DOMINION-PROVINCIAL STUDENT-AID BURSARIES.

The Dean submits a memorandum to the effect that the Minister of Education has approved the recommendation recently submitted by the Committee of Award to the effect that Dominion-Provincial Student-Aid Bursaries be made available to students at Osgoode Hall.

The plan to provide Bursaries is covered by the following points:

1. Osgoode Hall is to be classed as an eligible institution for *Type B* Bursaries commencing with the academic year 1951-1952.
2. Type B Bursaries are available to students enrolled in the First, Second and Fourth Years of the Graduate Class.
3. Type B Bursaries are available to students enrolled in the Third, Fourth, and Sixth Years of the Matriculant Class. Third Year students of this class may not apply for a Bursary until after 1st January of the current academic year.
4. Maximum values of the Bursaries mentioned in 2 and 3 above, are to be \$400 (non-resident) and \$200 (resident) with no fixed minimum values.
5. These Bursaries are to be subject to the same conditions which are laid down for University Bursaries in the Announcement and Conditions of Award (Exam. Circular 115), dated March 1951, with the following exception: That the total number of years' assistance to *any* student under a Type B Bursary, whether or not a degree is involved, be limited to four years.

Your Committee notes with approval the information with reference to these Student-Aid Bursaries and approves the Dean's recommendation that a letter of appreciation be written to Mr. R. L. Elgie for his successful efforts in having these Bursaries made available to students at the Osgoode Hall Law School.

RE BURSARIES.

To the Members of the Legal Education Committee

Re Committee on Bursaries.

In June 1950, the Legal Education Committee, pursuant to a memorandum of the Dean, recommended the establishment for students of the Second and Third Years, of not more than

5 Bursaries of \$200 each, payable from the Wallace Nesbitt Trust Fund; and the establishment for students of those years of a Bursary of \$180 (or up to \$200), payable from the Osgoode Hall C.O.T.C. Trust Fund.

The Legal Education Committee further recommended that a small committee should make selections with reference to these Bursaries and recommend to the Legal Education Committee.

The Committee was to consist of the Treasurer, the Chairman of the Legal Education Committee, the Dean of the Law School and one Benchler to be nominated by the Treasurer, each with the power to appoint an alternate.

In February 1951, Mr. William Randolph Sweeny made a gift of \$1,000 to the Law Society for the establishment of a Bursary to help pay the fees of needy students. His gift was entirely in the discretion of Convocation with no conditions attached.

SPECIAL COMMITTEE ON CONTINUING EDUCATION OF THE BAR.

In the absence of the Chairman, Mr. Stewart presented the Report.

On May 17, 1951 following adoption of the Special Committee's final report on the Special Lectures of 1951, the Treasurer appointed a new Special Committee consisting of Messrs. Beaton, Davis, Haines, Jamieson, Pickup and Stewart.

Since its appointment your Committee has met on two occasions, and at the first meeting Mr. Pickup was elected Chairman.

Your Committee met on October 17, 1951 when the following members were present: Messrs. Beaton (in the Chair), the Treasurer, Haines and Jamieson.

Pursuant to the settled policy of Convocation with reference to Continuing Education of the Bar, your Committee recommends that a special course of lectures be given in February or March 1952 on the subjects of—

- (1) Practice and Costs
- (2) Domestic Relations (including Divorce);

that the lectures be held in Toronto; that two lectures each be given on Thursday and Friday afternoon and two on Saturday morning on two consecutive week-ends to be fixed by your Committee; and that an honorarium of at least \$100.00 per lecture be paid to each lecturer.

Your Committee has considered the names of lecturers for each subject, and will report further to Convocation when these have been selected.

THE REPORT WAS ADOPTED.

SPECIAL COMMITTEE ON CANADIAN BAR ASSOCIATION, ANNUAL MEETING 1951—Mr. Jamieson.

At the meeting of Convocation on January 18, 1951, it was ordered that a Special Committee be appointed to consider the entertainment to be provided by the Law Society at the Annual Meeting of the Canadian Bar Association to be held in Toronto in September 1951. A Special Committee was appointed consisting of Messrs. Jamieson, McLaughlin and Pickup.

At the meeting of Convocation on May 17, 1951 after considering suggestions for such entertainment, it was decided that the Law Society give a garden party at Osgoode Hall for the members of the Association and their wives registered for the Annual Meeting. In deciding on this form of entertainment consideration was given to the fact that no other provincial Law Society had an appropriate setting like Osgoode Hall and its grounds for such an entertainment, and that many members of the Association would welcome the opportunity to see Osgoode Hall and its grounds.

An invitation to the President of the Canadian Bar Association was duly extended and accepted, and the time of the garden party was set for the afternoon of Friday, September 14th, as the concluding function of the Annual Meeting.

At a special meeting of Convocation on September 6, 1951 the Treasurer reported that a change in the date of the Special Convocation for September 1951 for a special Call to the Bar was desirable in view of the fact that Sir Raymond Evershed, the Master of the Rolls, had been invited to attend the opening of the Law Centre, University of New York, on September 15th, 1951, and that the President of the Canadian Bar Association requested and approved the change. It was therefore ordered

that the Special Convocation and Call to the Bar be held on September 14, 1951 instead of September 15th as originally arranged.

On September 14th a garden party was held for the members of the Canadian Bar Association and their wives registered for the meeting and for the newly admitted barristers, their families and friends. It is estimated that 1,200 people attended the reception.

THE REPORT WAS ADOPTED.

CORRESPONDENCE.

The Treasurer read the following correspondence:

A letter from Miss Emily F. Denison thanking the Treasurer and Benchers for the Memorial to her brother, the late J. Shirley Denison, K.C.

Ordered that the letter be received and filed.

SPECIAL COMMITTEE ON EXAMINATIONS FOR SPECIAL CALL AND ADMISSION.

Mr. Jamieson reminded Convocation that this Special Committee was appointed on June 21, 1951 and that subsequent to its appointment a Special Committee had been appointed on Uniform Standards.

Moved by Mr. Jamieson, seconded by Mr. Rigney, that the Special Committee on Examination on Special Call and Admission be discharged, and that the subject be referred to the Special Committee on Uniform Standards.

Carried.

Convocation then rose.

C. F. H. CARSON,

SPECIAL COMMITTEE ON WAR MEMORIAL.

At the request of the Chairman, Mr. Cassels presented the Report:

Your Committee has now completed the work for which it was appointed in March 1946.

The War Memorial, in the form recommended by your Committee and approved by Convocation on January 19, 1950, is now in place in the rotunda of the centre wing of Osgoode Hall. In a simple and dignified service the Memorial was unveiled on October 18, 1951 by the Treasurer who presided at the ceremony. Major the Reverend and Honourable John W. Foote, V.C., read the prayers and the dedication service, and the Chairman of the Special Committee, W. J. Beaton, K.C., read the Roll of Honour, the names appearing on the base of the Memorial.

Following the ceremony a reception and tea was held in Convocation Hall.

An effort was made to invite the next-of-kin of all those whose names appear on the Roll of Honour, and many of them were present. The Honourable R. S. Robertson, Chief Justice of Ontario, the Honourable J. C. McRuer, Chief Justice of the High Court, and most of the Judges of the Supreme Court of Ontario, were present, together with many members of the profession. A copy of the programme is attached hereto as part of this Report.

Shortly after the unveiling ceremony the Chairman of the Special Committee received the following letter from the mother of one of the Law School students killed on active service:

"I wish to express my sincere thanks to the Law Society and especially the Committee, who so ably arranged the Memorial Service recently held in Osgoode Hall to those members who gave their lives in the Second World War.

"As a mother who ever feels the loss of a fine young son, I felt Mr. Carson's address and all of the service so appropriate and everything about the affair beautifully done — honouring our dear ones and creating an atmosphere of real sympathy and comfort for those who are left.

"Although my letter is rather late—please accept my gratitude for what you have done 'in remembrance'—"

On January 5, 1952 Pearl McCarthy, the art critic of The Globe and Mail, had a leading article headed — "Arts and Artists", dealing entirely with sculpture. The last two paragraphs of this article are:

"We walked into Osgoode Hall this week for our first look at the war memorial erected by the Upper Canada Law Society and done by Cleeve Horne. Everything taken into consideration, it is one of the best war memorials yet done in Canada. It sits well in the type of interior where it rests. In idea, it is exalting. A young mother holds up her child to the future, expressing the thought that the men gave their present for the world's future.

"Anybody can see some faint kinship in style to Milles, it is true, and probably the legs of this fine nude are slightly on the heavy side, though one knows that sculpture should always err on this side. But it is an original work, with fine modelling, and, over all, it is tasteful, artistic and moving. The Upper Canada Law Society may be thanked by the public for this bronze group. The Society can feel that, at a most crucial time, it gave leadership in the right direction in war memorials."

Your Special Committee recommends that it be discharged.

BARRISTERS AND SOLICITORS FEES—Full-time Crown Attorneys; Ontario Reports and Ontario Weekly Notes.

Harvey F. McCulloch, Q.C., on behalf of the Crown Attorneys Association, asks that full-time salaried crown attorneys who are not permitted to engage in private practice and who pay their Bar Fee, be supplied with Ontario Weekly Notes and Ontario Reports without charge as is the case with magistrates in similar circumstances.

This matter was before the Committee on January 15th and the Secretary was asked to write Mr. W. B. Common, Q.C., as to the possibility of the Attorney-General's Department supplying these Reports to such magistrates and crown attorneys.

On February 13th Mr. Common wrote as follows:

"I have discussed this matter with C. R. Magone, Q.C., and as the barristers and solicitors in the employ of the Government are responsible for the payment of their fees to the Law Society, the Government should not be called upon to supply the Reports and Notes to these Officials."

Your Committee recommends, in consideration of the greatly increased costs of publication, that the request be refused, and that the present policy of supplying Ontario Weekly Notes and Ontario Reports to Magistrates who are members of the profession and who pay their Bar Fee, be discontinued forthwith; and that such Crown Attorneys and Magistrates be informed

SPECIAL COMMITTEE ON MEMORIAL TO THE LATE WILLIAM GEORGE KERR, K.C.

Mr. Clement presented the Report of the Special Committee appointed to prepare a Memorial to the late William George Kerr, K.C., and it was ordered that it be recorded in the Minutes of Convocation and a copy sent to Mrs. Kerr:

MEMORIAL TO THE LATE WILLIAM GEORGE KERR, K.C.

William George Kerr, a Bencher of the Law Society of Upper Canada since the 16th May, 1946, died at his home in Chatham on the 19th December, 1951.

Mr. Kerr was born at Chatham on the 13th December, 1894. His father was John Garner Kerr, K.C., who practised law at Chatham and became Judge of the County Court of the County of Kent. His mother was Georgie Louise McLean. There were four children in the family of Judge Kerr so that Mr. Kerr had two brothers and a sister, all of whom survive him.

Mr. Kerr commenced his education at the Chatham Public and High Schools and then attended the Royal Military College, Kingston, from 1911 until he graduated there in 1914. He then entered The Law Society of Upper Canada as a graduate student, served under Articles of Clerkship, attended The Osgoode Hall Law School and was called to the Bar of Ontario and admitted as a Solicitor of The Supreme Court of Ontario on the 22nd May, 1919.

In the meantime he had been commissioned as a subaltern in the Great War which commenced in 1914. He was first in the 18th Battalion and then transferred to the 17th Battery. After attaining the rank of Captain in the fields of France he suffered a severe wound to his leg in 1917 which kept him in hospital for about a year and forced his retirement from Active Service. This injury to his leg caused him untold suffering throughout his life.

Mr. Kerr took to the Army naturally. His interest in it continued after he commenced the practice of law. He rose in rank until his high military qualities made him successively Lieutenant-Colonel in command of the 1st Kent Battalion and Colonel in command of the 1st Infantry Brigade, Military District Number 1.

On the outbreak of the Second Great War in 1939 Mr. Kerr reverted to the rank of Lieutenant-Colonel to enter the Active Forces. He went to England almost immediately as Assistant Judge Advocate General and returned to Canada in 1941 to assume oversight of the legal matters of the Army, Navy and Air Force in Military District Number 1. It was a matter of pride to him that he earned the Long Service Medal.

Following the Second Great War Mr. Kerr interested himself in politics. He was elected an Alderman of Chatham in 1945 serving for 4 years. During this time he was Liberal candidate for the Ontario Legislature in the election of 1945 but was not successful. He was, however, successful in his campaign for Mayor of Chatham in 1950 and served in that office for one year.

But these accomplishments must not be allowed to dim Mr. Kerr's accomplishments in his main profession of the Law. After

his call to the Bar Mr. Kerr entered practice with his distinguished father and with Mr. J. A. McNevin, K.C., a former Bencher of the Society, as Kerr, McNevin & Kerr. This partnership terminated when Mr. Kerr served in the Second Great War and subsequently he formed a partnership with his brother Mr. Douglas G. Kerr, who had also been serving in the Armed Forces. In 1951 Mr. Kerr had the pleasure of assisting Convocation in calling his son Mr. John McRitchie Kerr to the Bar and the firm of Kerr & Kerr still continues in Chatham as a partnership between Mr. Douglas Kerr and Mr. John McRitchie Kerr.

Mr. Kerr reached eminence in the practice of the law. He was appointed King's Counsel in 1934 and City Solicitor in April 1951. He occupied various offices in the County of Kent Law Association. He was appointed Bencher in 1946 and re-elected in 1951.

Mr. Kerr was popular with his fellow practitioners. The Bar of Kent voted for him to a man when he was elected Bencher. He was cheerful, amiable and courteous. But his exceptional qualities were remarkably illustrated by his amazing fortitude in his last illness. Told that he had cancer, he kept silence, and continued to practise his profession and attend his duties as Bencher of this Society until he was forced off his feet.

Mr. Kerr's hobbies were his garden and his boat. He had been Commodore of the Eriau Yacht Club. He was a Freemason, member of Victory Lodge Number 563.

On the 11th June, 1919, Mr. Kerr married Gladys Lillian Mary McRitchie of McKay's Corners, in Kent County, a graduate of the University of Toronto. All their children survive him. In addition to John McRitchie Kerr already mentioned, there are Thomas Stewart Kerr who intends to study medicine, Mrs. Hugh McKenzie of Chatham who has 3 children and Georgie Anne Kerr who is also at school.

The Society extends its sympathy to all of them in their bereavement.

"W. P. Clement".

"S. E. Weir".

SPECIAL COMMITTEE ON LEGISLATION.

Mr. Walsh informed Convocation that the Sub-Committee of the Rules Committee had considered the question of an increase in Surrogate Court Tariff, and its report would be before the Rules Committee at a special meeting on February 22nd.

THE REPORT WAS RECEIVED.

SPECIAL COMMITTEE ON CONTINUING EDUCATION OF THE BAR—Mr. Pickup.

In its Report dated January 16, 1952, your Committee recommended that the Secretary be authorized to make arrangements similar to those of the past two years with Richard DeBoo Limited for the printing of the Special Lectures of this year.

Arrangements satisfactory to your Committee have now been made. In spite of a substantial increase in the price of paper and in printing costs generally, the price to the profession will remain at \$9.25 per volume.

The number of volumes, 400 to 425, supplied to the Society is made up of those to be given to the members registered for the Course, to the special lecturers, to members of the Special Committee, the libraries at Osgoode Hall, and the County Law Associations. The latter will pay for their own volumes but receive them at a special price.

The Volume will be uniform in size and binding with those of the last two years so that eventually there will be a uniform set of Special Lectures.

Mr. Richard DeBoo has again agreed to bind specially at no extra cost the volumes for the lecturers and for the members of the Special Committee, and to supply to the Secretary at no cost sufficient volumes to send a complimentary copy to the Secretary of each of the other Law Societies in Canada and of the Law Society in England.

Copies will also be made available to all students at the Law School at a special price provided the copy is purchased for the use of the student himself.

1. At the meeting of Convocation held on September 6th, 1950 your Committee was appointed to study and report to Convocation on the matter of Uniform Standards for Admission of Barristers and Solicitors as well as students from one province to another. At the Conference of Governing Bodies held on September 10th, 1951, a report was given to the Conference that Convocation had expressed itself generally in favour of some form of Uniform Standard of admission from one province to another, but was not prepared to accept the report of the Committee of the Conference of Governing Bodies and had

appointed a Special Committee to study the matter and report to Convocation. The Special Committee so appointed consists of the following in addition to the Treasurer: Messrs. Pickup (Chairman), Beaton, Cassels, Jamieson, Mason, Maclaren, MacTavish, McLaughlin and Robinette.

