland, that Convocation take no further action with reference to Ruling 10 on firm names, except as to the matter of the inclusion of judges' names in firm names.

*Carried.*

*Judge Farquhar J. MacRae Presentation*

Your Committee reports the presentation by His Honour Judge MacRae of the hand-written Minutes of the Court of Requests, Division No. 13, Niagara District, for the period 15th July 1837 to 30th April 1842. The Court of Requests handled claims up to forty shillings. Your Committee recommends that this record be suitably preserved in the Law Society's Muniments and Memorabilia Room and that a letter of thanks be written to His Honour Judge MacRae in acknowledgment.

REPORTING COMMITTEE—Mr. Ford

Your Committee met on Wednesday, the 13th October 1965, the following members being present: Mr. G. W. Ford, Chairman, and Messrs. Cassels, Common, Harris, Keith, Levinter, Martin, W. S., McCulloch, McLaughlin, O'Brien, Strauss and Wright.

ONTARIO REPORTS — *Contract for printing*

The contract with Canada Law Book Company to print the Ontario Reports expires 31st December 1965.

At its meeting in September, your Committee recommended the appointment of a Sub-Committee consisting of four members: Mr. Ford, Chairman, and Messrs. Levinter, O'Brien and Strauss, to meet with The Carswell Company Limited and Canada Law Book Company Limited (the two companies interested in printing the Reports), and to report back to the Committee on their recommendations as to the awarding of the contract.

The Sub-Committee met on Wednesday, 22nd September with representatives from the Carswell Company, and on Friday, 24th September with representatives from Canada Law Book Company. Both companies were asked to submit a proposal for a five year contract, including a price per page for edited reports, and a price per page for other material. They were also requested to inform the Committee of their proposed editorial arrangements. Proposals have been received from the two companies. A chartered accountant has been retained to review the effects of certain escalator provisions in the proposals.

Your Committee recommends that the matter of awarding the publishing contract be referred back to the Sub-Committee for further consideration and report to your Committee.

#### CANADA PERMANENT TRUST COMPANY

At its April meeting, your Committee reviewed correspondence from a Toronto Solicitor, and a Chatham Solicitor, concerning an advertisement of a Trust Company with respect to the preparation of income tax returns. The Committee referred the matter to counsel for an opinion on whether the advertisement violated The Solicitors Act.

Counsel discussed the offending advertisement with senior executives of the trust company. He was assured that the advertisement had been published without the executives' knowledge. It was agreed that the advertisement was offensive, and that this type of advertising would not appear again.

#### RE A CHARTERED ACCOUNTANT

At its January meeting, the Committee reviewed correspondence from the Secretary of the Halton County Law Association, with respect to a Chartered Accountant incorporating companies. At the request of the Committee, the Assistant Registrar of the Institute of Chartered Accountants of Ontario wrote to the accountant, asking for his comments. His reply, forwarded by the Assistant Registrar, was reviewed by the Committee at its June meeting, and the Secretary was requested to send the correspondence to counsel for an opinion.

The Committee reviewed a letter from counsel at its October meeting, wherein he advised the Committee that as a result of his investigation, it was his opinion that the accountant had not realized that his practice of incorporating companies was a violation of The Solicitors Act. The accountant further informed counsel that he has satisfied himself that

he should not incorporate companies.

Your Committee recommends that no further action be taken.

## LEGAL EDUCATION COMMITTEE—Mr. Howland

## BAR ADMISSION COURSE

## ANNUAL REPORT

The Director's Annual Report, a copy of which is attached forming part of this Report, was approved.

To: The Legal Education Committee

FROM: The Director of the Bar Admission Course

## REPORT

I wish to report on the state of the Bar Admission Course at this date.

### *Numbers*

In the teaching period which began on 13th September, 1965, there are 266 students of whom six are repeating the course who failed it last year and one who failed in 1963.

Under articles, there are 290 students who came from the following institutions and jurisdictions:

English Solicitor	1
Commonwealth Transfers	2
Dalhousie	7
Manitoba	2
New Brunswick	1
Osgoode Hall	136
Ottawa	26
Queen's	29
Toronto	58
Western	28

The five Ontario law schools awarded LL.B.s in 1965 to 295 people. It will, therefore, be seen that all but eighteen entered the Bar Admission Course this year. Last year, of 260 LL.B.s, 254 entered.

### *Curriculum*

This year there is only one change in the curriculum. The course on Company Law has been extended to two weeks and the course on Commercial Law has been reduced to one week. It is planned to cover all, or nearly all, of the same ground in the Commercial Law course as has been covered in the past by working the faculty and the students a little harder. The Company Law course has a new Head, Mr. D. A. Berlis, Q.C., who is replacing Mr. J. A. Mullin, Q.C., who resigned last year. Mr. Berlis has already completed his series of nine lectures and has been working steadily for the last nine months with his instructors to coordinate their activities with the groups and to implement their suggestions for ways in which this course can be more comprehensive.

The The Civil Procedure II course this year was conducted by Mr. Donald A. Keith, Q.C. as Head, who took over after

Mr. Brendan O'Brien, Q.C. resigned. Mr. Keith appointed Mr. David Griffiths, Q.C. as his Assistant and they met regularly with their instructors for several months before this course began. As a result they were able to add to the teaching structure erected by Mr. O'Brien so that, in the result, these two weeks were packed tighter with useful material. Mr. O'Brien had begun the practice of teaching partly by way of problems to be solved by the students themselves and Mr. Keith has gone farther along this line. In addition he revised the morning lectures.

This year Mr. Keith enlisted some of our most eminent senior practitioners to give a course on "Advocacy" by way of a series of special lectures. Messrs. Carson, Kellock, Martin, Sedgwick and Sheard (to name them alphabetically) took part in this series working roughly from the series that Dr. R. E. Megarry, Q.C. had delivered last year. The students' reaction was one of tremendous enthusiasm. This is one of the most difficult subjects to teach and I think we have found a good way to handle it.

Mr. Kenneth Jarvis has now taken over as the Head of the Course on Professional Conduct. Last year, for the first time, demonstrations were given of proceedings before the Discipline Committee exemplifying both its traditional function of dealing with charges against members of the Society and its newer function of administering the Compensation Fund. Mr. Jarvis plans several new experiments this year as well.

There is every reason to hope that we shall finally do what can be done by means of practical education to give our graduates a proper view of their responsibilities as lawyers.

### *Faculty*

Instructors have come and gone but there has been no difficulty in obtaining good people to replace those who have resigned for one reason or another. These days no one ever refuses to serve. I think this is because we were so careful in the early stages of the Course to select the best possible people so that it is now thought to be an honour to be asked to join such a distinguished group.

### *Student's Handbook*

Last year I reported that a Student's Handbook, giving check lists of work that the students should have carried out while under articles was in the course of preparation. The book was printed too late for last year's students to be able to make the fullest use of it because they only received it

three months before their articling period was over. This year, every student and his principal has received it at the beginning of the articling period and, while it is too early to know how much reference is being made to it, I am hopeful that both students and principals are finding it helpful.

### *Interest of Other Jurisdictions*

This year Miss Anne Massey of the New Zealand bar is taking the teaching period, not in order to qualify for the bar of Ontario, but to study the Course itself. From my conversations with her she is enjoying the course and finding it worthwhile though she probably could not be expected to tell me anything else. At any rate she is still here and never misses any part of the work. Mr. Jacob Sofolahan, Secretary of the Bar Council of Nigeria spent the better part of a week with Mrs. Knox and me in August studying the operation of the Course.

The address I gave to the Allegheny County Bar Association, Pittsburgh in September, 1964 has been printed in the Solicitors' Journal, published in London, England, 24th September 1965 issue.

I cannot close without referring to the fact that a great deal of the work in the Bar Admission Course is done cheerfully and without hope of reward by members of the governing body. They act as heads of courses and special lecturers in a surprisingly large number of instances and they constantly surprise me with their willingness to work and their faithfulness to the commitments they have made. If it were not for an occasion like this much of what they do would go unrecognized and I am glad to set forth their names and their functions.

L. M. Ball, Q.C.	Special instructor in the Estate Planning course.
G. E. Beament, Q.C.	Takes part in the Professional Conduct demonstration.
C. F. H. Carson, Q.C.	Special lecturer in Civil Procedure II course.
T. K. Creighton, Q.C.	Takes part in the Professional Conduct demonstration.
W. G. C. Howland, Q.C.	Special lecturer in the Real Estate course.
D. A. Keith, Q.C.	Head of the Civil Procedure II course.

The Hon. R. L. Kellock, Q.C.	Special lecturer in Civil Procedure II course.
G. A. Martin, Q.C.	Consultant in the Criminal Law course; Special lecturer in Civil Procedure II course.
W. S. Martin, Q.C.	Takes part in the Professional Conduct demonstration.
Brendan O'Brien, Q.C.	Takes part in the Professional Conduct demonstration.
A. S. Pattillo, Q.C.	Takes part in the Professional Conduct demonstration.
Joseph Sedgwick, Q.C.	Special lecturer in Civil Procedure II course.
Terence Sheard, Q.C.	Joint Head of the Estate Planning course; Special lecturer in Civil Procedure II course; Special lecturer in Surrogate Court Practice course.
N. Strauss, Q.C.	Special lecturer in Real Estate course.
W. B. Williston, Q.C.	Head of the Civil Procedure I course.
Peter Wright, Q.C.	Takes part in the Professional Conduct demonstration.

I must also refer to the Chairman and Vice-Chairman of this Committee, Messrs. W. G. C. Howland and Sydney Robins. Mr. Howland, besides being ready at all times to discuss and advise on the problems which arise, serves on the Bursaries Committee and the Board of Review which takes final responsibility for the students' grades. Mr. Robins serves on the Board of Review and is also of great help and support whenever the Director needs advice.

Respectfully submitted.

"R. J. Roberts"

7th November 1965.

#### ARTICLING — OBSERVATIONS BY STUDENTS AT UNIVERSITY OF TORONTO

A letter addressed to the Chairman from the Students' Law Society at the University of Toronto concerning the system of articles and the payment articulated students receive was before the Committee.

Your Committee recommended that the Students' Law Society be invited to provide a comprehensive brief as suggested in their letter.

## OSGOODE HALL LAW SCHOOL

### BURSARIES

On the 13th October 1965, the Lawyers Club wrote to the Secretary setting forth a Resolution of the Club that \$2,400.00 be given to the Society for Bursaries for students in the Bar Admission Course, and \$800.00 for Buraries for students in Osgoode Hall Law School. Cheques representing those amounts were enclosed.

The Secretary wrote to the President of the Lawyers Club expressing the thanks of the Treasurer and Benchers for the Club's generous contribution and for its continued interest in legal education.

### SALARY SUB-COMMITTEE

The report of the Sub-Committee on Salaries, was approved, having already been approved by the Finance Committee and its Sub-Committee on Salaries.

### SABBATICAL LEAVE — PROFESSOR A. M. LINDEN

Your Committee refused Professor Linden's request that he be granted sabbatical leave for the fall term of 1966, or alternatively for the spring or fall terms of 1967.

### LAW SCHOOL MEDALS — SUMMER COURSES 1919-1920

In the summers of 1919 and 1920 extra sessions were given for veterans of the First War.

In the summer of 1919 those passing the first three places were Harold C. Walker, Hugh C. Cameron (St. Thomas) and Harold G. Fox. In the summer of 1920 the first three places were taken by Charles P. McTague, Howard C. Green (formerly Secretary of State for External Affairs) and Roy W. Lent (deceased).

These men were not given the usual medals because the Legal Education Committee and the Benchers said they were not "in due course" and hence not entitled. The students were not "in due course" because they had been fighting in the Armed Forces.

This matter was before the Committee on the 17th May, 1962, and allowed to stand pending a report from the Deputy Secretary upon the circumstances in which the decisions were reached in 1919 and 1920. Subsequently, when the report was considered, your Committee recommended that no action be taken.

At its meeting on the 18th November 1965, the question was again before your Committee whether the original decision should now be reversed and medals awarded to these six men.

Your Committee recommended that no action be taken.

Moved by Mr. Howland, seconded by Mr. Robins that the Report be adopted.

Moved in amendment by Mr. Cassels, seconded by Mr. Starr, that the Report be amended by striking out the recommendation of the Committee with reference to "Law School Medals - Summer Courses 1919-1920", and awarding the appropriate medals to the six persons named in the Report.

The amendment was carried.

The Report, as amended, was adopted.

## DISCIPLINE COMMITTEE—Mr. O'Brien REPORT ON POLICY

On 29th October and on 8th November 1965, your Committee met to consider some general problems. At the first meeting the following members were present: Mr. Brendan O'Brien, Chairman, Mr. Donald Keith, Vice-Chairman, and Messrs. Common, Gray, Howland, McLaughlin, Pattillo and Starr. At the second meeting the following members were present: Mr. Brendan O'Brien, Chairman, Mr. Donald Keith, Vice-Chairman, and Messrs. Bruce, Common, Gray, Howland, Levinter, McLaughlin, Maloney, G. A. Martin, Williston and Wright.

### 1. COMPENSATION FUND — JOHN MILLS DRYSDALE

Mr. Drysdale was disbarred on the 28th September 1965, and according to statements he gave to the Police there are potential applications to the Compensation Fund totalling \$160,000.00. Some of these which have already been filed may not result in grants, but it is entirely likely that the good applications will exceed the \$50,000 limit which Convocation has adopted with respect to any one solicitor subject, of course, to the Committee's discretion.

In the circumstances your Committee recommends:

- (a) that an advertisement be run in the newspapers inviting claimants to file applications;
- (b) that no payments be made for six months;
- (c) that all applications be considered at one time;
- (d) that young counsel be retained to arrange the applications and to interview Mr. Drysdale with respect to each.

### 2. COMPULSORY ANNUAL AUDITOR'S REPORT

At the meeting on the 29th October 1965, your Committee referred to Mr. Common and the Secretary of the Committee the question of the consequences which should follow failure to comply with the Society's Rule which reads as follows, and surrounding problems:

“As a condition of receiving his annual certificate enabling him to practise, every member of the Society shall on or before the 30th day of November in each year file with the Society either a report duly completed by a public accountant and signed by the member in the form annexed as Schedule “A” or a statutory declaration setting forth that during the preceding 12 month period he has not handled or been responsible for any clients’ trust funds or clients’ valuables.”

The report of the Sub-Committee read in part as follows :

“The matter was considered on the 2nd of November and your sub-committee reports as follows :

The Rule was passed under Section 43 subsection (d) of The Law Society Act which enables the Benchers to make rules and regulations respecting the keeping by Barristers and Solicitors of accounts and records containing proper particulars and other information as to monies received, held, or paid by them for or on account of clients.

The only sanction provided by the Rule is the withholding of a member’s annual certificate to practise.

Your sub-Committee recommends with respect to this year

1. that on or about the 15th December 1965 those who have not complied with the Rule should be sent a letter from the Society drawing to their attention the requirements of the Rule and their failure to comply with it and stating that if they had not complied by the 3rd January 1966 the matter will be reported to the Discipline Committee.

2. that with respect to those who has not complied with the Rule by the 3rd January 1966 the Discipline Committee under Rule 10 of the Rules Respecting Accounts may instruct auditors to examine the member’s books and accounts ;

3. that the following Rule be recommended to Convocation to be passed under subsection (g) of Section 43 of The Law Society Act as subsection (2) of Rule 10 of the Rules Respecting Accounts :

The expense or part of the expense of any investigation made under this Rule may be ordered by the Benchers or by the Discipline Committee to be paid to the Society by the member or members whose books and accounts have been investigated.”

Your Committee so recommends.

The Sub-Committee made a further recommendation which your Committee intends to put before Convocation when it meets in January, 1966.

RE: PETER LEWIS SLAGHT

At the meeting of Convocation on the 18th June 1965 the Report of the Discipline Committee was referred back for further consideration and amendment.

The Committee now reported that it met on the 8th October and on the 5th November 1965 when all of the evidence was carefully reconsidered and further evidence heard respecting the solicitor's health.

The Committee concluded that the facts set out in its original Report had been correct, but that during the period in which the events complained of took place, the solicitor, although aware of what he was doing, did not appreciate the consequences of his conduct.

The Committee unanimously concluded, but without great certainty, that the case was marginal and that, having regard to the fact that the complaints related to an isolated transaction and that the solicitor's condition did not allow him to practice, the public and the profession would be protected if he were allowed to resign upon undertaking that he would never apply to be reinstated. The Committee so recommended.

Moved by Mr. O'Brien, seconded by Mr. Levinter, that the Report be adopted.

The solicitor attended with his counsel, Donald D. Carrick, Esq., Q.C., who addressed Convocation.

CONVOCATION ADJOURNED AT 12:50 P.M.

CONVOCATION RESUMED AT 2:15 P.M., a quorum being present.

PROFESSIONAL CONDUCT COMMITTEE—Mr. Wright

Your Committee met on Friday, the 12th November 1965, at the hour of 2:15 o'clock in the afternoon, the following

members being present: Mr. Peter Wright, Chairman, Mr. S. E. Fennell, Vice-Chairman, and Messrs. Slemin and Strauss.

# 1. RULING 10 — SIGNS

After the enactment of Ruling 10, your Committee had inspections made of some twenty-five law offices in Toronto. Letters were sent to the lawyers involved inviting their comments. The photographs, descriptions and letters were referred to a Sub-Committee of your Committee. The Report of the Sub-Committee was considered and it was adopted in the following form as a recommendation to Convocation:

“Your Sub-Committee composed of Messrs. O’Brien and Strauss met at 2:00 p.m. on the 3rd of November, 1965, and examined each of the photographs and accompanying descriptions which had been made by Mr. Koopman.

Your Sub-Committee recommends —

(1) that each of those to whom the Society has written, be informed that he was not singled out for attention but that many others have been written to and that the Committee will continue seeking out signs which do not conform to the Ruling;

(2) that to those who have said they will comply, a letter go thanking them and asking them to let us know when they have in fact complied;

(3) that to those who have not indicated that they will comply and to those who have indicated they would prefer not to comply with the Ruling, a letter be sent in the following general form altered to fit the particular circumstances:

‘The Professional Conduct Committee has carefully considered your submission but is of the opinion that your sign offends Ruling 10. Accordingly your sign should be changed to comply with the Ruling.

Please attend to this within thirty days from this date and advise me when the change has been made.’

(4) that with respect to a particular illuminated sign at the entrance to a shopping plaza where the various services available in the plaza are listed and which includes the word “lawyer”, the lawyer in question be asked to see that the sign is removed as offending Ruling 10;

(5) that with respect to a member whose office is identified by five signs, it be suggested to him that as a matter of good taste he should reduce the number of signs. All of which is respectfully submitted."

Your Committee instructed the secretary to make arrangements for continuing the inspection both in Toronto and elsewhere throughout the province, and asked him to find out what the Rule of the medical profession is with regard to signs.

## 2. PROPOSED NEW RULING 16 — DIRECTORIES AND ANNOUNCEMENTS

A proposed new Ruling 16, after submission to Convocation, was published in the Ontario Reports and a number of helpful comments were received from members of the profession. These were referred to a Sub-Committee of your Committee. The Report of the Sub-Committee was considered and adopted in the following form:

"Your Sub-Committee composed of Messrs. Howland and Keith met at 2:15 p.m. on Thursday, the 4th of November, 1965, to consider correspondence relating to proposed new Ruling 16.

Your Sub-Committee recommends —

(1) (a) with respect to Section 1 of Ruling 16, the "semi-bold" type proposed by the Bell Telephone Company be approved for use uniformly by all those listed as lawyers in the yellow pages;

(b) with respect to 'district listings' that members of firms be allowed to list in every district where they maintain an office;

(c) that firm names as well as the names of individual members be allowed to be published in the yellow pages of the telephone directory;

(d) that no objection be taken to those members who are Patent Attorneys or Agents having a listing under the heading 'Patent Attorneys & Agents' similar to the listing under the heading 'Lawyers'.

Accordingly it is recommended that Section 1 of Ruling 16 be amended to read as follows:

'No member shall authorize the insertion in the yellow pages of any telephone directory published in Ontario of more than a single listing of the firm name, address and number in semi-bold type under the heading

“Lawyers” for each office or branch office and for each partner or member of the firm and in each section of the yellow pages directory in each area where an office or branch office is maintained. Members who are Patent Agents or Attorneys may have a similar listing under the heading “Patent Attorneys & Agents”.

(2) (a) with respect to sub-section (a) of Section 6 of Ruling 16, that the words ‘patent agent’ or ‘patent attorney’ be inserted in line six after the words ‘commissioner for oaths’.

(b) with respect to sub-section (b) of Section 6 of Ruling 16, that members be allowed to include a description of the nature of their practice but that no mention should be made of representative clients.

All of which is respectfully submitted.”

Your Committee recommends Proposed New Ruling 16 in the following form:

## PROPOSED NEW RULING 16

### DIRECTORIES AND ANNOUNCEMENTS

1. No member shall authorize the insertion in the yellow pages of any telephone directory published in Ontario of more than a single listing of the firm name, address and number in semi-bold type under the heading “Lawyers” for each office or branch office and for each partner or member of the firm and in each section of the yellow pages directory in each area where an office or branch office is maintained. Members who are Patent Agents or Attorneys may have a similar listing under the heading “Patent Attorneys & Agents”.
2. A member may circulate among the profession or among clients announcement cards pertaining to his practice which convey information of use to them such as a change of address or of personnel.
3. A member may insert such announcement in connection with his practice or a professional card in any newspaper published in Ontario.
4. A member may insert a card, notice or announcement in connection with his practice in any law list, legal directory, professional or trade journal or similar publication when such publication has been approved by Convocation on such terms as Convocation may from time to time approve.

5. Such approval shall normally be on the recommendation of the Professional Conduct Committee and may be withdrawn at any time.
6. (a) In publications circulating generally outside the legal profession, the text in modest print shall contain no more than the name of the lawyer or firm, a list of the members of any firm including counsel practising with the firm, and the words "barrister-at-law", "barrister and solicitor", "lawyer", "law office", "notary", "commissioner for oaths", "patent agent" or "patent attorney" or their plural where applicable, the address, telephone number, cable address, office hours, and any pertinent announcement when required.

(b) In publications of restricted circulation used by the legal profession there may appear in addition date and place of birth and admission to the Bar, schools attended with dates of graduation, degrees and other educational distinctions; war service and decorations; public or quasi public offices, posts of honour, legal authorships, legal teaching positions, memberships and offices in bar associations and committees thereof and in legal and scientific societies. Members may also include a brief description of the nature of their practice but no mention should be made of representative clients.

7. Notwithstanding the other clauses of this Ruling the Professional Conduct Committee may generally and in particular cases authorize other and additional publication.

### 3. MISCELLANEOUS

#### Re: CONSOLIDATED RULE 394 — SOLICITORS CEASING TO ACT — ORDER — MATERIAL IN SUPPORT

(a) A firm of solicitors put before the Committee their embarrassment in a matrimonial cause when they discovered that the evidence on which they were relying may have been secured by connivance. They secured this information as solicitors but when they sought to withdraw the client failed to co-operate and they were faced with the requirements of the judgment in *Ely v. Rosen*, 1963 1 O.R. 47 requiring that such an application must be supported by material showing the particular facts which warrant the solicitor ceasing to act.

In the particular case a satisfactory and helpful ruling appropriate to its particular facts was made, but your Com-

mittee considers that the general question should be brought to the attention of the Rules Committee with the suggestion that where privilege is involved a solicitor may declare upon his honour as a solicitor that he cannot continue to act because of facts known to him but privileged.

#### (b) ARTICLES ON LAW FIRMS

A member reported that an active student publication contemplated a series of articles on leading Toronto firms for their benefit and interest of their student body. Your Committee, after consideration, agreed with the view of the Chairman that this would be undesirable and the member was advised accordingly.

Moved by Mr. Wright, seconded by Mr. Fennell that the Report be adopted.

Moved in amendment by Mr. Beament, seconded by Mr. Ford, that proposed Ruling 16 be referred back to the Committee with the recommendation that publication of professional cards in newspapers be prohibited, that the proposed Ruling be amended accordingly, and that the proposed Ruling as amended be published in the Ontario Reports.

The amendment was carried.

The Report as amended was adopted.

#### LIBRARY COMMITTEE—Mr. Steele

Your Committee met on the 17th November 1965, the following members being present: Messrs. Steele (Chairman), Harris, Levinter, McCulloch, Slein and Strauss.

#### ASSISTANCE TO THE LAW FACULTIES OF NEW COMMONWEALTH UNIVERSITIES:

Your Committee considered a proposal by Mr. Goodwin, the Lincoln county crown attorney, that the Society, along with the Canadian Bar Association, assist the law faculties of universities in developing Commonwealth countries by contributing to them rarely used Canadian law reports, statutes and periodicals. Your Committee favoured such participation by the Society and recommends that the Chief Librarian communicate with the president of the Canadian Association of Law Libraries and find out whether or not a

coordinated plan between libraries can be arranged for this purpose and how needed assistance can best be provided.

### MONTHLY BOOK LIST

Your Committee reports that it has approved a procedure whereby Committee members who are unable to attend will be expected to indicate to the Chief Librarian before the time of a meeting any titles on the monthly book list which, in their opinion, should not be purchased. It is proposed that books as to which no member objects before or at meetings be approved without discussion.

### ONTARIO REPORTS — Contract for editing and publishing MEETING OF REPORTING COMMITTEE OF THE 5TH NOVEMBER 1965:

At this meeting the Chairman reported fully as to developments from the 15th September to date and reported on the Sub-Committee's recommendations.

Your Reporting Committee now so recommends.

The Chairman of the Reporting Committee wishes to pay particular tribute to the able and conscientious assistance he has had throughout from the members of his Sub-Committee, Messrs. Levinter, O'Brien and Strauss and from the Secretary of the Committee, Mr. Lawson.

Mr. Starr, having previously advised Convocation that he acted as counsel for Canada Law Book Company, withdrew and took no part in the discussions and did not vote. The Treasurer stated that Mr. J. J. Carthy of his firm is one of the Editors of the Ontario Reports, and that he would therefore make no comment on the Report, nor take part in the discussion.

Moved by Mr. Ford, seconded by Mr. O'Brien, that the Report be adopted.

The Treasurer stated that the Special Committee had not met since 17th January 1964 as it felt that it had dealt with the matters contained in the Report.

Moved by Mr. Wright, seconded by Mr. Ford, that the Special Committee on Election of Benchers be discharged, and that the question of an increase in the number of Benchers be referred to the Special Committee on Organization of Convocation and Committees, together with the question of regional representation.

*Carried.*

#### LAW SOCIETY AMENDMENT ACT 1964

The Treasurer raised the question as to whether or not he is an ex officio bencher, and asked the Benchers to consider this before the January meeting of Convocation.

In a letter to the Dean dated 18th January, 1966, Professor David W. Mundell, Q.C., applied for a further leave of absence of one year, effective as of 1st July, 1966, on the same terms as his leave during the academic session 1965-66.

Your Committee recommends that the request be granted.

## OSGOODE HALL LAW SCHOOL ADMINISTRATIVE OFFICERS

The report of the Special Committee of the Faculty appointed to consider administrative officers in Osgoode Hall Law School was before the Committee containing recommendations that an Assistant Dean be appointed from among the Faculty to assume administrative responsibility with respect to admissions and such other matters as may be dele-

gated to him by the Dean; and that Professor R. J. S. Gray be appointed Assistant Dean immediately.

APPROVED, subject to the approval of York University and the Finance Committee, the appointment to continue only until 30th June, 1968, at which time the post of Assistant Dean becomes one entirely for decision by York University.

#### OSGOODE HALL LAW SCHOOL FULL-TIME TEACHING STAFF

The Dean reported that a substantial increase in the number of full-time teaching staff will be required, but that though the precise number of additional members has not been established, five additions to the staff should be made over the next three years. He stated that York University approved of this proposal and that in the submissions made to the University Affairs Committee in November last, an additional sum had been requested to cover the five appointments.

The Dean recommended the following appointments:

*John Montgomery Barber*, LL.B. Osgoode Hall Law School 1962, called to the Bar of Ontario April, 1964, as Assistant Professor for one year beginning 1st July, 1966,

At its meeting on the 17th of September 1965, Convocation had before it the petition of William George Murphy to be reinstated as a member of the Bar in Ontario. The petition was referred to the Discipline Committee for consideration and report.

After considering carefully all the evidence adduced and hearing the submissions made by Mr. A. A. Macdonald, the Petitioner's counsel, your Committee recommends that reinstatement be permitted on the condition that the petitioner file with the Society a bond in the sum of \$1,000 with three sureties to insure the Society against loss to the Compensation Fund for a period of three years.

The petitioner was called to the Bar and admitted as a Solicitor on the 29th of June 1950 and struck off the Rolls on the 17th of October 1958.

Moved by Mr. O'Brien, seconded by Mr. Keith, that the Report be adopted.

2. COMPULSORY ANNUAL AUDITOR'S REPORT  
AMENDMENT OF RULE

On 19th November 1965 Convocation adopted a Report of the Discipline Committee concerning the consequences which would follow failure to comply with the following Rule:

As a condition of receiving his annual certificate enabling him to practise, every member of the Society shall on or before the 30th day of November in each year file with the Society either a report duly completed by a public accountant and signed by the member in the form annexed as Schedule "A" or a statutory declaration setting forth that during the preceding 12 month period he has not handled or been responsible for any clients' trust funds or clients' valuables.

The Sub-Committee of the Discipline Committee whose work was reflected in that Report recommended at the same time that in January 1966 the following recommendation be made to Convocation, namely:

1. with respect to this year (1966) the Rule be amended by

deleting the words "as a condition of receiving his annual certificate enabling him to practise. . . ." from the first line thereof and by beginning the word "every" which immediately follows those words with a capital letter;

2. that the Rule as amended become one of the Rules Respecting Accounts and follow immediately after the present Rule 8 of the Rules Respecting Accounts.

Your Committee so recommends.

*The first year's operation of the Rule.*

The flow of reports from the profession began shortly after the Treasurer's letter was sent out at the end of June 1965 but by the deadline of 30th November 1965, less than half of the nearly 6,000 returns had been filed. By the 15th of December, however, all but 750 had been received and on that day a letter was sent to those members who had not complied with the Rule, telling them that, if they were still in default by the 3rd of January 1966, this fact would be reported to the Discipline Committee and that, in appropriate cases, the Discipline Committee would order an audit of the member's records and charge the member with the cost. By the 12th of January 1966, 254 members had not complied. Of this number a little over half appear not to be engaged in the active practice of law, either because they have retired, are working outside Ontario or are engaged in teaching law or some other occupation apart from the practice of law. These members are being assisted to comply with the Rule by being sent forms of declaration for completion. The remainder of the 254 members who have not yet complied with the Rule will be considered by the Discipline Committee and such action as may be indicated will be taken with respect to them shortly.

3. With respect to UNSCHEDULED SPOT AUDITS:

In 1965, 1,037 firms, comprising 2,346 lawyers, in Metropolitan Toronto were visited. The work was carried out by 50 auditors specially retained by the Society to work under the supervision of Robert L. Anderson, C.A. of the Secretary's staff. Mr. Anderson and his assistant Mr. John Hughes themselves visited all the lawyers in Sarnia, Lindsay, Woodstock and Niagara Falls. As a result of these examinations, 8 full-scale audits were ordered and 3 firms were invited to attend before the Discipline Committee when their methods of keeping books were discussed. In addition to these inspections, 19 special examinations were conducted by the Society's auditing

staff as a result of complaints or other information received by the Society. Two Notices of Complaint have resulted from these examinations. To date over 60% of the profession have had their books examined and plans are being made to carry out the examination of the remainder.

#### THE REPORT WAS ADOPTED

### PROFESSIONAL CONDUCT COMMITTEE — Mr. Wright

Your Committee met on the 16th December, 1965, at 11:00 a.m. the following being present: Mr. Peter Wright, Chairman, and Messrs. Slemin and Strauss, and on the 13th January, 1966 at 11:00 a.m. the following being present: Mr. Peter Wright, Chairman, Mr. S. E. Fennell, Vice-Chairman, and Messrs. Keith, O'Brien, Slemin and Strauss.

#### 1. RULING 10 — SIGNS

Your Committee received a report that of fourteen members whose signs had been in breach of this Ruling, eight had replied that their signs had been brought into compliance. The work of the Committee is continuing with regard to the other six and further reports on breaches are expected.

#### 2. PROPOSED NEW RULING 16 — DIRECTORIES, ANNOUNCEMENTS AND PROFESSIONAL CARDS

At the November Convocation, this Proposed New Ruling was returned to the Committee in order to amend it to prohibit professional cards in newspapers. The Ruling was reconsidered and a proposed new Ruling was settled which has been published in the first of the Ontario Reports for 1966. Letters are being received from the profession with regard to it.

Your Committee considered the publications to be approved under the proposed Ruling and will shortly make recommendations to Convocation.

#### 3. RULING 24 — SPECIALIZATION

Your Committee has received a number of enquiries and has been giving attention to the problem of specialization and

the public announcement of special qualifications. On the one hand any touting is contrary to the traditions of the profession but on the other, and particularly in the larger centres, it is difficult for the public to know who is particularly qualified to deal with their problem. Your Committee considered this and decided that the present situation called for no change in Ruling 24 but that the situation should be examined by the Professional Conduct Committee of the Governing Bodies of the Legal Profession in Canada and that the provision of 'specialist' courses leading to high qualifications should be considered by the Continuing Education Committee. It was the view of the Committee that if there was to be any notification to the public of 'specialist' qualifications it must be based on special qualifying post-graduate courses and a substantial period of practical experience. In expressing these views your Committee in no way wishes to impede but rather to assist the progress of the Bodies to which it has sought to commit these problems.

#### 4. PROPOSED NEW RULING — DIVISION OF FEES

A proposed new ruling dealing with the division of fees and following the American Rule on this question was published to the profession on the 26th of November in the Ontario Reports, Part 41. Your Committee considered the letters received from the profession and recommends that the Ruling as published be approved by Convocation as Ruling 34.

A number of questions have been received with regard to payments being made to lawyers who have retired or have ceased temporarily to practise. It is the view of your Committee that arrangements made with a member ceasing to practice permanently or temporarily for a share of fees of his practice do not contravene this proposed ruling.

5. Your Committee also dealt with the following matters:

(a) A collection letter written by a lawyer on behalf of a collection firm and threatening a recipient with execution against his "lands, office equipment, machines, vehicles, bank account, accounts receivable, stock-in-trade and other assets" and threatening officers and principals who failed to attend to be examined with committal for "contempt to the common jail", was considered by the Committee. Further enquiries are being made but in the meantime the member has been informed that the letters are unbecoming to the dignity of the profession.

(b) Your Committee responded to the interest of the profession in the recent bankruptcies of two members and recommends that certain aspects of these bankruptcies and similar ones should be referred to the Discipline Committee for investigation and for reconsideration of Rule 11 of the Rules Respecting Accounts. At the same time your Committee appointed a sub-committee of Messrs. Strauss, Chairman, Keith and Wright to consider the general professional conduct aspects of members becoming bankrupts.

### UNAUTHORIZED PRACTICE — Mr. Seaman

Your Committee met on Friday, the 21st January 1966, the following members being present: Mr. R. L. Seaman (Chairman) and Messrs. Ball, Beament, Creighton, Fennell, Ford, Levinter, Raney, Sheard, Slemin and Strauss.

### TRUST COMPANIES

At its meeting in October, the Sub-Committee on Trust Companies was asked to investigate the problem of trust companies advising and assisting in matters of succession duty and estate tax; the Committee to include in its terms of reference Accountants and Life Insurance Companies. A Report from the Chairman of the Sub-Committee was before the Committee on the 19th November 1965.

On the 19th November 1965, the Committee directed the Sub-Committee to prepare a notice for the Ontario Reports informing the profession that a Sub-Committee of the Unauthorized Practice Committee had been appointed to investigate the problem of trust companies, chartered accountants and life insurance companies advising and assisting in legal matters, drafting legal documents, and interpreting case law with respect to income tax, succession duties, and estate tax, and appearing as advocates in such matters.

Your Committee now recommends that the Notice to the Profession proposed by the Sub-Committee be published in the Ontario Reports.

#### UNAUTHORIZED PRACTICE - GENERAL

#### PARRY SOUND LAW ASSOCIATION

Parry Sound Law Association which received its initial grant in 1932 and has received annual grants since that time, has applied for a special grant in order that it may purchase a set of the Law Reports. Your Committee recommends to the Finance Committee that a special grant of \$1,000.00 be made to this association and that a loan of \$1,000.00 be made to it, provided that security be given as required by Rule 105 for the due expenditure and repayment of the money advanced. Your Committee further recommends that this loan be repaid out of future annual grants in five instalments of \$200.00 each.

## CONTINUING EDUCATION — Mr. Gray

Your Committee met on the 20th January 1966, the following members being present: Messrs. Robins (Chairman), Gray (Vice-Chairman), Howland, Maloney, Pattillo and Slein.

### CONTINUING EDUCATION LECTURES 1966

At its meeting on the 18th November 1965 the Committee approved the proposed programme presented by the Chairman for the special lectures on *Recent Developments in the Law* to be given on the 11th and 12th, and 18th and 19th March 1966. The selection of lecturers was referred to the Chairman.

Your Committee recommends approval of the programme, that the registration fee be \$15.00, and that a notice to the profession be given in the earliest possible number of the Ontario Reports.

### CONTINUING EDUCATION - *Lectures on Law Office Management*

The Secretary received a letter from Stanley R. Kurisko, Sault Ste. Marie, in which he suggested that the Continuing Education Committee consider lectures relating to problems on law office management; or in the alternative that the Law Society give consideration to reporting to the profession through some publication with respect to this topic.

Your Committee took into consideration the fact that at the Mid-Winter Meeting of the Canadian Bar Association being held in Toronto on February 4-5, 1966, problems relating to law office management will be considered.

Your Committee instructed the Chairman to consult with the appropriate officers of the Ontario Section of the Canadian Bar Association to ascertain whether some programme could be arranged with the joint cooperation of the Law Society and the Association, if sufficient interest is shown in the problem at the Mid-Winter Meeting.

## LEGISLATION AND RULES COMMITTEE — Mr. Pattillo

Your Committee met on the 20th January, 1966, at 2:30 p.m., the following members being present: Mr. R. F. Wilson, Chairman, and Messrs. Pattillo and Sheard.

Your Committee considered the question of the publication of the Society's Rules and Regulations, including the form they should take and the manner in which they should be made available to the profession, and recommends that the Rules and Regulations be published forthwith in a form similar to the Rulings of the Professional Conduct Committee and distributed in the same way that those Rulings were, namely, a copy being sent to each firm in Ontario and to each County Law Library.

Your Committee considered whether the Legislature should be asked to put forward the amendment to The Law Society Act to enable the appointment of a referee to hear evidence in Compensation Fund matters, and recommends that the amending legislation should be sought and that the Chairman be authorized to approach the Attorney General and, if necessary, the Prime Minister of Ontario to discuss the purpose of the proposed amendment and, with their approval with members of the opposition parties.

Your Committee considered the drafting of an Act to amend and amalgamate The Law Society Act, The Barristers Act and The Solicitors Act, and the retaining of counsel to advise and assist the Committee with respect to drafting the proposed new Act, and recommends that the Chairman be authorized to retain counsel for this purpose with the object of preparing draft legislation to be submitted to the profession at the Mid-Winter Meeting of the Canadian Bar Association in 1967 with the intent that such Bill be introduced in the legislature no later than 1968.

#### THE REPORT WAS ADOPTED

#### LEGAL AID PROGRAMME COMMITTEE — Mr. Keith

Your Committee was appointed in response to a request, addressed to the Law Society of Upper Canada by the Attorney General for Ontario on the 21st September 1965, that the Law Society propound a scheme for the implementation of a plan of legal aid as recommended by the Joint Committee on Legal Aid in its report to the Attorney General dated March 1965.

The terms of reference of your Committee carry with them, therefore, two basic and implicit assumptions, namely, that the Province of Ontario will enact specific legislation to provide for legal aid and advice to persons requiring such in Ontario

and that the Law Society of Upper Canada will be charged with the responsibility for the administration of the provision of legal aid and advice to such persons.

Precedent for proceeding in this manner is to be found in Section 8 of the Legal Aid and Advice Act 1949, in England, and in the schemes propounded by the Law Society in that country pursuant to the enabling legislation referred to.

Your Committee, without the confinement of existing enabling legislation, has therefore proceeded to secure a draft of what may become the actual Bill to be introduced in the Legislative Assembly of Ontario and in this connection, acknowledges that the first draft was prepared by a member of the Committee, Charles Sale, Q.C. of Windsor, Ontario, and from that draft, the suggested form of an actual statute, was prepared under the guidance and authority of L. R. MacTavish, Q.C., Senior Legislative Counsel in the Department of the Attorney General, with the constant collaboration, assistance and advice of W. B. Common, Q.C., Consultant to this Committee, a member of this Bench and Chairman of the Joint Committee on Legal Aid.

It is in this framework, therefore, that the scheme now propounded comes to you with your Committee's recommendation that it be adopted. It is to be noted that the draft Act contemplates that the power to initiate Regulations under that Act is to be vested in the Law Society so that, as opposed to the English practice, amendments to or amplification of the scheme now propounded may be effected by regulation from time to time.

Your Committee realizes that the draft Bill, may itself be modified and amended before enactment, and that as finally enacted, it will still require administrative regulations and forms, but the scheme itself, has been designed to be functional for the satisfactory discharge of the responsibilities that are anticipated will be placed on the Law Society in whatever form the statute designed to implement the report of the Joint Committee may finally be enacted.

The report of the Joint Committee recommended that legal aid and advice in the following fields be made available to persons requiring such in Ontario and unable to bear the full cost themselves without financial assistance, and your Committee quotes from the Summary of Views and Conclusions of the Joint Committee:

#### 4. *Legal Aid in Civil Matters*

- (a) Legal aid in civil matters should be available in all courts.

- (b) The exclusions now existing under the Voluntary Plan should be continued, subject, however, to the removal of the present bankruptcy exclusion.
- (c) Domestic proceedings and other matrimonial causes should be specifically included.
- (d) Subject to the discretion of the local director, legal aid should be available in,
  - (i) the Family Court;
  - (ii) the Division Court;
  - (iii) administrative tribunals;
  - (iv) bankruptcy matters as mentioned in paragraph 4(b).

#### 5. *Legal Aid in Criminal Matters*

- (a) Legal aid in criminal cases should be available for all persons charged with indictable offences.
- (b) Applications for a sentence of preventive detention should be specifically included (i.e., habitual criminals and dangerous sexual offenders).
- (c) Subject to the discretion of the local director, legal aid should be available,
  - (i) in summary conviction cases, under the Criminal Code and Provincial Statutes, where upon conviction there is a prospect of serious loss of liberty or economic jeopardy;
  - (ii) in cases where the applicant has been previously convicted, provided, however, that the local director is satisfied that the particular circumstances justify the granting of assistance;
  - (iii) in the Juvenile Court.

#### 6. *Appeals*

- (a) Legal aid in both civil and criminal matters should extend to all proceedings by way of appeal, including such matters as,
  - (i) certiorari;
  - (ii) motions to quash;
  - (iii) habeas corpus;
  - (iv) prohibition.
- (b) Appeals would include appeals to,
  - (i) the Court of Appeal for Ontario;
  - (ii) the Supreme Court of Canada;

- (iii) a County or District Court Judge hearing an appeal by way of trial *de novo*;
  - (iv) a Supreme Court Judge;
  - (v) proceedings in the nature of appeals to or from administrative tribunals.
- (c) Where legal aid has been granted in either civil or criminal proceedings in the court of first instance, it should be extended to appeal proceedings subject to the approval of the local committee. An appeal certificate should only be granted in those cases where there is a reasonable probability of success.
- (d) In considering the question of appeal, the appeal committee should consider,
- (i) a written statement of the prosecutor or plaintiff's counsel; and
  - (ii) a written statement of the defence counsel or defendant's counsel.

Where no counsel appeared at trial, the committee should consider whatever information it is able to acquire.

- (e) An appeal should lie from the local appeal committee to the Provincial Director against the dismissal of an application for an appeal certificate.
- (f) Where an appeal certificate is granted, a transcript of the evidence should be furnished subject to any order of the Court of Appeal which might permit less than a full transcript;
- (g) Legal aid in appeals should not be restricted to cases where legal aid was granted in the first instance. Where in the first instance a lawyer had been privately retained, legal aid should be granted for an appeal, if eligibility could be established.

## 11. Advice

Legal Aid clinics should be discontinued and a provision for advice under the proposed plan should be similar to that under The Legal Aid and Advice Plan in England.

To entitle an applicant to such advice, he should be required to make a declaration as to his entitlement."

It is obvious that the Joint Committee had in mind the words of E. J. T. Matthews, Under-Secretary, The Law Society, London, England, who addressed the members of the Joint Committee in the following language:

"The objective and aim of the Legal Aid and Advice Act is to make available to the public those services of solicitor and counsel which a reasonable man would provide for himself had he sufficient means to do so."

Your Committee realizes that, in the absence of experience, the immediate introduction of the full programme envisaged by the Joint Committee may well create such serious problems in administration as to jeopardize the successful establishment of the full programme.

The gradual introduction of the full programme could be accomplished in two ways, while the experience was being gained. The first of these would be based on introducing the full programme in certain selected areas, such as the major urban centres of the Province, to be followed by designating further and less populous areas of the Province as areas in which legal aid and advice would be available as the system and its administration became established, until ultimately legal aid and advice would be available uniformly to all persons requiring such in the Province.

The second alternative would be to make the scheme applicable on the same level simultaneously throughout the Province but introducing at first only a portion of the full programme. As the administrative machinery, adequately staffed at the outset, became accustomed to its duties and experienced in the handling of applications for assistance, further fields in which legal aid and advice would be available would be introduced by proclamation until the full programme was in force.

Your Committee is of the opinion that the second alternative is preferable and recommends its adoption. The sequence of adoption of each field of legal aid and advice should be determined by the Government of Ontario on the advice of the Attorney-General, based on the recommendations of the Law Society.

For the purposes of administration, the scheme propounded envisages the division of the Province into a convenient number of areas, probably about fifteen in all, but the precise number to commence with is still the subject of consideration, and, of course, will finally be dealt with by regulation. In this connection it is to be noted that under the County Judges Act, there are eight administrative districts which your Committee feels is too few, having regard to the size and area of a number of the districts. We are advised that the Magistrates favour for their purpose a division of the Province into thirteen districts, so that the possibility of fifteen areas for legal aid purposes does not appear, at the moment, to be unreasonable.

The number of areas ought not to be so few as to overload the administration or make difficult the furnishing of legal aid quickly and effectively. On the other hand, a multiplicity of areas would burden the fund with excessive administrative costs, would tend to dilute the calibre of persons appointed, and complicate the problems of the central administration and increase the possibility of inequities and discrepancies occurring between areas.

A Director appointed by the Law Society, together with such administrative staff as he recommends, will provide the day to day administration of the scheme, operating from suitable offices arranged for by the Law Society. It is proposed that the Director will report directly to the Legal Aid Committee of the Benchers, through that Committee to the Law Society, and through the Law Society to the Provincial Government.

Each area, for the purposes of this scheme, will be administered by an Area Director, to be appointed to such office by the Law Society, on the report of the Legal Aid Committee, based on the recommendation of the Director.

Salaries of the Director and all Area Directors, together with all other capital and operating expenses involved in the scheme, are to be a charge on the Legal Aid fund, financed as necessary by the Provincial Government.

Each Area Director will require an Area Committee, such Committee to be appointed by the Law Society in such numbers, not less than six, and for such term or terms as the Legal Aid Committee may recommend and the Law Society approve. Members of the Area Committee, it is contemplated, would receive necessary travelling expenses and an honoraria based on time involved for attendance at the Area Committee. Such meetings will probably be required at least once a month, and, in certain areas, no doubt more frequently.

The issuance of certificates of entitlement to legal aid is planned to be the responsibility of the Area Director in many instances and in the balance, the Area Committee, based insofar as financial need is concerned on the certification of the Department of Public Welfare in that area.

You will have observed that in the Attorney General's press release, which was widely circulated last week as to the government's intention to provide government financed legal aid, the principal feature stressed and that caught the favourable attention of the press was described as a "help-now-pay-later" plan. The plan contemplates such a feature but it needs some clarification.

In the first place, under Section 19 of the draft Act, as referred to in the plan, it is contemplated that panels of duty counsel who consent to act as such, will be established and maintained where the impact of magistrates courts and other courts, such as the Juvenile and Family Court, is heavy in the community. The Act and the plan envisage the immediate availability of a duty counsel to persons otherwise unrepresented and who ask for legal aid assistance to be rendered on the spot. This may involve nothing more than an explanation to the person involved of the nature and gravity of the charge against him, or the proceeding in which he is summarily involved, or it may take the form of securing an appropriate adjournment or remand and the securing of reasonable bail. This will give time for proper investigation of the case to be made. No bill will be rendered to the fund by duty counsel attributable specifically to the individual or individuals assisted, and the duty counsel will be remunerated out of the fund on an hourly or a per diem basis. Thereafter, if any individual so assisted applies for full legal aid in the circumstances of his case, the time gained by the initial appearance of duty counsel will be used, in part at least, to properly process the application and secure the financial report of the welfare officer.

In those cases where the time factor is still insufficient to secure the financial report of the welfare officer, authority is provided in the Act for the issuance by the Area Director of a provisional legal aid certificate. Any barrister or solicitor thereafter acting (and it may very well be someone other than the duty counsel) on the authority of a provisional legal aid certificate or legal aid certificate will be expected to render a proper solicitor and client bill for payment out of the fund when his services are completed.

It must also be understood that once the emergency situation has passed and the report of the welfare officer has been received, the member of the public applying for and receiving legal aid may be involved in some payment for the legal assistance thereafter afforded. The old system of an arbitrary means test will be gone. Under the existing voluntary Legal Aid Plan a person whose income is below a fixed figure is given legal aid, and a person whose income is above such a figure is denied it. The new scheme contemplates that there are members of the public who can afford to pay nothing for necessary legal service, others who can, perhaps immediately or over a period of time, contribute something, and still others who can make a substantial payment towards the cost of the

legal services afforded. The responsibility of certifying the ability of any member of the public to contribute to the cost of legal services is placed exclusively on the officers of the Department of Public Welfare. This system has been found effective in the administration of the English Act, and has two major advantages. The first is that full public assistance is given only to those who really require it, and others help themselves to the extent to which they are able. The second is that contributions from members of the public to the fund, in accordance with the report of the welfare officer, plus the recovery of party and party costs when awarded to the recipient of legal aid, are expected to form a significant source of contribution to the fund and in this way to insure that public monies, which of course will provide the principal resources of the fund, will be used to the best possible advantage.

The scheme as propounded further contemplates an annual meeting of the Director with all Area Directors and Area Committees under the chairmanship of the Director. Thereafter, the report of the Director would be made to the Law Society through the Legal Aid Committee and thence to the Attorney General on behalf of the Government for submission to the Legislative Assembly.

The scheme as propounded also recognizes the need for an independent Advisory Committee which would provide for due representation of the Bench, Bar and the public. The composition of the Advisory Committee is set out in Section 8 of the draft act. The advice of the Advisory Committee should be available to the Legal Aid Committee and the Director, as required, and the members of such Committee should be entitled to attend and participate in the deliberations of the annual meeting of the Director and Area Directors and Area Committees.

This brief outline of the scheme as propounded, in addition to providing a general description of the administrative organization contemplated, is also intended to stress the basic principle of the scheme, namely, that its operation is a function of the Law Society as the delegate of the Government of Ontario and that local County Law Associations are at once relieved of responsibility for the successful operation of the scheme, and, at the same time, are left free to assist, support and make such observations and suggestions through established channels as circumstances may indicate.

The success of a programme of legal aid and advice which will cover such extensive fields of law as recommended by the Joint Committee in a Province as large and populous as

Ontario, will depend in the last analysis on the universal active support of all practising members of the Law Society of Upper Canada, regardless of age, experience or status in the profession.

The achievement of the programme will be a constant demonstration of the dedication of the legal profession to the concept of a civilized society. At the same time, it will not be based on a voluntary, charitable hit or miss concept. Members of the Law Society while engaged in rendering legal service to persons unable to pay in full for such service, will be paid out of the Legal Aid fund on a basis that is designed to defray expenses, normal overhead and a modest return to the practitioner, normally about one half of his normal net fee after expenses and overhead.

Your Committee has stressed this aspect of the matter because of the fact that the press has already quoted recommendation 2(c), as repeated in recommendation 10(a) set out in the Summary of Views and Conclusions of the Joint Committee to the effect that:

“Lawyers participating in the scheme should receive remuneration on the basis of 75% of a solicitor and client bill, in both civil and criminal proceedings.”

The layman cannot be expected to know that the first 50% of a normal solicitor and client bill goes to cover overhead without profit to the practitioner, and hence your Committee has thought it desirable to spell out the real meaning and effect of this recommendation.

In conclusion, therefore, your Committee submits its report and in so doing recommends the adoption of the plan as propounded and further recommends that the Legal Aid Programme Committee be not discharged until The Legal Aid Act 1966 has been passed by the Legislature and the Regulations have been drafted by that Committee and approved by Convocation and the Lieutenant Governor in Council.

## SPECIAL COMMITTEE ON SUPREME AND COUNTY COURT TARIFFS — Mr. Gray

At the meeting of Convocation on the 19th February 1965 it was resolved that the Treasurer appoint a Special Committee on Supreme and County Court Tariffs. The Treasurer appointed a Special Committee consisting of Messrs. Steele (Chairman), Gray, Robins, Starr and Williston.

It was moved by Mr. Gray, seconded by Mr. G. A. Martin, that the Report be adopted, but moved in amendment by Mr. Ball, seconded by Mr. Levinter, that the Report be referred back to the Committee for further consideration.

The amendment was carried.

## SPECIAL COMMITTEE ON INCOME TAX ACT (1964)

Mr. Howland

The Committee, consisting of Messrs. Pattillo (Chairman), Creighton and Howland, was appointed to consider the problem arising from the practice of many solicitors depositing in their trust accounts retainers and moneys received from clients on account of fees not earned and the subsequent withdrawal or non-withdrawal of such fees.

After considering relevant authorities and provisions of the Income Tax Act your Committee recommended that it have the power to engage counsel, and with the approval of Convocation Mr. Stuart D. Thom, Q.C. was engaged to consider the matter.

Subsequently Mr. Thom forwarded his opinion to your Committee following conferences held by him with officials of the Department of National Revenue, Taxation Division.

As a consequence thereof your Committee drafted a proposed notice to the profession and submitted it to Mr. Thom for his consideration with the request that he have further talks with officials of the Department of National Revenue and seek their approval of the proposed notice before its release.

Mr. Thom suggested a redraft of the notice, which was accepted, and then submitted such a redraft to the Department of National Revenue for its consideration and approval.

The Department of National Revenue then disclosed that one of its officials had discussed the problem and other related problems with the Joint Committee on Taxation created by the Canadian Bar Association and the Canadian Institute of Chartered Accountants.

The Department accordingly was unwilling at that time to approve or disapprove the proposed notice but promised to give the matter consideration and possibly issue a bulletin of its own to the whole profession throughout Canada. Its concern was that if it approved the notice proposed by your Committee, it was dealing with only those members of the profession in one of the ten provinces.

Subsequently your Committee ascertained that another official of the Department of National Revenue had approached Mr. R. C. Merriam, the Secretary of The Canadian Bar Association, to enlist the support of the Canadian Bar in resolving the problems arising between the Department and the profession.

Mr. Thom advised your Committee that he thought that too many persons were involved in the negotiations, and recommended that the matter be turned over to the Canadian Bar, and that this Society refrain from making any further representations. Your Committee accepted this recommendation with the approval of the Treasurer.

At the most recent meeting of the Executive of the Canadian Bar, arrangements were made to establish a Canadian Committee under the chairmanship of Mr. W. A. Macdonald, Barrister, of Toronto, to endeavour to resolve the problem with the proper tax officials and report thereon to the various governing bodies throughout Canada.

Your Committee recommends that it be discharged.

## PROFESSIONAL CONDUCT COMMITTEE — Mr. Wright

Your Committee met on the 10th February, 1966, at 11:00 a.m., the following members being present: Mr. Peter Wright, Chairman, Mr. S. E. Fennell, Vice-Chairman, and Messrs. Keith, Pepper, Slein and Strauss.

Your Committee considered the following matters:

## 1. RULING 10 - SIGNS

Your Committee had before it letters from four members of the profession who questioned the application of this Ruling to their signs on the grounds generally that it was necessary for a solicitor in suburban areas to have larger and better signs than other solicitors; that reputable sign companies with the knowledge of the Committee's thinking had designed and put up the signs and that the solicitors had spent or were spending large amounts of money, of the order of \$300.00, to construct these signs.

Your Committee took action with regard to all of these signs and issued instructions to the solicitors that they should alter their signs not later than the 15th of April next. Your Committee was disturbed however by the attitude not only of these but of other solicitors with regard to signs and thought it appropriate to report to Convocation that there are a number of members of the profession who regard signs as a legitimate method of attracting business and who are prepared to pay comparatively large sums of money for the best quality gold, special lighting and large metal lettering in order the better to bring to the attention of the public the law services which they stand ready to perform.

Your Committee believes that signs are only required to identify a lawyer's office to his clients. They do not consider that signs should be designed to attract the public to lawyers' offices generally or to the office of particular lawyers. Your Committee has been impressed by the fact that the Medical profession in Ontario follows practices with regard to signs which are appropriate to a profession and are universally in good taste. We therefore enquired from the Ontario Medical Association as to how this result was brought about and we learned that there was no specific Rule but that the present desirable practice was the result of a powerful campaign many years ago. We were taken by the motto which we understand was used in that campaign: "the larger the sign the smaller the doctor". We respectfully suggest to Convocation

and to the legal profession in Ontario that the same simple principle applies to our signs: "the larger the sign the smaller the lawyer".

Your Committee believes it is important to impress upon all members of the profession in Ontario that the growing practice of having ostentatious signs reflects adversely on the whole profession and is out of keeping both with our traditions and our privileges.

## 2. PROPOSED NEW RULING 10 - SIGNS AND LETTERHEADS

At its meeting on the 9th of September 1965, your Committee recommended that a new Ruling 10, being an apt combination of Rulings 10 (Signs) and 12 (Letterheads), should be adopted. At the subsequent meeting of Convocation in the afternoon there was a long discussion about firm names which, in the respectful opinion of your Committee, is not really involved in the necessary consideration of the issues raised by the combined Ruling. Your Committee has, however, reconsidered the matter and respectfully recommends that proposed New Ruling 10, as set out in "Appendix A", be adopted by Convocation. It has not, in this exact form, been published to the profession but the substance of it has in fact been adopted in Rulings 10 and 12.

In connection with the existing Rulings 10 and 12, your Committee has received several letters arguing that it is appropriate to use in the titles of law firms in Ontario the names of persons who are not and have never been members of the Bar of Ontario. Your Committee points out that enactment of the proposed Ruling will make it clear that such an argument is not open to those disposed to advance it. So far as the question of firm names is concerned, this matter stands referred to the National Professional Conduct Committee which is already considering it.

## 3. PROPOSED NEW RULING 16 - DIRECTORIES, ANNOUNCEMENTS AND PROFESSIONAL CARDS

A proposed New Ruling 16 was published in the Ontario Reports of the 14th of January, 1966, and a number of comments were received from members of the profession. These were considered by your Committee. Your Committee respectfully recommends that the Proposed New Ruling, "Appendix B", be approved and that it supplant Rulings 16, 19, 22, and 26.

#### 4. RULING 18 - TOUTING, ADVERTISING & ATTRACTING BUSINESS UNFAIRLY

The Essex Law Association has written objecting to the distribution of professional cards by bank managers, real estate agents and other persons, and suggesting that a lawyer has a duty to see that his cards do not fall into the hands of people who are likely to distribute them. Your Committee agreed that this was not a desirable practice and the Chairman was directed to write the Essex Law Association saying that members of the Society were under a duty not to give their professional cards to any person for general distribution.

#### 5. RULING 30 - PUBLIC APPEARANCES

A lawyer in an Ontario town had been asked to participate in a weekly radio broadcast to answer general questions of law. The matter was considered by your Committee which agreed with the opinion of the Treasurer that it was not proper in the circumstances.

#### 6. MISCELLANEOUS

(a) The position of lawyers who are also members of other professions and particularly Chartered Accountants, came to the attention of your Committee through the concern of the American Bar Association with the problem. The whole question was referred to a Sub-Committee of your Committee and will be reported on later.

(b) A member had enquired of the propriety of the partners of the City Solicitor of an Ontario City appearing for other clients before a Committee of Adjustment where the City was not appearing. Such a practice was considered not to be improper by your Committee, but it might prevent the City Solicitor from acting for the City in further proceedings involving the same matter.

(c) Your Committee had before it two sharp uncivil exchanges of correspondence between solicitors in civil matters in which members of the Society had thought it was proper to threaten other colleagues with the grim fate of having correspondence referred to the Professional Conduct Committee. Your Committee has read and studied these letters and similar letters in other cases and considers that they do not, in any cases yet brought to its attention, merit a Ruling on professional conduct. In some cases they reflect adversely on the good manners of the solicitors concerned. Although your Committee is prepared to do its duty in any matter

referred to it, it does not relish the task of reading ill-natured correspondence between members of the Society which do not involve real questions of Professional Conduct.

(d) A solicitor has brought to the attention of the Committee the insertion by a firm in the white pages of the local telephone book of a number of firm names putting in first place each name in turn so that the firm of "Blank, Swank, & Dank" appears not only under that heading but as "Drank, Blank and Swank" and as "Swank, Drank and Blank". The Chairman was instructed to write in the particular instance pointing out that this was not in accordance with the dignity of the profession.

## APPENDIX A.

### PROPOSED NEW RULING 10

#### SIGNS AND LETTERHEADS

(1) Members should not use letterhead paper or signs identifying their office which include the names of persons who either are not now or never were qualified to practise in Ontario except that members who practise in the industrial property field may show the names of patent and trade-mark agents registered in Canada who are identified as such but who are not solicitors.

(2) A member's letterhead and the signs identifying his office should be restricted to the name of the lawyer or firm, a list of the members of any firm including counsel practising with the firm and the words "barrister-at-law", "barrister and solicitor", "lawyer", "law office", or the plural where applicable, the words "notary" or "commissioner for oaths" or both and their plural where applicable may be added. A statement of office hours or alternative addresses may appear, and the words "patent and trade mark agent" in proper cases.

(3) Such words as "money to loan", "insurance office", "proctors", "attorneys", "mortgages", "solicitor to the township", or any other client, and the like if now in use will be removed.

(4) Lettering and signs will be of modest size and in good taste. As a general guide no sign need have the letters larger than six inches in height.

(5) The Professional Conduct Committee may in special circumstances authorize exceptions to this Ruling.

There may appear in addition date and place of birth and admission to the Bar, schools attended with dates of graduation, degrees and other educational distinctions; war service and decorations; public or quasi public offices, posts of honour, legal authorships, legal teaching positions, memberships and offices in bar associations and committees thereof and in legal and scientific societies. Members may also include a brief description of the nature of their practice but no mention should be made of representative clients.

6. Except as expressly allowed by this Ruling no member shall permit the insertion of a professional card in any newspaper, periodical, programme or other publication.

7. Notwithstanding the other clauses of this Ruling the Professional Conduct Committee may generally and in particular cases authorize other and additional publication.

After some discussion it was moved in amendment by Mr. Wright, seconded by Mr. O'Brien, that paragraph 2 - "Proposed New Ruling 10 - Signs and Letterheads" and Appendix A be referred back.

## LEGAL AID COMMITTEE — Mr. Steele

Your Committee met on the 16th February, 1966, the following members being present: Mr. Isadore Levinter (Chairman), Mr. R. D. Steele (Vice-Chairman), and Messrs. Common, Ford, Maloney and Strauss.

### ONTARIO LEGAL AID PLAN - 1965

Attached hereto, as part of this report, is the report of the Provincial Director for the year 1965.

The Committee approves and adopts the report and refers it to Convocation for its information.

### TO THE LEGAL AID COMMITTEE

The Provincial Director begs leave to present the fourteenth Legal Aid Report for the year 1965.

Reports were received from all but two Counties for the year 1965.

The Districts of Algoma, Cochrane and Kenora made no report on civil Legal Aid. The Local Director for the District of Algoma stated that no civil plan is in existence in that area, however, he hopes to institute a plan in the near future.

The Local Director for the District of Nipissing reported that each firm handled its own civil Legal Aid and, therefore, he had no knowledge of civil applications.

The County of Oxford and the United Counties of Stormont, Dundas and Glengarry maintained no records concerning civil cases. However, assistance in criminal matters was provided in every County and District reporting.

Some of the reports received stated that the statistics did not include the numerous Legal Aid services provided by individual lawyers to the indigent without a formal application being made to the Local Director. Therefore the data set out in this report can only be taken as an estimate. In many instances, no adequate record was kept and, therefore, no accurate set of statistics can be presented.

The York County Legal Aid Office reported 10,629 applications for Legal Aid assistance of which 9,842 were eligible. The other Counties in Ontario received a total number of 7,996 applications of which 5,172 were granted Legal Aid assistance. It is interesting to note that York County granted Legal Aid to almost twice as many applicants as the other Counties and Districts combined.

The County of Wentworth received 2,390 applications in 1965. Actual Legal Aid assistance was granted to 771. However, many of the applicants had their problem settled with advice only.

The following Counties also recorded a substantial number of Legal Aid cases:

<i>County/District</i>	<i>Number of Applications</i>	<i>Number of Applicants Granted Assistance</i>
Carleton	854	759
Essex	460	404
Middlesex	591	186
Ontario	469	357
Peel	293	293
Peterborough	242	208

The following figures indicate the actual number of Legal Aid cases handled in Ontario during 1965 compared with previous years:

<i>Actual Number of Legal Aid Cases</i>	<i>1965</i>	<i>1964</i>	<i>1963</i>	<i>1962</i>	<i>1961</i>
Civil	11,788	10,284	10,300	7,210	5,303
Criminal	3,226	2,441	1,656	1,398	1,735

You will note that 10,284 persons received *civil* Legal Aid assistance in 1964 and 11,788 received such assistance in 1965 - an increase of 1,504 in the number of civil Legal Aid cases handled for the year. A total of 2,441 persons received *criminal* Legal Aid assistance in 1964 and 3,226 received such assist-

ance in 1965 - an increase of 785 in the number of criminal Legal Aid cases. Of the criminal cases recorded, twenty-one were murder charges.

In 1965 a total of 18,625 persons applied for Legal Aid in the Province, and of these 15,014 were reported eligible.

In 1964 a total of 14,727 persons applied for Legal Aid in the Province, and of these 12,725 were reported eligible.

Compared to 1964, a total of 3,898 more persons applied for Legal Aid in 1965, and of these 2,289 more persons were eligible.

Attached to this report is a schedule setting out the Counties and Districts which provide Legal Aid in Ontario, showing the total number of applications received, the number of eligible applicants, the total number of civil actions handled and the total number of criminal actions handled.

The Society's thanks is extended to the entire legal profession whose support has made possible the provision of legal services to members of the public who find themselves in financial difficulties. The Society further acknowledges with thanks the financial aid provided by the Government and the Attorney General of this Province.

On behalf of the Legal Aid Committee and personally, I wish to thank the Local Advisory Committees, the Local Directors, and members of the profession generally for their support of the Legal Aid Plan.

February 16, 1966.

Provincial Director.

## SPECIAL COMMITTEE ON THE SCOPE OF THE LEGAL PROFESSION — Mr. Howland

Your Committee met on the 16th February 1966 at 2:00 o'clock in the afternoon, the following members being present: Mr. Howland, Chairman, and Messrs. Harris, Keith and W. S. Martin.

The recommendation for a survey of the scope of the legal profession arose from a Report of the Discipline Committee respecting the first ten years of the operation of the Compensation Fund. In the Report it was noted that of the total sum of \$1,213,804.03 which had been paid out of the Fund, \$714,290.09 represented claims in excess of \$50,000.00 arising from the defalcation of only 8 solicitors. Of these, 6 made a specialty of investing money for clients at unusually high interest rates or with large bonuses and 6 practised alone. It should also be noted that a number of defalcations have arisen from situations where a solicitor has invested his own funds in a corporation which later got into financial difficulties.

In considering what further limitations, if any, should be placed on the scope of the legal profession it is necessary to bear in mind the steps which have already been taken to prevent defalcations.

### 1. *Mortgage Brokers*

Under Ruling 15 of the Professional Conduct Committee a solicitor must register under The Mortgage Brokers Registration Act if he is acting as a mortgage broker. Under the Act a mortgage broker is defined as

“a person who carries on the business of lending money on the security of real estate, whether the money is his own or that of another person, or who holds himself out as or who by an advertisement, notice or sign indicates that he is a mortgage broker, or a person who carries on the business of dealing in mortgages.”