2. Your Committee is of the opinion that a distinction should be drawn between the case of a member from the Bar of another province seeking only to appear as counsel in a court in Ontario in a particular matter and the case of a permanent transfer of a barrister or solicitor from one of the provinces to another.

3. Your Committee is further of the opinion that barristers and solicitors desiring to transfer from any of the other provinces to Ontario might properly be called to the Bar in Ontario and/or admitted as Solicitors in Ontario upon compliance with the following requirements:

(a) A candidate for call to the Bar or admission as a Solicitor in Ontario who at the time of petition has been a Barrister and/or Solicitor in active practice in another province for the six years next preceding his petition for call and/or admission in Ontario would be required to pass an examination prescribed by the Law Society of Upper Canada, produce evidence of good standing, satisfy the Law Society of Upper Canada that he had been in active practice as a Barrister and/or Solicitor in the province from which he comes for the six years next preceding his application for call and/or admission in Ontario and pay a fee to the Law Society of Upper Canada of \$500.00;

(b) A candidate for call to the Bar or admission as a Solicitor in Ontario who at the time of petition has not been in active practice in one of the other provinces for a period of six years immediately preceding his petition but has been a Barrister and/or Solicitor in active practice in such other province for a period of not less than three years immediately preceding his petition for call or admission in Ontario would, in addition to compliance with the requirements specified in (a), be required to serve under Articles with a Solicitor in Ontario for a period of one year prior to call to the Bar and/or admission in Ontario:

(c) A candidate for call to the Bar or admission as a solicitor in Ontario who at the time of petition has not been in active practice in one of the other provinces for a period of three years immediately preceding his petition but has been a barrister and/or solicitor in active practice in one of the other provinces for a period of less than three years may be admitted to the Law Society of Upper Canada as a student-at-law and called to the Bar and/or admitted as a solicitor in Ontario upon attending the Osgoode Hall Law School and passing the examinations and paying the fees required of students-at-law.

(c) The evidence of good standing required should consist of a certificate of good standing from the governing body of the province from which the candidate comes, showing that the candidate seeking call to the Bar and/or admission in Ontario has not been struck from the rolls or suspended from practice for misconduct by the governing body of the province from which he comes and that no charge of misconduct of any kind is pending against him in that province at the time of his petition for call or admission in Ontario. If such candidate, prior to call to the Bar or admission as a Solicitor in the province from which he seeks admission in Ontario, was a member of any other governing body elsewhere, the evidence of good standing should also show that the candidate had not been struck off the rolls or suspended from practice for misconduct by such other governing body prior to being called to the Bar or admitted as a solicitor in the province from which he seeks admission in Ontario;

(e) The examination to be prescribed by the Law Society of Upper Canada referred to in (a) will be an examination in accordance with a syllabus which the Law Society will prescribe and the examination will be set and conducted by the Osgoode Hall Law School, which examination should, in the opinion of your Committee, cover the following subjects: Administrative Law, Company Law, Family Law, Land Law (including real property and land registration), Practice and Wills, Trusts and Administration of Estates, including Succession Duties. In the case of transfer from the Province

of Quebec, the examination to be prescribed by the Law Society of Upper Canada should, in addition to the foregoing subjects, include an examination on Common Law.

4. In the case of a barrister from some other province of Canada, including Quebec, desiring call to the Bar in Ontario only for the purpose of appearing in a Court in Ontario in a particular matter, your Committee is of the opinion that this should not be done by call to the Bar in Ontario but that the barrister from such other province should be required to obtain the permission of the Law Society of Upper Canada to appear in the particular matter in which he desires to appear and that such permission would be in the discretion of the Law Society of Upper Canada, the intention of your Committee being that the Law Society of Upper Canada, by the exercise of its discretion, would prevent abuse of the privilege and also in proper cases require the barrister from another province seeking such privilege to have with him at the trial of the particular matter a member of the Bar of Ontario. It is also the opinion of your Committee that the privilege in this paragraph referred to be accorded as a matter of courtesy and without fee and that the privilege be extended only to members of the Bar of other provinces who accord a similar privilege to members of the Bar in Ontario.

5. With regard to transfer of students-at-law from other provinces to Ontario, your Committee is unable to recommend any standard which could properly be applied in all cases or even as a general rule, but recommends that all such transfers be dealt with by the Law Society of Upper Canada as individual cases and as the circumstances of each case may require.

Your Committee recognizes that amendment to the Statute constituting a governing body may be necessary to implement this report in order to enable a governing body to grant permission to appear in a court without call to the Bar, but consideration of the necessary amendments to Statutes or Rules can be considered if and when the principle is decided.

Your Committee further recommends that if this report be adopted by Convocation a copy thereof be sent to the other governing bodies and to the Secretary of the Conference of Governing Bodies indicating that the Law Society of Upper

Canada is willing to proceed to implement this Report in relation to such of the other provinces as adopt it in a reciprocal manner.

Moved by Mr. Pickup, seconded by Mr. Gregory, that the Report be adopted.

Carried.

In October 1951, on the recommendation of the Legal Education Committee adopted by Convocation, the Treasurer appointed a Special Committee to consider the Law School Curriculum, having in mind particularly the new four year course.

After a meeting of the Special Committee in November 1951 when questions of policy were discussed, the Dean and the Law School staff met on several occasions and on March 7th, 1952, the Dean wrote the Chairman setting out in detail the suggestions and recommendations of the staff.

The Special Committee, on April 16th, 1952, considered these proposals and with certain recommendations approved them for reference to the Legal Education Committee.

Your Committee recommends that the period of suspension of the above Barrister and Solicitor be terminated forthwith, and that he be reinstated as a barrister and solicitor in good standing.

MARK BYRNE SHRAGGE.

Convocation referred to your Committee a letter from Mark Byrne Shragge requesting that in view of his admission to United States citizenship and his Call to the Bar of California, his name be removed from the Rolls and Records of the Society on his own request.

Mr. Shragge was called to the Bar of Ontario and sworn in as a solicitor of the Supreme Court of Ontario on September 19, 1946. Almost immediately thereafter he moved to California, and has qualified both academically and by reason of citizenship for Call to the California Bar. Mr. Shragge has at all times been a member of this Society in good standing, and has kept the Secretary informed of his intention to become an American citizen and a member of the Bar.

Your Committee therefore recommends that as Mark Byrne Shragge is no longer a British subject and Canadian citizen, his name be removed from the Rolls and Records of the Society on his own request, and that proper notice be given to this effect.

for the supply of a copy of reasons for judgment in the Court of Appeal to the Local Registrar of the Supreme Court in the county or district where the cause originated.

In the opinion of your Committee the proper body to deal with this entire matter is the Rules Committee constituted under The Judicature Act, and your Committee recommends that the matter be referred to the representatives of the Law Society on the Rules Committee, with the request that they report back to Convocation what action is taken thereon, and that the Secretary notify the Secretary of the Ontario Section of the Committee of the Canadian Bar Association on the Administration of Civil Justice of this disposition of the matter.

Your Committee met on the 14th day of May 1952, the following members being present: Messrs. Jamieson (Chairman), Beaton, Gregory, Stewart and Walsh.

Your Committee had before it draft copy for the public information programme prepared by a sub-committee in consultation with the Society's public relations consultant. Your Committee approved of the proposed copy and authorized the Chairman to proceed with the publication in accordance with the policy and within the budget approved by Convocation.

THE REPORT WAS ADOPTED.

COUNTY LIBRARIES COMMITTEE—Mr. MacTavish.

Your Committee met on the 15th day of May 1952, the following members being present: The Chairman and Messrs. Brooks, Clement, Gregory, Hamilton, Hays, Jamieson, Maclaren and Weir.

ANNUAL GRANTS.

Your Committee reports specially that the following county law associations, having failed to file their annual returns within three months from the 15th day of January, 1952, have now filed their annual returns for the year 1951 and otherwise complied with the rules adopted from time to time relating to county law libraries, and recommends that grants be made to them of the amounts shown below to which they would have been entitled if their returns had been filed within the time limited under Rule 62:

| | |
|-------------------|-----------|
| Lambton | \$ 950.00 |
| Lincoln | 1,396.00 |
| Parry Sound | 163.33 |
| Peel | 216.00 |
| Thunder Bay | 676.67 |

GOVERNMENT GRANT.

Your Committee reports that the amount of the annual government grant for county libraries has been increased from \$4,000.00 to \$6,300.00.

THE REPORT WAS ADOPTED.

LEGAL AID COMMITTEE.

In the absence of the Chairman, Mr. Haines presented the Report.

Your Committee met on Thursday, the 15th day of May 1952, the following members being present: Messrs. Blackwell (Chairman), the Treasurer, Haines, Jamieson and Willmott.

ONTARIO LEGAL AID PLAN.

The Provincial Director reports to your Committee that—

The Ontario Legal Aid Plan will be listed in the 1952 Legal Aid Directory published by the National Legal Aid Association with headquarters at Rochester, New York.

Of the 44 County and District Law Associations in Ontario, 43 are now organized for legal aid and in operation. The Lindsay Law Association is the only local law association that has refused to carry out the policy adopted by Convocation.

Your Committee recommends that the Secretary write again to the Lindsay Law Association, and that otherwise the matter be referred to Mr. Willmott for personal attention.

Your Committee also recommends that the organization of the Ontario Legal Aid Plan in counties and districts where there are no local law associations, be referred to the Provincial Director with power to act.

YORK COUNTY.

J. D. Conover, County Director, reports that in the first three months of 1952 there have been 500 applications for legal aid in civil cases. Of these, 111 were refused as not eligible or for other reasons; 244 applications were dealt with by advice on the spot or otherwise disposed of at the clinic; 95 applicants were referred to panel lawyers.

In the same three months there have been 177 applications for legal aid in criminal cases, and in 170 cases counsel has been assigned for defence of the accused. Two of the cases were murder charges — Regina v. Morton, and Regina v. Diane Bound. In both cases the accused were found not guilty of murder but guilty of manslaughter, and sentenced to a term of imprisonment.

Your Committee notes with approval the well-organized operation of the Ontario Legal Aid Plan in York County, and

wishes to record its appreciation of the able services rendered by the County Director and his Committee of the York County Law Association.

Divorce actions: J. D. Conover, County Director, wrote the Provincial Director with the suggestion that the question of divorce actions be reviewed by your Committee in view of the objections that he continues to receive from members of the legal profession. Some solicitors take the position that a divorce action is in the nature of a luxury, and that an applicant should be prepared to pay for such services or part of them.

Your Committee is of the opinion that if an applicant is eligible, legal aid should be given to applicants wishing to obtain a divorce.

THE REPORT WAS ADOPTED.

SPECIAL COMMITTEE ON THE ESTATE OF J. SHIRLEY DENISON, K.C.

Mr. Cassels, the Chairman, reported orally that Miss Emily Fanny Denison had signed an agreement transferring her interest in the residue of the Estate to a Trustee for the Law Society of Upper Canada. SPECIAL COMMITTEE ON MEMORIAL TO THE LATE CRAIG ALLAN ST. CLAIR McKAY, Q.C.

Mr. Clement presented the Report of the Special Committee appointed to prepare a Memorial to the late Craig Allan St. Clair McKay, Q.C., and it was ordered that it be recorded in the Minutes of Convocation and a copy sent to Mrs. McKay.

MEMORIAL TO THE LATE C. A. S. MCKAY.

On May 4th, 1952, the death occurred, at his home in Woodstock, Ontario, of Craig Allan St. Clair McKay, Q.C., one of the Benchers of the Law Society of Upper Canada.

Born at Woodstock in the year 1889, he was the son of the late S. G. McKay, K.C., and his mother was the former Jessie Agnes Campbell. After matriculating from the Woodstock Collegiate, he was for a short time engaged in newspaper reportorial work, and earned a reputation as a skillful cartoonist. He however continued his academic work at the University of Toronto, from which he graduated with the degree of B.A. in the year 1913. He enrolled as a student-at-law at Osgoode Hall on August 28, 1913, but for the following year took also a post-graduate course at the University, leading to the degree of LL.B. in 1914.

When he received his Call to the Bar on September 14, 1916, he was presented by his father, who was at that time a Bencher of this Society. During his course, he was a member of the Phi Delta Phi Fraternity.

Entering the practice of law, he was first associated with the Toronto firm of Bain, Bicknell, Macdonnell & Gordon. Later in the year 1928, he returned to his home town of Woodstock, to take over the practice of his late father. At that time he formed a partnership with Montalieu Nesbitt, Q.C., under the firm name of Nesbitt & McKay, which continued until his death.

In 1933 he received his Patent as a K.C., and in 1935 he was appointed Crown Attorney for the County of Oxford. In this latter office, he not only made a noteworthy contribution to the administration of justice in his own County, but was active in the province-wide Crown Attorneys' Association. In fact, he was largely instrumental in reviving that Association in 1943, after it had been dormant for some years, was its President for three years, and thereafter continued to be a member of its executive.

He was first elected a Bencher in 1941, and was re-elected at both of the succeeding quinquennial elections in 1946 and 1951. His Committee work was mainly on the Discipline, Unauthorized Practice and County Libraries Committee, and his interest was always keenly aroused by any project that spelled progress and improvement.

In these varied activities, his modest sincerity and his willingness to serve, won for him not only the esteem but also the affection of those with whom he came in contact. An active member of Knox Presbyterian Church in Woodstock, he was at one time Chairman of the Board of Managers.

In his native city, however, he will be principally remembered for the manner in which he discharged his duties as Crown Attorney. A vigorous proponent of law enforcement, he was never in any sense a "scalp-hunter": the general verdict of his fellow-citizens is that he was "an ideal Crown Attorney". As a further testimonial to his fine qualities, the Minister of his home church chose as an appropriate text for the funeral sermon the words of the Apostle Peter, "We ought to obey God rather than men." (Acts V, 29.)

He enjoyed membership in the Royal Canadian Yacht Club, of Toronto, and other social activities, and was a discriminating

reader and follower of the drama, but his chief interest was in his home, taking special pride in his beautiful garden. He was married in 1917 to Mary Beatrice Robertson, of Toronto, who survives him along with their children, a daughter, Molly, and a son, Craig Jr., who is following in his father's footsteps and is now about to enter his final year as a student-at-law in Osgoode Hall. The sympathy of all the Benchers goes out to these members of his family in their bereavement.

Toronto, June 19, 1952.

SPECIAL COMMITTEE ON LEGISLATION—Contempt of Court.

Mr. Parkinson, Chairman of the sub-committee, presented the Report of the Sub-Committee which had been approved by the Special Committee on Legislation:

To the Benchers of the Law Society of Upper Canada in Convocation Assembled:

Your Committee begs leave to report as follows:

1. Communications have been received from members of the Society with respect to the current exercise by judicial tribunals of the right to summarily summon, convict and penalize for contempt of court. In particular the Society's attention was called to the possibility that energetic advocacy might be deemed to be contempt by a presiding officer.

2. Your Committee in considering the matter realized that, in addition to the members of the profession being concerned with the problem, the matter was of even greater concern to the public.

3. It would appear that the type of contempt under consideration falls under the following heads: (a) improper conduct in the court itself or within the immediate vicinity of the court; (b) conduct outside the court of a nature calculated to prejudice or impair the administration of justice; and (c) conduct outside the court, though reflecting upon the court or of vituperative character, not calculated to affect directly the course of justice.

4. Your Committee having considered the Ambard case (1936 A.C. 322) is of the opinion that the right of appeal in such matters has not been fully explored in Ontario.

5. Your Committee has noted that the problem before it is now being currently discussed, from a civil point of view, by the Section on the Administration of Civil Justice of the Canadian Bar Association and, from a criminal point of view, by the Sub-Committee of the Senate scrutinizing the proposed revisions to The Criminal Code.

6. Your Committee is of the opinion that no action should be taken by Convocation while the above mentioned enquiries, which are broader in their scope than the reference of your Committee, are proceeding.

7. Your Committee recommends accordingly.

All of which is respectfully submitted.

Dated at Toronto this 19th day of June A.D. 1952.