Out of some 633 mortgage brokers registered under the Act 123 lawyers or law firms are registered. 71 lawyers are registered as mortgage brokers in their own names and 52 law firms are also registered as mortgage brokers. Of the law firms registered more than 58% are situated outside the City of Toronto. In addition there are some 65 companies registered as carrying on the business of mortgage brokers in which lawyers are actively engaged in the conduct of the business. Probably the most common transactions in which a solicitor might be engaged are the following:-

- (a) a solicitor may arrange a mortgage for a client with a lending institution or a third person and receive a finder's fee;
- (b) a solicitor may loan his own money on the security of a mortgage;
- (c) a solicitor may have a client's money in his trust account and assist the client in finding mortgages for investment;
- (d) a solicitor may buy or sell mortgages for his own account as a principal;
- (e) a solicitor may act for a client in negotiating the sale or purchase of mortgages held by the client.

Registration under The Mortgage Brokers Registration Act is not required in the case of a sale or purchase of existing mortgages. With the advent of first mortgages up to approximately 87% of the value of the mortgaged property it is understood that the amount of business formerly transacted by second mortgage brokers has been materially reduced.

The Registrar under The Mortgage Brokers Registration Act has not received any complaints respecting the conduct of solicitors as mortgage brokers under the Act in recent months. The Registrar did not consider that the bonding of mortgage brokers would materially improve the administration of the Act.

## 2. *Borrowing from clients and investing clients' money.*

Convocation was particularly concerned in 1963 about solicitors borrowing large sums from clients and reinvesting the funds for their own profit. In the case of several defalcations clients took the position that they had not loaned the money to the solicitor but that the solicitor had invested the moneys for them.

In conjunction with Ruling 14 of the Professional Conduct Committee Convocation enunciated the following principles:

- "1. A Solicitor should not borrow money from his clients save in exceptional circumstances, and in that case the onus of proving that the client's interests were fully protected by the nature of the case or by independent advice will rest on the Solicitor.
- 2. In transactions in which the client's funds are invested in a security in which the Solicitor has a personal interest, either direct or indirect or through a Corporation or Syndicate in which the Solicitor has a substantial or controlling interest, the fullest disclosure must be made to the client in writing and the client

must be represented by an independent Solicitor in the transaction.

3. Whether a person lending money to a Solicitor on his own account or investing funds in a security in which the Solicitor has an interest is to be considered a client within the above principle, is to be determined having regard to all the circumstances. If the circumstances are such that the lender or investor might reasonably suppose that he was entitled to look to the Solicitor for guidance and advice in respect of the loan or investment, then the Solicitor should consider himself bound by the same fiduciary obligation that attaches to a Solicitor in dealings with a client."

### 3. *Participation by Solicitors in Corporations.*

A great many solicitors act as directors, officers and shareholders of public and private corporations. This interest may vary from a qualifying director's share to a substantial investment in the shares of the company. In many instances the interest of the solicitor is primarily that of an investment. In other cases he may have an investment in addition to performing duties as solicitor for the company. The rare instances where defalcations have occurred would not appear to justify any further restriction on the right of a solicitor to invest his funds in such manner as he may see fit as long as he complies with the Rulings of the Professional Conduct Committee and the rules of the Law Society Respecting Accounts.

### 4. *The Situation in other Provinces*

Enquiries were made from the governing bodies of the legal profession in the other Canadian Provinces. Saskatchewan has recently passed a ruling that no practising solicitor should be interested directly or indirectly in the management or control of a collection agency. It had no objection to the solicitor owning shares in the collection agency as long as his holdings were not large enough to give him control directly or indirectly in the collection agency. In that case there had been complaints that the solicitor was using the collection agency indirectly to obtain business.

None of the other Provinces had taken steps to limit the scope of the legal profession. British Columbia pointed out that it endeavoured to ensure that the solicitor's professional practice was kept separate from any business.

Your Committee did not consider that the placing of any further limitations on the scope of the legal profession at the present time was warranted.

Your Committee recommends that it be discharged.

THE REPORT WAS ADOPTED.

## SPECIAL COMMITTEE ON THE APPOINTMENT OF A SECRETARY — Mr. G. A. Martin

Your Committee, composed of the Treasurer as Chairman and Messrs. G. A. Martin, Howland and O'Brien reported on the 17th September, 1965, and recommended, and Convocation approved, that immediate steps be taken to engage an Assistant Secretary, his employment to take effect as soon as possible. Advertisements were published in the Ontario Reports on the 10th September, 29th October and 5th November, 1965, for applications for appointment to this office.

A number of applications were received and considered.

Your Committee recommends that Clarence I. Scott be appointed Assistant Secretary of the Law Society effective the 1st of April, 1966.

And that such course of study be undertaken by the profession with no remuneration.

And that the attainment of a passing grade in such course of study be a condition precedent for admission to the practise of law in Ontario.

2. That the Discipline Committee is hereby authorized to undertake an extensive and thorough investigation personally with representative firms or individuals in the profession throughout the Province to determine a method best suited to put an end to, in so far as it may be possible, the improper use of money and securities which do not belong to solicitors.
3. That the Treasurer appoint a Committee of two to interview the Prime Minister and the Minister of Justice, and such other persons as may be advisable, to develop a method for the appointment of Judges of the Supreme and County Courts, designed to ensure the best appointments to the Bench free of political considerations."

## LEGAL EDUCATION COMMITTEE

*Law Society Scholarships for Post-Graduate Study*

At its meeting on the 17th February 1966 the Legal Education Committee considered seven applications for Law Society Scholarships for Post-Graduate Study. The Committee recommended that the matter be referred to the Finance Committee to determine whether funds are available for this purpose.

For some years an item of \$5,000.00 has been included in the Law School budget for these scholarships, and has been included in the grant from the Province of Ontario. The Provincial Government, in making its grant for the academic session 1966-67 has deleted all items for scholarships and bursaries, and there are therefore no funds for this purpose.

Your Committee recommends that in the light of our present budget no funds be made available from Law Society funds for these scholarships.

Your Committee recommends that a letter be written to all members in arrears for fees for a period of more than one year, informing them that unless their arrears are paid by April 5th, 1966 a notice will be served on them notifying them that a resolution as to their suspension from practice will be considered at the meeting of Convocation to be held on April 15th 1966.

#### HONORARY BENCHER

The Treasurer referred to the imminent retirement of the Sécretary, and to the large part that association with Convocation and the benchers had played in the Secretary's life. He suggested that nothing that could be done for Mr. Smith could mean as much to him as to be made an Honorary Bencher of the Society.

Moved by Mr. R. F. Wilson, seconded by Mr. G. A. Martin, that effective the 30th June 1966 William Earl Smith be elected an Honorary Bencher of the Law Society of Upper Canada.

*Carried Unanimously*

#### DISCIPLINE COMMITTEE — Mr. O'Brien

##### RE: GORDON ROSS MACKAY

After a lengthy investigation and in the special circumstances, detailed in the report, the Committee recommended

that the penalty first recommended to Convocation, be changed to a recommendation that the solicitor be reprimanded in Convocation, upon his undertaking to submit quarterly audited statements of his professional books and records.

Moved by Mr. O'Brien, seconded by Mr. Levinter, that the Report be adopted.

The solicitor attended with his counsel, Mr. C. G. S. McKeown.

Mr. Howland took no part in the discussion and did not vote.

The motion was carried.

The solicitor re-attended with his counsel and was reprimanded by the Treasurer, and gave the required undertaking.

### *Compensation Fund Claims*

Mr. G. A. Martin

The Committee reported on a number of claims which were withdrawn or found upon investigation to be not established in whole or in part, and explained that consideration of several applications was adjourned sine die since they were not ready for presentation at this time.

## REPORT RE COMPULSORY ANNUAL AUDITS

Mr. O'Brien

As of today 116 members have not complied with the Rule requiring them to submit the report of a Public Accountant or a statutory declaration respecting their professional records.

These fall into three main categories: Those who are no longer resident in Ontario, which number 23, those who are resident in Ontario but not engaged in the practice of law,

which number 47, and finally, those who appear to be practising in Ontario of which there are 46.

Your Committee has instructed the Society's auditor to conduct full investigations of all of the records of all those in the last group, except those who are already under active investigation for other reasons.

UNAUTHORIZED PRACTICE COMMITTEE—Mr. Seaman

Your Committee met on the 18th March 1966, the following members being present: Mr. R. L. Seaman (Chairman), Mr. S. E. Weir (Vice-Chairman), and Messrs. Ball, Beament, Creighton, Fennell, Levinter, Martin, W. S., Slein, Steele and Strauss.

R. L. SEAMAN, ESQ., Q.C. — *Retirement as Chairman*

Mr. Seaman informed the Committee of his retirement as Chairman of the Unauthorized Practice Committee, and as a Bencher of the Law Society, at the expiration of his present term of office.

The Committee instructed the Secretary to record its appreciation to Mr. Seaman for his many contributions as Chairman of the Committee, and their regret that he is retiring as a Bencher of the Law Society.

THE CORPORATION OF IMMIGRANT LAWYERS AND  
JUDGES IN CANADA

*(Application for Incorporation)*

The Secretary received correspondence from the Deputy Provincial Secretary with respect to the application for incorporation requested by five notaries public in the City of Toronto.

The applicants requested that the corporate name be "The Corporation of Immigrant Lawyers and Judges in Canada".

The Committee reviewed the proposed objects of the corporation and recommended that the Deputy Provincial Secretary be informed that the Unauthorized Practice Committee is vigorously opposed to the incorporation of the Company on the grounds that such incorporation would foster and develop practices detrimental to the public interest

in that unauthorized and unqualified persons would be attempting to render legal services.

SPECIAL COMMITTEE ON RETIRED JUDGES

REPORTING COMMITTEE — Mr. Levinter

Your Committee met on the 16th March 1966, the following members being present: Mr. Arthur Maloney, Vice-Chairman (in the Chair) and Messrs. Levinter, W. S., Martin, O'Brien and Strauss.

ONTARIO REPORTS

Your Committee reviewed the written comments of a Judge of the Supreme Court of Ontario who suggested that the Attorney General for the Province might undertake to pay the actual cost of printing the Ontario Reports, perhaps through the Queens Printer, and that if such an arrangement could be made, it would reduce the publication expense to the Law Society and the Society could take over the job of editing once again.

Your Committee instructed the Secretary to write the Judge, stating that the matter would be deferred for a two year period in view of the fact that a new five year contract

with Canada Law Book has just been entered into. However, the Secretary was instructed to inform the Judge that the Committee was most grateful for his suggestion and that his proposal would be fully explored at the appropriate time.

#### REASONS FOR JUDGMENT

The Chairman received correspondence from Mr. Brendan O'Brien, Q.C., concerning a judgment printed in the O.R. which reported that a solicitor had acted improperly.

The solicitor, who appeared before the Discipline Committee, stated that the judgment had been delivered and published in the Ontario Reports before he was aware that any attack on his conduct had been made and that he had no opportunity to defend himself.

The Discipline Committee recommended that the matter be considered by the Reporting Committee.

Your Committee requested the Secretary to inform Canada Law Book Company that any judgment which deals with the conduct of a solicitor be referred to the Chairman of the Reporting Committee before publication, to enable the Chairman to clarify the matter with the solicitor.

#### JUDGMENT - BRENNAN PAVING COMPANY LIMITED V. THE CITY OF OSHAWA

The Secretary received correspondence from the Peterborough City Engineers Association, requesting permission to reprint the judgment of McRuer, C.J.H.C., in the case of Brennan Paving Company Limited v. The City of Oshawa from the Ontario Reports, 1952, as an appendix to a loose-leaf bound collection of several papers recently presented to a meeting of their group by prominent members of the legal profession.

The organization is a non-profit technical group. Distribution of the bound booklets will be limited to their own members and those lawyers who delivered the papers.

Your Committee gave permission to reprint the judgment in the form requested.

#### PROFESSIONAL CONDUCT COMMITTEE — Mr. Wright

The PROFESSIONAL CONDUCT COMMITTEE begs leave to report:

Your Committee met on the 10th March 1966, at 11:00 a.m., the following members being present: Mr. Wright, Chairman, and Messrs. Keith, Slein and Strauss.

Your Committee considered the following matters:

#### 1. PROPOSED NEW RULING 10 - SIGNS AND LETTERHEADS

Convocation on the 18th of February referred back to the Committee Proposed New Ruling 10 which was an unhappy amalgam of present Rulings 10 and 12. On the two occasions which this has been submitted to Convocation, the members of your Committee have been favoured by eloquent expressions of the perplexities which the wording used has aroused and by the helpful suggestions which have been offered to aid your Committee in its constant effort to express itself clearly, yet in the English language. In gratitude and humility your Committee has for the third time revised paragraph 1 of the Proposed New Ruling 10 and respectfully recommends that the draft now presented should be adopted by Convocation.

#### PROPOSED NEW RULING 10 SIGNS AND LETTERHEADS

1. Members should not use on their letterheads or on signs identifying their office the names of persons who (a) if living are not qualified to practise in Ontario, or (b) if dead never were qualified to practise in Ontario.
2. Members who practise in the industrial property field may show the names of patent and trade-mark agents registered in Canada who are identified as such but who are not solicitors.
3. Firm names used in letterheads or signs should comply with paragraph 1 of this Ruling.
4. A member's letterhead and the signs identifying his office should be restricted to the name of the lawyer or firm, a list of the members of any firm including counsel practising with the firm and the words "barrister-at-law", "barrister and solicitor", "lawyer", "law office", or the plural where applicable, the words "notary" or "commissioner for oaths" or both and their plural where applicable may be added. A statement of office hours or alternative addresses may appear, and the words "patent and trade mark agent" in proper cases.

5. Such words as "money to loan", "insurance office", "proctors", "attorneys", "mortgages", "solicitor to the township", or any other client, and the like if now in use will be removed.
6. Lettering and signs will be of modest size and in good taste. As a general guide no sign need have the letters larger than six inches in height.
7. The Professional Conduct Committee may in special circumstances authorize exceptions to this Ruling.

## 2. RULING 10 - SIGNS

(a) A solicitor whose sign in large gold letters had been disapproved by the Committee as contrary to Ruling 10 asked permission to leave his sign unchanged for a period of several months, during which time it would be determined if his lease were to be renewed. The Secretary of your Committee was instructed to write granting the permission.

(b) Your Committee instructed its Secretary to continue to obtain photographs and descriptions of signs clearly in breach of the Ruling and to submit these to your Committee and authorized him to spend up to \$250.00 for this purpose.

## 3. RULING 16 - DIRECTORIES, ANNOUNCEMENTS AND PROFESSIONAL CARDS

(a) Your Committee considered the law lists, legal directories, professional or trade journals or similar publications in which a member might insert a card, notice or announcement in connection with his practice and respectfully recommends to Convocation that the following publications should be approved and the list published in the Ontario Reports;

- Canadian Bar Journal
- Canadian Bar Review
- Advocate (British Columbia)
- Manitoba Bar News
- Saskatchewan Bar Review
- Law School Reviews and Journals
- Chitty's Law Journal
- Pamphlet Editions of Law Reports published in Canada
- Martindale-Hubbell Law Directory
- Butterworths Law List Commonwealth and International
- The International Law List
- Kime's International Law Directory
- Canada Legal Directory

Canadian Almanac and Directory  
 Directory and Almanac of Canada - (McGraw, Hill)  
 The Canadian Law List  
 The Law List (English)  
 The Scottish Law Directory  
 The Law Directory (Eire)

(b) Your Committee's attention was directed to an announcement card of a firm included in which was a picture of an incoming solicitor. Your Committee considered that the picture should not be published as it would breach Ruling 16 and the solicitors involved were written directly with regard to it.

#### 4. PROPOSED NEW RULING 35 - BANKRUPTCY

The profession generally and your Committee have been disturbed by the use of bankruptcy proceedings by lawyers. Your Committee had before it the provisions with regard to this matter in the United Kingdom, in most of the Provinces of Canada and in some of the American States. These were considered by your Committee and it recommends that the following Proposed Ruling be published in a forthcoming part of the Ontario Reports with an invitation to the members to comment upon it and that it should thereafter be considered by Convocation:

#### PROPOSED NEW RULING 35 BANKRUPTCY

1. Any member who becomes bankrupt under the Bankruptcy Act shall immediately notify the Society.
2. A member by becoming bankrupt under the Bankruptcy Act is guilty of conduct unbecoming a barrister and solicitor or of professional misconduct unless he can show that his conduct in the matter or matters which gave rise to the bankruptcy was honourable and that it did not involve professional misconduct on his part.

Your Committee considers that this is a matter which requires the vigilant attention of Convocation and it recommends that the problem of the bankruptcy of solicitors be referred to counsel considering new legislation with regard to the profession with a recommendation that the Law Society seek legislation to suspend members automatically upon their becoming bankrupt similar to provisions in some other jurisdictions.

The Report was considered clause by clause.

*Proposed New Ruling 10* - Convocation suggested that the word "now" be deleted from line 1 of clause (a) as Proposed New Ruling 10.

The proposed Ruling was approved as amended.

The remainder of the Report was approved without change.

---

With respect of *Proposed New Ruling 35 - Bankruptcy*, Mr. Wright raised the question of the bankruptcy of two members of the Society who will shortly apply to be discharged from bankruptcy, and moved, seconded by Mr. O'Brien, that the matter be referred to the Discipline Committee to consider retaining counsel to appear before the Bankruptcy Court to oppose the discharge from bankruptcy of Walton C. Rose and Irving A. Solnik.

*Carried.*

#### LIBRARY COMMITTEE—Mr. Steele

Your Committee met on the 16th March, 1966, the following members being present: Messrs. Steele (Chairman), W. S. Martin (Vice-Chairman), Levinter, Maloney, Slein and Strauss.

#### DUPLICATE CATALOGUE

Your Committee reports that at a recent meeting of the Faculty of Osgoode Hall Law School, it was agreed that because of the imminent move of the law school to York University within two to three years, and the cost involved, the practice of maintaining a duplicate card catalogue for the Great Library and the Phillips Stewart Library be discontinued.

Your Committee has considered this suggestion and has noted that the duplicate catalogue has proved to be a valuable reference tool. Your Committee recommends that maintenance of the duplicate card catalogue be continued until the actual date of separation of the law school from the Law Society.

## TRANSPORTATION OF BOOKS TO COURTROOMS

Your Committee reports that a suggestion has been made that the Great Library provide as a service a simple means of moving small quantities of books by individual barristers from the Great Library to adjacent courtrooms.

Your Committee recommends that the Chief Librarian be authorized to purchase five suitable book trolleys similar to one presently on hand, but preferably of Canadian manufacture, at an approximate cost of \$30.00 each, to satisfy this need.

## THE REPORT WAS ADOPTED

## COUNTY LIBRARIES COMMITTEE — Mr. Ball

Your Committee met on the 18th March, 1966, the following members being present: Messrs. Ball (Chairman), Fennell (Vice-Chairman) Beament, Creighton, W. S. Martin, Seaman, Slein, Steele, Strauss and Weir.

## ANNUAL GRANTS

Your Committee reports to the Finance Committee that the following law associations have filed their annual returns for the year 1965 in accordance with Rule 103 and otherwise complied with the requirements of the Rules adopted from time to time by Convocation in relation to county libraries and recommends that grants be made to them as follows:

Cochrane .....	\$ 917.50
Frontenac .....	1,325.00
Kent .....	1,300.00
Perth .....	1,000.00
Rainy River .....	600.00
Temiskaming .....	600.00

## INSPECTION OF COUNTY LIBRARIES

Your Committee reports that in setting forth a policy to be followed for the inspection of county and district law libraries, a memorandum was requested from Mr. Johnston, the former Chief Librarian, indicating those libraries considered by him to be most in need of early inspection. Your Committee recommends that an inspection programme be initiated by the Chief Librarian giving priority to those

libraries, followed by the remaining county and district law libraries over a period of two years.

It was moved by Mr. O'Brien, seconded by Mr. Ball that Convocation resolves that it will cooperate with the Attorney-General, and that the Treasurer be authorized to appoint a Committee to take the matter up with the Attorney General further.

### SPECIAL COMMITTEE ON THE ORGANIZATION OF CONVOCATION AND COMMITTEES

At the meeting of Convocation on the 18th March 1966 Mr. Robins presented the following Report of the Special Committee on the Organization of Convocation and Committees. Because of the importance of the matters dealt with, Convocation directed that copies of the Report be sent to each member of Convocation for consideration at the present meeting.

Your Committee met on the 14th of October 1965 and on the 10th of March 1966, the following members being present: Mr. S. L. Robins, Chairman, and Messrs. W. S. Martin, Steele and Wright.

Your Committee was appointed by Convocation on the 17th day of September 1965 "to consider the constitution, terms of reference and organization of the standing committees and the work of Convocation, and in particular:

1. Whether the Reporting, Library and County Libraries Committees should be merged.
2. The days appointed for meetings of standing committees and of Convocation, and their relation to each other.
3. The method of reporting to Convocation, including the feasibility of reproducing committee reports for all members of Convocation so that such reports need not be read aloud.

4. The order of business in Convocation.
5. Such other changes in present procedures as the committee deems appropriate to improve the efficiency of the work of Convocation and its committees."

After considering the provisions of the Law Society Act, the Rules of the Law Society and the practices which have developed in respect to the organization of Convocation and its Committees, all in the light of the present and anticipated nature and volume of the work of the Law Society, your Committee desires to make the following interim report:

#### THE TREASURER

##### 1. *Title*

Your Committee considered the question of changing the title "Treasurer" to "President". After a lengthy discussion the Committee was divided and agreed to refer this question to Convocation for decision.

##### 2. *Term*

Your Committee recommends that the Treasurer be elected for a two year term.

#### VICE-TREASURER

Your Committee recommends the creation of the office of a Vice-Treasurer (or Vice-President as Convocation may decide), to be elected annually.

#### ADVISORY COMMITTEE

Your Committee recommends the appointment of a Standing Committee to be known as the "Advisory Committee" to advise and assist the Treasurer in the performance of his executive responsibilities, the Committee to consist of the Treasurer, the Vice-Treasurer, the immediate Past Treasurer and the Chairman of the Legal Education Committee, the Finance Committee and the Discipline Committee and one other Benchler to be appointed from time to time in the discretion of the Treasurer, the Vice-Treasurer to be Chairman of the Committee.

#### MERGER OF COMMITTEE

1. Your Committee recommends that the County Libraries, Library and Reporting Committees be merged into a Committee to be known as "The Library and Reporting Committee".

2. Your Committee considered the merger of the Legal Education Committee and the Admissions Committee and recommends that the merger of these Committees be deferred for the time being and reconsidered after the move of the Osgoode Hall Law School has been completed.

#### MEMBERSHIP OF NON-BENCHERS ON COMMITTEES

Your Committee recommends the appointment from time to time of members of the Law Society who are not Benchers, to Standing and Special Committees of Convocation, provided that Benchers shall form a majority of each Committee and the Chairman of each Committee shall be a Bencher.

#### NOMINATING COMMITTEE

Your Committee recommends the appointment by the Treasurer from time to time of a Committee to be known as the "Nominating Committee" to propose to Convocation the nomination of non-benchers to Committees of Convocation and the nomination of members of the Society to fill vacancies in the Bench as they arise, the Committee to have due regard to representation of the profession in and outside Metropolitan Toronto.

#### MEETINGS OF CONVOCATION

Your Committee recommends that sub-section 2 of Rule 8 of the Society's Rules be amended by deleting therefrom the words "except July, August and December", so that the sub-section will read "The standing Convocation days shall be the third Friday in each month".

Your Committee recognizes that its recommendations relating to the Treasurer and membership of non-Benchers on Committees involve amendments to The Law Society Act. The Rules and Legislation Committee has presently under consideration a general revision of the legal Acts and your Committee suggests that these matters, if adopted by Convocation, be referred to that Committee.

Your Committee is not ready to report to Convocation or to make recommendations respecting an annual meeting of the members of the Society and the election of Benchers, which matters were also referred to this Committee. Your Committee asks that it be continued for the purpose of considering these matters and to review the effect of such of its recommendations as Convocation may adopt and make such further recommendations as it may consider advisable.

The Report was considered clause by clause.

With respect to the change of title, "Treasurer" to "President", it was moved and seconded that the question be tabled.

*Carried*

With respect to the appointment of non-benchers to Standing Committees, it was moved and seconded, that this portion of the Report be tabled. After further discussion an amendment was moved and seconded, that this item be referred back to the Committee. The amendment was carried.

With respect to the paragraph of the Report recommending the appointment of a Nominating Committee to fill vacancies on the bench as they arise, it was moved and seconded that this proposal be rejected. The motion was carried.

It was moved and seconded, that the Report as amended be adopted.

*Carried*

Convocation directed that the Report as amended be referred to the Legislation and Rules Committee so that the necessary amendments to The Law Society Act can be sought and amendments to the rules be drafted.

## SPECIAL COMMITTEE ON RETIRED JUDGES RETURNING TO PRACTICE — Mr. O'Brien

Mr. O'Brien was prepared to present to Convocation on the 18th March 1966 the Report of the Special Committee on Retired Judges Returning to Practice, but Convocation directed that a copy be sent to each member of Convocation, and that the Report be dealt with at the present meeting.

The Special Committee consisted of Mr. O'Brien (Chairman), and Messrs. Gray, Sheard, Steele and Wilson, R.F.

The Committee met on the following dates: 17th June 1965, 15th September 1965, 19th January 1966, 4th March 1966, and 16th March 1966.

The Committee was appointed to inquire into the matter of retired Judges returning to practice and subsequently by a resolution of Convocation the matter was enlarged to include the question of retired Magistrates returning to practice. This aspect of the matter is dealt with at the end of the report.

Your Committee has caused inquiries to be made abroad as to the practice obtaining in some of the principal commonwealth countries and in the United States with respect to retired Judges returning to practice. In addition, the Committee has considered the report of the Discipline Committee of the Law Society which was adopted by Convocation in 1905, which dealt, inter alia, with the same problem. The

Committee has also studied and considered the relevant provisions of the various statutes which relate to the matter and such case law as there is. The Committee invited representations from a number of former Judges in this Province and has received both written and oral submissions concerning the matter.

The Report of the Committee of the Law Society dated the 16th of June, 1905, reflected a study of the matter over a two year period. That part of the Report relating to the position of retired Judges contained the following by way of preamble:

“A barrister upon his elevation to the Bench is withdrawn from the arena of practice and all that is incident to the position of Counsel and the profession. The public look upon the office with esteem and regard its occupants with feelings of respect, and nothing should be permitted whereby a Retired Judge could have the opportunity to be engaged in professional business, the mere fact tending to lower the dignity of the high office formerly held and so react upon the Bench at the time existing—the resumption of practice has a tendency to impair and lower the dignity which should be upheld, as well off, as on the Bench.

Again, it appears to the Committee, that a Retired Judge resuming practice is an act of injustice to the members of the profession—especially is it so in the case of Judges of the County Court where it may readily be supposed that the prestige, experience, influence and social position the Judge has acquired in his County will have weight with the public to his own advantage and to the corresponding disadvantage of other and younger members of the profession.”

The Report pointed out that the Society had power to make rules restricting the practice of any barrister who has served as a Judge, but the Committee was prepared to believe that if the return to practice by a retired Judge be condemned by Convocation that this would solve the problem.

After considering the Ontario cases, which dealt indirectly with the position of a Judge who has retired or resigned (MacDonnell vs. Blake (1889), 17 O.R. 12, and Re Law Society [1954] O.R. 349) it was decided by the Committee that it would be desirable to have the opinion of Counsel as to the present legal position of a Judge who has retired or resigned in relation to the Law Society.

It was the opinion of Counsel that while the matter was not free from doubt, that probably a person who was appointed to the Bench did not cease to be a member of the Law Society and that the practice of issuing certificates to such persons upon retirement or resignation was a proper one, though it was pointed out that the statutory provisions in this respect are most unsatisfactory.

The inquiries made abroad, have revealed that in England, Australia and New Zealand, as a general rule, retired Judges do not return to practice. The Secretary of the General Council of the Bar of England and Wales stated that "in practice, if any ex-Judge attempted to return to practice, there would be solid opposition from the Bar and the Bar Council, and I am authorized to say that this opposition would be strongly reinforced by pressure from the Lord Chancellor of the day." He further stated that a retired County Court Judge had recently sought the view of the Council about his returning to practice in a limited capacity, i.e. the giving of advice in Chambers. The Council subsequently expressed and published the following opinion:

"The Council do not approve as a matter of principle of former County Court Judges returning to practice at the Bar, in any capacity."

The one exception to the general rule in the commonwealth countries was in the case of the late Dr. H. V. Evatt, in Australia, who retired from the Bench in 1940 to enter politics and subsequently appeared both as Attorney General and private practitioner before the High Court of which he had once been a member. This case was considered most unusual and caused unofficial comment from time to time. Apparently there has been no similar case in Australia since 1940.

In the United States it is a common thing for a retired Judge to return to practice and there is apparently no restriction on his field of activity.

The case of *Re: Solicitors Act* and Sir James O'Connor, 1930, Irish Report, 623, contains an interesting discussion of the question.

Sir James O'Connor had been Lord Justice of the Court of Appeal in Ireland until the office was abolished in 1924. Subsequently he joined the English Bar but owing to illness was compelled to abandon his practice. Having been disbarred at his own request he applied to be readmitted as a solicitor in the Irish Free State. The incorporated Law Society did not oppose the application but the Judge who heard the appli-

cation, Chief Justice Kennedy, regarded the application as one involving important questions of principle. After reviewing a great many cases in England and Ireland, he points out that there have been no recent cases since the Act of Settlement, 22 Geo. III, Chapter 53, 1782, and he then continues at page 631:

"Such a long continued abstention almost asserts a common understanding underlying these appointments, that, with security of tenure and fixed and adequate remuneration and pension, the practice of the profession of the law is abandoned for ever by the person appointed.

There is good and powerful reason in support of such a rule, for it is beyond doubt that if a man could step down from the privileged position of the Bench and throw off what is a sacred office to engage in the rough-and-tumble of litigious contest, and compete with the practitioners for the feed business of the Court, perhaps challenge the decisions which he pronounced, or even fail to support them in argument, he will shake the authority of the judicial limb of government and mar the prestige and dignity of the Courts of Justice upon which the whole structure of the State must always lean. Moreover, a new way of scandal and corruption would be opened up to any who would pursue it."

He also said at the same page:

"If a Judge of a Superior Court, secured as our Judges now are in tenure of office, and provided by the State with salary sufficient to maintain his dignity and independence while in office, and adequate pension after completion of his service therein, should of his own initiative retire and apply directly for admission to the profession of solicitor, I should feel the greatest difficulty in yielding to that application."

He then reviews the facts of the application before him stressing that the retirement had not been voluntary and that five years had elapsed since the applicant had held judicial office. In the special circumstances of the case the application was granted. After pointing out that solicitors have been given a more extensive right of audience than formerly especially in Circuit Courts, he stated:

"I felt that in the interests of justice Sir James O'Connor should not exercise such personal right of audience in the Courts . . . He would still be regarded as laying down the law with judicial authority, and he would

tend to overbear inferior Courts, while it would be a scandal were he to explain his own judgments for the purpose of advancing a clients cause. I will therefore ask of him an undertaking that he will not seek personal audience in any of the Courts."

In the annual statement of the general Council of the Bar of England and Wales for the year 1963, at page 28, there is a reference to the case of a former Judge of the Colony of Hong Kong who had applied unsuccessfully to the Supreme Court of the Colony to be admitted to the Bar for the purpose of engaging in a consultant practice only. The former Judge had obtained from the Colonial office a partial exemption from an undertaking which a Colonial Judge is required to give on his appointment that he will not after retirement without the consent of the Secretary of State, practice as a Barrister in any territory in which he has served as a Judge. The Bar Council represented to the Secretary of State, that exemptions from this undertaking ought not to be granted even to the extent of permitting former Judges to carry on an advisory practice.

In the case of Prafulla Ranjan Das vs. Patna, High Court Judges, (1930) 47 T.L.R. 98, the Judicial Committee of the Privy Council dealt with the question of whether a retired Judge of Patna province who sought to resume practice and was placed on the role of Advocate on the basis that he could not appear in the Courts, was in law entitled to appear in the Courts. It was held that as the retired Judge had been enrolled as an Advocate he had a statutory right to appear in the Courts and it was not necessary for the Judicial Committee to decide whether his enrollment was proper. At page 99, Lord Atkin stated, "Their Lordships therefore refrain from expressing any opinion upon the important question as to the propriety of an ex-Judge practising in the courts of the province where he has exercised judicial functions."

The written and oral representations made by former Ontario Judges who had either retired or resigned, were widely divergent ranging all the way from the view on one hand that former Judges ought not to return to practice at all to the view on the other hand that, they should be permitted to do so and be free from any restriction.

A number of different viewpoints that were expressed may be summarized as follows:

1. A Judge who has not served long enough to be entitled to a pension should feel free to resign, if in the interest of

Justice he thinks it desirable, without economic disaster to himself.

2. Legislation to prevent the return to private practice would discourage some of the best men available from accepting a judicial appointment.

3. A retired Judge does not enjoy a privileged position in Court. There is greater danger that a senior Counsel might enjoy an advantage over a junior Counsel yet no one objects to this.

4. Pensions for Judges are inadequate. By comparison retired Senators are paid full salary until they die. We should concentrate our efforts on improving the system of judicial appointments and make the politicians realize that Judges are an important part of the system of Government, and pension benefits should be increased.

5. A Judge's contractual relationship with the Government should not be interfered with.

6. A Counsel who is a friend of a Judge may appear before him and no complaint is made about this.

7. A Judge who would be unduly influenced by the argument of a former colleague ought not to be sitting as a Judge.

8. While generally speaking, a retired Judge would not enjoy any advantage appearing in the Court where he formally presided, yet it is conceded that a retired Senior County Judge might cause unrest in the community by taking cases before the Judge who was formerly Junior Judge under him.

9. Before a Judge is allowed to resign, he must furnish the Government with a good reason for his desire to do so. Where the Government agrees that there is a good reason for resignation, others should not question the bona fides of the resignation.

10. No Judge who was appointed before the Constitutional Amendment of 1960, should be penalized because of his enforced premature retirement. Judges appointed since 1960 are in a different position, they knew the retirement age when the appointment was accepted.

11. There are many examples in Ontario and the other provinces of Judges who have resigned or retired and who have returned to practice, and there has been no widespread criticism either in the press or otherwise, and there is really no problem. In the circumstances the Law Society ought not to disturb the present situation.

12. Many of the Judges who have already retired or who will soon retire would not have accepted an appointment to

the Bench, if at the time of appointment it had been made clear that the person involved could not return to private practice on retirement.

13. The English situation ought not to be taken as a guide since Judges there are appointed for life and often serve on the Bench into their eighties or until disabled by ill health and therefore there is no inclination to return to private practice.

14. There is really no problem since when Counsel presents an argument in Court he does not present his own views and it should make no difference that he was once a Judge.

15. A Judge who has a former Judge appearing before him as Counsel finds himself in an embarrassing position.

16. It is undesirable for a retired Judge to engage in practice as either a Barrister or Solicitor with the possible sole exception of the case of resignation for good reason after being a very short time on the Bench, but then he should practice as a Solicitor only.