"H. F. Parkinson,"

Chairman.

Moved by Mr. Parkinson, seconded by Mr. Rigney, that the Report be adopted and that the Sub-committee be discharged.

Carried.

Re: Wallace Nesbitt Fund Bursaries

Osgoode Hall C.O.T.C. World War Memorial Bursary

William Randolph Sweeny Bursary

Ontario Command, Canadian Legion, B.E.S.L. Scholarship

The Committee, appointed by the Legal Education Committee in June 1950 to consider applications for bursaries and make recommendations to the Legal Education Committee, met on Monday, October 6th.

The Committee was constituted as follows:

Mr. H. J. McLaughlin, Q.C. (representing the Treasurer),
Mr. W. J. Beaton, Q.C. (Chairman of the Legal Education Committee),

Mr. C. E. Smalley-Baker, Q.C. (Dean of the Law School), and
Mr. J. D. Arnup, Q.C. (the Benchers nominated by the Treasurer).

There were thirty-nine applications for the bursaries and scholarship. The Committee was impressed with the genuine need of many deserving cases and found it impossible to distinguish between some of them and therefore recommends that for this year seven Wallace Nesbitt bursaries be awarded out of accumulated past income.

The Committee recommends the following awards:

FINANCE COMMITTEE—Mr. McLaughlin.

Your Committee met on Tuesday, the 14th day of October 1952, the following members being present: Messrs. McLaughlin (Chairman), Wilson, R. F. (Vice-Chairman), Beaton, Foster, Shaver, Walsh, and Wilson, P. D.

MONTHLY STATEMENT.

The usual monthly statement was presented. Approved.

ANNUAL FINANCIAL STATEMENT, 1951-52.

The Annual Statement for the year ending August 31, 1952, as certified by the Auditors, Messrs. Clarkson Gordon & Co., was considered, and your Committee recommends that the Statement as submitted be approved for presentation to Convocation and for publication pursuant to the Rules.

ESTIMATES, 1952-53.

An estimate of the probable receipts and disbursements for the year 1952-53 is submitted herewith and recommended for approval.

EXTENSION OF YORK STREET.

On September 16, 1952 the Finance Committee, after careful consideration of the proposal to take part of the south-east corner of the Osgoode Hall grounds for the extension of York Street, recorded its regret that it could not give its approval thereto, and recommended that a letter to this effect to be drafted by the Treasurer, the Chairman and the Secretary be sent to Mr. Tracy D. leMay. The letter was sent on September 19th, and on September 27th Mr. leMay acknowledged receipt.

Since that date the Ontario Government and the City of Toronto have made new arrangements. The Government will expropriate the block bounded by Queen, University, Richmond and York Streets, and will sell to the City the property on the south side of Queen and east side of York Streets, the proposed site of the new government building. The York Street extension will be cut through this property, and Osgoode Hall grounds will not be affected. It is understood that the Government made an agreement with the City of Toronto that Osgoode Hall grounds would not be affected in the future.

Your Committee notes with approval the satisfactory solution of this problem, and recommends that the Secretary obtain from the Government a copy of the agreement with reference to Osgoode Hall grounds.

PENSION PLAN FOR MEMBERS OF THE PROFESSION.

A sub-committee consisting of Messrs. McLaughlin, Cassels and the Secretary for some time have been considering this matter with officials of the Standard Life Association and the representatives of other professional groups. Plans have now progressed to a stage where the Chairman suggests that a larger committee be appointed to represent the Law Society.

Your Committee recommends that this matter be referred to a sub-committee composed of the Chairman, the Vice-Chairman, and Messrs. Cassels, Parkinson and Stewart.

LUNCHEON ROOM.

The Misses Lennox presented a statement of operations for the period, September 1, 1951 to August 31, 1952. During the year 37,785 meals were served of which 3,360 were special dinners. The Coffee Shop, the operation of which is included in the statement, served 73,710 orders.

Approved.

SUB-COMMITTEE ON INSURANCE.

Your Committee recommends that Mr. R. F. Wilson, Q.C., Vice-Chairman, be appointed to this sub-committee to fill the vacancy caused by the appointment of the Honourable J. W. Pickup as the Chief Justice of Ontario. The sub-committee will now be composed of the Chairman, the Vice-Chairman and Mr. Shaver.

THE REPORT WAS ADOPTED.

REPORT OF A JOINT MEETING OF THE SPECIAL COMMITTEES TO CONFER WITH THE UNIVERSITY OF TORONTO AND ON UNIFORM STANDARDS OF ADMISSION ETC., AND THE COMMITTEE ON PUBLIC RELATIONS.

Mr. Jamieson presented the Report:

A joint meeting of your three Committees was held on Monday, October 6th 1952, the following members being present: The Treasurer and Messrs. Arnup, Beaton, Chitty, Gregory, Jamieson, Mason, Maclaren, McLaughlin, Robinette, Stewart and Walsh.

The Treasurer stated that owing to the appointment of The Honourable J. W. Pickup as Chief Justice of Ontario, there was no Chairman of the Special Committee on Uniform Standards of Admission and suggested that it should appoint a Chairman before the joint meeting proceeded. Mr. Jamieson was elected Chairman of the Special Committee on Uniform Standards of Admission.

The Treasurer referred to the reason for calling this meeting of the three Committees mentioned above and stated that it had been called at the request of the Chairman of the Public Relations Committee, who was of opinion that certain matters now under consideration by the three Committees were closely inter-related and should be considered as a whole having regard to recent publicity and newspaper comment.

Upon motion Mr. Jamieson was appointed Chairman of the meeting.

After a full discussion upon the matters placed before the meeting by the Treasurer and the Chairman, your Committees in joint meeting recommend:

That the Public Relations Committee be authorized to take such action as it considers necessary or advisable to place before the public and members of the profession correct information

as to the position of the Society, Osgoode Hall Law School and the profession upon any matters appearing in the press from time to time.

The Chairman read to the meeting a letter dated September 18th, 1952, from Horace E. Read, O.B.E., Q.C., Dean of the Faculty of Law, Dalhousie University, requesting that graduates of Dalhousie Law School be granted equal recognition with law graduates of the University of Toronto for the purpose of admission as solicitors and Call to the Bar in Ontario, namely, that a holder of a Dalhousie LL.B. who also holds a B.A. degree or equivalent from a recognized University would be eligible for Call to the Bar after satisfactory service under articles in a law office for one year in Ontario and completion of a further year of concurrent service under articles in Toronto and attendance at Osgoode Hall Law School, and the passing of prescribed examinations.

The Chairman reminded the meeting that consideration of the position of law schools in other universities in Ontario had been under consideration at the time such recognition was granted to law graduates of the University of Toronto, and suggested that a general policy might now be considered.

Your Committees recommend that the privileges and recognition granted to graduates of the University of Toronto School of Law be granted to graduates in law of any other approved University in Ontario and in the other provinces of Canada.

Your Committees recommend that the Special Committee on Uniform Standards of Admission give further consideration to Uniform Standards of Admission of Barristers and Solicitors from one Province of Canada to another, in the light of the information placed before the joint meeting.

Moved by Mr. Jamieson, seconded by Mr. Robinette, that the Report be adopted.

Carried.

SPECIAL COMMITTEE ON UNIFORM STANDARDS OF ADMISSION FOR BARRISTERS, SOLICITORS AND STUDENTS FROM ONE PROVINCE TO ANOTHER.

Mr. Jamieson presented the Report of the Special Committee:

A meeting of your Committee was held on Wednesday, October 15th, 1952, the following members being present: Messrs. Beaton, Jamieson, Maclaren, McLaughlin and Robinette.

At the Annual Meeting of the Conference of Governing Bodies held on September 1, 1952 at Vancouver, B.C. it was moved, seconded and carried that the Uniform Standards, as drafted by the Special Committee of the Conference, as now amended by the British Columbia Report, be approved by the Conference as the Uniform Standards for the Governing Bodies.

At the meeting of Convocation on September 18, 1952 it was resolved that the Report of the Special Committee dated March 19, 1952 and adopted by Convocation on April 17, 1952, be referred back to the Special Committee for such further consideration and report as the Committee may see fit.

At a joint meeting on October 6, 1952 of the Special Committees on Uniform Standards etc. and to confer with the University of Toronto and the Public Relations Committee, it was recommended that consideration of uniform standards of admission of Barristers and Solicitors be referred to this Special Committee.

The Chairman outlined the discussions which had taken place at Vancouver and letters received from various representatives of Governing Bodies in other provinces. The terms of the MacDonald Report, the proposals of the Law Society of British Columbia and the report of this Committee were considered in detail.

It was the opinion of the meeting that uniform standards of admission were desirable and that the Law Society of Upper Canada should take all possible action to achieve the same.

The meeting considered that the privileges and recognition granted to graduates in law of any approved university in Canada at the meeting of the Committee on October 6th, 1952, except for special cases to be considered individually, sufficiently

took care of the transfer of law students and graduates in law who had been in practice in the admitting province for less than three years.

Your Committee is of the opinion that a distinction should be drawn between the case of a member from the Bar of another province seeking only to appear as counsel in a Court in Ontario in a particular matter and the case of a permanent transfer of a barrister or solicitor from one of the provinces to another.

Your Committee is of the opinion that barristers and solicitors desiring to transfer from any of the other provinces to Ontario might properly be called to the Bar in Ontario and/or admitted as Solicitors in Ontario upon compliance with the following requirements:

(a) A candidate for call to the Bar or admission as a Solicitor in Ontario who at the time of petition has been a Barrister and/or Solicitor in active practice in another province for the three years next preceding his petition for call and/or admission in Ontario would be required to pass an examination in Statutes and Procedure prescribed by the Law Society of Upper Canada, produce evidence of good standing, satisfy the Law Society of Upper Canada that he had been in active practice as a Barrister and/or Solicitor in the province from which he comes for the three years next preceding his application for call and/or admission in Ontario and pay to the Law Society of Upper Canada a fee of \$250.00 in addition to the fee payable by graduates from Osgoode Hall Law School for call and/or admission.

(b) The evidence of good standing required should consist of a certificate of good standing from the governing body of the province from which the candidate comes, showing that the candidate seeking call to the Bar and/or admission in Ontario has not been struck from the rolls or suspended from practice for misconduct by the governing body of the province from which he comes and that no charge of misconduct of any kind is pending against him in that province at the time of his petition for call or admission in Ontario. If such candidate, prior to call to the Bar or admission as a Solicitor in the province from which he seeks admission in Ontario, was a member of any other governing

body elsewhere, the evidence of good standing should also show that the candidate had not been struck off the rolls or suspended from practice for misconduct by such other governing body prior to being called to the Bar or admitted as a solicitor in the province from which he seeks admission in Ontario.

In the case of a barrister from some other province of Canada, including Quebec, desiring call to the Bar in Ontario only for the purpose of appearing in a Court in Ontario in a particular matter, your Committee is of the opinion that this should not be done by call to the Bar in Ontario but that the barrister from such other province should be required to obtain the permission of the Law Society of Upper Canada to appear in the particular matter in which he desires to appear and that such permission would be in the discretion of the Law Society of Upper Canada, the intention of your Committee being that the Law Society of Upper Canada, by the exercise of its discretion, would prevent abuse of the privilege and also in proper cases require the barrister from another province seeking such privilege to have with him at the trial of the particular matter a member of the Bar in Ontario. It is also the opinion of your Committee that the privilege in this paragraph referred to be accorded as a matter of courtesy and without fee and that the privilege be extended only to members of the Bar of other provinces who accord a similar privilege to members of the Bar in Ontario.

Your Committee recognizes that amendment to the Statute constituting a governing body may be necessary to implement this report in order to enable a governing body to grant permission to appear in a Court without call to the Bar, but consideration of the necessary amendments to Statute or Rules can be considered when the principle has been approved.

Your Committee further recommends that if this report be adopted by Convocation a copy thereof be sent to the other governing bodies with a request that a meeting of duly appointed representatives of each governing body be called as soon as possible to consider and, if possible, approve uniform standards of admission, and the action to be taken by each governing body to implement the same.

Your Committee further recommends that Convocation approve the principle of uniform standards of admission and authorize its representatives to attend such meeting when called and, within the general principles approved above, to take part in the drafting of and approve, detailed general standards of admission for submission to all governing bodies for formal ratification.

THE REPORT WAS ADOPTED.

CORRESPONDENCE.

The Treasurer read a letter from Mr. D. Patterson expressing his appreciation of the flowers and the expression of sympathy from the Benchers on the death of his sister, Mrs. Ella May, a member of the Editor's Staff.

Ordered that the letter be received and filed.

CONVOCATION THEN ROSE.

At its meeting on 20th February 1952 the Committee refused the request of the Registrar, Sir George Williams College, Montreal, to have that College included in our list of approved universities and colleges, for admission as student-at-law.

The matter was again before the Committee on 15th October and Convocation adopted the Committee's recommendation that a degree from Sir George Williams College be not accepted for admission in the Graduate Class.

A memorandum from the Secretary with further information is submitted.

"When Mr. Sweeny made his gift in February 1951 and created the William Randolph Sweeny Bursary, he wrote:

" 'Without creating any trust, I should like the money to be used in bursaries for paying fees or otherwise helping with the living expenses of students whom the Society, through their Committee for the purpose, deem worthy of financial assistance.'

"It is his wish that this contribution be used in the same way."

Your Committee recommends that the gift be accepted and that the Secretary be instructed to write Mr. Sweeny thanking him for his generosity and his continued interest in the welfare of law students.

PENSION PLAN FOR MEMBERS OF THE PROFESSION.

Following the establishment of a Pension Plan for the Law Society staff in 1947, certain members of the Society and Insurance Companies submitted suggestions and information with reference to a pension plan for all members of the profession. The correspondence was referred to Mr. McLaughlin, Mr. Cassels and the Secretary, and since that time they have considered the matter with officials of the Standard Life Assurance Company and the representatives of other professional and business groups. For some time a committee of the Canadian Bar Association, with Stuart Thom as Chairman, has been considering the same question, and for the past few months Mr. Thom has acted as Chairman of the unofficial committee of representatives of the various groups referred to.

His experience in the committee of the Canadian Bar Association and his wide knowledge of taxation problems has been of great assistance. In October 1952 it was reported to the Finance Committee that plans had progressed to a stage where the Chairman suggested that a larger committee be appointed to represent the Law Society. The Finance Committee recommended that the matter be referred to a sub-committee composed of the Chairman, the Vice-Chairman, and Messrs. Cassels, Parkinson and Stewart. Early in December 1952 a meeting was held at Osgoode Hall at which about fourteen professional and business groups were represented, together with officers of the Standard Life Assurance Company and of the Trust Companies Association. At that meeting certain recommendations were made that were referred back to the groups represented. The sub-committee (Finance) on Pension Plan for members of the Profession, met on December 18, 1952 when Mr. McLaughlin (Chairman), and Messrs. Parkinson and Stewart were present. After being fully informed of the action to date by the unofficial committee of representatives of professional and business groups, the sub-committee recommended—

Approval of all action taken to date by Messrs. McLaughlin, Cassels and the Secretary;

Approval of the amendment to the Income Tax Act drafted and approved by the unofficial Committee;

Approval of retaining counsel to make representations to the Department of Finance;

Payment of \$200.00 to cover payment of counsel fee and other incidental expenses;

The Sub-Committee further recommended that Duncan J. Finlayson, associated with the Standard Life Assurance Company, together with the National Trust Company, be authorized without any obligation on the part of the Law Society, to draft a proposed pension plan for members of the legal profession in Ontario; and that the Professional and Industrial Pensions Limited be requested to submit an alternative plan.

To date the following groups have joined with the Law Society of Upper Canada in contributing payments of \$200.00 towards the payment of counsel fee and incidental expenses:

Certified Public Accountants,
 Toronto Stock Exchange,
 Commercial Travellers Association,
 Canadian Medical Association,
 Canadian Dental Association, and the
 Royal Architectural Institute of Canada.

This money has been deposited in the Society's bank, The Canadian Bank of Commerce, City Hall Branch, in a current account (W. Earl Smith, in trust).

Your Committee recommends approval of all the recommendations of the sub-committee, including the payment of \$200.00.

SPECIAL COMMITTEE ON COMPENSATION FUND.