17. The situation ought never be permitted to arise where an Advocate may rely upon his own judgment in an earlier case or where he is called upon to interpret his own judgment.

18. The situation is aggravated where the former Judge who now appears as Counsel is appearing before a Judge of an inferior Court.

19. Litigants are bound to feel that one who had a very considerable experience with those of the Bench will be in a preferred position when he appears as Advocate before his former associates.

20. If a Litigant loses a case in which the opposing Counsel was formerly a Judge he may have misgivings as to the impartiality of the decision.

21. A retired Judge ought not to practice as a Solicitor, because when he participates in the early stages of litigation he may have an undue advantage being familiar with the thinking and prejudices of the Judges who are still on the Bench, with whom he formerly associated.

22. There is plenty of other work for retired Judges who are anxious to carry on with some form of employment, such as, arbitration, conciliation work, etc.

23. A substantial pension is now paid.

24. It is distasteful to read in the press that a former Judge appeared in such and such a case. This tends to demean the prestige of the Bench.

The pensions now provided are equivalent to two-thirds of the salary connected with the judicial office and are payable to all Judges who have served for fifteen years, or for ten years if he attains the age of seventy-five after serving ten years on the Bench. The Act also provides certain lesser pension benefits for a Judge's widow.

A Judge who resigns is entitled to his pension if he has served for at least fifteen years and in the opinion of the Governor in Council, the resignation is conducive to the better administration of Justice or is in the national interest. (See Judges Act, R.S.C. 1952, Chapter 159 and amendments).

Until fairly recent times there were comparatively few retired Judges who had returned to active practice, and the need for a professional conduct rule of the kind mentioned in the 1905 Report was not urgent. Considering the increase in the number of Judges in Ontario in recent years, and the compulsory retirement at age seventy-five, it becomes apparent that the number of retired Judges will be substantially increased in the next few years, and in the circumstances the Committee is of the opinion that the time for making such a ruling has come.

The Committee has given careful consideration to all the aspects of the problem and to the representations that have been made.

The Committee did not feel that former Judges ought to be prevented from returning to practice, but is of the opinion that in the interests of justice generally, a rule of professional conduct should be made to the following effect:

"No Judge of the Supreme Court of Canada, the Exchequer Court of Canada, the Supreme Court of Ontario or of a County or District Court who hereafter retires or resigns and returns to practice, shall appear as counsel or advocate in any court or in chambers or before any administrative board or tribunal."

With respect to retired Magistrates the Committee invited representations from a number of retired Magistrates and heard a delegation from the Magistrates Association.

Quite apart from the essential differences between the functions of a Judge and Magistrate, there are a number of distinctive differences relating to the matters under investigation.

Magistrates are not all lawyers. Of the total number of approximately 100 Magistrates in the Province about 80% are lawyers, most of whom have maintained their membership in the Law Society while serving as Magistrates.

A small percentage of the total serve as Magistrates on a part time basis only.

There have been very few cases in the last few years where Magistrates have retired or resigned and have then returned to the active practice of law. Some of those who have, have refrained from appearing in the courts where they once presided as a matter of choice. Others have appeared to a limited extent.

Magistrates do not have the same security of tenure that Judges have. Their pay is substantially lower, and their pension rights are lower still, on a proportionate basis. While a Judge during his years on the bench had the opportunity to keep abreast of all aspects of the law, the Magistrate's work is confined to certain narrow limits of the criminal and quasi-criminal law. If a retired Magistrate should feel it necessary to return to the practice of law to make a living, he would find it most difficult to carry on a general practice not connected with the Magistrates Courts.

While few Magistrates have in fact returned to the practice of law and fewer still have practiced in the courts, the members of the Magistrates Association who appeared before the Committee were of the opinion that the right to return to practice on resignation or retirement ought not to be curtailed.

On a consideration of the matter, the Committee was of the opinion that in the case of retired Magistrates there is no present problem that calls for any action by the Society.

Moved and seconded, that the Report be adopted.

### COUNTY LIBRARIES COMMITTEE—Mr. Ball.

Your Committee met on the 15th day of April, 1966, the following members being present: Messrs. Ball (Chairman), Fennell (Vice-Chairman), Clement, W. S. Martin, Raney, Slemin, Steele, Strauss and Weir.

### ANNUAL GRANTS

Your Committee reports specially that the following law associations have failed to file their annual reports by the 31st day of January, have now filed their annual returns for the year 1965 in accordance with Rule 104(2) and otherwise complied with the requirements of the Rules adopted from time to time by Convocation in relation to county libraries and recommends that grants be made to them as follows:

Essex	\$1,850.00
Haldimand	600.00
Norfolk	600.00
Prescott and Russell	600.00
Renfrew (1965)	730.00
Sault Ste. Marie	1,225.00

Your Committee further reports that the annual grant for Renfrew listed above is for the year 1965, and that, inadvertently, this was not brought to its notice during that year.

### COUNTY OF YORK LAW ASSOCIATION

Your Committee reports that in its Report to Convocation of May 21, 1965, it was not made clear that the annual grant to the County of York Law Association by the Law Society was to have been increased from \$2,500.00 to \$3,500.00. The annual grant for this Association having therefore been made in the amount of \$2,500.00 as recommended in February, 1966, your Committee recommends that a special grant of \$1,000.00 be made forthwith in accordance with the minutes of the

County Libraries Committee of May 21, 1965 and that Rule 102(3) be amended to read:

“Subject to the provisions of Rule 105, the total amount paid to the County of York Law Association in any year shall not exceed \$3,500.00.”

THE REPORT WAS ADOPTED.

---

#### CORRESPONDENCE

The Treasurer referred to a letter from Mr. Alastair Paterson, Q.C. enclosing a Petition for Reinstatement of Victor Alksnis.

It was directed that the matter be referred to the Discipline Committee for investigation and report.

---

#### LEGISLATION & RULES COMMITTEE—Mr. R. F. Wilson

Your Committee met on Wednesday the 6th of April 1966 at 10:30 in the morning, the following members being present: Mr. R. F. Wilson (Chairman), and Messrs. Common, Pattillo and Williston. Mr. Howland attended at the Chairman's invitation.

Your Committee had before it a draft brief proposed by the Steering Committee on Negotiation Rights for Professional Staffs, including a draft Bill entitled “The Professional Negotiations Act”.

Your Committee, having considered the Steering Committee's proposed Bill, recommends that the Society write to the Honourable John P. Robarts to whom the Steering Committee addressed itself, to advise that Convocation is of the opinion that, if the proposed Bill or any similar legislation is enacted, it is requested that a provision be incorporated specifically excluding the legal profession from its application.

THE REPORT WAS ADOPTED.

---

#### LIBRARY COMMITTEE—Mr. Steele

Your Committee met on the 13th day of April, 1966, the following members being present: Messrs Steele (Chairman), W. S. Martin (Vice-Chairman), Bruce, Common, Harris, Keith, Levinter, Slein and Strauss.

#### *American Arbitration Association*

Your Committee recommends that the Law Society, through the Great Library, become a member of the American Arbi-

tration Association at a special library rate of \$50.00 per annum, in order to benefit through receipt of its many publications in the important field of commercial arbitration.

### *American Association of Law Libraries*

The annual meeting of the American Association of Law Libraries will take place in Los Angeles from July 3 to 7, 1966. Your Committee recommends that the Chief Librarian attend this meeting.

Your Committee further recommends that Mr. Johnston, the former Chief Librarian, who has worked full time during the past year in the Great Library and who will be made a life member of the above association this year, be authorized to attend the meeting.

THE REPORT WAS ADOPTED.

---

It was directed that consideration of the Reports of the following Committees stand to the May Convocation:

Professional Conduct Committee

Ontario Interprofessional Liaison Committee.

### MOTIONS

It was moved by Mr. Starr, seconded by Mr. Ford —

THAT the Legal Education Committee is hereby authorized in co-operation with the recognized Law Schools in Ontario and the Director of Bar Admissions, to create and design a course of study which shall not be optional, for the full three years in the recognized Law Schools, and in the Bar Admission Course, to persuade the students, in so far as it may be possible, to enter upon their profession with pride in it and in themselves, and with dignity and integrity.

AND that such course of study be undertaken by the profession with no remuneration.

AND that the attainment of a passing grade in such course of study be a condition precedent for admission to the practise of law in Ontario.

Moved in amendment by Mr. Robins, seconded by Mr. Sheard, that the matter be referred to the Legal Education Committee.

The amendment was carried.

---

Moved by Mr. Starr, seconded by Mr. O'Brien —

THAT the Discipline Committee is hereby authorized to undertake an extensive and thorough investigation personally with representative firms or individuals in the profession throughout the Province to determine a method best suited to put an end to, in so far as it may be possible, the improper use of money and securities which do not belong to solicitors.

Mr. Starr agreed to substitute the word "directly" for the word "personally" in the above motion so that it will now read:

"The Discipline Committee is hereby authorized to undertake an extensive and thorough investigation directly with representative firms . . ."

The motion as amended was carried.

---

Moved by Mr. Starr, seconded by Mr. O'Brien,

THAT the Treasurer appoint a Committee of two to interview the Prime Minister and the Minister of Justice, and such other persons as may be advisable, to develop a method for the appointment of Judges of the Supreme and County Courts, designed to ensure the best appointments to the Bench free of political considerations.

After discussion the motion was defeated.

---

It was moved and seconded that the gratitude of the Bench to the Treasurer, Mr. John D. Arnup, Q.C., be recorded for his outstanding service to the Law Society and for his constructive leadership to the profession.

*Carried unanimously.*

Mr. O'Brien then took the Chair and thanked the Benchers for the confidence that they had displayed in electing him as Treasurer. He remarked that the Treasurer bears a heavy responsibility, that he follows one of the great Treasurers of the Society and this does not make his task any easier. To the extent that he succeeds as a Treasurer, his success will be due to the Benchers who assist and support him.

He welcomed to Convocation the ten new Benchers elected at the Benchers' Election in April 1966.

---

The Minutes of the meeting of Convocation of April 15th and April 26th 1966 were read and confirmed.

## UNFINISHED BUSINESS

## PROFESSIONAL CONDUCT COMMITTEE—Mr. Fennell,

Your Committee met on Thursday the 7th April, 1966, the following members being present: Mr. Wright, Chairman, Mr. Fennell, Vice-Chairman, and Messrs. Howland, Keith, O'Brien, Slein and Strauss.

Your Committee considered the following matters :

#### 1. RULING 10 - SIGNS

A firm of solicitors who had been required to bring their signs into conformity with Ruling 10, appealed for permission to use letters which were "slightly under seven inches". Your Committee considered the matter in detail and instructed the Secretary in the particular case to say that the sign must conform with the Ruling.

#### 2. RULING 16 - DIRECTORIES, ANNOUNCEMENTS AND PROFESSIONAL CARDS

Your Committee received correspondence from five members of the Society with regard to new Ruling 16, asking in some cases that exceptions should be made under the power given the committee. Your Committee decided none of the exceptions asked for should be granted but pointed out to two members who wish to publish professional cards in the press giving office hours that they could not do this although they might announce a change of hours as occasion warranted.

#### 3. LETTERHEADS OF PERSONS QUALIFIED IN TWO PROFESSIONS

Your Committee had before it the Report of a Sub-Committee on the question of a member showing on his letterhead that he is both a "Barrister and Solicitor" and a "Chartered Accountant". The Report was considered and your Committee recommends that a solicitor should not indicate on his letterhead that he is practising another profession or calling at the same time although he may include after his name other degrees and professional qualifications. Your Committee recommends that the Institute of Chartered Accountants should be advised accordingly.

#### 4. MISCELLANEOUS

A member asked if it were proper for a lawyer to talk to the client of another member in respect of a contentious matter when such client calls the member. Your Committee instructed the Secretary to write that no member should discuss a matter in contention with another member's client as long as the other member is acting for the client.

THE REPORT WAS ADOPTED

## ONTARIO INTERPROFESSIONAL LIAISON

## COMMITTEE—Mr. Howland

A meeting of the Interprofessional liaison Committee was held on 20th January, 1966 as the guests of the Chartered Accountants of Ontario. Admission from other Provinces and Countries. The Committee noted that the Architects and Engineers do grant temporary licences for a single project. Several but not all of the professions require applicants to be Canadian citizens or British subjects. The Engineers have almost complete reciprocity with other provinces. The Veterinarians have reciprocity with certain countries and are considering reciprocity with the other Canadian provinces. Chartered Accountants and Architects from other countries who have the requisite qualifications can be admitted without examinations.

## COLLECTIVE BARGAINING

The Committee noted that the College of Pharmacy was asking that it be given the same exemption from The Labour Relations Act as is accorded to the medical and legal professions. Since the last meeting the Steering Committee on Negotiation Rights for Professional Staffs has given notice of its intention to submit a brief to Premier Robarts on April 18th, 1966 with a view to the enactment of a draft bill entitled The Professional Negotiations Act. This would provide collective bargaining machinery for the professions. The brief and draft legislation have been considered by the Legislation Committee of the Law Society.

## CAREER GUIDANCE

The Committee considered the feasibility of the suggestion by the Department of Education that Career Guidance teachers might spend some weeks at a summer course actually working in industry or in business so that they would gain practical knowledge. It was noted that the Pharmacists and Dentists both hold "open house" annually to familiarize senior high school students with their respective professions.

Your Chairman has attended several meetings held under the auspices of the Board of Trade of Metropolitan Toronto and it is understood that Career Guidance teachers will spend some four weeks this summer with one or more industries or businesses.

THE REPORT WAS RECEIVED

## APPOINTMENT OF AUDITORS

Messrs. Clarkson, Gordon & Company were appointed Auditors of the Society for a period of one year from the 1st July 1966.

---

## LEGAL EDUCATION COMMITTEE—Mr. Howland

Your Committee met on Thursday, the 19th May, 1966, the following members being present: Mr. W. G. C. Howland, Chairman, and Messrs. Ball, Creighton, Sheard and R. F. Wilson.

#### AFFILIATION WITH YORK UNIVERSITY - REPORT OF PROFESSOR ALBERT M. SACKS

Professor Sacks was retained jointly by the Society and York University as a consultant with respect to the affiliation of Osgoode Hall Law School with York University. He has submitted his report which contains the following basic recommendations:

##### *"Size of Student Body*

1. York University and Osgoode Hall should plan their new building to accommodate a student body of about 900 to 1,000 students. If at all possible, the building should be so located and built that further expansion of the student body at a future time is not precluded.
2. When Osgoode Hall moves to its new building in 1968, it should begin increasing the size of its entering class from the present 200 to a maximum of about 350. The precise rate of increase must depend upon events, particularly upon the school's success in attracting qualified faculty members.

3. If possible, some mechanism should be established whereby the law schools of Ontario can exchange information and plans concerning future expansion of facilities. How formal such a mechanism should be and what part if any the Provincial Government should play are matters to be determined.

### *Size of Classes*

4. The conclusion of the Osgoode Hall Faculty that optimum class sizes are about 60 for first-year students and about 80 in other required courses is reasonably based and establishes a legitimate goal for expansion.

5. At the same time, a more flexible attitude toward class size is called for when the faculty size is fixed for the time being and a choice has to be made between optimum classes and development of important new curricular offerings or other programs at the School.

6. Flexibility as to size of class is particularly important with respect to elective courses.

7. In the design of classrooms it is best to err on the side of larger size. If eight classrooms are built, four should be about 100-110 in size, one at about 125 and one at 150, and two set at about 75.

### *The Faculty*

8. In order to discharge the responsibilities of a first-class law school, a faculty of between 35 and 45 full-time teachers will be needed.

9. Recruitment of a faculty of the recommended size and of requisite quality will be difficult and will require a special recruitment campaign utilizing new methods and heavily engaging the energy and imagination of the Dean and Faculty.

10. There must under no circumstances be a compromise with quality in expanded recruitment. It would be wiser to bring visitors, to hire emeritus professors, and if need be to teach larger classes.

11. The salary levels for law teachers must be kept competitive with those of other Canadian law schools. Comparison with American salaries, on the other hand, seems of dubious value. Flexibility as to law school salary levels may be needed to attract able personnel from law practice.

### *The Law Library*

12. Osgoode Hall should commit itself to establishing a solid research library and toward this end it should seek to estab-

lish as early as possible a collection of between 100,000 and 150,000 volumes as a foundation for regular growth.

13. If at all possible, the capital funds available to York for a new building should be used in part (perhaps \$500,000 or \$1,000,000) for acquisition of an initial collection.

14. For building purposes, a long-run view of library development is essential, encompassing at least a quarter of a century. This suggests that plans should assure that space is or can later be made available for about 300,000 volumes.

15. Osgoode Hall should appoint a law librarian at the earliest possible date, so that the many tasks of planning the new library can get under way. Until a regular librarian is found, one or more library consultants should be retained.

#### *Buildings and Building Sites*

16. If feasible, the law school should be located reasonably close to the Humanities and Social Sciences Building and to the Faculty of Administrative Studies.

17. If feasible, law students should be housed in a law students' residence which for dining and social purposes is a part of a broader graduate students' complex.

#### *The Instructional Program*

18. A thorough appraisal of the curriculum with a view to revision should be undertaken over the next year or two. A principal question is whether greater freedom of election should be afforded to students.

19. Development of a graduate program is a legitimate long-range objective, but should not be undertaken until the school has established a solid undergraduate program.

#### *Research Programs*

20. It is undesirable to establish a "Law Center" as a part of the Law School in order to carry on general research activities. Research institutes or centers are better organized as separate institutions. Physical location of such separate institutions near or in a law school building may well be desirable.

21. The Law School should have faculty committees explore the desirability of establishing a program for research leaves and for modest financing of research costs from School funds.

22. It is virtually impossible to estimate at this time how much space should be provided for research purposes. The Faculty recommendation for 15 offices and 6 small seminar-meeting rooms is a reasonable one, provided that such space is so located that it can be utilized for other purposes as well.

Professor Sacks concludes his report as follows :

'I believe that the future of Osgoode Hall at York University is one of great promise. Many American law schools would very much like to grow in size and quality but find that factors beyond their control confine them to a static condition or slow development. The location of Osgoode Hall in the largest metropolitan area of Ontario, the rapidly growing population, the School's affiliation with a university, the decision to construct a new building, the obvious desire of York to develop and support a law school of quality — these factors combine to bring high goals within reach. Osgoode Hall has an exciting opportunity to carry Canadian legal education a giant step forward. Perplexities and frustrations lie ahead, but vigor and imagination in formulating and executing the School's program of development should enable Osgoode Hall and York to realize its potential.' "

ARREARS OF ANNUAL FEES, 1965-66

On the 16th March 1966 the Secretary presented a list showing 183 members in arrears for barristers and solicitors fees, of whom 63 were in arrears for more than one year, and one for the year 1964-65. Of this number 57 were non-practising members, 32 of whom were in arrears for more than one year. The Committee recommended that all members in arrears for more than one year be informed that unless their fees were paid forthwith, notice would be served that a resolution for their suspension from practice would be considered at the April Convocation.

Pursuant to the above recommendation, notice was served on 45 barristers and solicitors in arrears for more than one year, of whom 23 were non-practising members.

At its meeting on the 13th April 1966 the Committee recommended that consideration of the resolution for suspension from practice of members in arrears of annual fees stand over to the May meeting of the Committee, and those in arrears were so notified.

Since March 16th —

40 — paid fees and penalties for the current year

17 — paid fees for more than one year

8 — paid fees and penalties for the year 1964-65

2 — resigned

2 — died

1 — disbarred.

The Secretary presented a list of members in arrears for fees for more than one year but who submitted reasons why they should not be suspended; and a further list of those in arrears for more than one year who were liable to suspension.

Your Committee recommended that the cases on the first list stand for further consideration; and that the appropriate action be taken to have those named in the second list suspended from practice for a period of one year.

#### CHANGE OF NAME

Your Committee recommends that a grant of \$200.00 be made.

#### FIRE EVACUATION PLAN

Mr. S. W. Greenslade, Fire Prevention Officer, Department of Public Works, presented a plan for fire protection

and evacuation for the Government property in Osgoode Hall, and recommends that it be considered for the Law Society building. On March 16, 1966 the Committee recommended that this matter be referred for consideration and report to the Chairman and Mr. Jarvis, the Deputy Secretary, in consultation with Mr. Glen, Superintendent:

The *Sub-Committee on Fire Prevention* begs leave to report:

Your Sub-Committee met at 12:30 on Friday, the 29th of April 1966 to consider the proposal made by the Department of Public Works to have the Law Society's portion of Osgoode Hall included in a plan the Department is making respecting fire prevention procedures, including the erection of signs designating fire exits.

Your Sub-Committee made a thorough inspection of the Society's premises with the superintendent, Mr. John Glen, and noted the precautions which have already been taken and the signs which now designate fire exits. Your Sub-Committee also inspected a portion of the Government's part of the building where signs designating fire exits are lacking. Your Sub-Committee felt that the Society's present signs are adequate and in better taste than the large brightly coloured signs proposed by the Department of Public Works.

Your Sub-Committee recommends that the Society continue its own programme of fire prevention and that its premises not be included in the programme proposed by the Department of Public Works.

Your Committee approves of the recommendation of the Sub-Committee.

#### LIBRARY COMMITTEE—Mr. Steele

Your Committee met on the 18th May, 1966, the following members being present: Messrs. Steele (Chairman), Harris, Levinter, Maloney and Strauss.

#### TIMES

Your Committee reports that having considered the problem of space and the necessity of erecting special additional steel shelves to accommodate the heavy, oversize volumes of the Times newspaper and having taken note that the expensive microfilm edition of annual volumes is available in other Libraries that it has authorized the Chief Librarian to discontinue binding the annual volume but to clip and retain the law reports published therein, duly indexed, in the library for the use of the profession.

#### XEROX 914

Your Committee recommends that the Chief Librarian be authorized to acquire on a trial basis the coin operated Xerox 914 copy machine for use in the Great Library.

#### STAFF

Convocation approved in February, 1966, your Committee's recommendation that a suitable cataloguer be engaged to assist in the Great Library. Your Committee now recom-

mends that the appointment of Miss Mary E. Grant, B.C. (U.B.C.) B.L.S. (Tor.), effective May 16, 1966.

Your Committee reports that Miss Wendy E. Swabey, Library Assistant in the Great Library, has been accepted by the University of Toronto Library School and will enroll therein in September, 1966. Your Committee recommends that the Chief Librarian be authorized to engage a suitable replacement some time prior to that date.

Your Committee further reports that Miss Marjorie McLeod, B.A., now employed as secretary in the Student's Library has asked the Chief Librarian for consideration as Miss Swabey's replacement. Your Committee recommends that Miss McLeod be allowed to transfer to the Great Library effective July 1, 1966.

THE REPORT WAS ADOPTED.

#### REPORTING COMMITTEE—Mr. Maloney

Your Committee met on Wednesday, the 18th May 1966, the following members being present: Mr. Arthur Maloney, Vice-Chairman (in the Chair), and Messrs. Harris, Levinter, O'Brien and Strauss.

#### ONTARIO REPORTS

The Chairman received correspondence from Mr. W.B. Cartwright, Canada Law Book Company, with respect to an increase in the number of pages printed in the Ontario Reports.

The publisher estimates that Canada Law Book Company will publish something between 2200 and 2300 pages for the year 1966. Mr. Cartwright stated (in part) :

"As this would mean two volumes of almost 1200 pages each by the time you add in the index and table of cases and as volumes of this size would be not only awkward to bind but most awkward to handle and read we have decided to close off the first volume for the year at the end of April at approximately 800 pages and then subject to your instructions divide the balance of the year into two approximately equal volumes to be numbered 2 and 3 of between 700 and 800 pages, or the alternative would be if we were to receive instructions from you to curtail the number of cases to be published and endeavour to publish a second volume of less than 1000 pages."

The Secretary was instructed to inform the publisher that the Committee is of the opinion that since in past years, as many as 1400 pages have been bound in one volume, that the Ontario Reports should continue to be published in two volumes.

The Secretary was also instructed to inform the publisher that he is *not* to curtail the number of cases published.

#### THE REPORT WAS ADOPTED.

#### UNAUTHORIZED PRACTICE COMMITTEE—Mr. Weir

Your Committee met on Friday, the 20th May 1966, the following members being present: Mr. S. E. Weir, Vice-Chairman (in the Chair) and Messrs. Ball, Beament, Clement, Creighton, Fennell, Levinter, Raney, Steele, Strauss, and Williston.

#### TRUST COMPANIES—*Report of the Sub-Committee*

A Notice to the Profession was published in the February 4th edition of the Ontario Reports, informing the profession that a Sub-Committee of the Unauthorized Practice Committee had been appointed to investigate the problem of trust companies, chartered accountants, and life insurance companies, advising and assisting in legal matters, drafting legal documents, and interpreting case law with respect to income tax, succession duties, and estate tax, and appearing as advocates in such matters.

On Wednesday, April 13th, Mr. T. Douglas Kent, Legal Assistant to the Canadian Life Insurance Association, attended at the Secretary's office with Mr. E.H. McVitty, Legal Officer for the Manufacturers Life Insurance Company, with respect to the aforementioned Notice to the Profession.

Mr. Kent informed the Secretary that the Canadian Life Insurance Association was interested in learning what problems exist with respect to life insurance companies advising and assisting in legal matters and drawing legal documents.

At the request of the Chairman of the Sub-Committee on Trust Companies, a meeting was held with the senior officers of the Canadian Life Insurance Association on Wednesday, May 18th, and a full discussion took place with respect to the problems existing between life insurance companies and the legal profession.

The topics discussed dealt with insurance agents drafting wills, drawing and advising in such matters as buy and

sell agreements, partnership agreements, settlement of life insurance policies, and acting as estate planning consultants.

The representatives from Canadian Life Assurance Association informed the Sub-Committee that it was their wish that the Association work in co-operation with the Law Society. They stated that insurance agents should suggest to customers that they see a lawyer and obtain legal advice if the sale of an insurance policy involved legal problems.

The Committee recommended, and the officers of the Canadian Life Insurance Association agreed, that the Association would send out directives to all insurance agents and insurance companies, setting out, among other items, the following principles:

1. Insurance company agents should not draw legal documents.
2. Insurance companies should not make available to their agents legal forms that could be used as legal documents by the agents.

The Association undertook to send copies of the directives to the Secretary of the Law Society.

The Sub-Committee agreed to forward to the Secretary of the Canadian Life Insurance Association, any complaints which came to the Law Society's attention concerning the conduct of insurance agents.

#### CHARTERED ACCOUNTANTS - *Report of the Sub-Committee*

At the March meeting, the Committee reviewed correspondence from the Registrar of the Institute of Chartered Accountants with respect to the Notice to the Profession published in the Ontario Reports concerning the problem of chartered accountants interpreting case law with respect to income tax, succession duty and estate tax, and appearing as advocates in such matters.

The Secretary was instructed to draft a letter to the Registrar of the Institute of Chartered Accountants, subject to the approval of the Sub-Committee, informing the Registrar that the Unauthorized Practice Committee disapproves of accountants appearing as advocates before Tax Appeal Boards and other administrative tribunals. The Sub-Committee approved the letter as drafted, and the Secretary forwarded the letter to the Registrar on April 18th.

The Registrar wrote the Secretary, and the Secretary discussed the matter with the Treasurer.

The Sub-Committee again reviewed the matter at its meeting on May 18th. Mr. W. G. C. Howland, Q.C., Chairman of

the Interprofessional Liaison Committee was invited to attend the meeting.

The Committee recommended that Mr. Howland be asked to inform the members of the Chartered Accountants Institute that the Law Society of Upper Canada is concerned with accountants appearing as advocates. Accountants who act as advocates appear as both witness and counsel in the same action. Lawyers are forbidden to do this and it appears unethical that accountants should do so. Mr. Howland agreed to communicate with the Institute.

Your Committee accepts the Report of the Sub-Committee on Trust Companies, and recommends that the Sub-Committee report to the full Committee in six months time with respect to the operation of the agreement reached between the Society and the Canadian Life Insurance Association.

#### INSTANT SELF INCORPORATION SERVICE LIMITED APPLICATION FOR EXTRA-PROVINCIAL LICENCE

At its April meeting, the Committee reviewed correspondence from Mr. J. S. Yoerger, Deputy Provincial Secretary, with respect to an application from a Saskatchewan corporation for an extra-provincial licence.

The Committee instructed the Secretary to write Mr. J.S. Yoerger, requesting that he forward to the Committee, the objects clause of the company.

Correspondence from Mr. J. K. Young, Director, Companies Branch, Department of the Provincial Secretary, was reviewed by the Committee at its May meeting.

The Secretary was instructed to write the Department of the Provincial Secretary, informing them that the Committee objects to the granting of an extra-provincial license to this Saskatchewan corporation.

The Committee are of the opinion that the objects of the company are contrary to The Solicitors Act, in particular with respect to clauses (f) and (g) which read:

- (f) To take part in the drawing of any instrument or conveyance, agreement for sale, memorandum or articles of association, wills or testaments and all such similar notes, documents or agreements.
- (g) To carry on any other business or calling which may seem to the company capable of being conveniently carried on in connection with the company's business, or calculated, either directly or indirectly, to enhance the value of, or render profitable, in any way, any of the company's property or rights.

## GENERAL

The Committee recommended that no further action be taken with respect to one matter, another matter be referred to the Professional Conduct Committee for consideration, and one other matter be referred to Counsel for an opinion.

THE REPORT WAS ADOPTED.

THE REPORT WAS ADOPTED.

## LEGAL AID COMMITTEE

Mr. Levinter, Chairman, read a letter from the Secretary dated May 10, 1966, advising that during the week of April 4th a representative of the Prime Minister of Thailand, and a

representative of the Chief Justice of Trinidad and Tobago, visited this Society to study the proposed new legal aid system in Ontario. Both of these gentlemen are travelling on United Nations scholarships for this specific purpose. Since that time Mr. P.J. Gibeau, Director of Legal Aid for Alberta has also been in the office and discussed the proposed new plan with Mr. Lawson.

#### CORRESPONDENCE

The Treasurer read a letter from Mr. Allan F. Lawrence, Q.C., M.P.P., to Mr. J.D. Arnup, Q.C., dated the 29th April 1966, respecting the work of the Select Committee on Company Law, in which he raises the question of corporations being empowered to practise law, and asks for the Society's views.

It was ordered that the matter be referred to the Professional Conduct Committee for consideration and report.

## PROFESSIONAL CONDUCT COMMITTEE — Mr. Fennell

Your Committee met on Thursday, the 9th day of June, 1966, the following members being present: Mr. S. E. Fennell, Chairman, and Messrs. Callon, Goodman, Howland, MacKinnon, Maloney and Strauss. ~

### 2. RULING 16 - DIRECTORIES, ANNOUNCEMENTS AND PROFESSIONAL CARDS

The Society received letters from six members raising specific questions about the effect of Ruling 16, and your Committee has instructed the Secretary what replies to make in each case.

Applications have been received from the following publications under Section 3 of Ruling 16:

- The Northern Miner
- Canadian Mines Handbook
- The Veterans Advocate
- Campbell's List
- Attorney's Forwarding Directory
- Clearing House Quarterly
- The Attorneys' Register
- The National List
- Board of Trade Journal
- The Columbia List

Your Committee recommends that a Sub-Committee be appointed by the Chairman to formulate the principles upon which publications may be approved and that those which have applied be informed that the matter is under consideration.

The Bell Telephone proposed to the Society that it purchase space in the yellow pages to identify the lawyers listed therein as members of the Society and to advertise their skills. They submitted a proposed layout. Your Committee recommends against accepting their proposal.

### 3. RULING 18 - TOUTING, ADVERTISING & ATTRACTING BUSINESS UNFAIRLY

The Society's attention was drawn to an advertisement in the April 21st issue of the Oakville "Daily Journal Record", announcing the opening of a practice but containing some

objectionable words. The members of the firm had been written to and replied explaining the circumstances and offering an apology. Your Committee recommends that they be informed that the announcement was in violation of Rulings 16 and 18 and that their apology is accepted.

The Committee's attention was drawn to a submission in connection with "Who's Who" called "Who's Who in Canadian Jurisprudence", which takes the form of a series of pamphlets each one of which carried the name of a member, his firm, his photograph and biographical information. Your Committee recommends that the matter be referred to the Sub-Committee dealing with the approval of Directories under Section 3 of Ruling 16.

#### 4. PROPOSED NEW RULING - BANKRUPTCY

A proposed new Ruling relating to members who become bankrupt was published in the April 1st, 1966, issue of the Ontario Reports with an invitation to the profession to comment upon it. Your Committee has received letters from sixteen members most of whom criticize the proposed Ruling and some of whom take strong exception to it, chiefly on the ground that it places the onus upon a member to show that his conduct has been honourable. The correspondence is being considered carefully and the matter will be considered further at the next meeting of the Committee.

#### 5. MISCELLANEOUS

Mr. Gordon F. Beddis, as President of the Ontario Sheriffs' and Court Registrars' Association, wrote to the Society raising two problems: first, whether a Local Registrar in his capacity as a Special Examiner should permit solicitors to send a stenographer, clerk, student from his office or representative of his client to conduct an examination of a judgment debtor; secondly, whether a Local Registrar is justified in accepting an affidavit made by a person who signs it as being "in the employ of the solicitor for the plaintiff" when he is in fact simply an agent for the lawyer. Your Committee recommends that the matter be referred to the Unauthorized Practice Committee and that the Secretary of that Committee get further information on what services the agent performs.

A solicitor from Windsor asked the Committee's advice on the following problem: He acts for a man who within a four month period suffered similar injuries. On the first occasion solicitor B acted for him and on the second solicitor B proposed

to act for an interest opposing the plaintiff's claim. Your Committee was asked whether in all the circumstances it was proper for solicitor B to continue to act since he may have gained knowledge from the client while acting for him that would be useful to his new client in opposing him in the present action. Your Committee recommends that the solicitor be informed that since there is a real possibility of a conflict of interest, solicitor B should not continue to act.

Your Committee had before it a letter signed by a member of the bar who was a Judge but who is now retired and who continues to sign himself using the designation "Judge". Your Committee recommends that the Chairman be authorized to write to the member asking him to discontinue using the title "Judge".

THE REPORT WAS ADOPTED.

---

#### LIBRARY COMMITTEE — Mr. Steele

Your Committee met on the 15th day of June, 1966, the following members being present: Messrs. Steele (Chairman), Strauss (Vice-Chairman), Common, Harris, Maloney and Williston.

#### LIBRARY STAFF

Your Committee reports that Miss Catherine Anne Court, B.A. has been engaged to fill the vacancy of secretary in the Great Library, effective May 30, 1966. Miss Court is a graduate in General Arts of the University of Toronto and has had some business experience.