Mr. Robinette presented the Report of the Special Committee:

The subject of losses sustained by the public on those rare occasions when a solicitor defaults has been a matter of great concern to the Benchers of the Law Society of Upper Canada for many years and from time to time committees have been appointed to consider and report with respect to the problem.

On September 20th, 1951, Convocation appointed your committee to consider whether some form of insurance or compensation scheme should be adopted by the Society for the protection of members of the public against losses sustained as the result of the dishonesty of a solicitor. Your Committee consisted originally of the following members: The Treasurer, J. J. Robinette, Q.C. (Chairman), E. L. Haines, Q.C., D. K. MacTavish, Q.C., G. W. Mason, Q.C., and J. W. Pickup, Q.C.

On the elevation of Mr. Pickup to the office of Chief Justice of Ontario, Mr. R. F. Wilson, Q.C. was appointed to the committee in his place. Mr. J. R. Maclaren, Q.C. and Mr. C. D. Stewart, Q.C. were subsequently added to the committee.

Meetings of the committee have been held and studies have been made of plans adopted in other jurisdictions and of the experience in those jurisdictions.

Your Committee therefore now begs to report as follows:

In 1933 Convocation appointed a special committee to investigate the subject of defaulting solicitors. That committee consisted of the following members: W. F. Nickle, K.C. (Chairman), A. W. Anglin, K.C., G. F. Henderson, K.C., F. J. Hughes, K.C., M. H. Ludwig, K.C., W. S. Middlebro, K.C., N. W. Rowell, K.C., H. J. Sims, K.C., and W. N. Tilley, K.C. (Treasurer). The report of the committee dated the 16th of February, 1933 was adopted by Convocation and in their report the committee said:

“Your Committee gave special consideration to the suggestions frequently made with regard to insurance or a scheme of guarantee or of bonding but it has been forced to the conclusion that neither would be wise or practicable in that it would give rise to carelessness on the part of the clients in their dealings with solicitors; would give clients a false sense of security; would benefit the untrustworthy solicitor at the expense of those entitled to confidence; would bring about the novel result that honest solicitors would pay for the defaults of the dishonest; would impose a burden on solicitors, particularly those starting in practice, that they should not be called upon to bear; and would be wholly inconsistent with the honourable and independent position occupied by the solicitors of the Province.

“Your Committee after a full investigation begs to report that in its opinion none of these suggestions should be adopted but that the Discipline Committee should continue its efforts to protect the public by excluding from membership in the Society those who are shown to be unworthy of confidence and the Committee’s attention should be promptly directed to all cases requiring consideration.”

Your present committee in view of the report of the 1933 committee has proceeded with caution and with anxiety as to the correct course to pursue.

Your committee strongly adheres to the opinion of the 1933 committee that the most effective method to protect the public and at the same time to advance the welfare of the profession lies in the continuance by the Discipline Committee of its efficient, vigorous and prompt investigations and by the stern exclusion from membership in the Society of those who have proven themselves to be unworthy of confidence.

However, your committee is also of the opinion that the Society should adopt some method whereby members of the public may be compensated in some degree on those infrequent occasions when a client suffers actual monetary loss as the direct result of the dishonesty of a solicitor.

Representative bodies of the profession in Ontario, particularly the Ontario section of the Canadian Bar Association, have urged that some form of compensation be adopted, either by way of insurance or by the creation of a fund, and your committee has reached the conclusion that the protection of the public would be improved and the collective interests of the profession advanced if a compensation fund were established.

Your committee, after considering all aspects of the matter, has come to the conclusion that a compensation fund should be created by the Law Society of Upper Canada to be administered by it modelled upon the compensation fund administered by The Law Society in England which was introduced there by The Solicitors Act, 1941.

Your committee has given consideration to the taking out by the Society of an insurance policy or policies for the purpose of indemnifying members of the public against losses, but at the present time it does not seem practicable to adopt this form of protection. However, after some experience with the administration of the fund it may prove to be desirable and practicable to insure in relation to the fund.

The proposed form of compensation fund, the principles of which are set out below, follows the plan of the compensation

fund adopted in England with one exception. In England the fund may be used to compensate for dishonesty not only on the part of a solicitor, but also on the part of any clerk or servant of the solicitor. Your committee is of the opinion that our fund should not extend to solicitors' clerks or servants over whom the Law Society has no power of discipline or control.

Your Committee therefore recommends that a compensation fund be established by the Law Society of Upper Canada based upon the following principles:

1. That a fund to be called the Compensation Fund shall be established, maintained and administered by the Law Society of Upper Canada for enabling the Society to make grants thereout in any cases which the Discipline Committee think suitable for such treatment, and in their absolute discretion decide so to treat, for the purpose of relieving in whole or in part losses sustained by any person in consequence of dishonesty on the part of any solicitor in connection with such solicitor's practice as a solicitor or in connection with any trust of which such solicitor was a trustee, notwithstanding that subsequently to the commission of that act he may have died or had his name removed from or struck off the rolls or may have ceased to practise or been suspended from practice.

2. That no grant shall be made out of the compensation fund in respect of loss due to any act of dishonesty where such loss first came or comes to the knowledge of the person suffering such loss before the coming into operation of the compensation fund.

3. That no grant shall be made out of the compensation fund unless notice of such loss is received by the Secretary of the Law Society within six months after the loss in respect of which notice is delivered first came to the knowledge of the person suffering such loss, provided, however, that the said period of six months may be extended to not more than two years in the discretion of the Discipline Committee.

4. That the compensation fund shall consist of (a) annual assessments or levies on members of the Law Society who have the right to practise in Ontario and who are practising in or are employed in Ontario, (b) all income from investments of

the fund and (c) all amounts recoverable by the Law Society from the solicitor whose dishonesty has lead to the making of a grant. The Compensation Fund shall be held by the Law Society in trust for the purpose set out in paragraph 1.

5. That an annual assessment or levy of \$10.00 or of such amount as Convocation may from time to time decide upon, be made on each member of the Law Society who has the right to practise in Ontario and who is practising or is employed in the Province of Ontario to be identified as a levy or assessment for the compensation fund. For two years after their call to the Bar, members of the Society will be exempt from contributing to the fund and during the next two years they shall be required to pay one-half of the normal assessment or levy.

6. That the Law Society may insure with any person, body of persons or corporation authorized by law to carry on insurance business in the Province of Ontario for such purposes and on such terms as the Society may deem expedient in relation to the compensation fund, and the Society in such event may use the fund or any portion thereof for the payment of premiums.

7. That on the making by the Society of any grant out of the compensation fund, the Society shall to the amount of such grant be subrogated,

- (a) to any rights or remedies to which such person was entitled on account of such loss against the solicitor or any other person, or, in the event of the death or insolvency or other disability of such solicitor or other person, against his personal representatives or any other persons having been authorized to administer his estate.
- (b) to all other rights and remedies, if any, of the person to whom the payment is made in respect of such loss.

The person to whom a grant is made, or, in the event of his death or insolvency or other disability, his personal representative or any other person having authority to administer his estate shall have no right under bankruptcy or other legal proceedings or otherwise to receive any sum out of the assets of such solicitor in respect of the loss until the Society has been reimbursed the full amount of its grant.

8. That the compensation fund be administered and dealt with by the Discipline Committee. The Discipline Committee may require that an application for a grant be supported by oral evidence to be tendered and documents to be produced and the Discipline Committee may, before deciding whether or not to make a grant out of the compensation fund, require, in respect of any application, the pursuit of any civil remedy which may be available in respect of the loss or the institution of criminal proceedings in respect to the dishonesty leading to the loss.

9. That the Society request the Legislature of Ontario to pass the necessary amendments to the Law Society Act to enable it to bring into operation the compensation fund on the principles stated herein and to confer upon the Society the right to make rules with respect to the administration of the fund and to confer upon the Discipline Committee the right to summon witnesses with respect to the hearing of applications for grants out of the fund.

10. That this fund come into operation on a date to be fixed by Convocation.

All of which is respectfully submitted.

2. As such member it is entitled to become a member of the newly formed Canadian Branch of the Association.
3. If the Society becomes a member of the Canadian Branch it remains a member of the Association but a proportion of the fee paid goes to the support of the Canadian Branch.
4. Under the constitution of the Association the Society is entitled to nominate two members of the Society who thereby obtain the status of members of the Association. This heretofore has not been done.
5. The fee now paid by the Association is £2 per annum.

6. The fee to the Canadian Branch is the Canadian equivalent of £2 at current rates of exchange, but may be increased to \$10.00.

7. Your Committee is of opinion that the Society should continue to support the Association, the objects of which are the study of problems of Public and Private International Law, a matter of increasing importance in a world where the hope of peace and the fate of civilization depend on the establishment of the Rule of Law between the nations.

8. Your Committee is of the opinion that the Association can best be supported by the Society becoming a member of the Canadian branch, where its delegates will have an opportunity to attend the meetings and otherwise make more than a mere monetary contribution to the accomplishment of the objects of the Society.

Your Committee, therefore, recommends that the Society become a member of the Canadian Branch of the International Law Association and that the Secretary be authorized to take all necessary steps to do so, and further that the Treasurer appoint two members of the Society as its representatives in the Association.

THE REPORT WAS ADOPTED.

LEGAL AID COMMITTEE—Mr. Blackwell.

Your Committee met on the 18th day of February, 1953, the following members being present: Mr. Blackwell (Chairman), and Messrs. Arnup, Chitty and Jamieson.

LEGAL AID FUND.

The Regulations of the Ontario Legal Aid Plan adopted by Convocation 15th February 1951, provided for the establishment of a fund to be known as the Legal Aid Fund. The estimates for 1951-52 provided for a sum of \$5,000.00 towards this fund; for 1952-53 a fund of \$6,000.00. To date the fund in the form of a separate bank account has not been established, nor has any sum been set aside by the Law Society for the Legal Aid Plan. Receipts to date include the Ontario government grant for 1952 and costs paid in by conducting solicitors to the Provincial Director.

Your Committee recommends that there be opened forthwith in the Society's bank a special account to be known as the Legal Aid Fund, on the same conditions as the Society's trust funds and with the usual signing officers.

LEGAL AID TO APPLICANTS WITH PREVIOUS CONVICTIONS.

The County Director points out that there is quite a strong feeling that applicants with previous convictions should not be given free legal aid. In a letter of November 17, 1952 Mr. E. L. Haines refers to the attitude of some members of the Windsor Bar with reference to this matter.

Your Committee is of the opinion that no action should be taken to limit the scope of the Legal Aid Plan as presently constituted, and recommends that if an applicant is eligible legal aid should be given to applicants even if they have had a previous conviction.

LEGAL AID IN CIVIL MATTERS—DIVORCE PROCEEDINGS.

The Committee in May 1952 recommended that in proper cases where the applicant is eligible and has a legal problem, legal aid should be given in divorce actions. The County Director reports that many conducting lawyers still take the attitude that divorce is a luxury and should not come within the Legal Aid Plan.

Your Committee confirms its opinion of May 1952, and recommends that if an applicant is eligible, legal aid should be given to applicants wishing to obtain a divorce.

APPEALS, CRIMINAL CASES.

Your Committee considered several applications for appeals on behalf of convicted persons. The Regulation governing the Legal Aid Plan, paragraph 6, states in part:

“Legal aid shall not include the following matters:

- (8) Appeals except where in the opinion of the Provincial Director, on the report of a County Director, there appears to have been a miscarriage of justice.”

Your Committee confirms the regulations as presently constituted, and recommends that legal aid be not extended in the matter of appeals in criminal cases unless the regulations are strictly complied with.

ONTARIO LEGAL AID PLAN 1952.

To date 32 of the County Directors have reported to the Provincial Director on the operation of the Plan for 1952.

The Provincial Director reports the following information:—

Ten County and District Associations hold regular clinics, in the larger cities weekly or semi-monthly, and in smaller centres monthly or as required;

One District has a Director and Committee, and free legal aid is given as in the past, but no records are kept.

In one County, the Director was killed in a motor accident and no records are available.

In one District, the Director died early in his term of office and no records are available.

One County completed its organization only in December 1952, and clinics will be held in future if necessary.

One District continued to do legal aid work, but kept no records.

These Counties and Districts, where applicable, will be urged to keep more formal records in future.

Seventeen Counties and Districts are organized but do not hold clinics. Some of these are exceptionally well but simply organized, and legal aid may be had in proper cases by applying

to any member of the profession or to the County Judge, Magistrates or Court officials.

In two Districts—Cochrane and Kenora—and one County—Prescott and Russell—no applications for legal aid were received, although the Plan was ready for operation.

In 19 of the 32 Counties and Districts all members of the profession volunteered for legal aid work.

In York County there are 136 lawyers available for clinic work; and 218 individuals and 18 firms ready for panel work.

In Wentworth County there are 10 lawyers available for clinics; and 70 individuals for panel work.

In Essex County there are 55 lawyers available for clinics; and 86 individuals for panel work.

In Welland County there are 74 lawyers available for clinics; and 74 individuals for panel work.

In all counties, with the possible exception of York, there appears to be adequate assistance to administer the Plan.

In the 32 counties there were during the first full year of operation of the Plan, 2,682 applications for aid in civil cases, and 719 in criminal cases, a total of 3,401. Of this number 2,129 applications for civil aid and 525 applications for criminal aid, were in York County alone.

In the 32 counties, 615 applicants were referred to conducting solicitors for legal assistance in civil cases—334 in York County alone. These numbers do not, of course, include the many hundreds of applicants who were given legal advice in the clinics or on the spot by solicitors to whom they went for direction.

In the same counties 750 applicants charged with criminal offences were given free legal aid—475 in York County. Of the charges, 15 were for murder, and 45 others were for serious offences.

In view of information to the effect that in many counties and districts there was no need for legal aid, it is interesting to note that in only three of the thirty-two county organizations reporting were there no applications for legal aid.

When information is available from all 44 County and District Law Associations, the Provincial Director will report further.

Your Committee recommends that the interim report of the Provincial Director be received.

THE REPORT WAS ADOPTED.

Mr. Jamieson reported orally on progress on the various releases which the Committee had decided to send to the profession and otherwise.

THE REPORT WAS ADOPTED.

SPECIAL COMMITTEE, OSGOODE HALL COURT ROOMS.

Mr. Arnup presented the Report of the Special Committee:

On June 19th, 1952, the Treasurer appointed a special committee consisting of Messrs. Arnup, McLaughlin and Pickup to

consider the questions raised by a letter from Chief Justice Robertson, respecting the use of courtrooms in Osgoode Hall for trial purposes. Following Mr. Pickup's appointment as Chief Justice of Ontario, Mr. Harold C. Walker, Q.C. was appointed to the Committee.

The letter from the Chief Justice read as follows:

"I desire to call your attention to the greatly increased use made of the court rooms in Osgoode Hall for trial purposes. Under the long existing agreement as to the use to be made of that part of Osgoode Hall belonging to the Government of Ontario, there should be no trials whatsoever at Osgoode Hall. From time to time no doubt it was reasonable to permit infringements of this agreement, with the consent of the Law Society, but only in very exceptional circumstances. Now, with the greatly increased business in the Courts, Osgoode Hall has become practically an annex to the City Hall. Instead of the municipal bodies concerned or the Provincial Government providing a proper court house, Osgoode Hall has been trespassed upon. There are frequently as many as three trial courts sitting at Osgoode Hall at one time.

"As a result of this trespassing, Osgoode Hall is losing its character as a quiet and dignified place for purposes other than trial courts, which municipalities are required to provide for.

"Chief Justice McRuer and I have recently discussed the matter, and it was agreed that I should write you and request your consideration of the matter, with a view to remedying what is fast becoming a serious abuse."

The Committee has reviewed correspondence passing between the Registrar and Mr. J. S. Denison, Q.C., then Treasurer of the Law Society. It appears that in January 1947 the Registrar on instructions from the Chief Justice of the High Court requested the use of one of the courtrooms at Osgoode Hall for trial court purposes from time to time while certain of the City Hall courtrooms normally available were being overhauled, one at a time, to improve their acoustics. The Registrar pointed out that it was not the desire of the Chief Justice that the Osgoode Hall courtrooms should be used for trial purposes but suggested that under the circumstances then existing it would

be in the best interest of the profession and the public that some temporary arrangement should be made for the occasional use of courtroom space at Osgoode Hall for trial court purposes.