Your Committee further reports that Miss Jacqueline Munro who was engaged as library assistant in the Great Library on February 2, 1962, has tendered her resignation effective July 31, 1966, in order to complete her university studies. Your Committee recommends that the Chief Librarian be authorized to engage a suitable replacement.

THE REPORT WAS ADOPTED.

---

#### COUNTY LIBRARIES COMMITTEE — Mr. Ball

 LEGAL AID PROGRAMME COMMITTEE

—Mr. G. A. Martin

Your Committee met on Wednesday, the 8th day of June, 1966, the following members being present: Mr. G. Arthur Martin (Chairman), and Messrs. Common, Houser and Reid.

In January, Convocation adopted the Committee's recommendation that the Legal Aid Programme Committee be not discharged until The Legal Aid Act, 1966 has been passed by the Legislature and the Regulations have been drafted by that Committee and approved by Convocation and the Lieutenant Governor in Council.

## APPOINTMENT OF A SUB-COMMITTEE

Your Committee recommends to Convocation that it is imperative that a Legal Aid Plan be ready for operation as soon as possible after the statute has been enacted, and reports that a Sub-Committee of the Legal Aid Programme Committee has been appointed consisting of Messrs. Martin, Common, Reid and Houser, to prepare a detailed plan setting out the operation of the new Legal Aid scheme and to draft the regulations.

## DIRECTOR OF LEGAL AID

The Legal Aid Programme Committee recommends to Convocation, subject to the proclamation of the legislation, and the approval of the Attorney-General, that:

1. Andrew M. Lawson be appointed the Director of the Legal Aid Plan for the Province of Ontario; and that Andrew M. Lawson be relieved of his duties as a Deputy Secretary of the Law Society, subject to his remaining as Secretary of the Standing Committee on Legal Aid of the Law Society, and Secretary of your Legal Aid Programme Committee.
2. Mr. Lawson be authorized to employ a Secretary, and such other persons as are necessary, to administer a Legal Aid Plan in accordance with The Legal Aid Act, 1966, subject to consultation with the Chairman of the Legal Aid Programme Committee.
3. Mr. Lawson be authorized to obtain office accommodation of approximately 2,000 square feet.

The Committee further recommends that when the Legal Aid Act, 1966 has been proclaimed by legislation, the Director be authorized to attend upon and consult with the Presidents of the local Bar Associations, and the Local Directors of Legal Aid, to enable the Committee to determine what areas in the Province will be designated for the purposes of the Plan; as well as to obtain information to enable the Committee to recommend to the Attorney General, appointments of Area Directors, Area Committees, Panels of Duty Counsel to serve Magistrates Courts, Panels of Solicitors willing to give legal advice, and Panels of Solicitors willing to give Legal Aid; and that the Director be allowed his reasonable travelling expenses.

THE REPORT WAS ADOPTED.

## SPECIAL COMMITTEE ON THE CORONERS ACT

—Mr. Williston

At the meeting of Convocation on the 18th of September 1964, the Treasurer read letters from the College of Physicians and Surgeons of Ontario and the Ontario Medical Association requesting the views of the Society on the Coroners Act and related subjects. The matter was referred to a Special Committee appointed by the Treasurer consisting of Mr. Williston (Chairman) and Messrs. Fennell, Gray, Keith and O'Brien.

The Committee met on several occasions with representatives of the medical profession and reported to Convocation on the 21st of May 1965, recommending that nothing further be done until the National Council for the Administration of Justice in Canada had delivered its report.

On January 14th 1966 your Committee met in Osgoode Hall with representatives of the medical profession and considered a brief they intended to put before the Royal Commission Inquiry into Civil Rights. Your Committee did not entirely agree with some of the views expressed in it and felt it could not join in submitting the brief. The Committee offered suggestions which were in part reflected in a revised brief later produced by the Ontario Medical Association. On the 28th of January 1966 your Committee met in the offices of the Ontario Medical Association where the revised brief was fully discussed. It did not embody all of the suggestions that your Committee had considered important. Although the Committee still could not join in submitting the brief, it considered that the revisions had made it unnecessary for the Society to submit a separate brief to the Commission.

Your Committee recommends that, its function having been fulfilled, it be discharged.

THE REPORT WAS ADOPTED.

#### CORRESPONDENCE

The Treasurer read a letter from Senator Roebuck extending to the Society on behalf of the Joint Committee of both Houses of Parliament on the subject of divorce, the opportunity to submit a brief. The Treasurer pointed out that traditionally the Law Society has not taken an active role in relation to law reform unless the law relates directly to the Society or is one that would clearly affect the profession as a whole and it is reasonably certain that the profession would have a common view as to the position the Society should take; for example, legislation that might result in encroachments on the legal profession. He said that the Society's main job is to govern the legal profession pursuant to the provisions of The Law Society Act which sets forth the matters which should have the Society's main attention and interest. In a situation where the Society should submit a brief to a Board of inquiry care should be taken to be sure that the Society is speaking for the profession as a whole. The matter raised by Senator Roebuck's letter is clearly not a problem affecting the profession directly, nor is it one on which the profession would have a common view. The Canadian Bar Association has already devoted considerable time to the study of divorce laws. It plans to bring the matter before the Annual Meeting at Winnipeg to obtain approval of a formal submission which in all probability will then be presented to the Joint Committee.

In the circumstances the Treasurer stated his intention, subject to the approval of Convocation, to advise Senator Roebuck that the Society will not file a brief, giving a short statement of the reasons for not doing so.

Convocation approved.

#### CONFERRING OF HONORARY DEGREE

The Chairman of the Legal Education Committee read the following citation:

I present to you, Mr. Treasurer, FRANCIS REGINALD SCOTT, Fellow of the Royal Society of Canada, formerly Dean and presently Macdonald Professor of Law at McGill University. He has been a sure-footed guide for those that have sought a way through the quagmires of Constitutional Law. In the past, a catalyst to the political life of our country, today an indispensable contributor to the dialogue of Confederation, he has always been a courageous champion of the cause of civil liberties and ever a wise and generous counsellor to those entangled in the thickets of the law. He is and has been for forty years a teacher whose ability to create true magic in a classroom has inspired generations of students to a love of learning and whose example is an inspiration for all law teachers. A true bi-culturalist, he is also a noted poet, who, through tears and laughter, has often blasted the sheltering pines of established society to bring greater self realization to his fellow men.

We salute Frank Scott, a man of intellect, a man of action, a man of passion, a gentle man and present him to you that you may confer upon him our highest academic award.

The Treasurer then conferred the degree of Doctor of Laws, *honoris causa*, upon Professor Francis Reginald Scott.

Your Committee met on Tuesday, the 26th of July, 1966, the following members being present: Messrs. W. G. Gray (Chairman), Ball, Beament, Bowlby, Bull, Cudney, Howland, Levinter, Robins and Thom.

Your Committee had before it the report of the sub-committee appointed by the Chairman on the 16th of June 1966. The report recommended approval of the following procedures to be followed in cases where Compensation Fund Applications are referred to a Referee:

“PROCEDURES TO BE FOLLOWED IN CASES WHERE COMPENSATION  
FUND APPLICATIONS ARE REFERRED TO A REFEREE

1. Applications to the Compensation Fund may be referred by the Discipline Committee or by a sub-committee of the Discipline Committee composed of the Chairman and Vice-Chairman of the Committee and the Secretary to a Referee appointed by the Benchers.
2. Applications referred to the Referee must have been made in writing by or on behalf of the person who alleges that he has suffered a loss and shall contain full particulars of the loss alleged to have been sustained, including,
  - (a) the name and address of the barrister or solicitor whose dishonesty is alleged to have led to the loss;
  - (b) the amount of the alleged loss;
  - (c) the business or transaction with the barrister or solicitor out of which it is alleged that the loss arose;
  - (d) the date upon which the alleged loss first came to the knowledge of the applicant.

3. The Referee may sit in Osgoode Hall or elsewhere and the proceedings before him shall be recorded by a shorthand reporter. He shall have the power to enforce the attendance of witnesses and to compel them to give evidence and produce documents and things and for such purposes the Benchers shall delegate to the Referee under Sub-section 10 of Section 53 of The Law Society Amendment Act the powers conferred upon the Benchers by Sub-section 8 of Section 53 of The Law Society Act.
4. The Referee shall make a report to the Discipline Committee on the facts which have been established before him and his conclusions therefrom. The Referee shall also make a confidential recommendation to the Discipline Committee as to the disposition of the applications he has considered.
5. A copy of the report of the Referee relating to the facts and his conclusions shall be supplied to the claimant or his solicitor, if he is represented, and the claimant or his solicitor may, within 15 days after the said report has been sent to him, give to the Secretary in writing a statement of any fact or conclusion in the report which he wishes to challenge or dispute.
6. The Discipline Committee shall not act upon the Referee's report or recommendation within 15 days from the day on which a copy of the Referee's report is sent to the claimant or his solicitor.
7. The Referee shall be provided with the services of a stenographer.
8. In considering applications, the Referee shall have regard to the following matters:
  - (a) A true solicitor and client relationship should be established.
  - (b) There should be satisfactory proof that the money, for which claim is made, was received by the solicitor.
  - (c) The claimant should describe instructions given to the solicitor respecting the disposition of the money, preferably corroborated by records contemporary with the original transaction.
  - (d) Proof of the solicitor's dishonesty in failure to carry out his instructions should be presented.
  - (e) That the claimant is the person entitled to payment should be established.

- (f) The claim should be restricted to actual direct loss and exclude interest, costs or consequential damages.
- (g) The Society should not be in the position of underwriting doubtful investments and a security of doubtful value should be fairly discounted.
- (h) Claims arising out of a debtor and creditor relationship should be disallowed in almost every case.
- (i) Where money supposedly invested has been misappropriated all payments received from the solicitor after the investment should have been made should be deducted from the claim even though the client thought he was receiving payment of interest on a valid investment.
- (j) The claimant should exhaust any other reasonable legal remedies available to him to recover his loss and in any event if the claim is paid, the Society should pursue the remedy itself under its subrogation rights.
- (k) Whether the claimant has presented the facts concerning his loss to the Crown Attorney where there is prima facie proof of criminal conduct on the part of the solicitor.
- (l) Any sum properly due the solicitor for costs should be set off against the amount payable from the Fund.
- (m) Whether the claimant has made his claim within the time limit.

The sub-committee also recommended that Peter Wright, Esq., Q.C. be appointed a Referee under sub-section 10 of Section 53 of The Law Society Amendment Act 1966 to hold office until his appointment be revoked by the Benchers and that all necessary powers be delegated to him to enable him to carry out his duties, including the same power to enforce the attendance of witnesses and to compel them to give evidence and to produce documents and things as is vested in any court in civil cases, and that he be paid a remuneration to be fixed by the Chairman and Vice-Chairman of the Discipline Committee and the Secretary.

*Your Committee so recommends.*

It was suggested that the Report be amended by adding the words "inter alia" at the end of the second line of paragraph 8 of the Report.

Moved by Mr. Gray, seconded by Mr. Bowlby, that the Report as amended be adopted.

## ADMISSION REQUIREMENTS — PRE-LAW QUALIFICATIONS

Convocation has approved the principle that where an applicant has been granted an approved LL.B. degree he will be accepted in the Bar Admission Course notwithstanding that he lacked the necessary entrance qualifications to begin the Course leading to the approved LL.B. degree. If an approved university makes the practice of admitting to the approved LL.B. Course students who have not the necessary qualifications then the question of withdrawing the approval of the LL.B. Course would be considered.

The Committee considered the case of a student who took two years in General Arts at the University of Toronto and on the strength of this was accepted into the University of Toronto Law School and was awarded the degree of LL.B. in 1966. He appears to have done the work for his degree extra-murally and his Arts transcript shows that the work was taken over a period of several years. The transcript of

his law course states that he was admitted on the strength of "Arts (Extension) two years completed:.. He had been accepted in the Arts Course without Grade 13.

Your Committee recommends that the petition be refused.

The applicant is a graduate of Grade 13 and is presently employed as a law clerk by a firm of solicitors in Hamilton. He will be attending two courses at McMaster Extension School.

## PROFESSIONAL CONDUCT COMMITTEE — Mr. Fennell.

Your Committee met on the 7th of September 1966, at 10:30 o'clock in the morning, the following members being present: Mr. S. E. Fennell, Chairman, and Messrs. Bull, Callon, Ford, MacKinnon, Slein and Strauss.

### 1. RULING 2 — ACTING FOR BOTH SIDES

Correspondence was considered from a Solicitor who intends to join another solicitor in partnership but three or four actions are in progress in which he and his proposed partner are now on opposite sides. The Chairman wrote to the member pointing out that this would be in contravention of Ruling 2 and your Committee does not wish to add anything to the Chairman's letter.

### 2. RULING 10 — SIGNS AND LETTERHEADS

At its meeting on the 9th of June, 1966, your Committee considered whether the words "Supreme Court, Parliamentary, Departmental Agent" should be exempt from Ruling 10. Your Committee directed that the County of Carleton Law Association and Mr. G. E. Beament, Q.C., be asked for their views. Mr. Beament has written giving his opinion that no such exception should be made and Mr. W. T. Green, the President of the County of Carleton Law Association has written giving his personal view in support of the one expressed by Mr. Beament and an unofficial one of some of the members of the Association. Your Committee has instructed the Secretary to inform the President of the County of Carleton Law Association that no exemption to Ruling 10 is contemplated in respect of the words and that they should not appear on a member's sign or letterhead.

### 3. RULING 16 — DIRECTORIES, ANNOUNCEMENTS AND PROFESSIONAL CARDS

“TO THE PROFESSIONAL CONDUCT COMMITTEE

1. On the 9th of June 1966, the Professional Conduct Committee recommended the appointment of a Sub-Committee to formulate the principles upon which publications may be approved under Ruling 16. On June 16th, Convocation approved the recommendation and the Chairman of the Professional Conduct Committee appointed — Mr. Nathan Strauss, Chairman, and Messrs. Goodman, Gray and Maloney.

2. Your Sub-Committee met on Tuesday the 16th of August 1966, at 2:30 p.m., the following members being present: Mr. Nathan Strauss, Chairman, and Messrs. Goodman and Gray.

3. After a full discussion during which consideration was given to the basis upon which the American Bar Association approves legal directories your Sub-Committee recommends the following with respect to applications for approval of publications under subsection 3 of Ruling 16:

1. that no fee be charged applicants whether they receive approval or not.
2. that applicants complete and submit to the Society a form including such particulars as may from time to time be required by the Society. It is recommended that the following be required by all applicants at this time:
  - (1) the name of the publication
  - (2) the name of the publishers
  - (3) the name of the Directors of the Publishing Company
  - (4) where published
  - (5) how often published
  - (6) the agreement of the applicant to comply with the Society's Rulings.
  - (7) date of first publication
  - (8) with respect to foreign publications whether there is a Canadian agent and if so the name and address of the agent.
  - (9) the amount and basis of charges
  - (10) what restrictions, if any, there are upon applicants for listing in the publication.

Your Sub-Committee recommends that a sample copy of the publication be supplied the Society with the application.

Your Sub-Committee also recommends that in granting approval under subsection 3 of Ruling 16, Convocation should have regard to the interests of the public and the profession and the standard of business conduct of the applicant.

All of which is respectfully submitted."

#### 4. LEGAL AID

On the 15th of July 1966 the Treasurer wrote to the Chairman suggesting that the Committee consider drafting a Ruling relating to the conduct of members who participate in the new Legal Aid scheme. A copy of his letter was sent to each member of the Committee. Your Committee recommends that the matter stand until the Regulations have been drafted and the Plan is ready to go into operation.

“There shall be Assistant Librarians under the supervision of the Chief Librarian as Convocation may from time to time decide.”

Your Committee reports specially that the following law association having failed to file its annual report by the 31st day of January, has now filed its annual return for the year 1965 in accordance with Rule 104(1) and (2) and otherwise complied with the requirements of the Rules adopted from time to time by Convocation in relation to county libraries and recommends that grant be made to it as follows:

#### PROFESSIONAL CONDUCT COMMITTEE — Mr. Fennell.

Your Committee met on the 13th day of October 1966, the following members being present: Mr. S. E. Fennell, Chairman, Mr. W. G. Gray, Vice-Chairman, and Messrs. Bull, Callon, Dubin, Ford, Goodman, Gray, Howland, Maloney, Slein and Strauss.

#### 1. RULING 2 — ACTING FOR BOTH SIDES

A solicitor asked your Committee's advice on the following problem: he was consulted by a husband and wife with respect to an Agreement of Purchase and Sale which the husband alone had signed as purchaser. Instructions at the time of consultation were given to the solicitor that the property was to be held jointly. Subsequently the husband telephoned the solicitor to advise that the property should be in his name only and to uses. The solicitor sought your Com-

mittee's guidance with respect to whether he should tell the wife of the change in instructions as to how title was to be taken or whether he should advise both husband and wife that they should see other solicitors. Your Committee referred the solicitor to the provisions of Ruling 2 of the Professional Conduct Handbook, and pointed out that unless the husband consented to have the Deed taken as originally stipulated, the solicitor should advise the husband and wife to retain separate solicitors.

## 2. RULING 16 — DIRECTORIES, ANNOUNCEMENTS AND PROFESSIONAL CARDS

Your Committee had before it a letter from a member of the law department of the Bell Telephone Company of Canada asking if there would be objection to lawyers in French speaking localities listing under "Avocats" as well as "Lawyers" in the yellow pages of the Telephone Book. Your Committee advised the solicitor that by listing under both "Avocats" and "Lawyers" a solicitor would not be considered in breach of Ruling 16.

The question was put before your Committee as to whether the Society should insist on the termination of a professional card in an unauthorized publication forthwith or permit the publishing contract to expire in due course. Your Committee expressed the opinion that the publication of the card should be permitted until the contract's termination date.

## 3. PROFESSIONAL CONDUCT HANDBOOKS

Your Committee was advised that the supply of Professional Conduct Handbooks has been reduced to approximately 250 whereas the enrolment in the Bar Admission Course of September 1965 is 286. Your Committee recommends that the supply of Handbooks be replenished and in order to obtain an economical price the amount ordered be one thousand copies.

## 4. MISCELLANEOUS

(a) In December 1965 your Committee had before it correspondence about the Judgment of the Senior Master in *Ely v. Rosen* 1963 O.R. 47. The case concerned an application by solicitors for an order that they had ceased to act for a defendant and the Senior Master found that such an application must be supported by material showing the particular facts which warrant the solicitor ceasing to act.

The Committee considered whether a solicitor seeking to withdraw under Rule 394 can disclose facts in an affidavit supporting his application which are privileged. The Committee suggested that it would be preferable for him in his affidavit to declare upon his honour as a solicitor that he cannot continue to act because of facts known to him but privileged.

Convocation directed that the question be brought to the attention of the Rules Committee together with this Committee's suggestion. A letter from the Chief Justice of the High Court is before the Committee. He suggests that the matter might be solved by having the solicitor who wishes to withdraw disclose the privileged facts in an affidavit which would be placed in a sealed envelope and placed with the application. Rule 394 might be amended to provide that only the Master hearing the application might peruse the affidavit and then leave it in the file. His Lordship asks the Committee's view of this suggestion. After some deliberation your Committee is of the opinion that the client's privilege should be maintained and that there should be no exception to it.

Moved by Mr. Fennell that the Report be adopted.

Moved by Mr. Ford, seconded by Mr. Gregory, that paragraph 4(b) of the Report be referred back to the Committee.

The amendment was carried.

The Report as amended was adopted.

Your Committee approves the temporary engagement of Mr. Shi-Sheng Hu in the capacity of Cataloguer for the period of approximately one month.

## COST OF BINDING

On September 20th Mr. K. M. Barnett, Sales Representative of the Carswell Company Limited, advised that effective immediately binding would be increased in price from \$4.15 to \$4.65 per volume, including stamping. The Company claims that the "continued increase in the cost of material and labour has forced them to make this adjustment."

The price has increased from \$3.60 in 1958, or \$1.05 per volume over a period of eight years. The Company reminded us that they maintain a high standard of workmanship, and stated that in special circumstances where we can provide them with large quantities of rebinding in consecutive series, negotiations may be made for a special reduced price.

Your Committee recommends that the Chief Librarian be authorized to continue the binding programme with Carswell Company Limited.

## SURVEY OF LAW LIBRARIES IN CANADA

Copies of the letter of W. A. MacKay, Esq., Chairman of the Legal Education and Training Section, Canadian Bar Association, to the Treasurer of the Law Society, along with the Feasibility Report presented to that body concerning the proposed national survey of law libraries, have been forwarded to each member of the Library Committee for his information and assistance in making a decision on the Society's support in principle of the survey, and its commitment of financial support up to \$500.00.

Your Committee recommends that the Law Society support in principle the Survey of Law Libraries of Canada, and to pay up to the sum of \$500.00 towards the financial support of such survey.

#### YORK COUNTY LAW ASSOCIATION

The Great Library has been given a list of volumes available from the York County Law Library by reason of its move from the old City Hall to the York County Court House. The Chief Librarian requests authority to make a selection from the list of volumes that might prove useful in either the Great Library or the Phillips-Stewart Library.

*Approved*

#### BOOKS SUGGESTED LIST

Your Committee recommends that the Chief Librarian submit an Acquisition List to the Committee in lieu of the list of all available publications heretofore used.

The Chief Librarian was authorized to permit the use of Rooms 117 and 118 by the Discipline Committee, subject to her making the necessary arrangements.

#### 1. EUROPEAN NOTARIES AND NOTARIES PUBLIC

Your Committee has been for some time concerned with allegations that Notaries Public and European Notaries Public in particular have been engaged in practising in various

fields of law. Your Committee recommends the appointment of a Sub-Committee composed of the Chairman and Messrs. Ford, Chappell and Strauss, to consider the problem of Notaries, and of European Notaries in particular, and the possible revision of The Notaries Act, R.S.O. 1960, Chapter 263, to assist in alleviating the problem.

## 2. ONTARIO MOTOR LEAGUE

### LAW SOCIETY RULES

On checking various returns for 1965, it became apparent that some of the County Law Associations are either not following or were unaware of the Rules as amended to date. Accordingly the Chief Librarian will prepare and forward to each Association copies of the Rules governing County Libraries, together with other papers pertaining to 1966.

*Approved*

The total number registered for the special course of lectures this year was 600. The general sale price is \$17.50. The lecturers were each given an honorarium of \$200, and the expenses of out of town lecturers were paid. ## SPECIAL COMMITTEE ON SUPREME AND COUNTY COURT TARIFFS — Mr. Steele.

At the meeting of Convocation on the 19th of February 1965, it was resolved that the Treasurer appoint a Special Committee on Supreme and County Court Tariffs. The Treasurer appointed a Special Committee consisting of Messrs. Steele, Chairman, and Messrs. Gray, Robins, Starr and Williston.

Your Committee met on the 19th of March 1965, the 16th of June 1965, the 7th of October 1965, the 17th of November 1965 and the 4th of January 1966. At four of the meetings, four members were present and at the other, three members were present.

Following its first meeting, your Committee published a notice in the Ontario Reports informing the profession that a Committee had been appointed and would be glad to receive submissions from County and District Law Associations or individual members of the Bar.

Your Committee previously reported to Convocation on the 21st day of January, 1966 and at that time its report was referred back for further consideration. Your Committee subsequently held meetings on the 16th of February 1966, the 13th of April 1966 and the 20th of September 1966. On the occasion of the last meeting, Mr. Bert MacKinnon, Q.C., sat with the Committee, having been appointed as a member at the July 1966 Convocation to replace Mr. R. Nelles Starr, Q.C.

Your Committee has had before it copies of the relevant tariffs of the other Canadian provinces, letters from legal firms and individual members of the Bar, submissions from Essex, Hamilton, Peel and York County Law Associations and the Ontario Section of the Canadian Bar Association and one of its committees. The late Mr. R. H. Sankey, Q.C., Taxing Officer of the Supreme Court of Ontario, was good enough to give almost an entire afternoon to present his views. Your Committee was most appreciative of the time and assistance given by Mr. Sankey and is most grateful to the Law Associations and members of the Bar who have assisted in its deliberations.

Your Committee has gone over representations referred to above and finds a wide variety of requests and suggestions. There appears to be a general consensus that a number of increases in the tariffs of the Supreme Court and of the County Court should be provided but there is no unanimity in the representations received as to the details of these. Under these circumstances, your Committee considers that it should

not sort out some of the representations only to be passed on to the Rules Committee and recommends that all these representations should be made available to the Rules Committee along with this report.

Your Committee considered the possibility of fixing tariff items for cases involving various amounts of money but did not adopt this system, and recommends instead a wider discretion in the Taxing Officer with respect to certain items.

While your Committee considers that increases should be made generally, there are certain specific items on which it wishes to make recommendations. These are as follows:

- (a) Fees in the Master's Office, including mortgage actions — your Committee recommends the amendment of these fees in accordance with the suggestion of the County of York Law Association as follows:

24. Fees on references not otherwise provided for.

Preparation fee:

In mortgage references where plaintiff's claim does not exceed \$5,000 ..... 15.00

Subject to increase where justified by the importance of the matter and the work involved to an amount not exceeding \$35.

Adding parties:

First party added ..... 15.00

Each additional party added ..... 10.00

Attendance fee:

Upon all ex-parte attendance before Master .. 10.00

Upon appointment to propound scheme in references under The Mental Incompetency Act, including any adjournments ..... 40.00

Subject to increase in discretion of the Taxing Officer at Toronto to \$75.

Upon all other attendances before Master per hour ..... 15.00

(No fee to be allowed on attendance merely to file documents in the Master's Office.)

Report (including attendance signing report):

In mortgage references where plaintiff's claim does not exceed \$10,000 ..... 15.00

In all other references ..... 15.00

Subject to increase where justified by the importance of the matter and the work involved to an amount not exceeding \$50.

In addition to the above fees there may be allowed in a sale action:

- |  |       |
|--|-------|
| Preparing conditions of sale and advertisement ..... | 25.00 |
|--|-------|
- (b) Preparation for trial — the tariff should be amended by deleting specific amounts and giving the Taxing Officer authority to fix costs in his discretion, having regard to the amount involved and importance of issues.
  - (c) Examinations for Discovery — separation of fees for preliminary items and for counsel fees should be eliminated and the Taxing Officer should have authority to fix costs on Examination for Discovery in his discretion.
  - (d) Counsel fee at trial — provision should be made for a counsel fee at trial or on settlement or on acceptance of any sum paid into court, in the sum of \$150.00, with provision for increased counsel fee and fee to junior counsel in the discretion of the Taxing Officer at Toronto.
  - (e) Appeals to the Court of Appeal — fee for statement of points of law and fact intended to be argued should be increased to \$40.00, subject to increase by the Taxing Officer at Toronto to \$250.00.
  - (f) Disbursements — the tariff should provide for payment of all proper disbursements for the purpose of an action to be added to the taxed costs and that fees paid witnesses, including expert witnesses, be revised to conform with actual costs and that the class of expert witnesses be enlarged to include all persons qualified to give expert evidence.

Your Committee also recommends that certain new items be included in the tariff as follows:

- (a) Fee on production — fee on production should be allowed in the discretion of the Taxing Officer.
- (b) Preliminary items before an administrative tribunal — provision should be made for fees for all preliminary matters in contentious issues before administrative tribunals and for payment of all necessary disbursements in connection therewith, the fee to be in the discretion of the Taxing Officer having regard to the difficulty of the matters involved.
- (c) Matters where the amount involved is not ascertainable — County Court Judges should be empowered to award Supreme Court costs in applications involving Mental Incompetency Declaration, Custody of Infants, etc.

- (d) Costs of taxation — provision should be made to empower the Taxing Officer to grant costs in connection with taxation of Bills of Cost.

The matter of correspondence is referred to in several places in the tariffs. Your Committee recommends that these items be combined in one item covering correspondence in all matters, including appeals, and that an allowance be made of \$5.00, subject to increase in the discretion of the Taxing Officer to \$35.00.

Your Committee recommends that the Rules Committee be asked to consider the principles to be applied in the taxation of costs of a counter claim, in the light of the judgments in *Simpson vs. McGee* (1964) 1 O.R. 31 and *Limon vs. London* (1964) 2 O.R. 96; 235.

In connection with the County Court tariff your Committee recommends that costs be revised on a basis similar to that which may be adopted for the Supreme Court tariff but that counsel fees in all cases be in the discretion of the Taxing Officer.

Your Committee recommends that the Rules Committee consider giving to Taxing Officers in certain other localities concurrent jurisdiction with the Taxing Officer at Toronto as to discretionary power to increase fees.

In the districts of Northern Ontario, Division Court jurisdiction extends to \$800.00 as contrasted with \$400.00 in Counties. This matter should be brought to the attention of the Rules Committee so that any adjustments that may be deemed desirable may be made.

THE REPORT WAS ADOPTED.

## INTERPROFESSIONAL LIAISON COMMITTEE —

Mr. Howland.

Meetings of the Interprofessional Liaison Committee were held on April 14, 1966 as the guests of the Association of Professional Engineers; on June 20th, 1966 as guests of the Ontario Dental Association; and on October 13th, 1966 as guests of the Ontario Veterinary Association.

## VOCATIONAL GUIDANCE SUMMER COURSES

The Committee co-operated once again with the Department of Education in providing a panel discussion respecting the professions and their future trends on July 20th, 1966 under the chairmanship of Rolland Fobert, the Assistant Superintendent of the Curriculum Division. Mr. Peter Wright, Q.C., represented the Legal Profession. The Department was high in its praise of the panel discussion. A similar panel discussion took place on August 2nd, 1966 for the Fourth Year of the Summer Courses in Career Guidance following the three week period the teachers spent with various industries in Metropolitan Toronto. Your Chairman participated in the planning for the visits to industry as a member of the Committee sponsored by the Board of Trade of Metropolitan Toronto. Mr. R. J. Roberts, Q.C., represented the legal profession at the second panel session. During August 2nd and August 3rd representatives of eight of the professions each gave a one hour presentation regarding their respective professions. Mr. R. J. Roberts, Q.C., was also in charge of the presentation for the legal profession.

## PROFESSIONAL ETHICS

The April meeting of the Committee was devoted largely to a discussion of professional ethics including such matters as restrictions on letterheads, professional cards and signs, insertions in telephone directories and prohibition against advertising. It was noted that both the medical and dental professions have laid down criteria by which members of their professions may be designated as specialists in certain fields. The restrictions on radio and television appearances were also discussed.

## COLLECTIVE BARGAINING

It was noted that the brief of the Steering Committee on Negotiation Rights had been handed to Premier Robarts and the Committee had been informed that the brief would not be considered before the next meeting of the Legislature. A Committee of the Ontario Medical Association has proposed that supplementary letters patent be obtained to allow the Association to bargain collectively on behalf of its members and that the salaried physicians be asked if they would like the Association to bargain on their behalf. The legal aspects with respect to the self-employed physicians were also to be

considered. A similar report by a committee of the Canadian Medical Association was referred back to the Committee by the Council.

## DISCIPLINE

The October meeting of the Committee was largely devoted to a comparison of disciplinary procedures. It was noted that the Royal College of Dental Surgeons has been empowered to assess monetary penalties. A Committee has been established in Manitoba to study the disciplinary procedures of the various professions with a view to establishing uniform rules.

## OFFICERS

The officers of the Committee for the ensuing year are:—

Chairman — Dr. V. C. R. Walker, Ontario Veterinary Association.

Vice-Chairman — Dr. F. H. Shepherd, Ontario Dental Association.

#### PROFESSIONAL CONDUCT COMMITTEE—Mr. Fennell

Your Committee met on the 10th November 1966, the following members being present: Mr. S. E. Fennell, Chairman, and Messrs. Bull, Callon, Howland, MacKinnon, Slemin and Strauss.

##### 1. SCOPE OF THE PROFESSIONAL CONDUCT COMMITTEE

Your Committee has for some time been concerned as to what constitutes the division line between its functions and the functions of the Discipline Committee. The following principles are suggested as guide lines for the Professional Conduct Committee:

1. Any matter being considered by the Professional Conduct Committee which discloses a prima facie case of professional misconduct should be referred to the Discipline Committee.
2. It is not desirable that the Professional Conduct Committee should hold a hearing or that it should make any finding as to the misconduct or the improper conduct by a member.

##### 2. RULING 1 — CANONS OF ETHICS

Your Committee considered a complaint from a solicitor in London concerning the institution and maintenance of a malpractice suit. Your Committee was of the opinion that there was not sufficient evidence to warrant proceeding farther with the matter and instructed the Secretary to so advise the complainant.

##### 3. RULING 10 — SIGNS AND LETTERHEADS

Certain firms in the Province of Ontario engaged in the Patent and Trade Mark field had included in their names the

names of persons who were never solicitors. These firms have advised your Committee that they utilize separate letterheads, one letterhead used in their legal practice sets forth only the names of people who were or are solicitors in Ontario, and it is only the other letterhead that is used in their patent practice that includes names of parties who were or are not solicitors in Ontario. Your Committee is of the opinion that as long as such a severance exists there is no objection.

#### 4. RULING 15 — MORTGAGE BROKERS

Your Committee considered a memorandum from the Law Society of Alberta in reference to "Finders' Fees". The memorandum is as follows:

"To All Members of  
The Law Society of Alberta.

##### *Re: Finders' Fees*

The Benchers in their June, 1966 meeting, considered the ethical propriety of the acceptance by lawyers of "finders' fees" from mortgage companies or other financial institutions on the introduction of business to such institutions.

In the opinion of the Benchers, based upon views expressed in the Lund Lectures (page 69) and in Orkin's Legal Ethics (pages 154, 155), it is professionally improper for a lawyer acting for the person introduced by him to such an institution, to accept from it a finder's fee unless (i) he makes full disclosures to his client, and (ii) pays the fee over to the client or credits the same against his own account to the client. The principle here involved is that the lawyer should not, by receiving or bargaining for compensation from any source except his client, put himself in a position which might interfere with his undivided loyalty to the client.

Quite apart from any question of finders' fees, it seems patent that a lawyer should not introduce a client to an institution of the type in reference and for which he regularly acts, unless (a) he makes disclosure of his relationship with the latter to the client, (b) counsels the client to obtain appropriate independent advice, and (c) is able to demonstrate to his own and to the client's satisfaction that such institution, whether by reason of the lawyer's foregoing a finder's fee or otherwise, will afford to the client terms which, in the net result, are at least as advantageous to him as any available from a competitive source.

While it does not appear to be professional misconduct for a lawyer to receive a finder's fee on the introduction of a person who is not his client, nevertheless, for the lawyer to make a regular or frequently recurrent practice of so doing, would seem to savor of commercialism and as such be more likely to detract from than enhance his professional reputation."

Your Committee wishes to go on record that it concurs in the findings as set forth above and recommends that the opinion be published.

#### 5. RULING 16—DIRECTORIES, ANNOUNCEMENTS AND PROFESSIONAL CARDS

Your Committee has received applications from various publications for approval under section 3 of Ruling 16 and recommends that the following publications be approved and Notice of approval be published:

The Bar Register  
The B.A. Law List  
Campbell's List  
Russell Law List  
Circuit Guide  
Toronto Legal Directory.

#### 6. PROPOSED NEW RULING—BANKRUPTCY

Your Committee has considered the reaction of the members of the Society to the Proposed New Ruling on Bankruptcy which was published in the Ontario Reports April 1st, 1966, and recommends that Section 12 of the Rules Respecting Accounts be amended by the addition thereto of subsection (c) as follows:

"(c) A member by becoming bankrupt under the Bankruptcy Act may be guilty of conduct unbecoming a barrister and solicitor."

The motion was carried, and the Report as amended was adopted.

## LAW SOCIETY PUBLICATION

At its Meeting on the 31st day of October, 1966 Convocation approved in principle the suggestion that the Law Society publish a magazine for distribution to the profession which would contain among other things, announcements and other material the Society wants published to the profession.

At Convocation it was suggested that such information might be published in the Canadian Bar Journal. Your Committee considered this suggestion carefully and also the suggestion that Chitty's Law Journal might be a suitable vehicle. Your Committee recommends, however, that the magazine be a separate one published by the Law Society quarterly unless more frequent publication becomes desirable and that an Editor be engaged to be responsible under your Committee's direction for its make-up, publication and distribution.

#### CANADIAN BAR ASSOCIATION—PUBLIC RELATIONS COMMITTEE

Your Committee recommends that the Public Relations Committee of the Law Society work with the Public Relations Committee of the Ontario section of the Canadian Bar Association to advance and improve the public relations of the Bar of Ontario.

THE REPORT WAS ADOPTED.

AND WHEREAS the Law Society maintains a law library for use by the students and faculty of Osgoode and of the Bar Admission Course which is known as the "Phillips Stewart Library" and which forms part of the "Great Library" maintained by the Law Society;

AND WHEREAS the Law Society, subject as hereinafter provided, is willing to convey to York the greater portion of the statutes, text books, law reports and periodicals (hereinafter collectively referred to as "books") forming the Phillips Stewart Library as well as certain other books of the Great Library;

NOW THEREFORE THIS AGREEMENT WITNESSETH:

#### *Affiliation*

1. Osgoode shall become affiliated with York and shall be constituted as the Faculty of Law of York as hereinafter provided with effect from the first day of July, 1968, which date is hereinafter referred to as the "affiliation date".

#### *Osgoode-York*

2. With effect from the affiliation date the instruction in law theretofore carried on in the name of Osgoode shall be continued by York and shall be included in its faculty of law which shall thenceforth be known as the "Osgoode Hall Law School of York University" (hereinafter referred to as "Osgoode-York"). The said name shall be retained and used by York as aforesaid until such time as the Benchers of the Law Society on not less than six months notice effective on the 30th day of June in any year request its discontinuance, whereupon York shall cease to make use of the said name and shall not thereafter use any name in connection with its activities relating to legal education or otherwise that includes the word "Osgoode". In the event that the Benchers of the Law Society shall so request the discontinuance of the name

"Osgoode" then the Law Society agrees that it will not use any name in connection with its activities relating to legal education that includes the word "Osgoode" for a period of three years from the 30th day of June in the year when the request for discontinuance by York of the use of the name "Osgoode" becomes effective.

### *Representation on Senate of York*

3. York shall use its best efforts to cause two Benchers named by the Law Society to be appointed to the Senate of York, such appointments to be in addition to any members of the teaching staff of Osgoode-York, including the Dean of the Faculty of Law, who are members of the Senate.

### *Co-operation of Parties*

4. York will use its best efforts to uphold and advance the standards of legal education heretofore maintained at Osgoode and to continue the traditions of Osgoode. 5. York and the Law Society agree to appoint a consultant to be agreed upon by them, who, in consultation with a planning committee which is to include representatives of the Law Society, York and the Faculty of Osgoode, will consider and make recommendations with respect to the problems of legal education as they concern the Law Society and York and the means whereby the greatest contribution to legal education can be made by Osgoode-York, including the possible establishment of a "Legal Centre". The honorarium and expenses of the said consultant shall be borne equally by York and the Law Society.

6. York agrees at its own expense to erect a law school building for the use of Osgoode-York on the campus of York

located near the intersection of Keele Street and Steeles Avenue in the Municipality of Metropolitan Toronto, provided always that until such time as the said building is required in its entirety for use by Osgoode-York the portions thereof not so required may be made available for use by other faculties of York. York shall use its best efforts to ensure that the said building shall be erected so as to be available for Osgoode-York by September 1, 1968. The cost of the said building with equipment, books and furnishings is presently estimated at six million dollars.

### *Academic Staff*

York agrees to offer appointments effective on the affiliation date at Osgoode-York to all members of the faculty of Osgoode who were members thereof on July 1, 1965 and to all members who with the prior approval of York, are appointed to the faculty of Osgoode during the period from July 1, 1965 to the affiliation date. Such offers shall be made forthwith in the case of the members of the faculty of Osgoode as at July 1, 1965 and as soon as practicable in the case of all subsequent appointments. In all cases the basic academic salary, rank and conditions of tenure to be offered by York will correspond to those prevailing at Osgoode on June 30, 1968; provided that for such purposes any promotions or increases in salary effected during the period from July 1, 1965 to the affiliation date which were not before the granting of the same approved by York shall be disregarded. Such offers shall be open for acceptance in the case of the Dean until July 1, 1966 and in the case of other members of the faculty until July 1, 1967 and for a period of three months from the respective dates of the offers in the case of persons appointed to the faculty of Osgoode after July 1, 1965.

From and after the affiliation date all members of the Faculty of Osgoode who accept appointments at Osgoode-York shall be eligible for increments in salary and promotions on the same basis as is applicable to members of other faculties of York, with service at Osgoode counting as if it had been service with Osgoode-York.

### *Privileges of Academic Staff*

8. York is cognizant of the conditions of employment of faculty members in university law schools in Canada and agrees to use its best efforts to offer comparable benefits at Osgoode-York, especially with regard to salaries, pension

York agrees that the members of the Faculty of Osgoode-York shall be entitled to all the rights and privileges, including membership in the Senior Common Room at York, athletic privileges and dining privileges, enjoyed from time to time by members of the other faculties of York, it being the intention of this Agreement that Osgoode-York shall be in every way a faculty of York with all the rights, privileges, entitlements, perquisites and obligations pertaining to a faculty thereof. York agrees to use its best efforts to maintain at Osgoode-York a ratio of faculty to students of not less than that current from time to time in other leading law schools in Canada and to provide and maintain for the Faculty of Osgoode-York the level of administrative and secretarial assistance, exclusive of research and other special assistance, available at Osgoode at the date of this Agreement.

#### *Office at Osgoode Hall*

9. The Law Society agrees to provide without charge for three years from the affiliation date and for such time thereafter as the Law Society may permit, a suitable office at Osgoode Hall for the use of members of the Faculty of Osgoode-York who are engaged in research projects necessitating their attendance at Osgoode Hall.

#### *Planning for Osgoode-York*

10. All members of the Faculty of Osgoode indicating their intention to become members of the Faculty of Osgoode-York shall immediately thereafter be requested by York and shall be permitted by the Law Society to participate in the planning for Osgoode-York in conjunction with the Department of Campus Planning of York and in the formulation of submissions to be made to the Senate of York regarding the curriculum of Osgoode-York.

#### *Registrar*

11. York agrees forthwith to offer to appoint the Registrar of Osgoode to the administrative staff of York at the affiliation date at her salary prevailing on June 30, 1968, provided that any increases in salary during the period from July 1, 1965 to the affiliation date shall be disregarded if not approved by York before the granting of the same. The said offer shall be open for acceptance until July 1, 1967. It is presently con-

templated by York that such appointment will be as an Assistant Registrar of York and Secretary of the Faculty of Law and will carry administrative responsibility for admissions to Osgoode-York and that the position will be known as the "Secretary of the Osgoode Hall Law School of York University".

In furtherance thereof, subject to mutual agreement, the Law Society will sell to York for use at Osgoode-York and York will purchase from the Law Society on or before the affiliation date the greater portion of the Phillips Stewart Library, excluding such statutes, texts and standard legal reports as may be required by the Law Society, together with such books of the Great Library as the Law Society and York may agree. York shall also use its best efforts to establish a first-class research library at Osgoode-York and will from time to time acquire and maintain such books as it deems necessary or advisable for such purpose.

### *Scholarship Bursary and Loan Funds*

14. The Law Society agrees to use its best efforts to cause all scholarship, bursary and loan funds now under its control and heretofore held for the benefit of students at Osgoode to be transferred to York for the benefit of students at Osgoode-York. It is recognized that some or all of the said funds may be subject to trusts which may preclude such transfer. However, the Law Society in furtherance of its obligations hereunder, and without limiting the generality thereof, will use its best efforts to obtain special legislation authorizing such transfer in all cases in which the Law Society in its discretion considers that, having regard to all the circumstances, such legislation can reasonably be sought.

### *Students*

15. The Law Society will notify all students entering Osgoode between the 1st day of September, 1966 and the 1st day of November, 1967 that they will be required to complete at York their courses leading to the degree of LL.B. Any such student who has duly completed such course may at his option receive an LL.B. degree from York or the Law Society and the Law Society will notify all such students accordingly.

### *Legal Aid*

16. The Law Society will use its best efforts after the affiliation date to encourage and facilitate students at Osgoode-York to engage in legal aid work.

### *Submission for Grants*

17. York and the Law Society will co-operate in making a submission or submissions to the Ontario Department of University Affairs in respect of grants to be made by the Province of Ontario to York and the Law Society for the calendar year 1968 with a view to ensuring that York and the Law Society will each receive their respective entitlements in respect of their respective participation in Osgoode-York and Osgoode during the said year.

IN WITNESS WHEREOF this Agreement has been executed on the        day of        but shall be deemed to have become effective as of the 15th day of October, 1965.

THE REPORT WAS ADOPTED.

## SPECIAL COMMITTEE ON SURROGATE COURT TARIFFS — Mr. Creighton.

1. Your Committee was appointed on February 19th, 1965, and since that date has examined the Surrogate tariff of every Province in Canada and every State in the United States.

2. In addition, the subject matter has been discussed by correspondence with the profession generally in Ontario through their County Bar Associations and the members of the Committee had correspondence with a very large number of individual Solicitors and have very many letters expressing their opinions on the questions involved.

3. Certain facts relating to Surrogate practice should be reviewed. The Surrogate Court tariff in Ontario is fixed by the Rules Committee under the Surrogate Courts Act. The last tariff was published in 1952 and appears now as Regulation 551 of the Revised Regulations of Ontario, 1960. This tariff is appended to Regulation 551 as Appendix B and is divided into several headings of which the first two, Fees to Counsel and Solicitors; and, Incidental Items, are the portions, we understand, with which we are concerned. The Fees are subdivided under the following headings: Application for Probate or Administration; Preparation of Succession Duty Schedules, Ontario; Preparation of Estate Tax Returns, Canada; and Passing Accounts; and are computed with reference to the size of the total receipts of the Estate.

4. The Committee has formed the opinion that the profession generally regards the tariff as completely inadequate.

In the first place, there is certainly no uniformity in the charges. Substantial portions of the tariff are left to the discretion of the Surrogate Judge and in very many cases, the Surrogate Judge is not concerned because very many estates do not come before the Surrogate Judge at all as there is no audit of accounts. In addition, the tariff itself is elastic in many particulars. Under the present tariff it is difficult to avoid this lack of uniformity.

5. Secondly, under the present system, the client cannot be told what the fee will be when he instructs the Solicitor. This inability to estimate a fee is undesirable and makes for poor public relations.

6. Thirdly, under the present system if the Solicitor is to break even financially in the matter, he has to bill for everything he has done. Often the Solicitor cannot get out his bill without a great deal of time and effort in its preparation. No allowance is made for this time and he cannot get paid for this time. The closing of an estate is often delayed for weeks, months or even years until a harassed Solicitor can get around to drawing the bill which is needed if he is to receive payment for what he has done. There is no use saying he should have his entries from day to day. Many Solicitors just do not find time to do this and the drafting of an itemized bill in an estate can be a tedious, vexatious, time-consuming job. The delay annoys the client and the heirs and embarrasses the Solicitor, and makes for poor public relations.

7. Fourthly, not infrequently when the client gets the bill it is for far more than the client thought it would be. Because,

under the present system he could be given no accurate estimate, his annoyance is increased by the bill. Some of the items on the bill look petty. He complains that he has been charged for every little item. He does not appreciate the time factor, and the cost of producing a Solicitor's time.

6. Fifthly, the present method makes no provision for the eroding effect of inflation. Unless the present tariff is revised periodically, the fees are not increased to counteract the effect of inflation. It would be far better if a tariff moved automatically with inflation as would be the fact in a straight percentage fee.

9. Sixthly, if justice is to be done to heirs of estates, Solicitors and Executors' fees should be deductible for Succession Duty and Estate Tax purposes. No ready or uniform calculation under the present tariff can be made. But if this were done, the client would benefit. While there may be no provision to permit these deductions now, if they were readily calculable it would seem to be reasonable to ask this.

10. One of the difficulties in forming a satisfactory conclusion is the great variety of opinions expressed by the members of the profession. In view of this, your Committee is now prepared to suggest a principle on which fees should be calculated and then in a final report to fix the method of computing these fees.

11. Your Committee is aware of the infinite variety of bills in Estate matters — varying from Estates handled by a professional Executor — as a Trust company where all incidental work relating to the administration is handled by the Executor; to an Estate which is quite common — where the Solicitor does all the work of the Executor. Further, within this latter group, a great variety of services may appear depending on the nature of the assets of the Estate as for instance, life insurance, real property, bonds and shares, etc., where there is a wide variety of services to be rendered.

12. Your Committee feels that where the Solicitor renders the services usually considered the duty of the Executor, that he could include these services in his bill, charging a fee relating to the figure as would be allowed an Executor on an audit and that the routine items such as Application for Probate, and Succession Duty and Estate Tax return and adjustment of the amount of the tax should be fixed by reference to the amount of the Estate.

13. Your Committee further believes that audit of accounts should be a separate item and a suitable tariff fee fixed for this service.

(Paragraphs 14 to 31 inclusive refer in detail to various submissions made by County associations and others.)

32. All, or nearly all, agree that our tariff is out of date and in need of substantial revision.

33. One of the difficulties in fixing a satisfactory conclusion, is the great variety of opinions expressed by members of the profession and in view of this, your Committee is now prepared to suggest a principle on which fees should be calculated. If this principle is satisfactory to the Convocation, then in a later report, fix the method of computing fees.

Your Committee therefore recommends:

1. That Solicitors be paid for all ordinary services not including passing of accounts, a percentage fee based on the value for estate tax purposes of all assets that pass through the hands of the personal representative.
2. That additional percentage fee be fixed for passing of accounts.
3. When exceptional circumstances arise, there should be a provision for increase or decrease in the above fees.

## LEGAL AID PROGRAMME COMMITTEE

Mr. G. A. Martin

Your Committee was appointed by Convocation on the 15th October 1965 in response to a request, addressed to The Law Society of Upper Canada by the Attorney General for Ontario on the 21st September 1965, that the Law Society propound a scheme for the implementation of a plan of Legal Aid as recommended by the Joint Committee on Legal Aid in its report to the Attorney General dated March 1965.

The Legal Aid Programme Committee reported to Convocation in January, 1966 and submitted a draft Bill, together with a scheme setting out the responsibilities which were anticipated would be placed on the Law Society by the statute.

Convocation adopted the report of the Committee, which was then forwarded to the Attorney General, and recommended that the Legal Aid Programme Committee be not discharged until the Legal Aid Act had been passed by the Legislature and the Regulation had been drafted by the Committee and approved by Convocation and the Lieutenant Governor in Council.

Your Committee now consists of the following members: Mr. G. Arthur Martin, Q.C. (Chairman) and Messrs. G. E. Beament, Q.C., W. Gibson Gray, Q.C., Elmore Houser, Q.C.,

Robert F. Reid, Q.C., Charles Sale, Q.C., W. H. Waugh, Donald A. Keith, Q.C., W. B. Common, Q.C., S. A. Caldbick, Q.C., T. P. Callon, Q.C., and Merien Borczak, Executive Director, Department of Public Welfare.

Your Committee met on Wednesday, June 8th, 1966 and made the following recommendations to Convocation on June 17th, 1966, that:

- 1) it was imperative that a Legal Aid plan be ready for operation as soon as possible after the statute has been enacted;
- 2) Andrew M. Lawson be appointed the Director of the Legal Aid plan, subject to the approval of the Attorney General;
- 3) the Director be authorized to employ a secretary and such other persons as he considered necessary to administer the Legal Aid plan, in consultation with the Chairman;
- 4) the Director be authorized to obtain office accommodation;
- 5) the Director be authorized to attend upon and consult with the President of each local Law Association and the local Legal Aid Directors to enable the Committee to designate areas and recommended area directors.

A Sub-Committee of the Legal Aid Programme Committee met on Monday, June 20th, 1966.

The Committee requested the Chairman to consult with Mr. William Allen, Chairman of Metropolitan Toronto, to obtain space in the Old City Hall for the York County Area Director's office.

The Committee was subsequently informed by the Chairman that 2,500 square feet of space had been reserved in the Old City Hall for the York County Area Director's office.

The Committee recommended that Messrs. G. Arthur Martin, Brendan O'Brien, Robert F. Reid and John Arnup represent the Law Society before the Legal Bills Committee of the Ontario Legislature on June 21st, 1966 to answer questions which might arise concerning the Legal Aid Act, 1966.

Your Committee reported to a Special Convocation on June 23rd, 1966 as follows: that Section 26 of Bill 130, An Act respecting Legal Aid, states: "This Act comes into force on a day to be named by the Lieutenant Governor by his proclamation." It was therefore possible, and even likely, that the proclamation of the Act would not take place for some time

after the Act had received Royal Assent. Your Committee was of the opinion that the Provincial Director of Legal Aid would be unduly delayed if he was required to delay his preparation for the establishment of the plan until The Legal Aid Act, 1966 was, in fact, proclaimed. The Committee was of the opinion that the duties the Director was instructed to undertake could validly be performed prior to the proclamation of the Act, after it had received Royal Assent.

A Sub-Committee of the Legal Aid Programme Committee met on Tuesday, July 12th, 1966, and reviewed and approved a draft of a proposed scheme under the new Legal Aid Act, 1966, outlining a plan for the administration of the Act by the Law Society. The scheme was subsequently discussed with the Attorney General by the Chairman of the Committee and the Treasurer of the Law Society on July 12th, 1966 and he approved the appointment of Andrew M. Lawson as Provincial Director of Legal Aid and subsequently on July 13th, 1966 announced the appointment.

Your Committee reported to a Special Convocation on July 26th, 1966 that a Sub-Committee had been appointed consisting of Messrs. G. Arthur Martin, W. B. Common, Robert F. Reid and Elmore Houser, to draft the Legal Aid Regulation and recommended that Mr. Charles Sale, Q.C., be asked to prepare a first draft of the Regulation and that he be paid an honorarium.

Your Committee also recommended to Convocation, which recommendation was adopted, that the Provincial Director of Legal Aid attend on the President and Legal Aid Director of each Law Association, and also on every County Judge, Magistrate and Crown Attorney in the Province from the period July 20th, 1966 to October 6th, 1966, to obtain information necessary for the establishment of the Legal Aid Plan.

Your Committee met on Tuesday, August 2nd, 1966 and discussed the appointment of a Controller for the Legal Aid Fund.

The Committee also recommended the appointment of a secretary for the Provincial Director.

The Committee recommended that the existing Law Society pension plan be extended to include all employees under the Legal Aid Act, 1966.

The Committee reviewed Section 5 of The Interpretation Act with respect to the power of the Provincial Government to make payments to the Law Society out of the Consolidated Revenue Fund prior to the proclamation of the Legal Aid Act, 1966.

It was the opinion of the Committee that there was no authority to proclaim part of the Act.

The Secretary of the Treasury Board confirmed, after consultation with members of the Committee, in a letter dated August 8th, 1966 that monies being paid out by the Society to put the plan into operation would be refunded to the Society when the Act was proclaimed.

Your Committee appointed a Sub-Committee to prepare a schedule of fees in criminal matters consisting of Mr. G. Arthur Martin (Chairman) and Messrs. T. P. Callon, W. B. Common and S. A. Caldbick.

Your Committee appointed a Sub-Committee to prepare a schedule of fees in civil matters consisting of Mr. Elmore Houser (Chairman) and Messrs. G. E. Beament, W. Gibson Gray, D. A. Keith, Robert F. Reid and W. H. Waugh.

The Committee was of the opinion that a fair and realistic legal aid tariff must be drawn. The Committee agreed that today's lawyer is selling his time rather than a particular item of legal service. The tariff should, therefore, take into account the solicitor's time as a basis for remuneration. The tariff should also permit an increase in payment in special cases.

It was also the opinion of the Committee that the tariffs should set out the full 100% amount due to the lawyer to ensure that the public realized that the amount actually received by the lawyer is only 75% of the tariff, and to enable a proper assessment to be made of the contribution made by the legal profession to the Legal Aid Plan.

Mr. Merien Borczak, Executive Director, Department of Public Welfare, attended the August 2nd meeting at the invitation of the Committee. Mr. Borczak emphasized the fact that under the new scheme there will no longer be a "means test," but a "needs test". No one will necessarily be foreclosed from Legal Aid at any arbitrary income level.

The Committee again met on Wednesday, August 3rd, 1966.

The Committee was of the opinion that the principle should be established that the area director must not be retained for any professional services under the Act; that duty counsel should not act as counsel for an accused whom he has represented as duty counsel except where a previous solicitor-client relationship already existed.

The Committee recommended that all area directors be brought to Toronto for a seminar on the Legal Aid Plan after their appointment.

The Committee was of the opinion that a regulation be drawn which would guide an area director in issuing a legal

aid certificate. The spirit of this regulation should prevent the spending of public monies on proceedings of a frivolous nature or, are such that no reasonably minded paying client would undertake because the result obtained would not be worth the expense of gaining it.

The Committee requested the Chairman to interview lawyers for the position of area director for York County.

Subsequently on that date, the Sub-Committee on Criminal Tariffs met and discussed the draft of the tariff.

The Committee met on Wednesday, September 21st, 1966 to review the first draft of the Legal Aid Regulation.

The Committee approved the Chairman's recommendation that the firm of Clarkson Gordon & Co., Chartered Accountants, be retained to act as consultants for the Legal Aid Fund with respect to the establishment of accounting procedures and the selection of personnel to supervise financial and accounting arrangements.

A Sub-Committee of the Legal Aid Programme Committee met on Saturday, October 22nd, 1966 to consider, edit and revise the draft Regulation.

A representative of the Clarkson Gordon firm also attended the meeting, by invitation, to discuss the appointment of a Controller. Such matters as statistics, volume, banking arrangements, accounting procedure, planning and forecasting through statistical information were discussed.

The Sub-Committee requested Clarkson Gordon & Co. to retain Woods Gordon & Co. to seek suitable applicants for the position of Controller for the Legal Aid Fund.

The Sub-Committee on the Civil Tariff met on Saturday, November 4th, 1966 to review the tariff. The Sub-Committee recommended that a copy of the tariff be forwarded to the President of each Law Association for comment from the senior members of the local Bar. The Sub-Committee on the Criminal Tariff had previously sent a draft tariff to a number of lawyers practising in different parts of the Province with wide experience in criminal defence work, for their comments.

A Sub-Committee of the Legal Aid Programme Committee met on Saturday, November 11th, 1966 to consider, edit and revise the Regulation.

Messrs. Aiken and Humphreys of the Department of Transport attended the meeting at the invitation of the Sub-Committee.

On November 11th, 1966 the Chairman and a member of the Programme Committee, interviewed two applicants, being those whom Woods Gordon & Co. thought to be most suitable

for the position of Controller from a number of qualified applicants.

A Sub-Committee of the Legal Aid Programme Committee met on December 3rd, 1966 to consider, edit and revise the Regulation, and the Chairman reported to the Sub-Committee, and the Sub-Committee recommended, that Mr. D. J. McCourt be appointed Controller for the Legal Aid Fund, and that a secretary for him be appointed.

Approval of his appointment was subsequently obtained.

A Sub-Committee of the Legal Aid Programme Committee met on Thursday, December 8th, 1966 and Friday, December 9th, 1966 to consider, edit and revise the Regulation.

The Legal Aid Programme Committee met on Friday, December 16th, 1966; Wednesday, December 28th, 1966; Thursday, December 29th, 1966; Tuesday, January 3rd, 1967; Wednesday, January 4th, 1967; Saturday, January 7th, 1967; and Saturday, January 14th, 1967 to deal with the following matters:

- a) review the work of the sub-committees;
- b) consider, edit and revise the draft Regulation;
- c) consider, edit and revise the schedules of fees in criminal and civil matters in the light of comments received from various Law Associations and members of the profession to which the tariffs had been sent;

The Committee also considered the recommendations made by each county and district law association for the position of Area Director.

In conclusion, therefore, your Committee submits its report and in so doing recommends that:

- 1) Convocation approve in principle and form The Legal Aid Regulation attached hereto and marked "A";
- 2) the appointment of the Area Directors as set out in the list attached hereto and marked "B";

RE: ERIC ROYAL MARSDEN, *Toronto*

PROFESSIONAL CONDUCT COMMITTEE — Mr. Fennell

Your Committee met on the 12th of January, 1967, the following members being present: Mr. S. E. Fennell, Chair-

man, and Messrs. Bull, Callon, Gray, MacKinnon, Slemin and Strauss.

Your Committee has given answers to a number of enquiries on professional matters that have been raised by various members of the Society.

# 1. RULING 16 — DIRECTORIES, ANNOUNCEMENTS AND PROFESSIONAL CARDS

At its meeting on the 9th of June 1966, your Committee recommended the appointment of a Sub-Committee to formulate principles under which publications may be approved under Ruling 16. The said Sub-Committee was in fact appointed and in the interim has made two Reports to your Committee. A third Report has now been received and it has been adopted by your Committee who recommends it to Convocation as follows:

## “TO THE PROFESSIONAL CONDUCT COMMITTEE

### The SUB-COMMITTEE ON RULING 16 — SUBSECTION 3 —

DIRECTORIES begs leave to report:

Your Sub-Committee met on Wednesday the 28th day of December, 1966, at 10:00 o'clock in the forenoon, the following members being present: Mr. Nathan Strauss, Chairman, and Messrs. Gray and Maloney.

Your Sub-Committee met to consider applications from various publishing companies with respect to obtaining the necessary approval to enable the members of the profession in Ontario to insert their professional cards in their publications. Your Sub-Committee recommends that the following publications be approved:

1. The Attorney's Register
2. Hine's Insurance Counsel
3. The Columbia List
4. The Probate Counsel
5. The Clearing House Quarterly
6. The C.R.C. Law List
7. The British Columbia Legal Telephone Directory
8. A.C.A. List
9. Forwarders List of Attorneys
10. The Canadian Bar
11. The Lawyers' List
12. American Bank Attorneys

13. The Insurance Bar
14. The Canadian Insurance Claims Directory
15. The Canadian Chartered Accountant.

With respect to *The Canadian Chartered Accountant* your Sub-Committee's recommendation is based on their opinion that this is a professional journal and therefore in a category to which approval can be given.

The publication *Canada Bonded Attorney* was rejected by your Sub-Committee on the grounds that the questionnaire supplied by applicant does not clearly indicate compliance with Society's Rules.

The publication *Stone & Cox General Insurance Year Book* was rejected by reason of contents of page 85 which prefaces the list of lawyers in Canada and which reads as follows:

"Alphabetically arranged by provinces, and cities, this list contains only the names of legal firms which have been recommended to us as being capable of acting professionally for insurance companies in their particular localities. The list has been chosen with care, and the publishers feel that every firm may be relied on to carry out all commissions they may be given with competence."

All of which is respectfully submitted."

## 2. RULING 7 — SOLICITORS' UNDERTAKINGS

The Professional Conduct Committee in considering the effect of Ruling 7, expressed the opinion that when a solicitor gives a personal undertaking he assumes a personal responsibility. He cannot relieve himself from his responsibility by requiring the party in whose favour the undertaking was given to look to a Bonding Company, Insurance Company, or any third person for performance of the undertaking.

Regardless of the rights and obligations as between the solicitor and his Insurers or regardless of the terms of the insuring contract, when a personal undertaking of this nature has been given nothing less can be expected than that it will be fulfilled. The solicitor's responsibility under Ruling 7 cannot be transferred to Insurers once it is personally assumed.

Moved by Mr. Fennell, seconded by Mr. Strauss that the Report be adopted.

The Report after amendment was adopted.

CONVOCATION ADJOURNED AT 1:05 P.M.

The Benchers entertained at luncheon the Honourable Mr. Justice Arthur Kelly.

CONVOCATION RESUMED at 2:35 P.M., a quorum being present, including the Treasurer who took the Chair.

#### PUBLIC RELATIONS COMMITTEE — Mr. W. S. Martin

Your Committee met on the 12th January, 1967, the following members being present: Messrs. Martin (Chairman), Goodman, Henderson and Evans.

**PAMPHLETS:** The Committee considered whether additional copies were needed of the pamphlets — “BUYING A HOME”, “YOU AND YOUR LAWYER”, “DON’T POSTPONE MAKING YOUR WILL” and recommends that the matter be reconsidered if a demand for the pamphlets develops.

**AREAS WITHOUT LAWYERS:** Mr. A. G. Dequanne, the Clerk Treasurer of Chelmsford, Ontario write to the Society some time ago to say that the nearest legal office was twenty miles away in Sudbury and that some 5,000 families in his area had no convenient access to a law office. He asked for some assistance from the Society.

The Treasurer suggested that this matter and the larger question that it raises be considered by this Committee.

Your Committee recommends that the Secretary write to the President of the Local Bar Association in Sudbury and ask him for his suggestions and that the Secretary write to

the President of each local Bar Association to find out whether an area exists in their respective districts that needs a lawyer.

*Faculty*

Mr. Lloyd Houlden has resigned as Head of the Section on Creditors' Rights and Bankruptcy. Mr. Houlden has made an outstanding contribution during his years as the Head of this Course. ## LL.B. DEGREE — RETROACTIVE CONFERMENT

On at least six occasions this Committee has considered the question of retroactive conferment of LL.B. degrees on those members of the Bar who have not already received the degree. The question arose whether the Society has power to grant the degree under The Law Society Act, and the Honourable Ivan C. Rand was asked for his opinion on this point. Mr. Rand's opinion is to the effect that the legislation is prospective and gives no right to the Society to confer the degree retroactively.

Your Committee reaffirms its opinion that the LL.B. degree be not conferred retroactively and that no steps be taken to seek an amendment to The Law Society Act respecting the granting of such degrees.

Moved by Mr. Howland, seconded by Mr. Robins, that the Report be adopted with the exception of the final paragraph relating to LL.B. Degrees — Retroactive Conferment.

*Carried*

The Treasurer then called for discussion of the final paragraph of the Report following which it was moved by Mr. Bowlby, seconded by Mr. McCulloch, that the final paragraph of the Legal Education Committee Report be amended by substituting therefor:

“BE IT RESOLVED THAT the Degree of LL.B. be granted to those lawyers who on application can satisfy the Legal Education Committee that prior to entering and graduating from Osgoode Hall, they were graduates of a Faculty of Arts, Law, Medicine or Engineering of an Ontario University, or held similar degrees from Universities outside Ontario as are accepted by the Legal Education Committee; and that appropriate representations be made to the Legislature to secure the necessary amendments to The Law Society Act.”

The amendment was lost, and the final paragraph of the Report was adopted.

## DISCIPLINE COMMITTEE—Mr. Gray

Your Committee met on the 9th February 1967 the following members being present: Mr. W. Gibson Gray, Chairman, Mr. Gordon Ford, Vice-Chairman, and Messrs. Beament, Bowlby, Bull, Chappell, Common, Creighton, Goodman, Harris, Henderson, MacKinnon, Slein and Thom.

RE: A MEMBER

At the January 1967 Convocation, the Chairman of this Committee reported that a member of the Society had not honoured undertakings given to Convocation. The matter was referred by Convocation to the Discipline Committee for consideration and report. The Committee has instructed the Secretary to issue a Notice of Complaint against the member for the breach of his undertaking to Convocation.

RULES RESPECTING ACCOUNTS — *Public Accountants*

Your Committee had drawn to its attention that Rule 9 of the Rules Respecting Accounts refers to the report required by the Society on or before the 30th of November in each year as being duly completed by a Public Accountant, while Rule 11 stipulates that a Chartered Accountant be utilized where superficial examination of solicitors' books and records did not permit their trust position to be ascertained readily.

Your Committee recommends that Rule 11 be amended to conform with Rule 9 by adding thereto after the words "Chartered Accountant" the words "or Public Accountant".

Moved by Mr. Gray, seconded by Mr. Ford, that the Report be adopted.

Moved in amendment by Mr. Beament, seconded by Mr. Pattillo, that Rule 11 of the Rules Respecting Accounts be amended by deleting the words "Chartered Accountant" wherever they appear, and substituting therefor the words "Public Accountant".

The Report as amended was adopted.

## PROFESSIONAL CONDUCT COMMITTEE—Mr. Gray

## 1. RULING 10 — SIGNS AND LETTERHEADS

The Report submitted to your Committee by its investigator with respect to signs displayed by members of the profession in the Metropolitan area, has now been considered and the Secretary is writing to the solicitors who appear to be in breach of Ruling 10 requesting their compliance with the Ruling.

## 2. RULING 16 — DIRECTORIES, ANNOUNCEMENTS AND PROFESSIONAL CARDS

Your Committee recommends that the following publications be approved for insertion of professional cards by members:

The American Lawyers Quarterly  
 The Commercial Bar  
 Best's Recommended Insurance Attorneys  
 International Lawyers Law List

 Canada Bonded Attorney  
 Stone & Cox General Insurance Year Book, Canada

## 3. MISCELLANEOUS

A Toronto solicitor has directed the following questions to the Committee:

1. Is there any statutory provision prohibiting a solicitor from being surety and/or depositing bail money in his own name for an accused whom he intends to and believes he will defend?

2. Is there any provision prohibiting a Justice of the Peace from refusing a solicitor as surety for an accused client?

3. Would a solicitor so doing be in breach of the law?

4. Is there anything ethically wrong or improper in a solicitor so acting?

It is not the function of this Committee to answer legal questions and the first three questions appear to come within this category.