The matter was considered by the Treasurer (Mr. Denison) and Mr. McLaughlin, who expressed the view that under the circumstances, constituting an emergency, the Society should give its consent, and this was done. There has been no further correspondence in the matter.

The "emergency" which formed the basis of the original request and the granting of permission has long since passed, in the sense that the repair work at the City Hall was completed at least two years ago. There has, however, continued to be a serious shortage of courtroom accommodation in the City Hall. Strong representations have been made to officials at the City Hall and to the York County Council by the County of York Law Association and others. The situation cannot be rectified until substantially more courtrooms are made available, either by erection of a new Court House or by turning over more space in the City Hall.

On the other hand, it is common knowledge that certain Judges much prefer to sit at Osgoode Hall whenever possible and there have been many occasions when two courtrooms have been used concurrently at Osgoode Hall for trial court purposes, although not in the past year. At the same time, there have been several instances when important cases, originally arising in Weekly Court, could not be heard because there was no courtroom space available either at the City Hall or at Osgoode Hall, although a Judge was available to hear the case.

There has been considerable use of the courtrooms at Osgoode Hall for the trial of divorce cases. Usually the list on such occasions consists of from 8 to 12 cases, each of which involves on the average 3 or 4 witnesses. This results in substantial numbers of parties and witnesses congregating on the second floor of Osgoode Hall. Clearly this is an undesirable situation.

If the Law Society were to withdraw the permission given in 1947 and obviously intended to cover a temporary emergency, the inconvenience to the public and the profession would no doubt be considerable, because there is no sign of immediate

relief insofar as the providing of additional courtrooms elsewhere is concerned. It therefore becomes necessary to assess the relative inconvenience which would be caused to the public and to the profession by the termination of the privilege, as against the inconvenience and annoyance now occasioned by the use of the Queen's Bench and Common Pleas courtrooms as trial courts.

It appears to us that the extent of the privilege initially granted has been gradually broadened, without any further reference to the Society, and that the time has now arrived when objection should be made.

We therefore recommend that a representative of the Law Society should be designated to confer with the Chief Justice of the High Court and with the present Chief Justice of Ontario to see if some arrangement can be made for the discontinuance at an early date of the use of the courtrooms at Osgoode Hall for trial court purposes.

THE REPORT WAS ADOPTED.

Pursuant to the last paragraph of the Report, the Treasurer appointed J. D. Arnup, Q.C., a representative of the Law Society to confer with the Chief Justice of Ontario and the Chief Justice of the High Court.

SPECIAL COMMITTEE ON MEMORIAL TO THE LATE
CHARLES MCCREA, Q.C., LL.D.

Mr. Walsh presented the Report of the Special Committee appointed to prepare a Memorial to the late Charles McCrea, and it was ordered that it be recorded in the Minutes of Convocation and a copy sent to Mrs. McCrea.

MEMORIAL TO THE LATE CHARLES MCCREA, Q.C., LL.D.

Convocation records with deep regret the death on the 30th day of October, 1952, at Toronto, of Mr. Charles McCrea, Benchman of the Law Society of Upper Canada.

Mr. McCrea was born December 27th, 1877, at Springtown, Renfrew County, Ontario, son of James and Elizabeth Jervis McCrea. He received his early education at the Separate and

High Schools in Renfrew. He read law with the late Thomas LeGarry, former Provincial Treasurer, of Renfrew, and with Messrs. Millar, Ferguson & Hughes of Toronto, and was called to the Bar in 1901. He established his own practice in Sudbury immediately after his call and carried on practice there until 1923. He was created King's Counsel in 1921.

On the 25th of November, 1903, he married Edith L. Dent of Renfrew. They had four children.

Mr. McCrea was elected to the Legislature of the Province of Ontario in 1911 from the District of Sudbury, a Riding which then extended as far north as James Bay. In 1923 he became Minister of Mines and Game and Fisheries in the Cabinet of the late Premier Howard Ferguson and remained a member of the Government of Ontario until retiring from public life in 1934 in which year he received an honorary degree of LL.D. from the University of Toronto.

Resuming practice in 1934 in Toronto Mr. McCrea became a Director and President of Toronto General Trusts Corporation, Chairman of the Board of Mining Corporation of Canada Limited, President of Negus Mines Limited, Vice-President and Director of Normetal Mining Corporation Limited and Quemont Mining Corporation Limited, a Director of Nipissing Mining Co. Limited, Imperial Life Assurance Company of Canada, Hayes Steel Products Limited and other Companies.

The esteem in which he was held by his own profession is evidenced by his appointment as a Bencher of the Law Society of Upper Canada in 1923, and his election as a Bencher in 1926, 1931 and 1936. He became a life Bencher in 1941.

Mr. McCrea is perhaps best remembered in political circles as the great builder and apostle of his time of his beloved north country.

His devotion to his profession won the respect of his fellow practitioners and his fellow Benchers.

His recreations were golf and curling. He was an active member of the Rosedale Golf Club, the Toronto Hunt Club, the Toronto Golf Club, the Royal Canadian Yacht Club, the Toronto Club and the Albany Club. Besides being a member he was also

a Director of the Granite Club and of the Seignory Club in Quebec.

Surviving Mr. McCrea are his widow and three daughters—Mrs. K. W. Peacock of Toronto, Mrs. E. P. Coy of St. Catharines, and Mrs. W. P. Pigott of Hamilton. His son Dent predeceased his father by several years.

With his death the profession lost a most valued and esteemed member, one who exemplified its best traditions.

RULES COMMITTEE.

Mr. Walsh reported that during the year 1952 three matters had been referred by Convocation to the Rules Committee:

1. Resolution of the Ontario Section, Canadian Bar Association, with reference to Saturday as a non-juridical day; and establishment of a central registry for motor vehicles.

The Secretary of the Rules Committee reported that the Rules Committee decided that it had no power to deal with these resolutions.

2. Statement of Facts and Law intended to be argued at a trial or upon a motion.

RE: UNIVERSITY OF TORONTO SCHOOL OF LAW.

Your Special Committee with respect to the University of Toronto School of Law, consisting of The Treasurer and Messrs. Arnup, Beaton, Jamieson, Mason and Robinette, begs leave to report as follows:

As directed by Convocation on February 19th 1953 this Committee has considered the letter dated February 18th 1953 from the President of the University of Toronto.

Your Committee recommends that Convocation should instruct the Treasurer to reply to such letter in the terms of the draft attached.

All of which is respectfully submitted.

Dated the 18th day of March 1953.

"C. F. H. Carson,"
Chairman

19th March 1953.

Sidney E. Smith, Esq., Q.C., M.A., LL.B., LL.D., D.C.L.,
President, University of Toronto,
Toronto 5.

Dear Mr. President:

Your letter of February 18th has now been considered by the Special Committee to whom it was referred by Convocation, and by Convocation itself, and I have been directed to make the following reply.

The Benchers do not agree with your suggestion that the "controversy" centres on the over-all number of years in a particular course. We are of opinion that the issue arises from a fundamental difference of opinion as to the practical training required and the amount of time that should be spent in the actual atmosphere of Osgoode Hall and its courts and legal offices in order to bring the law student to a proper standard of fitness for the practice of law.

The present fourth year of the Osgoode Hall Law School course cannot be considered separate and apart from the course

as a whole. It is an integral part of what the Benchers consider to be an ideal use of four years of training and instruction.

The Benchers further do not agree with your implication that the fourth year at Osgoode Hall is merely "another year taking classroom instruction." Such an implication ignores the fact that students in the fourth year serve under articles in an office from 10 a.m. to 4 p.m. each day. It also ignores the fact that special lectures, apart from the prescribed courses, are given in the fourth year.

Too much emphasis cannot be placed upon the benefit derived by law students from direct association with Osgoode Hall, the home of the profession, the centre of its activities and where are found the highest courts of the province and many of the court offices serving all of Ontario. There are no Inns of Court in this country, but the very reasons which prompt the English Bar to make regular attendance compulsory in one of the Inns of Court have confirmed the Benchers' belief in the unique contribution made by such an association in maintaining the spirit and brotherhood of the bar.

In short, therefore, the Benchers regard the present fourth year, not simply as one more year in a series of four, but as the culmination of a student's years of study and training expressly designed to produce lawyers best qualified to serve the public.

Accordingly, Convocation reiterates its opinion that all law students should be required to complete the third and fourth years of the Osgoode Hall Law School course.

Yours truly,
 "C. F. H. Carson,"
 Treasurer

Moved by Mr. Jamieson, seconded by Mr. Beaton, that the Report be adopted.

SPECIAL COMMITTEE ON UNIFORM STANDARDS OF ADMISSION OF BARRISTERS, SOLICITORS AND STUDENTS FROM ONE PROVINCE TO ANOTHER.

Mr. Jamieson presented the Report:

Your Committee met on the 18th day of March 1953, the following members being present: Messrs. Jamieson (Chairman), Beaton and McLaughlin.

UNIFORM STANDARDS FOR THE TRANSFER OF BARRISTERS AND STUDENTS AT LAW FROM ONE PROVINCE TO ANOTHER.

Attached hereto as part of this Report is a copy of the Uniform Standards for the transfer of Barristers and students-at-law from one Province to Another, as approved by the Conference of the Governing Bodies of the Legal Profession in Canada at Niagara Falls on February 22, 1953. The Uniform Standards in this form were unanimously adopted by the Conference and recommended to the Governing Bodies for adoption.

Your Special Committee recommends that:

1. Convocation approve and adopt these uniform standards;
2. Under paragraph 1(c) (i) of the uniform standards, the prescribed term of service under articles for Call to the Bar in Ontario be two years;
3. A Special Committee be appointed by the Treasurer to draft the necessary amendments to the Rules, including a proviso or temporary rule to take care of the cases of applicants for Call to the Bar in Ontario who are presently obtaining their legal education in other provinces;
4. The new or amended Rules be made effective on September 1, 1953.

OCCASIONAL APPEARANCES AS COUNSEL IN ANOTHER PROVINCE.

Attached hereto as part of this Report is a copy of a Resolution unanimously adopted by the Conference of Governing Bodies of the Legal Profession in Canada at a meeting at Niagara Falls on February 22nd, 1953.

Your Special Committee recommends that the Resolution be approved in principle, and that your Special Committee be authorized to consult with the Chief Justice of Ontario and the Chief Justice of the High Court as to the necessary action to be taken to make it effective.

UNIFORM STANDARDS FOR THE TRANSFER OF BARRISTERS AND STUDENTS AT LAW FROM ONE PROVINCE TO ANOTHER.

In the unanimous opinion of the Conference of Governing Bodies of the Legal Profession in Canada the following should

be adopted as maximum requirements governing the transfer of Barristers and students-at-law from one Province to another.

1. The Law Society of a Province should admit, or accept as fully qualified for admission any Barrister in good standing at the Bar of another Province who fulfils the following requirements:

- (a) The applicant Barrister shall present a Certificate of Good Standing from the Law Society of the other Province showing that he is presently a member in good standing therein and that no charge is pending against him in respect of alleged conduct for which he could be struck off the Roll or suspended from the practice of law. That Law Society shall in its certificate refer to previous disciplinary action which resulted in the applicant having been struck off the Roll or suspended from practice, and, on request of the admitting Law Society, may furnish it with information as to any other disciplinary action previously taken by it against the applicant, and any such action or information may be regarded as ground for refusal of an application.
- (b) Applicants for Call to the Bar who at the time of application have been engaged in active practice in another Province for three years or more next preceding the application shall be required to:
 - (i) pass examinations in the statute law and court procedure and practice of the admitting Province; and
 - (ii) pay a fee of \$250.00 in addition to the fee ordinarily required for admission to the Bar of the admitting Society.
- (c) Applicants for Call to the Bar who at the time of application have been engaged in active practice in another Province for a period of less than three years next preceding the application shall be required to:
 - (i) serve under articles in the admitting Province for a period of at least six months;

- (ii) pass examinations in the statute law and court procedure and practice of the admitting Province; and
- (iii) pay the fees ordinarily required for admission to the Bar of the admitting Society.

Where an admitting Society requires more than six months' service under articles for admission of such applicants, they shall be given credit, as service under articles on the time required in excess of six months, with the time they have served under articles and in active practice in the other Province.

2. In the case of student-applicants seeking recognition or credit for university or law school education secured in another Province, a Law Society of a Province should:

- (a) accept graduation from an approved Law School in another Province as satisfying its university and law school educational requirements but may require such applicants to:
 - (i) serve time under articles;
 - (ii) pass examinations prescribed by the admitting Society;
 - (iii) have had preliminary education equivalent to that required of its own articulated students.
- (b) when such students desire to transfer from a law school in an other Province to a law school in the Province where such Society is located, give or withhold credit according to the merits of each case.
- (c) where it conducts Bar examinations as distinguished from law school examinations, grant exemption from the Bar examinations *pro tanto*, to students who in its opinion have passed equivalent examinations in another Province.

3. The terms "Bar", "Barrister" and "admission" embrace Both Barristers and Solicitors and their Call and admission as Barristers and Solicitors.

OCCASIONAL APPEARANCES AS COUNSEL IN ANOTHER PROVINCE.

It is the unanimous opinion of the Conference of Governing Bodies of the Legal Profession in Canada that when a Barrister desires to appear as counsel in a particular matter in a Province in which he is not a member of the Bar, provision should be made under which he may appear in the particular matter by courtesy of, and without payment of a fee to the Law Society of that Province.

Moved by Mr. Jamieson, seconded by Mr. Gregory, that the Report be adopted.

Carried.

LEGAL EDUCATION COMMITTEE—Mr. Beaton.

Your Committee met on the 15th April 1953, the following members being present: Mr. Beaton (Chairman), Mr. Jamieson (Vice-Chairman) and Messrs. Arnup, Chitty, Evans, Foster, Gregory, Stewart, Weir and R. F. Wilson.

ASSOCIATION OF LAW SCHOOL TEACHERS.

Your Committee recommends that the Society pay the expenses of any members of the full-time staff who will attend the annual meeting at the University of Montreal, in June.

SERVICE UNDER ARTICLES—*Fourth Year.*

Pre-examination time off.

A letter is submitted from A. E. Hounsom, District Supervisor Allowances and Benefits, D.V.A., to the effect that if a time

limit is set for pre-examination time off for study, the D.V.A. is prepared to reinstate full assistance for the period granted, provided the Society will continue articleship credit for that period. There are 17 Fourth Year students still receiving D.V.A. Benefits.

Your Committee recommends that articleship credit be granted for a period not to exceed four weeks.

BURSARIES.

In 1950 the Atkinson Charitable Foundation inaugurated bursary programs with the assistance of six Ontario Colleges and Universities. The program has since been extended in five Ontario Colleges. Recently the Secretary has had two interviews with a representative of the Foundation and understands that the Trustees would give favourable consideration to an application for bursary aid for Osgoode Hall law students if the Law Society sees fit to submit such an application.

Your Committee recommends that the Secretary be authorized to make application for any bursaries that may be made available.

WALLACE NESBITT ESSAY COMPETITIONS.

For Students-at-law and for Barristers.

A copy of the new regulations is submitted.

Your Committee refers the new regulations to Convocation for approval.

LAW SOCIETY OF UPPER CANADA.

WALLACE NESBITT ESSAY COMPETITIONS.

Out of the income of the Wallace Nesbitt Trust Fund created as a result of a gift to the Law Society by the late Honourable Wallace Nesbitt, sometime Treasurer of the Society, prizes are offered in two essay competitions, as follows:

- (a) THE WALLACE NESBITT STUDENTS' ESSAY COMPETITION, open to all students-at-law of the Society who at the last date for the handing in of the essays, October 31, are registered in the Second, Third or Fourth years of their course; and
- (b) THE WALLACE NESBITT BARRISTERS' ESSAY COMPETITION, open to all barristers of the Society who at the last date for the handing in of the essays, October 31, shall not have been called to the Bar for more than twenty-nine months.

Prizes of \$150, \$75 and \$40 respectively are offered in each of the above competitions, subject to the regulations below.

The essays may be on any legal subject selected by the candidate and approved by the Dean of the Law School.

It is suggested that normally an essay should contain from 3,000 to 5,000 words.