With regard to the last question your Committee has considered

- (a) that a Justice of the Peace or Court entertaining an application for bail has a discretion as to whether or not bail should be granted and if so, whether sureties are required. Where sureties are ordered, they must be *sufficient* in that they have the pecuniary ability to meet the debt which they acknowledge by entering into the recognizance. This

sufficiency is to be determined by the Justice of the Peace, ordering the bail or accepting the recognizance, and by the Crown Attorney, pursuant to the Crown Attorneys Act, R.S.O. 1960, Chapter 82, s. 14(g). The exercise by the Justice of his discretion is wide and it does not appear that he can be *obliged* to accept any particular person as surety. However, he should exercise his discretion according to certain principles.

- (b) that it has been generally accepted in practice that a solicitor should not act as surety.

Annotation. "Bail in Criminal Cases" by  
Eric Armour, K.C., 47 C.C.C. 6

Mr. Armour sets forth a list of persons who should not be accepted as bail, including *inter alia* :

3. "The counsel or solicitor for the accused (Douglas on Summary Jurisdiction, 9th ed., p. 364; Anon (1773), Lofft, 263, 98 E.R. 642, Rex v. Scott Jervis, Q.B.D., Times, November 20, 1876). This is probably a salutary rule for the benefit and protection of counsel and solicitors against the importunities of their clients."

Russell's "The Magistrate" 2nd ed. p. 38

"It is inexpedient to admit the advocate of the accused as a surety."

- (c) that it may be a solicitor acting as surety runs the risk of being in breach of the Criminal Code which provides:

#### *Section 119*

(1) "Every one who wilfully attempts in any manner to obstruct, pervert or defeat the course of justice is guilty of an indictable offence and is liable to imprisonment for two years."

(2) "Without restricting the generality of subsection (1), every one shall be deemed wilfully to attempt to obstruct, pervert or defeat the course of justice who in a judicial proceeding, existing or proposed,

(e) being a bondsman, accepts or agrees to accept indemnity, in whole or in part, from a person who is released or is to be released from custody under a recognizance."

Because of the fact that a solicitor or counsel has been retained and receives a consideration for his services, if those services extend to acting as surety, it might be con-

cluded that the consideration would be in the nature of an indemnity and therefore put the solicitor or counsel in breach of the foregoing provision. This would be particularly so where the remuneration to the solicitor exceeds the amount of the bail acknowledged or deposited.

- (d) that it is essential that a solicitor maintain an independent position identifying himself with the client's cause rather than with the client. In the event of default by the accused client the solicitor surety may well become suspect as a party to the default.

Your Committee is therefore of the opinion that a solicitor by becoming surety, or by depositing bail money in his own name may be guilty of professional misconduct or conduct unbecoming to a Barrister and Solicitor.

## LEGAL AID COMMITTEE—Mr. Levinter

Mr. Levinter, Chairman, presented the Report of the Provincial Director of Legal Aid under the voluntary plan, for the year 1966.

# TO THE LEGAL AID COMMITTEE

The Provincial Director begs leave to present the fifteenth Legal Aid Report for the year 1966 under the voluntary plan.

Many of the local Legal Aid Directors commented that their report did not include all the voluntary legal aid services performed by members of the profession. Many lawyers do not extend their co-operation to include making a report to the local Director.

The York County Legal Aid office reported a total of 7,914 legal aid applications, of which 7,644 were eligible. The other counties and districts in Ontario reported a total of 7,658 legal aid applications, of which 6,390 were eligible. It is interesting to note that York County granted Legal Aid to 1,254 more applicants than all other counties and districts combined.

The County of Wentworth received 1,138 applications in 1966, and legal aid was granted to 1,027 applicants. The following counties recorded a substantial number of legal aid cases:

County	Number of Applications	Number of applicants granted assistance
Carleton	748	713
Middlesex	850	555
Essex	469	396
Ontario	501	385
Peel	346	318
Algoma	268	255
Peterborough	284	242
Thunder Bay	200	183

The following figures indicate the actual number of legal aid cases handled in Ontario during 1966 compared with previous years:

Actual Number of Legal Aid Cases	1966	1965	1964	1963	1962
Civil	9,450	11,788	10,284	10,300	7,210
Criminal	4,584	3,226	2,441	1,656	1,398

You will note that 11,788 persons received *civil* legal aid in 1965 and 9,450 in 1966; a decrease of 2,338.

A total number of 3,226 persons received *criminal* legal aid in 1965 and 4,584 in 1966; an increase of 1,358.

In 1966 a total number of 15,572 persons applied for Legal Aid in the Province. In 1965 a total of 18,625 persons applied

for Legal Aid. It is interesting to note that for the year 1966, 3,053 fewer persons applied for Legal Aid than in the preceding year.

Attached to this report is a schedule setting out the counties and districts which provide Legal Aid in Ontario, showing the total number of applications received, the number of eligible applicants, the total number of civil actions handled and the total number of criminal actions handled.

The Law Society is indebted to all the local Legal Aid Directors and the local Legal Aid Committees who organized and carried out the voluntary scheme in their areas over the past years. It is impossible to estimate the millions of dollars in time given by the members of our profession under the voluntary plan.

The Society acknowledges with thanks, the financial aid provided by the Government and the Attorney General of this Province.

On behalf of the Legal Aid Committee and personally, I wish to thank the local Advisory Committees, the local Directors and the panel lawyers, for the dedicated assistance which they have given.

17th February 1967

“Andrew M. Lawson”  
Provincial Director.

Mr. G. A. Martin, Chairman, presented the Report of the Legal Aid Programme Committee:

TO THE BENCHERS OF THE LAW SOCIETY OF UPPER CANADA  
IN CONVOCATION ASSEMBLED:

The *Legal Aid Programme Committee* begs leave to report as follows:

Your Committee met on Friday, February 24th, 1967 to consider supplementary provisions in the Legal Aid Regulation. These provisions were adopted subject to editorial changes to make the language of the provisions conform to that of the Regulation adopted by Convocation on January 27th, 1967.

Your Committee recommends that Part I of the Regulation, Section 3, now read as follows :

  - (h) inventory of property, furniture and equipment.

Your Committee further recommends that the existing Section 3 be renumbered "Section 4" and that the existing Section 4 be renumbered "sub-section 3" of the new Section 4.

Your Committee also recommends that the existing Section 85 now read as follows :

#### Banking

85. (1) All monies paid to or received in respect of the Fund shall be deposited forthwith in an account in a chartered bank, loan or trust company, or in the Provincial Savings Office, to be designated by the Legal Aid Committee.

- (2) Subject to the approval of the Attorney General, the Legal Aid Committee upon the recommendation of the Director may from time to time authorize the writing off as uncollectable any amount payable by a client to the Law Society for the Fund.

The Committee adopted the suggestion that Form 2, being a part of the existing Regulation, be changed in the ultimate paragraph to read as follows:

"I hereby undertake to comply with the Legal Aid Act and the Regulation made thereunder and to perform all duties undertaken by me as member of the panel while my name remains on it."

#### AREA DIRECTORS' REMUNERATION

Your Committee divided the Province into five salary scale groups as follows:

## GENERAL REPORT

Mr. Gray, Chairman, presented the following Report of the Discipline Committee:

Your Committee met on the 13th of April 1967, the following members being present: Mr. Gordon Ford, the Vice-Chairman, in the Chair, and Messrs. Gray, Beament, Bull, Chappell, Common, Creighton, Evans, Henderson, Howland, MacKinnon, Pattillo, Robins, Thom and Williston.

### 1. BANKRUPTCY OF MEMBERS OF THE SOCIETY

In the light of Rule 12(c) of the Rules Respecting Accounts, which came into effect in the latter part of 1966, your Committee was asked to consider establishing guidelines to be followed when bankruptcies are reported to the Society. Your Committee has decided that, upon such a report being received, the Society auditors should make the necessary enquiries to satisfy themselves that there is no evidence or indication in the books and records of the solicitor of professional misconduct on the part of the solicitor. In addition, the Society is to request from the solicitor a statement of the circumstances surrounding the bankruptcy and also a copy of the Assignment, if voluntary, and a copy of the Petition, if involuntary. From the foregoing it would then be determined whether a Notice of Complaint should be issued or further investigation carried out.

### 2. FRANK PAUL — COMPLAINTS AGAINST VARIOUS SOLICITORS

Your Committee received the report of a meeting of the Committee which took place on the 28th of February 1967, chaired by Mr. Pattillo with reference to an investigation of the complaints of a client named Frank Paul, and approved the recommendations set out in the report.

### 3. COMPENSATION FUND — MANUEL WINEBERG — LAYING FACTS BEFORE THE CROWN

The question of whether or not it should be a condition precedent to hearing a claim for compensation that the claim-

ant lay the facts before a Justice of the Peace, was discussed. It was resolved that as a general rule claimants should not be required to take such steps but that, in any case in which there appeared to be prima facie evidence indicating the substantial probability of a criminal offence having taken place, the Secretary or Assistant Secretary, on the decision and instructions of the Chairman or Vice-Chairman, should direct the claimant to report the facts to the relevant Crown Attorney for investigation by the necessary local law enforcement officer.

THE REPORT WAS ADOPTED.

---

PROFESSIONAL CONDUCT COMMITTEE—Mr. Fennell.

Your Committee met on 13th April, 1967, the following members being present: Mr. S. E. Fennell, Chairman, Mr. W. G. Gray, Vice-Chairman, and Messrs. Bull, Callon, Dubin, Ford, Goodman, MacKinnon, Slein and Strauss.

1. RULING 16 — DIRECTORIES, ANNOUNCEMENTS AND  
PROFESSIONAL CARDS

Your Committee had before it one application received from a publisher for approval under Section 3 of Ruling 16, and recommends that the following publication be approved and Notice of approval be published in the Ontario Reports:

Markham's Negligence Counsel.

2. RULINGS 16 — DIRECTORIES, ANNOUNCEMENTS AND  
PROFESSIONAL CARDS

17 — ADVERTISING

18 — TOUTING, ADVERTISING & ATTRACTING  
BUSINESS UNFAIRLY

Your Committee for some time has been concerned with the problem of the interpretation of all or part of Rulings 16, 17 and 18. It is therefore recommended that a Sub-Committee be appointed to reconsider all aspects of the aforementioned three Rules, and that the Sub-Committee be composed of Messrs. Goodman, MacKinnon and Callon.

### 3. RULING 18 —TOUTING, ADVERTISING & ATTRACTING BUSINESS UNFAIRLY

RE: SUB-COMMITTEE *re* COLLECTION AGENCIES AND  
REAL ESTATE REGISTRATION

On the 13th October, 1966, the Professional Conduct Committee approved the appointment of a Sub-Committee to deal with the propriety of solicitors being directors of a corporation which is carrying on a business as a collection agency, and a solicitor being granted registration under the Real Estate and Business Brokers Act, as real estate agents. Subsequently, on the 27th October, the Chairman appointed Mr. J. A. D. Slemin Chairman, and Messrs. Callon and Strauss to serve on the Sub-Committee. Your Committee has now received the Sub-Committee's Report:

(1) "It is the view of your Sub-Committee that collection of accounts has always been a part of a solicitors practice, and that it would be improper for a solicitor to incorporate a company for the purpose of either directly or indirectly carrying on part of his practice through a corporation. In the opinion of your Sub-Committee, allowing a solicitor to incorporate or be involved with a collection agency could lead to toutting. In addition your Sub-Committee is of the view that no member should act for any company incorporated for the purpose of collecting accounts if he or any near relative has a substantial or controlling interest in the company.

(2) With respect to the registration of lawyers as real estate brokers, your Sub-Committee considers that lawyers who become realtors and engage in the real estate business offend the general rule that lawyers may only follow the practice of law and not engage in any other main business, and accordingly your Sub-Committee recommends that such practice be discouraged by the Society."

Your Committee approved paragraph 1 of this Report. Paragraph 2 was referred back to your Committee with the possibility of referring the matter to the Legislation and Rules Committee.

### 4. RULING 30 — PUBLIC APPEARANCES BY SOLICITORS RE: SUB-COMMITTEE ON PUBLIC APPEARANCES

On the 13th October 1966, the Professional Conduct Committee approved the appointment of a Sub-Committee to deal

with the broad question of the members of the profession appearing on the radio and television on behalf of clients. Subsequently, on the 27th October, the Chairman appointed Mr. B. J. MacKinnon, Chairman, and Messrs. Goodman and Maloney to serve on the Sub-Committee. Your Committee has now received the Sub-Committee's Report:

"Your Sub-Committee met on Wednesday, the 22nd of March, 1967, at 10:00 o'clock in the forenoon, the following members being present: Mr. B. J. MacKinnon, Chairman, and Messrs. Goodman and Maloney.

The problem given your Sub-Committee as outlined in the letter from the Secretary of the Committee to Sub-Committee members was, broadly, "the question of members of the profession appearing on the radio and television on behalf of clients" and whether Ruling 30 needed any amendment, specifically or generally. The matter apparently was brought to a head as a result of some complaints received in connection with a member's activities in and on all communication media.

Considerable material on the subject was received from the American Bar Association, the Law Societies of Queensland, Tasmania, South Australia, Western Australia, Victoria and the Australian Capital Territory, and from the Law Society of England. This material was summarized and considered.

The American Bar Association is studying this problem in depth but no final report has yet been made and it was decided it would serve no useful purpose to hold up our consideration of the problem pending that report.

The English rule, adopted by many of the Australian states, is a very stringent one. An English solicitor in private practice appearing on radio must have the Law Society's permission to be described by both name and profession, if it is a necessary to the programme. If he appears on television on a legal subject, he should only be described as "a solicitor". If there are special considerations which make his name desirable then he must apply to the Society for permission. If a solicitor is appearing on radio or television on a subject not dealing with the law he should not be described as a solicitor. By way of example is attached the very recent ruling (March 9th, 1967) in this connection by the Law Society of Western Australia.

It is clear, no matter how much some of us might wish that such rules were in force here, that we cannot "turn

the clock back" in this connection, and that what is now considered acceptable in this connection in Canada would breach such a rule.

It is the Sub-Committee's opinion, accordingly, that a careful reading and application of Ruling 30, in conjunction with that part of the Canons of Ethics (Ruling 1) which reads:

"... solicitation of business by circulars or advertisements or by personal communications not warranted by personal relations is unprofessional . . . Indirect advertisement for business by furnishing or inspiring newspaper comment concerning causes in which the lawyer has been or is connected, or concerning the manner of their conduct, the magnitude of the interests involved, the importance of the lawyers' positions, and like self-laudations defy the tradition and lower the tone of the lawyers' high calling, should not be tolerated . . ."

is sufficient protection and guarantee of the integrity of the profession in this area.

In view of the increasing activity of the profession on T.V. and radio, the Sub-Committee suggests that Ruling 30 (with the excerpt quoted from the Canons of Ethics which is largely ignored as a ruling) be reprinted in the Ontario Reports so that it is once again brought forcibly to the attention of the profession. In addition, we suggest that Ruling 30 be circulated to all television and radio stations (and networks) in Ontario with the request that they co-operate to see that the Ruling is not 'unintentionally' breached.

All of which is respectfully submitted." *Adopted.*

#### "APPEARANCES BY PRACTITIONERS ON T.V. AND INTERVIEWS ON RADIO

The Council of the Law Society has formulated and now promulgates the following Professional Conduct Rules with respect to T.V. appearances and Radio interviews.

1. That when asked to broadcast or appear on T.V. on a non legal subject a practitioner may be named but no reference should be made to his profession.
2. On an appearance before Television, on a legal subject he may appear (full face if required) but must do so

anonymously although he may be referred to as a member of the legal profession.

3. The president when speaking or appearing as President of the Law Society may be named and identified as the President.
4. In circumstances which do not fall into the foregoing categories a practitioner shall not appear without the approval of the Professional Affairs Committee.

9th March 1967

(Law Society of Western Australia)

Loris Wood

Secretary."

## 5. LEGAL AID PLAN

Your Committee considered a letter addressed to the Chairman from the Treasurer of the Society, concerning the problem of people who are trying to locate a lawyer and indicating in all probability that this problem will be aggravated with respect to the new Legal Aid Plan. It is your Committee's opinion that this is a matter primarily of public relations and therefore proposes to refer the question to the Public Relations Committee.

THE REPORT WAS ADOPTED.

*Noted.*

#### AMENDMENT OF RULE 103 AND RULE 104(2)

Due to the fact that a large number of the local Associations do not hold their annual meetings until the end of January each year, your Committee recommends that an amendment be made to Rule 103 of the Rules of the Law Society of Upper Canada by deleting from the 3rd and 4th lines thereof the words "31st day of January" and substituting therefor the words "last day of February", so that the Rule as amended would read:

"103. The annual report of each association, with all other particulars required by the County Libraries Committee shall be transmitted to the Chief Librarian of the Society before the last day of February in each year, and all annual grants where such reports and particulars have been so transmitted shall be payable, upon the recommendation of the county libraries committee within one month after that date, provided that the association shall have taken due and proper care of the books, and shall have maintained and kept the library in the Court House or other place approved of by Convocation in a proper state of efficiency, and complied in all other respects with the requirements of the rules and regulations adopted from time to time by Convocation in relation to county libraries."

and that Rule 104(2) of the said Rules be amended by the deletion of the words "31st of January" in the third line thereof, and the substitution therefor of the words "last day of February", so that Rule 104(2) as amended would read:

"104. (2) Where the default consists only in the failure of an association to transmit to the Chief Librarian the annual report and particulars referred to in Rule 103 by the last day of February and where this default has been rectified by the 30th day of May in the same year, the committee shall make a special report to Convocation and Convocation may either refuse the annual grant altogether or may, in its discretion, make a grant of a lesser sum than that provided for in Rules 101 and 102."

#### PUBLIC RELATIONS COMMITTEE—Mr. W. S. Martin,

Your Committee met on Thursday, 13th April, 1967, the following members being present: Messrs. Martin (Chairman), Evans, Goodman and Pattillo.

1. AREAS WITHOUT LAWYERS: At its meeting in January, the Committee had before it a letter from the Clerk-Treasurer of Chelmsford, Ontario saying that some 5,000 families in his area had no convenient access to a law office and asked for assistance from the Society.

The Committee was asked to consider the general problem this raises and the Secretary has written to every County Law Association in Ontario to find out if such a situation exists elsewhere and to canvas the local Bars for suggestions. Letters have been received from 26 local Bar Associations but so far no situation similar to that reported from Chelmsford has been revealed. The suggestions have been that the Society do what in fact it has already done, namely, to suggest to the town of Chelmsford that it run an advertisement in the Ontario Reports and secondly, that the graduating class of the Bar Admission Course be told of the opportunity of serving in the Chelmsford area. *Noted*

2. CENTENNIAL PROJECTS: In October, 1966 your Committee and Convocation approved that as a Centennial Project the Society consider the preparation of a History of the Profession in Ontario and the establishment of a series of special

lectures on this history to be given in Law Schools in Ontario. Your Committee empowered Mr. Goodman and the Secretary to consider suitable authors and particularly to meet with Mr. Merrill Dennison to discuss the matter with him in general terms. Messrs. Goodman and Jarvis met with Mr. Dennison on the 23rd March and gained the impression that Mr. Dennison through his experience in writing corporate histories including those of Massey-Ferguson, The Ontario Hydro and currently, The Bank of Montreal, as well as many others, was well fitted to advise the Society. Mr. Dennison said that in six months time he could make a feasibility report for the Society's consideration which would indicate the scope and cost of a History of the Legal Profession in Ontario and indicate the time that would be needed to produce it.

Your Committee recommends that Mr. Dennison be asked to make the feasibility report at a fee which was arranged.

### 3. CORRESPONDENCE—TELEVISION “MAGISTRATES COURT”

At its meeting in January the Committee referred to Mr. Goodman for investigation and report a complaint that the television programme “Magistrates Court” holds up the law to ridicule. Since then a further complaint has been received from a member of the public who considers that the Society should not allow a programme such as that to be produced. Mr. Goodman made enquiries and produced a letter written by Mr. D. Enright of Screen Gems International, New York City, which company produces the programme. From the letter it appears that the programme is filmed in British Columbia with the advice and close co-operation of a member of the Bar there. Mr. Enright's letter describes in detail the production methods employed.

Your Committee recommends that a copy of Mr. Enright's letter be sent to each of the complainants with a letter from the Secretary informing them that the Society does not object to the programme continuing.

# DISCIPLINE COMMITTEE

Mr. Gray, Chairman, presented the following Reports of the Discipline Committee:

*Re: DONALD JERRY O'BRIEN, Chatham*

Mr. Steele left Convocation while this matter was being considered.

Mr. Gray read the Report and moved its adoption. He was seconded by Mr. Thom.

Your Committee reported that after due inquiry it found the solicitor guilty of professional misconduct and conduct unbecoming a Barrister and Solicitor in that he drew money from his trust bank account improperly, failed to maintain at all times sufficient money on deposit in his trust bank account to satisfy his indebtedness to clients for trust funds, and failed to maintain proper books, records and accounts, in accordance with the Rules Respecting Accounts; and recommended that he be disbarred and his name struck off the rolls and records of the Law Society of Upper Canada.

The solicitor attended with his counsel, Mr. John O'Driscoll, who made certain submissions on behalf of the solicitor, and asked that the matter be further adjourned.

Moved in amendment by Mr. Maloney, seconded by Mr. Callon, that the matter be adjourned to the next Convocation, or to an earlier date if Mr. O'Driscoll's investigations be completed in time.

The amendment was lost.

The solicitor and Mr. O'Driscoll returned and Mr. O'Driscoll addressed Convocation and asked that the penalty of suspension be substituted for that of disbarment.

The Report was adopted.

## IT WAS ACCORDINGLY ORDERED

1. THAT the Report of the Discipline Committee in the matter of DONALD JERRY O'BRIEN, Barrister, a member of this Society and a Solicitor of the Supreme Court of Ontario, be adopted.
2. THAT upon the facts ascertained and appearing by the said Report and the evidence and other papers referred to and submitted to Convocation therewith, Convocation finds the said DONALD JERRY O'BRIEN guilty of professional misconduct, and of conduct unbecoming a Barrister and Solicitor in respect of the charges dealt with by the said Report.

3. THAT the said DONALD JERRY O'BRIEN be disbarred.
4. THAT the said DONALD JERRY O'BRIEN is unworthy to practise as a Solicitor.

PROFESSIONAL CONDUCT COMMITTEE—Mr. Fennell

Your Committee met on the 11th May, 1967, the following members being present: Mr. S. E. Fennell, Chairman, Mr. W. G. Gray, Vice-Chairman, and Messrs. Bull, Callon, Ford, Howland, MacKinnon and Strauss.

1. Mr. Gordon F. Beddis, President, Ontario Sheriffs' and Court Registrars' Association, wrote to the Society setting out two problems that have come to his attention. Due to their nature, your Committee sought the advice of counsel. An opinion has now been received. The first problem set out by Mr. Beddis was that which arises when a Local Registrar in his capacity as a Special Examiner holds an examination of a judgment debtor. In some areas the solicitor will detail a stenographer, clerk or student from his office and, on occasions, even a representative from the office of his client to take the examination. The Local Registrar is in a quandary whether or not this should be permitted. Counsel referred to Section 6 of the Solicitors Act which he paraphrased as follows:

"Unless admitted and enrolled and duly qualified to act as a solicitor, no person shall act as a solicitor in any court of civil . . . jurisdiction, or as such . . . carry on . . . any action or proceeding in the name of any other person or in his own name . . . or practice as a solicitor . . ."

and he quoted from *Regina ex rel. Smith vs. Mitchell*, [1952] O.R. 896 at 903.

Counsel referred to Rules 587 and 596. He gave a few principles taken from decided cases with respect to judgment debtor examinations as follows:

1. The examination is intended to be a cross-examination of the strictest character;

2. The examination should be full, fair and searching;
3. Production of books and records may be required;
4. The examination can extend to property assigned by the debtor;
5. The examination can extend to time anterior to the debt being actually incurred;
6. When examining an officer of a corporation one is entitled to full disclosure of company's affairs and to access to the relevant books.

Counsel went on to say that it was manifest that an examination of a judgment debtor is not a clerical or routine matter. It requires professional knowledge, training and skill. It would, in his view, be irresponsible and unprofessional for a solicitor to permit a layman or clerk to conduct a judgment debtor examination. Further, one must consider that failure of a judgment debtor to answer proper questions can result in an order of committal (Rule 594). Counsel feels such consequences require the questions to be put by a person having professional competence. Also, often a judgment debtor is represented by Counsel and objections are made to questions. Counsel states the person examining must necessarily be familiar with principles of relevancy and the permitted scope of the examination. He stated that it was also, in his opinion, a "proceeding" within Section 6 of the Solicitors Act. In England a managing clerk can represent his principal before a Judge in Chambers. In Ontario, it is improper for a student or clerk to appear in proceedings before a Judge in Chambers. In Toronto the Master presently does not permit a student to represent his principal in a contested motion. In Toronto some County Court Judges presently permit a student to argue a contested motion in Chambers. Out of Toronto, some Local Masters and County Court Judges presently allow students to appear in Chambers. Others decline to allow students to appear except in *ex parte* applications. The practice varies in accordance with the direction of the judicial officer.

Counsel states in his opinion proceedings before an examiner should follow the analogy of proceedings before a Judge in Chambers. He quotes from Volume 46, *The Solicitors Journal*, page 2.

In Ontario a clerk cannot represent a client before a Judge in Chambers. Accordingly, he ought not to be permitted to represent a client before an examiner either on a judgment

debtor examination or any other examination before the examiner.

Your Committee accepts the foregoing statement and recommends that Mr. Beddis be advised of the view of the Committee respecting Clerks and that with respect to students the matter is receiving further attention. The opinion raised the broader question regarding the scope of the activities of students-at-law generally and clerks employed in solicitors offices. Your Committee recommends that the Treasurer establish a Special Committee to consider and report on the area of legal activities which may or should be properly carried on by clerks and students-at-law.

The second problem raised by Mr. Beddis is the question of laymen establishing themselves as agents for lawyers —

We have been told that in the County of Simcoe a layman has so established himself and is employed by some of the lawyers in Simcoe County. This situation is difficult to control but it comes to the attention of the Registrar or Clerk when, for example, an affidavit must be taken by this person. In one instance he swore that he was the agent for the solicitor for the plaintiff and this was refused by the Local Registrar on the basis that "agent" as used in the Rules of Practice meant another solicitor and nothing else. At the instance of the solicitor concerned the layman agent simply drafted a new affidavit swearing that he was "in the employ of the solicitor for the plaintiff". Since it has been the practice in Court offices to accept affidavits from employees of solicitors on the signing of default judgments, etc., the Local Registrar felt that he had no option but to accept the affidavit in its new terminology.

Counsel referred to Rules 760, 197 and 199 of the Rules of Practice.

In counsel's opinion "agent" referred to in Rule 760 contemplates that the "agent" be a solicitor. Further, in his opinion, the "clerk . . . of the solicitor, or the clerk of the agent" referred to in Rule 760 is a clerk, regularly employed as a servant by the solicitor or agent, whom the solicitor or agent can control, both as to the work to be done by the clerk and the manner of doing the work. A "clerk" referred to in Rule 760 does not in his opinion refer to an independent layman sporadically employed by a solicitor.

The counsel's answer therefore, to the second question is, that the Registrar or Local Registrar can properly decline to

permit a layman to transact business in the office of the Registrar or Local Registrar unless such layman be in the regular employ and under the control of a solicitor.

Your Committee has approved this opinion of counsel and recommends Mr. Beddis be advised accordingly.

2. Your Committee's attention was drawn to an article in a newspaper concerning a duty counsel under the Legal Aid Programme. After considering the circumstances, your Committee was of the opinion that no action should be taken in this matter. Your Committee was also of the opinion that the existing Rules of Professional Conduct apply equally to Legal Aid and to all other areas of practice and that members performing services under the Legal Aid Programme are required to observe these Rules. There may be matters that will arise in the future that require specific attention by your Committee but at present your Committee is of the opinion that special Rules should not be drafted.

THE REPORT WAS ADOPTED.

Your Committee recommends that, subject to the approval of the Finance Committee, such a door be installed.

ONTARIO INTERPROFESSIONAL LIAISON  
COMMITTEE—Mr. Howland

A meeting of the Committee was held on February 22nd, 1967 as the guest of The Ontario Pharmacists' Association. The meeting was devoted to a consideration of the subject of the incorporation of members of the various professions.

Mr. Stuart D. Thom, Q.C., was a guest of the Committee.

The Pharmacists are unique in that while rendering a professional service they are also involved in a commercial venture. Incorporation has always been possible in the retail

practice of pharmacy but there are great risks in lay control and management. Since 1954 the majority of the Board of Directors of a corporation must be pharmacists and the majority of all classes of shares must be owned by pharmacists.

The Institute of Chartered Accountants prohibits the carrying on in separate corporate form of the practice of public accounting. Only the practice of management consulting can be carried on in corporate form. Incorporation in the practice of public accounting is not permitted in the United Kingdom nor is it permitted by the American Institute of Certified Public Accountants. The Institute of Chartered Accountants of Ontario felt that there were four basic ethical reasons for the existing prohibitions:—

1. The possibility of participation by non-professional persons in the fees, income and direction of a professional practice.
2. A question as to whether a chartered accountant who was a shareholder, officer or employee of a corporation could be made responsive to professional discipline for the unethical acts of a corporation.
3. Doubt as to whether or not there should be a limitation of personal liability.  
It was noted, however, that there was concern about the recent trends of litigation particularly in the United States where actions for damages involving many millions of dollars have been instituted against public accounting firms.
4. The effect that practising through a corporation might have on the personal relationship of the public (the client) with the practising member of the profession.

The Institute felt it was best for the matter of incorporation to be left to the specific legislation governing a profession or the rules of professional conduct of the profession.

The Ontario Medical Association favoured members of the medical profession being allowed to incorporate provided that all the shareholders were licensed physicians in good standing, the corporate name was approved by The College of Physicians and Surgeons, and the physician remained subject to The Medical Act. The medical profession were much concerned about the liability aspect and favoured incorporation from the point of view that a physician could limit his liability for the actions of other physicians. However it would

be a condition that the physician's liability for his own actions should be unlimited.

In so far as the engineering profession is concerned the practice of professional engineering by corporations under the corporate name has been allowed in Ontario since 1952, and the majority of engineering practices have been incorporated. Large projects require a large organization with highly trained personnel and substantial plant, equipment and capital.

It was noted that some law firms have incorporated service companies to provide staff and lease premises and equipment to the partnership.

It was pointed out that the tax advantages of incorporation are not as great as had originally been thought but that incorporation from the point of view of limiting liability was important.

The majority of architects favour incorporation.

At its meeting on 15th June, 1961, the Committee refused to allow him to sit the oral examination again. Mr. Beattie then asked to be allowed to enter the Bar Admission Course and in September, 1962, he was granted special permission to take the teaching period of the Bar Admission Course upon the understanding that he could attempt it only once. Mr. Beattie failed to attain pass standing and sought permission to repeat it. The Committee refused the request 18th April 1963.

Mr. Beattie now asks the Committee to consider a further petition to be allowed to complete the teaching period of the Bar Admission Course. He also asks to be allowed to address the Committee.

Your Committee recommends that he be informed that his petition is refused.

#### PROFESSIONAL CONDUCT COMMITTEE—Mr. Fennell

Your Committee met on the 8th day of June, 1967, the following members being present: Mr. S. E. Fennell, Chairman, Mr. B. J. MacKinnon, Vice-Chairman, and Messrs. Bull, Howland and Strauss.

1. Convocation, at its November 1966 meeting, adopted your Committee's Report wherein it recommended the publication of a Memorandum of the Alberta Law Society concerning "Finder's Fees". Subsequently, some confusion arose in the profession as to whether this Memorandum should be considered as having the same force and effect as a Ruling. Your Committee has reviewed the question and recommends that the following be published as a Proposed Amendment to Ruling 15:

## RULING 15

### MORTGAGE AND OTHER FINANCIAL TRANSACTIONS

#### 1. MORTGAGE BROKERS

Solicitors Acting as such —

Since the introduction of the Mortgage Brokers Registration Act a solicitor who falls within its provisions must obtain registration thereunder. The Act defines a mortgage Broker as:

. . . a person who carries on the business of lending money on the security of real estate, whether the money is his own or that of another person, or who holds himself out as or who by an advertisement, notice or sign indicates that he is a mortgage broker, or a person who carries on the business of dealing in mortgages.

Limitations are placed, pursuant to this Act on such solicitors advertising in this field. But such advertising is still subject also to the views of the Law Society as expressed in Rulings from time to time.

The Committee has ruled it to be unobjectionable for a solicitor to place a notice in the classified advertising pages of daily newspapers that he has money to loan. An advertisement showing this and merely his name and address and phone number with no reference to qualification as a solicitor is unobjectionable. But anything beyond this is.

#### 2. FINDER'S FEES

(a) It is improper for a lawyer acting for the person introduced by him to a mortgage company, financial institution or other lender, to accept a finder's fee unless (i) he makes full disclosures to his client, and (ii) pays the fee over to the client or credits the same against his own account to the client. The principle here involved is that the lawyer should not, by

receiving or bargaining for compensation from any source except his client, put himself in a position which might interfere with his undivided loyalty to the client.

(b) Quite apart from any question of finders' fees, a lawyer should not introduce a client to a mortgage company, financial institution, or other lender for which he regularly acts, unless (a) he makes disclosure of his relationship with the latter to the client, and (b) counsels the client to obtain appropriate independent advice.

## 2. RULING 16 — DIRECTORIES, ANNOUNCEMENTS AND PROFESSIONAL CARDS

Your Committee had before it one application received from a publisher for approval under Section 3 of Ruling 16, and recommends that the following publication be approved and Notice of Approval be published in the Ontario Reports:

### ATTORNEY'S FORWARDING DIRECTORY.

## 3. SUB-COMMITTEE ON RULINGS 16, 17 and 18

At the April meeting of Convocation the appointment of a Sub-Committee of your Committee to reconsider all aspects of Rulings 16, 17 and 18 of the Rules of Professional Conduct was included in the Professional Conduct Committee Report and so adopted. The Sub-Committee has now requested permission to place a Notice to the Profession in the Ontario Reports to the effect that the aforementioned three Rules are being reconsidered and inviting comments from the profession at large.

Your Committee recommends that such approval be granted.

## 4. MISCELLANEOUS

Your Committee considered an enquiry from a solicitor with respect to whether it was necessary for a solicitor to disclose to his client monies that have been received as a result of a settlement and which were allocated under the terms of the settlement to the solicitor's costs.

Your Committee instructed the Secretary to advise the solicitor that all costs so received are the client's costs, that disclosure should be made of their receipt and credit given to the client accordingly.

THE REPORT WAS ADOPTED.

# SPECIAL COMMITTEE ON THE LAW SOCIETY GAZETTE

Mr. Beament presented the Report.