The regulations governing both of the essay competitions are as follows:

1. On or before July 2, a competitor must obtain from the Dean of the Law School approval of the subject on which he desires to write and give notice in writing to the Secretary of the Law Society stating which of the competitions he proposes to enter and the subject as approved by the Dean.

2. Every essay shall be typewritten, double spaced, on paper 11 inches by 8½ inches, on one side only of the paper and with a margin on the left hand side of at least one inch and a half.

3. Every essay shall be signed by the author as follows:

"I hereby certify that (1) the essay entitled submitted by me in the Prize Essay Competition of the Wallace Nesbitt Trust is my own work; (2) it has not appeared in any printed publication; and (3) it has not been submitted as an essay in any previous competition at Osgoode Hall or elsewhere or as a thesis for a degree in any University."

4. Three copies of the essay must be delivered to the Secretary of the Law Society on or before October 31, provided, however, that the Dean of the Law School may extend the time for receiving an essay if in his opinion there is sufficient reason for the delay.

5. The copies furnished shall become the property of the Law Society. The whole, or any extracts from the essays submitted may be published by the Osgoode Hall Legal and Literary Society in "Obiter Dicta", with the consent of the Law Society, if the Legal and Literary Society so desires. Otherwise the Law Society makes no claim to the copyright in the essays.

6. The examiners shall be the committee nominated in the trust declaration, namely, the Treasurer of the Law Society, the Chairman of the Legal Education Committee, and the Dean of the Law School, or such persons as they may appoint. The

examiners shall be the sole judges of the merits of the essays submitted, and all other questions that may arise in respect of either competition shall be decided by the Committee and their decision shall be final and binding.

7. The examiners may in their discretion increase the amount of any prize if they consider any essay to be of exceptional merit. If in the opinion of the examiners two or more essays are of equal merit, the amount of the prizes may be apportioned accordingly. The examiners may refuse to award the first and second prizes, or either of them, if in their opinion there are no essays submitted that in their opinion merit that or those prize or prizes. The examiners may reject all or any of the essays submitted as unworthy of a prize. The examiners may, although not awarding a prize for an essay, think it of sufficient merit to recommend to Convocation that an *ex gratia* payment be made out of the Wallace Nesbitt Trust funds to the competitor in respect of the time, work and expense which he has incurred in respect of it.

8. In determining the merits of the essays submitted regard will be had to form and literary quality as well as to such matters as originality, learning and research.

9. Carelessness in regard to grammar, spelling or punctuation, or inaccuracy in the proper citation of authorities, will be a ground for entirely rejecting an essay.

Moved by Mr. Beaton, seconded by Mr. Stewart, that the Report be adopted.

Moved in amendment by Mr. Jamieson, seconded by Mr. R. F. Wilson, that the part of the Report with reference to Oral Examinations 1953, Final Year, be referred back to the Committee for further consideration.

The amendment was lost.

The motion was carried.

MONTHLY STATEMENT.

The usual monthly statement was presented and approved.

BARRISTERS AND SOLICITORS SUSPENDED FOR NON-PAYMENT OF FEES.

Donald Henderson Grant, Toronto, Hector Mansfield Howell, Toronto, and John Price Erichsen-Brown, Ottawa, were suspended from practice for one year from March 19, 1953. They have now paid their arrears of fees in full and ask that they be reinstated.

Your Committee recommends that the period of suspension of the above Barristers and Solicitors be terminated forthwith, and that they be reinstated as Barristers and Solicitors in good standing.

Following publication of the Notice of Suspension of eight Barristers and Solicitors on March 19, 1953, J. Harvey Bone, Q.C. wrote with reference to the form of the notice and suggesting that in future the notice state that the suspension is for non-payment of fees. Several Benchers and other members of the profession have made the same suggestion.

Your Committee recommends that in future the notice be in the following form:

“Notice is hereby given that at the meeting of Convocation on , , pursuant to The Law Society Act, R.S.O. 1950, chapter 200, section 45, and having failed to pay a fee payable to the Society within one year of the date prescribed for the payment thereof, the following barristers and solicitors were suspended from practice for a period of one year from that date;”

Your Committee considered the publicity in press and radio following the speech in the Legislature on March 18th, 1953 of W. M. Nickle, Q.C., and read communications thereon from the Simcoe, Lindsay and Frontenac Law Associations.

Your Committee recommends that a factual statement on the series of events from the date of Mr. Nickle's speech in the Legislature and the resulting publicity (including the first Bill to amend the Highway Traffic Act) to the passing of the amended Bill to Amend the Highway Traffic Act together with a copy of The Treasurer's press release of March 19, 1953, be sent to all members of the profession.

THE REPORT WAS ADOPTED.

SPECIAL COMMITTEE, COMPENSATION FUND—

Mr. Robinette.

The Report of your Special Committee dated January 7, 1953 read in part as follows:

"9. That the Society request the Legislature of Ontario to pass the necessary amendments to the Law Society Act to enable it to bring into operation the compensation fund on the principles stated herein and to confer upon the Society the right to make rules with respect to the administration of the fund and to confer upon the Discipline Committee the right to summon witnesses with respect to the hearing of applications for grants out of the fund."

Following the adoption of the Report by Convocation on January 15, 1953 it was moved and carried that the drafting of any necessary legislation and any other details in connection with the Report of the Special Committee be referred to Mr. Robinette, the Chairman, and the Treasurer, with power to act.

Pursuant to paragraph 9 of the Report and to the action of Convocation, the Chairman on March 12, 1953 wrote the Honourable the Attorney-General with reference to the drafting of the proposed legislation. The draft Bill was submitted to the Treasurer, the Chairman of this Committee, and the Secretary for consideration, and with certain suggested amendments was introduced to the Legislature by the Honourable Mr. Porter as Bill No. 148. The Bill received Third Reading and Royal assent on April 2, 1953.

The Law Society Amendment Act 1953 is in force from the day it received the Royal assent.

Carried.

SPECIAL COMMITTEE, UNSATISFIED JUDGMENT FUND.

In the absence of the Chairman, Mr. Arnup presented the Report of the Special Committee:

At its meeting on March 19, 1953 the attention of Convocation was directed to a news story on the front page of the Globe and Mail of that date headed—"M.P.P. Claims Greedy Lawyers Bilk Clients and Accident Fund". It was moved, seconded and carried that the Treasurer appoint a Special Committee to consider this matter and report back to Convocation. The Treasurer appointed the following Special Committee on Unsatisfied Judgment Fund: Messrs. Arnup, Haines, Sedgwick, Stewart, Walker and Walsh.

Your Special Committee met on March 23, 1953 when the Treasurer and all members of the Special Committee were present.

After discussion the Committee was of the unanimous opinion that the publicity in this matter was unjustified and unwarranted. The Committee was unanimously opposed to the proposed amendment to the Highway Traffic Act to the effect that where the amount paid out of the Fund on any judgment exclusive of costs is in excess of \$500.00, the amount paid out of the Fund for costs shall not exceed an amount equal to 20% of the amount so paid out on the judgment. The Committee was of the opinion that this proposed amendment was unworkable.

The Committee adjourned later on the same date and attended on the Attorney-General and laid before him the Committee's views including its opposition to the proposed amendment. The Committee suggested an amendment to the Act providing for a means of settlement of certain cases under the Act. The Committee was assured by the Attorney-General that he would give consideration to the suggestion.

The Attorney-General later appeared in person before the Legal Bills Committee, and Bill No. 129, An Act to Amend the Highway Traffic Act, was introduced by Mr. Doucett as amended by the Committee on Legal Bills. The Act was given Royal Assent on April 2, 1953. All reference to the question of costs not to exceed 20% was deleted from the Bill.

THE REPORT WAS ADOPTED.

The Treasurer referred to letters with reference to this matter from the Simcoe and Lindsay Law Associations, and read a letter and copy of an enclosed resolution from the Frontenac Law Association.

OSGOODE HALL COURT ROOMS.

Mr. Arnup presented the following Report:

Osgoode Hall Court Rooms.

To the Benchers of the Law Society of Upper Canada
in Convocation Assembled.

On February 19th, 1953, following the adoption of the Report of the special committee on Osgoode Hall court rooms, I was appointed a representative of the Law Society to confer with the Chief Justice of Ontario and the Chief Justice of the High Court. On March 24th, 1953, I had an interview with Chief Justice Pickup and Chief Justice McRuer. The attitude of Chief Justice Pickup may be summed up by saying that he does not think there is very much that can be done about the situation at the present time except to confine the use of Osgoode Hall court rooms for trial purposes to one court room. He of course agrees that the situation is undesirable.

Chief Justice McRuer was quite frank in saying that he was surprised the Law Society had not taken objection at an earlier date and that he sympathized very much with their position. His position is that five judges have been assigned to the Toronto list, two for jury work and three for non-jury. Court rooms 2, 3, 4 and 8 are available at the City Hall for the trial of Supreme Court cases, and no others. This means that while there is work to be done and a Judge to do it, that Judge cannot sit unless he sits at Osgoode Hall.

The County Court Judges have available court rooms 1, 5, 6 and 7, together with the two small courts known as rooms 107 and 108.

Chief Justice McRuer indicated that the matter of a new Court House is likely to be made the responsibility of the new Metropolitan Area Council and suggested that the most useful thing which the Law Society could do at the present time is to make strong representations to the Attorney-General with the view of ensuring that the matter of a Court House receives a top priority in the agenda of the new council when set up.

In the light of the views stated it appears to me that the Law Society might well be subject to public criticism if the work of the courts could not proceed at the present time although there is a Judge available to hear cases. In view of the fact that both Chief Justices have expressed their agreement with the general position of the Law Society, I recommend that two steps be taken:

1. That the Chief Justice of the High Court be requested to restrict the use of Osgoode Hall court rooms for trial purposes involving witnesses to one court room at a time.

2. That a committee be appointed to confer with the Attorney-General with the view of enlisting his support in obtaining a new Court House as soon as possible.

THE REPORT WAS ADOPTED.

Moved by Mr. Arnup, seconded by Mr. Beaton, that the second recommendation of the Report:

“that a committee be appointed to confer with the Attorney-General with the view of enlisting his support in obtaining a new Court House as soon as possible.”

be referred to the Special Committee on Court House Accommodation.

Carried.

SPECIAL COMMITTEE ON CRIMINAL CODE, SECTION 116, PERJURY.

Mr. Common reported orally that the members of the Special Committee consulted on several occasions, and that he had spoken to the Chairman of the Special Committee of the House of Commons on Revision of the Criminal Code, and was informed that the date for receiving representations had passed, and that representations had been made by other legal bodies.

Moved by Mr. Common, seconded by Mr. Haines, that the Report be received, and that the Special Committee be discharged.

Carried.

INCOME TAX EXEMPTIONS, STUDENTS.

The Treasurer reported that it had come to his attention that the Budget Resolutions introduced in the House of Commons on February 1953 provided, among other things, that “the deductions in computing taxable income of individuals at present allowed in respect of dependent children under 21 years of age,

be allowed in respect of the dependent children of the taxpayer over 21 years of age if they are attending a university." (Income Tax Resolution 7).

The Treasurer stated that on February 23rd he wrote the Honourable the Minister of Finance pointing out that the resolution should include students of the Osgoode Hall Law School. The Treasurer received an acknowledgement dated February 27, 1953 from the Honourable the Minister of Finance stating that he would be pleased to consider the suggestion when preparing the Income Tax Amendment Bill.

The Bill to amend the Income Tax Act when introduced provided in effect that the relief contemplated in the Budget Resolution would be extended so as to be available to parents with wholly dependent children "21 years of age or over and in full time attendance at a school or university."

MEETINGS OF CONVOCATION.

The Chairman stated that the regular meeting of Convocation would be held on June 18th next, and that a special meeting for Call to the Bar would be held on Thursday, June 25th, when the Honourable Mr. Justice Estey would be the guest of the

The Chairman also stated that the Call to the Bar in September would be held on the regular Convocation day, September 17th, when the Right Honourable the Lord Chancellor of England would be the guest of the Treasurer and Benchers at luncheon and would address the new Barristers.

Moved by Mr. Beaton, Seconded by Mr. Jamieson,

That pursuant to the powers conferred on the Benchers by Section 43 of The Law Society Act, the rules with reference to Call to the Bar on any ordinary Convocation Day, be dispensed with for the regular meeting of Convocation on June 18, 1953, and that a Call to the Bar be held at a special meeting of Convocation on June 25th, 1953.

To the Legal Education Committee:

Special Committee on Fourth Year Oral Examinations.

At its meeting on 20th May 1953 the Legal Education Committee referred the whole question of Fourth Year oral examinations to a Special Committee consisting of the Chairman, Vice-Chairman, and Mr. Arnup for report.

The Special Committee makes the following recommendations:

1. THAT the Fourth Year oral examinations be conducted under the supervision of the Supervisor of Practice Groups from time to time.

2. THAT an oral test, given by Practice Group Instructors selected by such Supervisor, be held shortly after the beginning of the school term—the last week in September or first in October—on the work as full-time students, so that these students who have not been getting adequate training may be advised to assign their Articles to Toronto offices where they may obtain experience in those branches of the law in which they have not had sufficient training, especially in the case of those students who have received only specialized training.

3. THAT an oral examination be held in April, given by experienced solicitors, on the complete office training of the students.

4. THAT the oral examination should be treated as any other subject on the curriculum and marks should be given therefor and included with the marks for the academic subjects, and the results should not be released until the results of all subjects are announced.

5. THAT at the time the oral examinations are being given, arrangements should be made so that there can be an immediate re-check before the oral examinations are concluded as to all students failing to obtain a pass mark from the first examiners.

6. THAT those students who fail to obtain a pass mark on their oral examination, be required to continue their service under Articles and be given a supplemental oral examination on the same basis as for all other examinations, such supplemental oral examination to take place at the time of the regular supplemental examinations.

7. THAT the Supervisor be given authority to request firms to delegate one of their senior members to act as examiners.

“D. Park Jamieson”

Chairman.

Your Committee recommends the adoption of the above recommendations.

THE REPORT WAS ADOPTED.

DISCIPLINE COMMITTEE.

Re James Roy Cadwell.

At the request of the Chairman, Mr. Arnup, the Vice-Chairman, presented the Report.

The Discipline Committee reported that after due inquiry it found James Roy Cadwell of Toronto guilty of professional misconduct and conduct unbecoming a barrister and solicitor in that he, in a certain action which resulted in an application for payment out of the Unsatisfied Judgment Fund in which he was solicitor for the plaintiff, in contravention of section 108a of the Highway Traffic Act, charged his client the amount of a taxed party-and-party bill of costs over and above the sum charged by him as solicitor and client costs in such action, having already received a certain sum of money on account of his fees in respect of such action. The Committee recommended that he should be required to attend before Convocation to be reprimanded.

Mr. Arnup read a letter dated June 10, 1953 from the solicitor.

Moved by Mr. Arnup, seconded by Mr. Sedgwick, that the Report be adopted.

The Solicitor attended and was asked if he had any representations to make with reference to the Report of the Discipline Committee, and he then addressed Convocation.

The Report was adopted.

The Solicitor appeared again before Convocation and was reprimanded by the Treasurer.

ORDERS.

The Secretary placed before Convocation the following Orders which in compliance with Rule 79 are entered on the Minutes of Convocation:

Orders Striking Off the Rolls:

re: HARRY RICHARDS MCGLADDERY

re: REGINALD CARLSTON MCLEAN.

RE: WALTER BRECHIN REID.

Mr. Sedgwick stated that in view of the publicity that had been given this case, he thought Convocation should be informed of what had taken place to date. On June 7th a partner of Mr. Reid had informed him in a general way of what had taken place, and on June 8th another partner attended at his office and delivered a letter addressed to him together with a statement which had been prepared by Mr. Reid and signed by him and witnessed by two partners. On the same day he had delivered the letter and statement to the Secretary who then drafted charges. Mr. Sedgwick stated that he had been out of the city from the evening of June 8th to the afternoon of June 11th when the charges as drafted by the Secretary were approved by him and the Vice-Chairman. The Notice of Complaint was served by registered post as required by the Rules, on June 12th and a special meeting of the Discipline Committee has been called for June 24th.

The Treasurer announced to Convocation that if the Discipline Committee at its meetings on June 24th directed that a Report be presented to Convocation, a special meeting of Convocation would be called for Wednesday, July 8th, at 10 a.m.

THE REPORT WAS ADOPTED.

UNAUTHORIZED PRACTICE COMMITTEE.

Re: John J. Glass (Struck off the Rolls 19th April, 1945.)

Mr. Walsh reported that Mr. A. A. Macdonald, Q.C., acting for Mr. Glass, launched a motion for leave to appeal from the judgment of His Honour Judge Currey reversing the Order of dismissal of Magistrate McKeown. The motion was heard by the Honourable Mr. Justice F. G. MacKay, and was refused on the ground that it could not be said there was no evidence to support the conviction. Mr. Macdonald then moved for leave to appeal to the Court of Appeal consisting of the Honourable Justices Laidlaw, Hogg and J. K. Mackay. Judgment was reserved, and Reasons for Judgment dismissing the motion were delivered on June 12th.

THE REPORT WAS RECEIVED.

COUNTY LIBRARIES COMMITTEE.

In the absence of the Chairman, Mr. Brooks presented the Report.

Your Committee met on the 18th day of June 1953, the following members being present: Mr. Brooks, who acted as Chairman, and Messrs. Evans, Maclaren, Raney, Ward and Weir.

ANNUAL GRANTS.

| | |
|-------------------|----------|
| Parry Sound | \$173.33 |

Your Committee reports that Annual Returns for 1952 have been received from all the Associations except the Nipissing, Northumberland and Durham, Sault Ste. Marie and Stormont, Dundas and Glengarry Associations.

THE REPORT WAS ADOPTED.

PUBLIC RELATIONS COMMITTEE—Mr. Jamieson.

Your Committee met on the 17th June 1953, the following members being present: Messrs. Jamieson (Chairman), Arnup and Weir.

PUBLIC RELATIONS ASSISTANT.

In its Report of April 15th your Committee reported that consideration was being given to the appointment of a full time representative of the Law Society to assist your Committee in its public relations programme.

Your Committee is of the opinion that it would not be justified at the present time in recommending the appointment of a full-time Public Relations Assistant, particularly in view of the fact that careful consideration should be given to the selection and appointment of an assistant to the Secretary, and if such appointment is made the Secretary or his assistant might assume some of the duties of a public relations consultant.

With reference to the booklets and reprints recently distributed to the profession, your Committee reports that requests

for extra copies are still coming in from members of the profession and also from Trust Companies, Insurance Brokers, etc., many of them with most favourable comments.

THE REPORT WAS ADOPTED.

LEGAL AID COMMITTEE—Mr. Blackwell.

Your Committee met on the 17th instant, the following members being present: Mr. Blackwell (Chairman), Arnup, Chitty, Common, Haines, Jamieson, Stewart and Walker.

ONTARIO LEGAL AID PLAN—Criminal Cases.

With the establishment of the Legal Aid Plan in Ontario, it was logical that the legal profession should undertake along with other legal causes, the defence of needy persons accused of murder. During consideration of certain phases of the Legal Aid Plan with the Attorney-General's Department, the Deputy Attorney-General on December 20th, 1951 wrote the Provincial Director in part as follows:

"In addition, where application is made to this Department, we will authorize the Crown Attorney to supply Counsel with a copy of the evidence at the preliminary. Authority will also be given to the Crown Attorney, upon satisfying him that witnesses are material, to put defence witnesses on the Crown Witness Sheet, this to apply to ordinary witnesses and not to expert or professional witnesses."

In February 1953 J. Douglas Conover, Director of the Legal Aid Plan for York County, wrote the Provincial Director pointing out certain problems arising from the administration of the Plan in criminal cases. In particular the question of supplying transcripts of evidence and of the payment of witnesses had become a very important problem in cases other than murder. The importance of these questions may be realized when it is pointed out that in 1952, 730 applicants charged with criminal offences were given legal aid, 475 in York County. Of the charges, 15 were for murder, and 47 were for other serious offences. In a letter of February 12, 1953 Mr. Conover stated in part:

"I would again stress the necessity of getting more help on my criminal panel before it blows up altogether and we are faced with the problem of abandoning criminal legal aid or providing a public defender. Personally I feel that we are performing a real service in this branch of legal aid and in spite of the difficulties involved I would hate to see us go back to the old free list at the Toronto Gaol, which left itself open to many abuses."

After discussing these matters with Mr. Conover and Mr. W. B. Common, Q.C., the Chairman of the Legal Aid Committee of the County of York Law Association, the Provincial Director wrote Mr. Common requesting that in connection with criminal cases under the Legal Aid Plan the policy of the Attorney-General's Department with reference to the supplying of evidence at the preliminary hearing and for paying of witnesses other than expert or professional, be extended to cover charges of attempted murder, rape, attempted rape, and manslaughter exclusive of motor manslaughter.

On May 12th Mr. Common replied as follows:

"With reference to your letter of April 20th, I have discussed this matter at length with the Deputy Attorney-General and am pleased to advise that this Department will authorize the payment of transcripts of evidence taken on the preliminary enquiries in cases of murder, attempted murder, rape, attempted rape, manslaughter, and in special cases of motor manslaughter. This arrangement would also extend to the transcript taken at the preliminary hearing in other offences where special circumstances might warrant it. The accounts for these transcripts should be forwarded to the writer for approval for payment.

"I agree that in ordinary cases the Crown Attorney may make his copy of the transcript of evidence taken at the preliminary hearing available to the defence counsel when requested."

Your Committee notes with approval the generous action of the Attorney-General's Department in this matter, and recommends that in cases other than those referred to above, the Crown Attorney make his copy of the transcript of evidence taken at the preliminary hearing available to defence counsel on written instructions from the County Director, and that in

special cases a copy of the evidence at the preliminary hearing be provided defence counsel on approval of the County Director.

RE STUDENTS-AT-LAW, TORONTO GAOL.

On February 23, 1953 J. Douglas Conover, Director of the Legal Aid Plan for York County, wrote the Provincial Director pointing out that a very real problem had arisen recently in view of the fact that students-at-law were no longer permitted on behalf of their principals, to interview prisoners in the local gaols. Although Mr. Conover made representations, the Department of Reform Institutions stated that the regulations as they existed would be enforced.

On April 20th the Provincial Director wrote Mr. W. B. Common, Q.C., Department of the Attorney-General, with reference to this problem, and requesting the consideration of the Attorney-General. As a result of these representations, the Deputy Minister, Department of Reform Institutions, on May 4th wrote Mr. Conover as follows:

“DEPARTMENT OF REFORM INSTITUTIONS

Office of The Deputy Minister

Toronto 2,
May 4, 1953

Re: Student Lawyers—Toronto Jail

“Dear Sir:

“As you are aware, further representations have been made on behalf of some members of the legal profession practising in Toronto, in respect to student lawyers being permitted to consult with prisoners at the Toronto Jail. Reference has been made to student lawyers acting on behalf of counsel who volunteer to accept the defence of accused persons who are unable to pay. Particular reference has been made to those counsel acting under the Legal Aid Committee, of which, I believe, you are the Chairman or Director.

“After considering the representations made during the last few days, the Minister of this Department, being most anxious that no prisoner shall be denied a properly prepared defense, has instructed me to inform you that he has decided to authorize students-at-law to consult with prisoners at the Toronto Jail under the conditions as set out hereunder.

- “(a) The student-at-law must produce an identification to the satisfaction of the Governor of the Jail.
- “(b) Students-at-law will not be permitted to solicit business within the Jail, either on their own behalf or on behalf of the person or persons being represented by them.
- “(c) Students-at-law shall not distribute business cards at the Jail as a medium of advertising themselves, or the Counsel on whose behalf they are acting.
- “(d) After satisfying the Officer-in-Charge of the Jail as to his identity, a Student-at-law shall be accorded the same privileges as a fully qualified lawyer.
- “(e) The hours during which a student-at-law may have access to the Jail and be permitted to interview a prisoner shall be between 9:00 and 11:30 a.m. and between 1:30 4:30 p.m. Special visits will be dealt with on their merits at the discretion of the Governor of the Jail.
- “(f) Interviews between students-at-law and their clients shall be conducted under existing arrangements at the Toronto Jail and on the understanding that no modification of the present plan will be requested by the students or their counsel.
- “(g) It is to be understood by all students-at-law that their business with prisoners at Toronto Jail must be dealt with expeditiously and that they are not to give to, or place within reach of any prisoner any articles whatsoever, without having first obtained permission to do so from the senior officer in charge.
- “(h) It shall be the responsibility of the Counsel on whose behalf the student-at-law is acting to instruct the student as to his proper conduct during visits to the Jail.
- “(i) Practising lawyers shall be given preference over students-at-law in respect to the availability of accommodation for interviews.
- “(j) Any student-at-law, who after this date requests and receives permission to interview a prisoner and/or any counsel on whose behalf a student-at-law is acting, shall be deemed to have accepted the foregoing conditions and such other conditions or restrictions as exist at the Toronto Jail under the direction of the Governor of the Jail.

"With a spirit of cooperation on the part of students and their counsel, on the one hand, and the staff of the Toronto Jail on the other, there should be few difficulties and we sincerely hope that there will be much benefit derived from this arrangement.

"Yours sincerely,

"G. Hedley Basher,

"Deputy Minister.

The Sheriff,
County of York,
City Hall,
Toronto 1, Ontario."

Your Committee recommends that the Attorney-General and Mr. W. B. Common, Q.C., be thanked for the valuable assistance they have given in these matters in the administration of the Ontario Legal Aid Plan.

Your Committee further recommends that a circular letter setting out the above information be sent to all County Directors, and published in Ontario Weekly Notes, and that copies be furnished to Mr. Common to be sent to all Crown Attorneys.

ONTARIO LEGAL AID PLAN—Civil cases—Costs.

A conducting solicitor has submitted the following problems to the County Director, County of York:

- "1. I have completed an application for Judgment Absolute, and costs were awarded against the male defendant. I will proceed to tax costs. After taxation of costs do we register a writ of Fi Fa in the County in which the defendant resides? Do we take any other steps to recover these costs? Where is the protection for the Fund once the execution is registered?
- "2. After recovery of judgment in a negligent case an application must be made to the Unsatisfied Judgment Fund. Is this application to be made as a Legal Aid or should the solicitor be authorized to make a charge therefor? To whom do the costs allowable on the application to the Fund belong?
- "3. Subsequent to Judgment Nisi or the Judgment Absolute the solicitor receives instructions from the Plaintiff to collect alimony her maintainance and support which has

fallen in arrears. Should the Legal Aid services extend to cover these matters?

- "4. It seems to me that a solicitor who has prosecuted litigation to a successful conclusion should not be expected to recover the costs for the Fund without some compensation therefor, as these additional services are no longer for the benefit of the client but for the benefit of the Legal Aid Fund.

"It is my respectful submission that the applicant for the legal aid should be required to sign an assignment of costs in advance of the aid being granted."

Your Committee recommends that in proceedings taken subsequent to judgment for the recovery of costs for the benefit of the Legal Aid Fund as distinguished from the benefit of the client, the solicitor conducting such proceedings be paid his proper fees and disbursements therefor.

ONTARIO LEGAL AID PLAN—1952.

Attached hereto as part of this Report is the Report of the Provincial Director for the year 1952. Your Committee approves and adopts the Report, and refers it to Convocation for its information.

TO THE LEGAL AID COMMITTEE.

The Provincial Director begs leave to report:

1952 was the first full year of operation of the Ontario Legal Aid Plan. All 44 counties are organized in some form, and all have reported, but it should be pointed out that not all counties have been in operation for the full year, many having been organized during the year, one as late as December 1952.

Seven counties went through the form of organizing for legal aid, but nothing further was done, and unfortunately no records were kept so that the figures given later in this report do not give credit for considerable work that has been done. In two of these seven counties the Directors died during the year and no records could be found. In the other five all applications for legal aid were considered; in some of these only criminal cases were dealt with as legal aid, and civil matters were handled on a purely personal basis by individual solicitors to whom the needy persons applied.

Thirteen counties held clinics, eight regularly, and five as required by the receipt of applications. A few counties held regular clinics for a short period and then discontinued them as they were found unnecessary. It is of interest to note that in York, 46 clinics were held, and in Wentworth 40.

The other twenty-four counties are organized, but do not hold clinics. Some of these are exceptionally well but simply organized, and legal aid may be had in proper cases by applying to any member of the profession or to the County Judge, Magistrates, or court officials. In four counties no applications for legal aid were received, although the county associations were organized.

In twenty-five counties all members of the profession volunteered for legal aid work. In York County there were 136 lawyers available for clinic work, and 218 individuals and 18 firms ready for panel work. In Wentworth there were 10 lawyers available for clinics, and 70 for panel work; in Essex, 35 for clinics and 86 for panel work; in Welland, 73 for both clinic and panel work. In all counties, with the possible exception of York, there appears to be adequate assistance to administer the Plan.

In the year 1952, with the incomplete figures referred to above, there were 3,712 applications for legal aid. Of this number 2,654 were in York County alone. It may be of interest to point out that in Frontenac County seventy applications came from prisoners in the penitentiary.

In the 44 counties, 1,634 applicants were given legal aid or advice in civil matters, 1,130 in York County alone. Of the 1,130 in York County, 334 applicants were referred to conducting lawyers. From the incomplete records available these civil matters appear to fall into the following categories:

| | |
|--|-----|
| General solicitor's work | 35% |
| Domestic Relations, including divorce..... | 34% |
| Litigation | 18% |
| Landlord and Tenant | 13% |

In the same counties, 730 applicants charged with criminal offences were given legal aid, 475 in York County. Of the charges, 15 were for murder, and 47 were for other serious offences.

In view of the contention to the effect that in many sections of the Province there was no need for legal aid, it is interesting to note that in only five of the forty-four county organizations reporting were there no applications for legal aid.

I RECOMMEND that the seven County Law Associations referred to in the second paragraph of this Report, be requested to organize the Ontario Legal Aid Plan on a more formal basis, and to keep proper records in future.

As Provincial Director, I should like to express my appreciation for the assistance given in the administration of the Plan by the Chairman and members of the Legal Aid Committee, by the County Directors, and the members of the local Advisory Committees. In particular I should like to mention the very valuable contribution given by J. Douglas Conover, County Director for the County of York. It will be noted that well over two-thirds of the work done under this Plan was in York County, and it has been handled by Mr. Conover in a most efficient manner.

All of which is respectfully submitted.

Dated the 17th day of June, 1953.

“W. Earl Smith”,
Provincial Director.

THE REPORT WAS ADOPTED.

THE SPECIAL COMMITTEE APPOINTED TO DRAFT THE NECESSARY AMENDMENTS TO THE RULES CONSEQUENT UPON THE ADOPTION OF THE REPORT OF THE SPECIAL COMMITTEE ON UNIFORM STANDARDS.

Mr. Jamieson presented the Report of the Special Committee appointed to draft the Necessary Amendments to the Rules consequent upon the Adoption of the Report of the Special Committee on Uniform Standards:

Your SPECIAL COMMITTEE appointed to draft the necessary amendments to the Rules consequent upon the adoption of the report of the Special Committee on Uniform Standards of Admission of Barristers, Solicitors and Students from one Province to another, begs leave to report:

Your Committee has made a survey of the relevant Rules which would appear to require amendment.

During the course of such survey it early became apparent that consequent upon the adoption of the new four year course at the Law School, abolition of the Matriculant Class of students, special provisions made for graduates from the School of law at the University of Toronto and special provisions for admission from, and recognition of, other universities and colleges, amendments were also required to many other Rules, and that such amendments should be considered and made at the same time as the amendments referred to your Special Committee for consideration.

It would appear that during the last several years policies have been adopted by Convocation and put in force with the provision that "all relevant Rules of the Society be amended accordingly" and that necessary consideration and action to formally amend the requisite Rules has not followed and as a result it is impossible to determine what policies and Rules are in force without checking and considering the Minutes of the meetings of Convocation in addition to the Rules.

It would further appear that the following Rules will require amendment to implement and give effect in the Rules to the decisions of Convocation dealing with the admission of students-at-law, the course of attendance and study at the Law School and admission to the Bar:

132A—Course at Law School; Examinations
and Service.

Rules 133 to 145—Call to the Bar and Admission
as a Solicitor.

Rule 150—Fees payable to the Society and

Forms—3, 4, 6, 10, 11, 12, 15, 16, 20, 21 and 22.