Your Committee met on 8th June, 1967, the following members being present: Messrs. Beament, Harris and MacKinnon (Chairman). The Secretary was present and Mr. J. Honsberger, the Editor, attended at the Chairman's invitation.

The basic reason for the meeting was to ascertain the actual cost of the first issue of the Gazette as well as to estimate the costs for the remaining three issues (2 this year and 1 at the beginning of next year) of the four issues originally contemplated and approved by Convocation as an initial commitment.

We were advised that the costs of the first issue were as follows:

1. Printing (6,000 copies of 68 pages) .....	\$2,175.00
2. Postage .....	442.82
3. Editor .....	1,000.00
4. Layout .....	200.00
<hr/>	
Total	\$3,815.82

The first issue amounted to 68 pages and the editor advised us that he felt that the next two issues (and possibly the three issues) would be around 32-36 pages an issue with a corresponding reduction in costs. The estimated costs for the next edition are as follows:

1. Printing .....	\$1,100.00
2. Postage .....	450.00
3. Editor .....	1,000.00
4. Layout .....	150.00
<hr/>	
Total	\$2,700.00

The reason given for the first issue being more expensive was that (a) it being the first issue more service was required in the way of proofs from the printer (b) the layout required more time and planning and (c) it was decided to print the Treasurer's report to the Mid-Winter meeting of the Ontario Section of the Canadian Bar Association in full. This will not be repeated for at least another year.

It is estimated, accordingly, that a budget of \$6,000.00 for the next two issues (which, hopefully, will be published in September and November) should carry it to the end of the year.

There were certain questions of policy raised and the Committee is of the view that no final decision on these matters should be made until, at least, the second issue of the Gazette has been published and reaction to it has been ascertained and considered.

The members of the Committee feel that Editor should be given complete co-operation and assistance by all members of the Bench. If there is any particular matter which comes before any Committee which a Benchers feels is of immediate importance or interest to the profession, he should take the matter up with the Committee Chairman to see if it is possible to prepare a suitable memorandum for the Editor on it. It was felt that discussions of questions of legal ethics would be of particular interest to the profession.

THE REPORT WAS ADOPTED.

## CITATION

The Treasurer explained the circumstances under which arrangements had been made to confer an Honorary Degree on the late Dr. C. A. Wright, and paid a warm tribute to his memory on behalf of the Legal Profession and as one of his former students.

The Chairman of the Legal Education Committee then read the following citation honouring the late Cecil Augustus Wright:

Mr. Treasurer, I have the honour to present to you the following citation:

For eighteen years Cecil Augustus Wright was the Dean of the Law School of the University of Toronto. He began his teaching career 40 years ago as a lecturer and subsequently became Dean of the Osgoode Hall Law School. He has rightly been called the architect of legal education in Ontario. The fact that this Province enjoys a system of legal education second to none in the common law world is to a considerable extent attributable to his selfless dedication. As a teacher he had no peer and generations of law students first received from him a knowledge and understanding of law as an instrument of social justice.

Never once did he compromise his standards, nor was he dismayed if his was the only voice to criticize the inadequate or to advocate reform. He lived to witness the realization of his goals and many legal reforms stand as his monuments. For him, the finest tribute is that many who were his students and colleagues remain to pursue his ideals and practise his precepts.

In March of this year, he accepted your invitation, Mr. Treasurer, to receive the degree of Doctor of Laws, *honoris causa*, and it is a matter of deep regret that his death intervened. It is fitting that the name of Cecil Augustus Wright be recorded among those worthy of our highest honour.

---

The Treasurer then presented the citation to Mrs. C. A. Wright.

## MEETING OF SPECIAL CONVOCATION

Thursday, 24th August 1967

### BENCHER

### LEGAL AID PROGRAMME COMMITTEE

Mr. Callon, Chairman, presented Reports of the Legal Aid Programme Committee dated the 20th July, 1967 and the 23rd August 1967:

Your Committee met on the 20th day of July, 1967, the following members being present: Mr. Thomas Callon, Chairman, and Messrs. Beament, Callon, Common, Houser, Reid, Sale and Waugh.

Mr. F. Joseph Cornish, Q.C., Area Director for York County and Mr. L. H. Ritchie, Consultant, Woods Gordon & Co., were present by invitation.

### YORK COUNTY LEGAL AID OFFICE

Your Committee reviewed the recommendations made in a report submitted by Woods Gordon & Co. on the organization of the York County office.

Mr. F. Joseph Cornish, Q.C., Area Director for York County, attended before the Committee and questioned the recommendation in the report that the initial interviewing of applicants be done by nonprofessional personnel.

The Committee was of the opinion that an applicant is entitled to seek the advice of a lawyer on his first visit to the legal aid office and therefore recommended that the York County Area Director be authorized to hire two full-time lawyers to act as Duty Counsel for initial interviews. This

would make a total number of four interviewing Legal Officers in York County.

#### MINUTES OF UNDERSTANDING

At its meeting on March 23rd, 1967 the Committee reviewed the Minutes of Understanding which the Province of Ontario submitted to the Law Society of Upper Canada with respect to administrative procedures to be followed under the new Ontario Legal Aid Plan.

The Committee recommended that the Chairman attend at the Attorney General's Department for clarification of basic principles arising from the proposed Minutes of Understanding.

The Minutes of Understanding have now been approved by the Committee and your Committee recommends that they be adopted by Convocation.

#### REPORT ON DATA PROCESSING

In April of this year, the Committee appointed Mr. Robert F. Reid, Q.C., a subcommittee of one to make recommendations to the Committee with respect to the use of a computer service bureau to process statistical information for the new Legal Aid Plan.

In March, a subcommittee consisting of Mr. Robert F. Reid, Chairman and Messrs. Borczak, Common and Keith, was appointed to establish what statistics were to be collected for the new Legal Aid Plan.

At its June meeting, the Committee instructed Mr. D. J. McCourt, C.A., Controller of the Legal Aid Fund and Mr. Irving Nyman, Senior Consultant, Woods Gordon and Co., to assist Mr. Reid in calling for tenders for a data processing contract and in reviewing the tenders received and to recommend, for the approval of the Committee, the most acceptable tender received.

The Committee realizes that the use of a computer service bureau is desirable to handle the volume of accounting and statistical information involved in administering the Plan.

The volume is too great for clerical staff to handle economically. However, the volume is not yet great enough to warrant the Plan owning a computer.

A computer service bureau would provide the following services:

1. initial development.
2. routine processing.

The first service, initial development, involves the bureau's technical staff developing instructions for the computer on how to handle the Ontario Legal Aid work. The initial stage will take 3 to 4 months.

The second service, routine processing, involves the feeding of data into the computer, computer processing, and the production of reports, cheques, client's statements, etc.

Primarily, the computer will process the records of lawyer's accounts and contributions to be received from assisted persons.

The computer will perform the following services:

I. *Lawyer's accounts*

Semi-monthly — a. Tabulates amounts to be paid to solicitors and duty counsel and issues cheques in payment of accounts.

b. provides a cheque register.

Monthly — a. provides a bank reconciliation.

Quarterly — a. provides reports on payments to lawyers for each of the 46 Legal Aid areas including the following:

i. a summary of the number of cases, fees and disbursements for each type of aid and for each court or tribunal.

ii. summary of payments to all individual lawyers.

iii. details of payments to lawyers who are very active in providing legal aid.

II. *Contributions receivable from assisted persons*

Semi-monthly — a. issues refund cheques to assisted persons (where more than the actual cost of legal aid is received from contributions or judgments).

b. provides a register of refund cheques.

c. provides a report of monies receivable under judgments or orders and of costs claimed under Part VI of the Regulation.

Monthly — a. produces the contributions receivable ledger.

- b. produces statements of account.
  - c. produces statements of overdue accounts.
  - d. produces notices of contributions due.
  - e. produces reports on delinquent accounts.
- Quarterly — a. produces report on long outstanding certificates.
- b. projects contributions due in the future from assisted persons (for estimating purposes).

The subcommittee reviewed four tenders submitted by data processing companies.

The subcommittee recommended, and the Committee accepted the recommendation, that IBM be awarded the contract.

The Letter of Intent authorized IBM to commence the work contemplated by the proposed agreement forthwith, and undertook to recompense IBM for any work done on the basis of the standard IBM method rates should the proposed agreement not be signed and completed by both parties.

Your Committee, therefore, recommends that Convocation approve that IBM provide data processing services to the Ontario Legal Aid Plan of the Law Society and that Convocation also approve the Committee's recommendation that J. H. C. Clarry, Q.C., be appointed counsel to settle the form of the contract for execution by the Treasurer and the Secretary of the Law Society.

#### COMMITTEE APPOINTMENT

On July 17th, 1967, Mr. Robert F. Reid, Q.C., met with the President of the Ontario Law Students Association, Mr. James J. Walsh. Mr. Walsh then met with Professor Peck of Osgoode Hall Law School, Mr. Ron Mossman, the Osgoode Hall Vice-President of the Ontario Law Students Association and Mr. Crawford M. MacIntyre, Chairman of the Osgoode Hall Legal Aid Committee, to prepare a brief setting out the law student's immediate hopes and future desires under the Plan.

Mr. Reid reported to the Committee on his meeting with Mr. Walsh and recommended that Mr. Lyle S. Fairbairn, Solicitor, be appointed a member of the Legal Aid Programme Committee, with the special responsibility of integrating the work of student Legal Aid Societies with the Ontario Legal Aid Plan.

Mr. Fairbairn is a past Chairman of the Legal Aid Society at Osgoode Hall and submitted a report to the Joint Com-

mittee on Legal Aid in 1963 and has had published several articles setting out the role of a law student in a legal aid plan.

Your Committee recommends that Mr. Lyle S. Fairbairn be appointed a member of the Legal Aid Programme Committee, by virtue of his special interest in the work of the student Legal Aid Societies.

#### AREA COMMITTEES

Section 4(1) of The Legal Aid Act, 1966 provides that the Law Society may appoint a Legal Aid Committee for an area. Your Committee recommends that the following be appointed members of the Legal Aid Area Committee for the following areas:

1. *Halton County*

D. A. Carnie, Solicitor, Burlington

(Mr. Carnie will replace Mr. L. D. Dingle, Q.C., deceased)

2. *Welland County*

Joseph L. Rosberg, Vice-President of Rosberg Company Holdings, Niagara Falls

3. *County of Wellington*

Kenneth Rae, Solicitor, Guelph

Miss Joan Heath, Solicitor, Guelph

Jeremiah W. Matthews, Solicitor, Guelph

4. *County of Simcoe*

Henry Dyce Howitt, Executive, Barrie.

Barstow H. Miller, Imperial Oil Company, Barrie.

Your Committee met on Wednesday, the 23rd day of August, 1967, the following members being present: Mr. Thomas Callon, Chairman, and Messrs. Beament, Caldbick, Martin, Reid, Waugh and Sale.

#### DEPUTY AREA DIRECTOR, YORK COUNTY

The Director recommends the appointment of Mr. William R. Donkin, Solicitor, as the Deputy Area Director for the County of York; his duties to commence early in September, 1967.

#### APPOINTMENT OF A SUBCOMMITTEE TO DEAL WITH AMENDMENTS TO THE ACT AND THE REGULATION

Your Committee has appointed a subcommittee consisting of Mr. G. E. Beament, Q.C., Chairman, and Messrs. Martin,

Sale and Lawson. The subcommittee's terms of reference are: to deal with the proposed amendments and to seek out suggested amendments to the Act and Regulation.

#### COMPLAINTS (PART VII OF THE REGULATION)

Mr. Kenneth Jarvis, Secretary of the Law Society, wrote to Mr. G. Arthur Martin, Q.C., with respect to the way in which complaints arising out of Legal Aid should be handled.

Mr. Martin discussed this matter with Mr. Henry Bull, Q.C., a member of the Discipline Committee, and wrote to the Director, enclosing a copy of his letter to Mr. Jarvis, wherein he outlines his views with respect to complaints relating to Legal Aid. The following is an excerpt from Mr. Martin's letter:

"My view is that all complaints relating to Legal Aid when received should be referred to the Director. The Director will then conduct or cause to be conducted an investigation; consulting the Legal Aid Programme Committee or a member thereof if he considers it necessary. I think it is preferable to have the initial investigation conducted by the Director because he will have more ready access to sources of information in matters relating to Legal Aid because of his position in relation to the Legal Aid Plan. After the Director has completed his investigation he will make a report. Included in his report will be an opinion as to whether there has or has not been professional misconduct on the part of any member of the profession. He will then send the report to you for the consideration of the Discipline Committee. Such a procedure would be in conformity with Sections 117, 118, 119 and 120 of the Legal Aid Regulation relating to complaints. It would also have the advantage of dealing with all complaints arising out of Legal Aid on a uniform basis; otherwise there might be contemporaneous investigations being conducted with respect to the same matter by yourself, the Director and the Area Director concerned and different conclusions reached.

The Discipline Committee on receipt of the Director's report will make the ultimate decision as to whether professional misconduct has taken place and whether a charge should be laid. The Discipline Committee will, of course, be free to make any further investigation it deems advisable for its own purpose or to request additional information".

A copy of Mr. Martin's correspondence was forwarded by the Director to Mr. W. Gibson Gray, Q.C., Chairman of the Discipline Committee. Mr. Gray replied that he considered the procedure highly appropriate.

Your Committee recommends the adoption of this procedure.

#### YORK COUNTY AREA COMMITTEE

Your Committee recommends, after consultation with the York County Area Director, that Mr. Timothy S. Mills, Q.C., and Mr. W. Glen How, Q.C., be appointed members of the York County Area Committee.

THE REPORTS WERE ADOPTED.

CONVOCATION THEN ROSE.

DISCIPLINE COMMITTEE—Mr. Gray

IN THE MATTER OF THE LAW SOCIETY ACT AND IN  
THE MATTER OF A BARRISTER AND SOLICITOR

In July 1966 the solicitor was visited by the Society's auditors and their unscheduled examination of his books and records showed that he had not maintained during that year a record of a monthly comparison between his trust liabilities to clients and funds on deposit in trust. The solicitor was required to have a Chartered Accountant file a certificate with the Society that his books and records complied with the Society's Rules Respecting Accounts. The solicitor failed to have such a certificate filed with the Society. Accordingly, Messrs. Clarkson, Gordon & Co. were instructed to make an investigation. Based on their Report, Notice of Complaint was served upon the solicitor, returnable before your Committee the 20th day of July 1967. It contained the following specific complaints:

"TAKE NOTICE that it is alleged that you have been guilty of professional misconduct and conduct unbecoming a Barrister and Solicitor in that you:

1. contrary to Rule 1 of the Rules Respecting Accounts, failed to forthwith deposit into a trust bank account sums totalling approximately \$3,000.00 during the period January 1, 1966 to May 8, 1967;
2. contrary to Rule 3 of the Rules Respecting Accounts, during the period January 1, 1966 to May 8, 1967, have drawn the sum of approximately \$6,600.00 from your trust bank account, the aforementioned sum being not properly required for payment to or on behalf of clients or in respect of liabilities of clients to you;
3. contrary to Rule 6 of the Rules Respecting Accounts, during the period January 1, 1966 to May 8, 1967, have

failed to maintain at all times and particularly in the month of May 1967 sufficient money on deposit in your trust bank account to satisfy your indebtedness to clients for trust funds."

Your Committee met at the appointed time, the following members being present: Mr. Isadore Levinter, Chairman, and Messrs. Goodman, Seymour and Slein. The solicitor attended without counsel, and indicated that he did not intend to retain one.

The solicitor acknowledged receiving the Notice of Complaint and the report of Messrs. Clarkson, Gordon & Co. and stated that he had no dispute with either.

Your Committee concluded on all the evidence that the shortages and the difficulties the solicitor experienced were the result of his being misled by his secretary, in whom he had implicit confidence, and latterly his accountant, who did not supply accurate reports and there was no deliberate attempt on the part of the solicitor to deplete his trust account and that throughout he acted in good faith.

Your Committee finds all of the specific complaints to be established and recommends under the circumstances:

1. That the solicitor be reprimanded in Convocation and that the fact that he has been reprimanded be published in the *Ontario Reports* in the Minutes of Convocation;
2. That he be required within the first fifteen days of each month hereafter and until further notice to supply a bank reconciliation of his trust account;
3. That each cheque written on his trust account be countersigned by his accountant or his accountant's representative;
4. That he be required to pay the costs of the Society's investigation within one year from this date; and
5. That he undertake that no monies will be withdrawn from his trust account for other than trust purposes until it has been earned and unless the withdrawal has his specific approval.

Dated this 14th day of September 1967.

"I. Levinter"

Chairman

The solicitor attended without counsel and made certain representations and gave his undertaking to comply with the requirements proposed in the Report.

Moved by Mr. Bowlby, seconded by Mr. Cass, that publication of the matter be made without including the name of the solicitor.

*Carried*

Moved by Mr. Levinter, seconded by Mr. Dubin, that the recommendation in the Report respecting costs be changed to read:

- "4. That he be required to pay the costs of the Society's investigation within three years in six equal semi-annual payments."

THE REPORT AS AMENDED WAS ADOPTED.

The solicitor returned and was informed of the amendments. The Treasurer administered a reprimand.

### DETAILS

During the period 1st January to 30th June 1967 the Discipline Committee considered applications for grants from the Compensation Fund in respect of R. C. Brown, Robert Castor, J. R. Denny, L. A. Fitzpatrick, R. F. X. Marentette, B. Ogrysek and E. H. Slater. The Report of the Referee, Mr. Peter Wright, Q.C., concerning the J. M. Drysdale hearings was accepted and a pro rata distribution made to bring the total grants within the \$50,000 limit. In each case where

a grant was made your Committee was satisfied that a solicitor and client relationship existed and that the loss resulted from misappropriation by the solicitor. The applications were disposed of as follows:

## DISCIPLINE COMMITTEE

### GENERAL REPORT

Your Committee met on the 14th of September 1967, the following members being present: Mr. W. Gibson Gray, Chairman, and Messrs. Beament, Bowlby, Bull, Cass, Common, Creighton, Dubin, Evans, Ford, Henderson, Howland, Levinter, MacKinnon, Pattillo, Robins, Slein and Strauss.

### ESTIMATES

The Estimates for the Discipline Committee for the year 1967-68 were considered and approved at \$60,000.00.

### COMPENSATION FUND: LEVY:

Your Committee recommends that the Compensation Fund Levy be set at \$60.00 for the year 1967-1968.

### SLUM LANDLORDS

In the fall of last year, publicity was given in the local newspapers to practices of certain people in dealing with real estate which resulted, it is alleged, in over-inflated prices being paid for property and/or mortgages on the property. Inasmuch as such real estate transactions would somewhere require the services of lawyers, it was felt advisable to have an investigation made of the situation to determine what part was actually played by what members of the legal profession. Mr. F. K. Higginbottom, Q.C., was asked to look into the matter for the Society. Subsequently a report was forwarded to the Society and was considered. Your Committee is of the opinion that there is insufficient evidence at this time to proceed against lawyers named therein.

THE REPORT WAS ADOPTED.

#### UNAUTHORIZED PRACTICE COMMITTEE—Mr. Strauss

Your Committee met on the 14th September 1967, the following members being present: Mr. Strauss, Chairman, and Messrs. Beament, Bowlby, Cass, Fennell and Henderson.

#### THE IMPERIAL LIFE ASSURANCE COMPANY

At its February meeting your Committee considered a letter written by the Imperial Life Assurance Company with respect to the employment at its Head Office in Toronto of a member of the Ohio Bar as the Company's prime consultant on U.S. legal matters. It is expected that in time this man would be in correspondence with State Insurance Departments, Branch Managers, and agents in the United States. A question raised by the Company concerned the propriety of his being made to appear as a member of the Legal Department to those outsiders with whom he is in contact. Your Committee's report to Convocation was referred back by Convocation at its February meeting for further consideration. Your Committee then appointed a sub-committee composed of Messrs. Strauss, Callon and Beament to give further consideration to the question.

This sub-committee obtained much valuable and extensive material with respect to this problem from numerous Law Societies and other sources. Your Committee has now received the Report of this Sub-Committee.

Your Committee recommends that the Secretary be instructed to write to The Imperial Life Assurance Company of Canada advising that the Law Society has no objection to the Company's proposal as set out in its letter to the Society of the 11th January last, as long as this United States lawyer does not hold himself out and is not held out by the Company in any way as being qualified to practice law in Ontario, and does not in fact practice law in Ontario.

RE: NEW YORK LAW FIRM OPENING OFFICE IN ONTARIO

The Law Society has received a letter dated 20th July 1967 from a firm of Ontario lawyers inquiring as to the permissibility of a qualified firm of attorneys practising law in the State of New York opening an office in the Province of Ontario for the purpose of rendering opinions restricted solely to questions of American law.

Your Committee recommends that the Secretary be instructed to write to the Ontario firm of lawyers advising that the Law Society disapproves of the proposal.

THE REPORT WAS ADOPTED.

SPECIAL COMMITTEE ON OSGOODE HALL LAW  
SCHOOL AFFILIATION WITH YORK UNIVERSITY

Mr. Howland

Your Committee met on Monday, the 18th day of September, 1967, at 4:45 p.m., the following members being present: Mr. W. G. C. Howland, Chairman, and Messrs. Arnup, O'Brien and Robins.

The Chairman reported that because the strike in some of the building trades continues it now appears unlikely that the Law School building at York will be completed by the fall of 1968 and that it may not be possible for the School to move until the fall of 1969.

The Committee considered the opinion of Messrs. Fraser, Beatty, Tucker, McIntosh & Stewart respecting the Scholarship and Prize Trusts and recommends that with the concurrence of counsel for York University the matter be taken up with the Legislative Counsel with a view to seeking a private bill to effect transfer to York of all scholarship, bursary and loan funds now under the Society's control for the benefit of students at Osgoode Hall Law School.

With respect to the Phillips Stewart Library, the Committee received the report of the Library Sub-Committee of the Special Committee on Osgoode Hall Law School Affiliation with York University dated 12th July, 1967. Your Committee recommends that the Society retain the items listed in paragraph 1 of the Sub-Committee's report and that the books which are to go to York be donated to York University by the Law Society.

THE REPORT WAS ADOPTED.

## STUDENT LEGAL AID SOCIETIES

A lengthy discussion took place concerning the problems involved in organizing student legal aid under the new Legal Aid Plan. The Committee is of the opinion that additional provisions will be required in the Regulation in order to properly control student legal aid activity under the Plan. Mr. Fairbairn was requested to make such enquiries and conduct such study of the problems as he considered necessary in order to submit his recommendations to the Committee as to the manner in which the students should participate in the work of the Plan. The sub-committee charged with the responsibility of recommending amendments to the Statute and Regulation agreed to give this matter priority of consideration.

The Secretary wrote, at the Committee's direction, to the Deans of all approved law schools in Ontario asking for their views of the Committee's policy and of a proposed change which would require all teachers who wish to be called to the Bar to complete the Bar Admission Course or part of it. #### ELEVATOR TO THIRD FLOOR LOUNGE

From time to time consideration has been given to providing elevator service to the third floor lounge. The steps are long and steep and many older members of the profession wisely refrain from using them. The rooms are not used to the extent they could be. It is extremely difficult to provide refreshments there because the caterers shrink from carrying trays up the stairs. Alternative sites for an elevator have been explored by Mr. Heeney who suggests either that the present freight elevator used to lift supplies from the basement truck tunnel to the barristers' lunch room be converted to carry passengers as well as freight and extend up to the third floor lounge; or alternatively a separate elevator could be constructed either in the stair-well or in a corner of the court yard. The cost would be approximately between \$33,000. and \$36,000.00.

Your Committee recommends that consideration of this matter stand to the November meeting.

#### DALHOUSIE UNIVERSITY

A letter from Dean W. A. ## ONTARIO INTERPROFESSIONAL LIAISON COMMITTEE

Mr. Howland presented the Report of the Ontario Inter-professional Liaison Committee:

A meeting of the Interprofessional Liaison Committee was held on June 27th, 1967 as the guests of the Ontario Association of Architects.

1. SPECIALIZATION — The major topic discussed was that of specialization. Papers were presented by the medical and dental professions which are the most advanced in the matter of specialization. In the case of the medical profession The Royal College of Physicians and Surgeons, a national voluntary body, sets the standards and conducts the examinations both for the higher Fellowship qualification, and for the lower Certification qualification in one of some twenty-five specialties. Approximately one-half of the medical practitioners in Canada hold one or another of the specialist qualifications of The Royal College of Physicians and Surgeons of Canada. When certification began specialist certificates were granted without examination for the first few years to those who were adequately trained and already established in practice. There is no attempt to influence the number of physicians who may choose to become specialists. With the exception of Quebec which conducts its own program of certification of specialists the licensing authorities of most provinces have recognized the Royal College qualifications as the standard for recognition of specialist status. A physician may be qualified in more than one specialty. There is no compulsory program for continuing education of medical specialists to ensure that they remain up to the required standard. There is a very significant shortage of general practitioners.

In the dental profession five specialties are recognized. In Ontario the ratio of specialists to general practitioners in the dental profession is 1/16. If a dentist is licensed to practise as a specialist in Ontario he must limit his practice to that specialty to the exclusion of general practice. His qualification can be revoked if he becomes disqualified to practise as a specialist.

The engineering profession like the legal profession is considering specialization. In the accounting profession only the licensing of trustees in bankruptcy and the specialty of management consulting can be referred to.

2. VOCATIONAL GUIDANCE SUMMER COURSES — The professions participated once again in the summer courses for Voca-

tional Guidance teachers conducted by the Department of Education. The legal profession was represented by Mr. R. J. Roberts, Q.C. and participated in a panel discussion on "The Professions — Recent Trends and Developments" and also gave some five presentations to smaller groups of teachers.

3. LONG RANGE PLANNING — A Survey is being made of the extent to which each of the professions make and use long range plans covering a period of five to ten years.

THE REPORT WAS RECEIVED.

#### LEGAL AID PROGRAMME COMMITTEE—Mr. Callon,

Your Committee met on Wednesday, the 18th October, 1967, the following members being present: Mr. Thomas Callon, Chairman, and Messrs. Caldbick, Fairbairn, Houser, Reid, Sale and Waugh.

#### YORK COUNTY LEGAL AID OFFICE

The report from Woods, Gordon & Company, on the organization of the York County Legal Aid office, in its final form, was presented to the Committee.

The Committee reviewed the report and recommended its adoption.

Copies of the report of Woods, Gordon & Company have been forwarded to the Secretary of The Law Society of Upper Canada.

#### STUDENT LEGAL AID

In accordance with the request of the Legal Aid Programme Committee to Mr. Lyle Fairbairn at its meeting of September 21st, 1967, Mr. Fairbairn submitted for the consideration of the Committee, a memorandum dated September 29th, 1967, setting out his recommendations for the manner in which the study of the participation by Ontario law students and student legal aid societies in legal aid should be made.

The Committee carefully reviewed this memorandum and a copy of the memorandum as finally adopted by the Committee, is attached as Schedule A to this report.

Mr. Fairbairn also submitted for the consideration of the Committee, a further memorandum dated September 30th, 1967, setting forth his recommendations as to the manner in which existing University of Toronto and Osgoode Hall legal aid societies might continue their activities pending the final report and decision of the Committee.

This memorandum was also considered and a copy of the memorandum as finally adopted by the Committee, is attached as Schedule B to this report.

#### PAYMENT OF COSTS OF UNASSISTED PERSONS OUT OF THE FUND PART VI OF THE REGULATION

The Committee considered a request on behalf of Montreal Trust Company for payment of the costs awarded to it against a defendant who was represented under a legal aid certificate.

The judgment obtained by Montreal Trust Company in the action was for \$5,567.84 for debt, plus \$235.98 for interest and costs taxed in the sum of \$1,742.92.

After fully considering the request, it was the decision of the Committee not to grant the request.

#### INTEGRATION OF ONTARIO LAW STUDENTS INTO LEGAL AID PLAN

There appear to be several aspects to the proposed study involving the nature and extent to which it is desirable to have student participation in the new Legal Aid Plan.

##### *Status of Law Students*

The status of law students to appear in Magistrate's Court, Division Court, Juvenile and Family Court and various admin-

istrative tribunals must be examined in the context of the following:

- (a) Legal Aid Act,
- (b) The Law Society Act,
- (c) The Solicitor's Act,
- (d) rulings of the Law Society Committee on unauthorized practice,
- (e) the recommendations of the current Law Society Committee which is reviewing the status of law students.

The object of this preliminary study will be to better understand a currently "muddy" problem and to suggest workable amendments to any relevant legislation where it might appear to be necessary or desirable.

Once this preliminary matter has been considered in some detail, it will then become necessary to review for the purpose of the report and recommendations to the Legal Aid Programme Committee the following:

- (a) The nature and extent that student participation as counsel in the minor courts is desirable.
- (b) The most desirable forms of assistance by students, the extent to which student assistance may be counted upon, and the possible mechanics of the assistance programme.

(It must be noted that Regulation 71 of the Legal Aid Act provides for student assistance to panel lawyers and duty counsel in very broad terms; it will probably not be necessary to amend that regulation. Insofar as the assistance branch of the student programme is concerned, the study will probably be confined to the mechanics of its administration, the "forms" of assistance, and the extent of the cooperation which the plan may count upon from students by way of assistance.)

### *The Report*

I think that the Legal Aid Programme Committee would like to have the following information in the final report:

- (a) The views of law school administrators regarding
  - i. student participation in Legal Aid generally,
  - ii. The Student Assistance Programme.
  - iii. students appearing in the minor courts,
  - iv. the willingness of the law schools to experiment with a system of "credits" to be given to law students who participate in Legal Aid.

(b) The views of those Area Directors having a law school within their area regarding,

- i. student assistance in the area office,
- ii. the assistance of duty counsel,
- iii. the nature of assistance which might be given to panel lawyers generally,
- iv. their views regarding student appearance in the minor courts on cases not covered by the Plan.

(No doubt there will be circumstances peculiar to the various communities in the Province which may involve variations in the Student Programme from area to area; perhaps we are most likely to pick up these variations in the interviews with Area Directors.)

(c) Any representations or briefs submitted by student representatives.

(d) The internal organization of any student Legal Aid Programme which may be found to exist in the Province.

(e) The nature and extent of student participation in Legal Aid under the old plan in the various law school communities in the Province.

(f) Any records kept by students ought to be incorporated into the report.

(g) The observations regarding the internal organization of any United States' student Legal Aid Societies visited in the course of the study together with any observations as to the following:

- i. the nature and extent of student participation in the U.S. currently,
- ii. the framework of Legal Aid in various "selected" states within which the societies referred to in subparagraph 1 operate,
- iii. the nature and extent of U.S. law school endorsement of such societies and the mechanics of any system of "credits" where such may exist,
- iv. any "trends" which may be observed in the operation of U.S. student Legal Aid Societies.

It must be noted that none of the foregoing comments allude to a distinction between "articled" and "undergraduate" law students. No doubt this distinction will assume some importance in the course of the study. Undoubtedly the "mechanics" related to involving articled law students in any scheme of student participation within the Ontario Legal Aid Plan

would be somewhat different and I expect that the distinction will also assume some importance when the Committee entertains the question on the status of law students generally. At present, I cannot conceive of any active participation in the Plan by law students engaged in the final 6-month lecture-seminar portion of the Bar Admission course. If the report is to be complete, however, it must be at least considered.

### *Interviews*

It occurs to me that it would be necessary and proper for me to interview the following persons in order to insure that the study is reasonably complete:

1. Area Directors in:
  - i. Toronto,
  - ii. Ottawa,
  - iii. London,
  - iv. Kingston,
  - v. Windsor.
2. The Law School Administrators.
3. The Director of the Bar Admission course.
4. Student representatives of the various law schools.
5. The President of the American Law Students Association.
6. The President of the Ontario Law Students Association.
7. The personnel charged with the administration with those courts or tribunals in which it may be contemplated that students will appear.

### SCHEDULE B September 30, 1967

#### STUDENT LEGAL AID SOCIETIES — INTERIM PROPOSALS

With respect to the interim operation of the Toronto Student Legal Aid Societies the Programme Committee appears to adopt the following views:

1. Insofar as Section 20 and Section 71 of the Legal Aid Act and Regulation provide for assistance by law students to duty counsel and/or panel solicitors, Student Legal Aid Societies are recognized and their activity may be endorsed.
2. Any endorsement by the Law Society, tacit or otherwise, of student appearances in the minor courts is premature.

3. The Programme Committee recognizes that law students may perform a useful social service by appearing in the minor courts on behalf of indigents who would have no other form of representation.
4. Student organizations, insofar as current appearances in minor courts are concerned, are voluntary and in the nature of a welfare service; their status can be no higher than that of "agents" and they operate wholly outside the provisions of the Legal Aid Act.
5. Unless and until these activities are brought within the provisions of the Legal Aid Act it must not be made to appear that applicants for legal aid are in any manner "referred" to the Student Legal Aid Societies by any representative of the Area Director's office, or of the Law Society.
6. While the role of the law student in the Ontario Legal Aid Plan is under review, the Committee does not wish to take any action which would jeopardize the implementation of any future proposals respecting court appearances by students which it may see fit to make.

#### *The Proposals for Undergraduate Students*

If the above-mentioned views are accurately stated I would propose the following as an interim plan for the benevolent activities of law students pending the report and recommendations of the Legal Aid Programme Committee:

1. An interview with the combined undergraduate student representatives of the University of Toronto and Osgoode ought to be arranged immediately to discover the extent to which students are currently willing and able to offer assistance under Regulation 71.
2. Following that interview a letter to the attention of panel solicitors ought to be drafted providing them with information related to the assistance which they can expect to receive from the undergraduate students and the mechanics involved in obtaining a student for that purpose.
3. The draft letter should be submitted to the sub-committee of the Legal Aid Programme Committee for approval and if approved it should be forwarded to the Area Director in Toronto with the request that all panel members be so informed.
4. It is recognized that undergraduate students, outside of the Legal Aid Act and Regulation, may continue to appear on behalf of indigents who would clearly otherwise be unrepresented in the following instances:

- i. in Magistrate's Court on summary conviction matters which do not involve a potential loss of livelihood or any likelihood of imprisonment.
  - ii. in Division Court for indigents who have been refused a legal aid certificate.
5. Where students participate otherwise than as provided pursuant to Section 71 of the Regulation the name "Legal Aid" Society should not be adopted: they should employ the name "Student Voluntary Defender Society" or other similar nomenclature which does not contain the words "Legal Aid".
6. The Social Planning Council of Metropolitan Toronto should be appraised of the existence of the voluntary service undertaken by law students, the circumstances of its application and the manner in which a qualified indigent may obtain a student to represent him.
7. An applicant who has been refused legal aid for other than financial reasons in the matters described in Paragraph 4 may be referred to the Society Planning Council whose support I hope we might enlist for the ultimate referral to the Defender Society during this interim period.

L. S. Fairbairn.