In addition it would appear that consideration should also be given to amending the following Rules:

Rules: 87 to 93, 104, 105, 108, 111, 116 to 118, 125, 127 and 128.

As amendment may be required to approximately one-third of the Rules in connection with the above matters alone, and as other Committees including Finance and Legal Education are interested in the Rules to be considered, and as the last general revision of the Rules took place in 1940, it would appear that in place of your Special Committee proceeding within the limited field of its reference, a new and general Committee should be appointed to make a general revision of the Rules.

Your Special Committee therefore recommends that it be discharged and that a new general special committee be appointed to proceed with a general revision of the Rules of the Society with power to engage all such assistance as it may require.

THE REPORT WAS ADOPTED.

The Treasurer appointed the following Special Committee on Revision of Rules 1953: Messrs. Arnup, Beaton, Jamieson, Walker and Wilson, R. F.

SPECIAL COMMITTEE ON UNIFORM STANDARDS OF ADMISSION ETC.—Mr. Jamieson.

Your SPECIAL COMMITTEE ON UNIFORM STANDARDS OF ADMISSION OF BARRISTERS, SOLICITORS AND STUDENTS FROM ONE PROVINCE TO ANOTHER, begs leave to report:

That pending report of any new Committee appointed to make a general revision of the Rules, and adoption of the same, your Committee recommends that the uniform standards approved and adopted by Convocation on March 19th, 1953, be in force and effect as, of and from September 1st, 1953; and that the Legal Education Committee be authorized and instructed to deal with all matters and applications coming before them after such date in accordance with such Standards.

THE REPORT WAS ADOPTED.

INTERNATIONAL LAW ASSOCIATION.

R. M. W. Chitty, Q.C., one of the representatives of the Law Society of Upper Canada to the Canadian Branch of the International Law Association, reports:

To the Benchers in Convocation Assembled:

I wish to report that as the representative of the Law Society of Upper Canada I attended the first annual meeting of the Canadian Branch of the International Law Association in Montreal on June 15th.

This Branch of which this Society is a member is now fully organized and functioning due to the devoted efforts of Brig. Booth, Major Bloomfield, Q.C., Dr. Fitzgerald and others all of the Bar of Quebec.

It was reported that the Branch now has 34 members including this Society the only body members.

There were some fourteen members present at the meeting, your Society being the only member represented outside the Province of Quebec.

The President, Brig. Booth, was absent and M. Leon Lalonde was elected chairman.

A brief but interesting report of the President was read by the chairman. The statutes (constitution) of the Branch which was formally recognized as a constituent Branch by the Full Council of the Association on September 6th, 1952, were adopted in final form.

The report of the Treasurer, J. Nadeau, solicitor to the Air Transport Board of Ottawa, was read by Dr. Fitzgerald. It showed that the Branch was solvent but by no means opulent.

The officers for the ensuing year were then elected—Dr. N. A. M. Mackenzie, Q.C., President of the University of B.C., Honourary President; Maxwell Cohen, President; Dr. Fitzgerald, Vice-President; and N. R. Noble, Secretary. F. E. Labrie of the Bar of this Province was elected a member of council.

A very interesting address on teaching of international law was delivered by Dr. Eugene Pepin, a member of the Bar of Paris, acting Secretary General of the International Civil Aviation Organization.

After a discussion on the best means of promoting the interests of the Branch of the Association, the meeting adjourned.

“R. M. Willes Chitty”.

THE REPORT WAS RECEIVED.

C. F. H. CARSON,
Treasurer.

ADDRESS DELIVERED BY LORD SIMONDS, LORD HIGH CHANCELLOR
OF GREAT BRITAIN, AT CONVOCATION HALL, OSGOODE HALL,
TORONTO, ON THE 17TH DAY OF SEPTEMBER, 1953.

Ladies and Gentlemen. I must thank you first, Mr. Treasurer, for the far too kind words in which you have introduced me to this assembly. I must confess I find myself very much at home. Like the distinguished gentleman whose name you honour here, Mr. Osgoode, I am, as you have heard, a Bencher of Lincoln's Inn.

I must confess that as I heard these newly called barristers summoned one by one before the Treasurer my mind went back first of all to the days so long ago—I don't think it was kind of the Treasurer to tell you all about it—it was in fact as long ago as 1906, when I was called to the Bar at Lincoln's Inn by a man whose name may yet linger in your memory as one of the greatest advocates ever seen at the English Bar. I refer to Sir Edward Clarke. I doubt, so long ago it is, that that name means much to you.

Indeed since those days it has been my fortune as Treasurer to welcome the new barristers of Lincoln's Inn. The task of the Under Treasurer at Lincoln's Inn was very much like that of the Chairman of your Legal Education Committee to-day, except that his task was a more difficult one for, believe me, they were not such a homogeneous gathering as I see today but came from every part of the Empire and bore every name you can think of, which the Under Treasurer found very difficult to pronounce. They came before us and were admitted members of Lincoln's Inn.

Now, gentlemen, it is a pleasant task that I have been asked to perform to-day for I speak to you as one who, as you have heard, in a day long past was faced with just those problems and perhaps just those misgivings which face you to-day. In my country, as you know, the two branches of the legal profession are strictly separate. A man entering the profession must elect whether he will be called to the Bar and become a barrister or will be admitted as a solicitor. Whatever may be the merits or demerits of separation or fusion of the two branches of the profession this is not the time to speak. Both systems have their supporters. Certainly in my country there are many who advocate that there should be a fusion. I am not sure how far that is confined to members of the solicitor branch of the profession who want to have audience in the higher courts, but at any rate there is a demand for fusion. It may be that in this country there is a demand for separation, of that I know nothing. It is not necessary to say anything about that to-day.

Whatever the system, a young man entering the profession, as you young men do to-day and as I did so long ago, cannot fail to be aware that a great responsibility rests upon you. You have, as all men have who embark on their life's work, whatever it may be, all the anxieties and doubts whether success will come to you, whether you will attain security and fortune and even one of the glittering prizes which only the few can win. In addition to that you have adopted a calling in which perhaps more than any other you owe a duty to the community. You have become members of a privileged class for none but you who have been called can perform those functions which you are now entitled to perform. That would matter little if those functions were trivial or of little account but it is far otherwise for

from to-day you are all part of the great machinery of the law, without which the functions of our society would be undermined.

In this country as in mine you may no doubt sometimes hear jibes at the Law. "The Law is an ass", said Shakespeare through the mouth of one of his characters many many years ago. You hear jibes at the Law and you hear criticisms of those who profess it and there are no doubt in our profession, as in every profession, black sheep, but I prefer the view expressed two thousand years ago by a Greek philosopher who said that if the young men knew the value of the law they would fly to its defence as to the defence of their city walls.

The administration of justice according to law is a thing most vital to the preservation of the society and the way of life that we know and treasure. What part then have you young men beginning your career in law to play in all this? I will tell you, it is just this: Justice can only be administered with the solemn dignity which is its due if all those who are concerned in its administration play an equal part.

We are proud, my country and yours, we are justly proud of the great reputation which our Judges have won for impartiality and integrity—even for their wisdom. The high standard that they have reached may be measured by the astonished outcry that is raised if there is any falling off from traditional excellence. That is true, but the Bench is helpless if the Bar too does not maintain its great traditions. Let me say, and I speak here with the experience of years of knowledge of the Canadian Bar, that the traditions of the Canadian Bar are equally high to those of the Bar I know so well. Bench and Bar, judges, barristers, solicitors, form a single whole and if any part of the machinery is rusted and creaks Justice itself will suffer.

Now I recently came across an eloquent statement of the duty of the advocate by an Irish Judge and I cannot improve upon his words. I will read them to you. They were spoken long ago but these things are part of the original heritage and they are none the worse for that. This is what the learned Judge said: "He (the advocate) is a representative but not a delegate. He gives to his client the benefit of his learning, his talents and his judgment, but all through he never forgets what he owes to himself and to others. He will not knowingly misstate the law:

he will not wilfully misstate the facts, though it be to gain the cause for his client. He will ever bear in mind that if he be the advocate of an individual and retained and remunerated (often inadequately) for his valuable services, yet he has a prior and perpetual retainer on behalf of truth and justice and there is no crown or other licence which in any case or for any party or purpose can discharge him from that primary and paramount retainer."

Now that is very finely said and I would like you who are now embarking upon your career to bear those words in your heart for Justice will depend upon your true observance of them, and though the learned Judge was specifically speaking of the duty of an advocate at the Bar and his duty to the Court his words are equally applicable to the conduct of any member of the legal profession at any time and in any place.

The lawyer has a special skill, he puts it at the disposal of his client who comes to him in doubt and in difficulty to assert or defend his rights. He gives him without stint or reservation the assistance that he asks and in doing so justifies his claim that his is an honourable profession.

Now I have spoken solemnly to you as the occasion I think demands, for we are engaged in discussing the administration of Justice in which you will bear your part. If I were to end in one sentence upon a lighter note, how you should discharge your duties in Court, I would say to you, as one whose age has been disclosed, whose age is comparable to some of his brethren who sit on the Bench, that your first duty in Court if you have anything to say is to say it so that it can be heard. I don't know, Mr. Treasurer, how far your legal education covers this aspect of the art of the advocate. I have tried in vain in my own country to have it introduced as part of the curriculum, that anybody who hopes to address the Court should learn to speak and to read so that he may be heard from his place in the Court on the Bench and believe me, you who aspire to be advocates, nothing in this world is more important if you have anything to say, than to say it so it can be heard without undue effort upon the part of the elderly gentleman who may be getting just a little deaf. That is the first art of the advocate, to be sure that what he says can be heard.

As to the rest the Treasurer has told you, and I am sure it will be borne in mind by you. Do not stint your labours in preparing your case. Do not think that the Court will see its way through the tangles which you have not taken the trouble to unravel. Make it easier for the Court and the easier you make it for the Court the better your fate is likely to be.

I have spoken to you solemnly and I have spoken to you lightly and I will end by wishing you good fortune in the careers which you have adopted.

As the result of information from the Nipissing Law Association, and after an investigation by Mr. C. R. Walker, Q.C., charges were laid in this matter and came on for hearing in North Bay

on September 18, 1953 before Magistrate Gardiner of South Porcupine. The charge against David J. Morland was dismissed, but the Magistrate found William C. Morland guilty of holding himself out as or representing himself to be a solicitor, and fined him \$50.00 and costs.

Your Committee met on the 14th October 1953, the following members being present: Messrs. Common (in the Chair), Haines and Jamieson.

CRIMINAL CASES.

Witnesses for the Defence—Psychiatrist.

Your Committee has on several occasions given careful consideration to the problem of defence counsel employing expert witnesses for the defence, and to the cost thereof. In such cases under the Ontario Legal Aid Plan the report of the doctor of the Attorney-General's Department is available to defence counsel.

Your Committee recommends that if conducting counsel is of the opinion that further medical or expert evidence is necessary to the proper conduct of the defence, he should apply to the County Director who should then forward his recommendation to the Provincial Director for final decision.

THE REPORT WAS ADOPTED.

SPECIAL COMMITTEE, COURT HOUSE ACCOMMODATION,
TORONTO.

Mr. Parkinson presented the report to the Special Committee.

Convocation on 19th February 1953 referred certain correspondence having to do with the inadequate court room facilities at the City Hall in Toronto to a Special Committee consisting of Messrs. Parkinson, Haines and Sedgwick for consideration. The Committee has also had the advantage of reading the report of Mr. Arnup of 27th March 1953 and a circular of the Court House Committee of the County of York Law Association dated 21st May 1953. The Committee now has before it the correspondence consisting of the letter of the President of the Exchequer Court of Canada to the Attorney-General of Ontario dated 18th September 1953 and additional correspondence in connection therewith.

Your Committee reports that the material before it establishes a very serious situation with respect to court room space in Toronto. Mr. Andrew Brewin in his letters calls attention to the postponement of an important Surrogate Court action because there was no court room available at the City Hall. There is also before your Committee a submission to the Chief Justice and the judges of the High Court prepared by a group of lawyers

setting out at considerable length suggested remedies for the unsatisfactory conditions existing at the Court House in respect of the trial of jury and non-jury actions. Mr. Arnup's report has to do with the availability of one court room at Osgoode Hall for trials involving witnesses. The printed circular of the County of York Law Association is a carefully prepared report setting out the effect of the Metropolitan Area statute and the activities of the Civic Advisory Council.

A great deal of the difficulty at the City Hall seems to be the result of the 1885 agreement whereby the City of Toronto agreed to carry out the statutory duties of the County with respect to the provision and maintenance of the Court House. The City Hall was completed in 1898 and the space in the court house section of the building has been encroached upon over the years. The Statute setting up the Municipality of Metropolitan Toronto requires the Metropolitan Corporation to provide the court house for the Metropolitan area and for the County and requires the Metropolitan Corporation to take care of the court house facilities. The Metropolitan Corporation must proceed in these matters by by-law and the County of York must bear its just share of the cost thereof. Until the Metropolitan Council provides the court house the City shall provide therefor and shall be reimbursed by the Metropolitan Corporation in the meantime.

Your Committee is informed that the Civic Advisory Council has received many reports upon the situation and that its opinion seems to be that the City Hall is unsuitable for civic administration purposes but could be renovated to serve all of the purposes of a satisfactory court house. This idea seems to be partly based upon the opinion that the City Hall building ought not to be abandoned and that the provision of two new buildings for the purposes indicated is not necessary or expedient.

The above considerations lead your Committee to the opinion that action in respect of the provision of suitable trial court rooms at Toronto having the future needs of the community in mind and from a long-range point of view must now be dealt with by the Metropolitan Council. In view of the deliberations of the Civic Advisory Committee it would seem that the City will probably deal with the problem in a merely temporary way. In this respect it is to be noted that Mr. Justice Thorson's complaint to

the Attorney-General resulted in the provision during September of accommodation for the sittings of the Exchequer Court in the County Council's Chambers on Adelaide Street. It was not the action of the City of Toronto which solved the difficulty—temporary and unsatisfactory as it may have been.

Your Committee suggests that the problem, serious though it is, is local in its nature now that the responsibility has been placed permanently upon the Metropolitan Corporation and temporarily upon the City of Toronto. The Court House Committee of the County of York Law Association has been extremely active in connection with this matter and Convocation might consider placing the influence of the Law Society behind the efforts of that Committee rather than by proceeding independently.

The Report was adopted and it was ordered that the Special Committee on Court House Accommodation, Toronto, be continued, and that it be directed to co-operate with and support the efforts of the Court House Committee of the County of York Law Association.

OSGOODE HALL LEGAL AND LITERARY SOCIETY.

Grant for 1953-54—On November 27, 1953 the Sub-Committee on Salaries considered a request from the Osgoode Hall Legal and Literary Society for a grant of \$5,535.00. The sub-committee approved the grant in principle, subject to further detailed information on the amounts asked on athletic events and for *Obiter Dicta*. A letter dated January 13, 1954, from Mr. R. G. Elgie, President, and a memorandum enclosed therewith on the financial position of *Obiter Dicta*, was before your Committee and gave further information requested on the above subjects.

Your Committee recommends a grant to the Legal and Literary Society for the current year of \$5,535.00 to be paid out on approval of the Chairman or Vice-Chairman.

REMOVAL FROM ROLLS AND RECORDS—*United States Citizen.*

Charles Harold Teskey was called to the Bar of Ontario and admitted as a solicitor of the Supreme Court of Ontario on the 7th day of February 1924. He does not appear to have practised his profession in Ontario, and has lived continuously in the United States, becoming a United States citizen on May 15, 1931. He is a member of the Bar of Ohio and is applying for admission to the Bar of United States District Court for the District of Columbia. He asks that his name be removed from the Rolls and Records of this Society on his own request.

Your Committee therefore recommends that as Charles Harold Teskey is no longer a British subject and a Canadian citizen, his name be removed from the rolls and records of the Society at his own request, and that proper notice be given to this effect.

REVISION OF RULES.

Your Committee recommends that the revision of the Rules affecting the Finance Committee be referred to the Vice-Chairman and Mr. Walker for consideration and report back to your Committee.

The Special Committee on Continuing Education of the Bar met on the 20th day of January 1954, the following members being present: Messrs. Gregory (Chairman), Beaton, Haines and Jamieson.

SPECIAL LECTURES, 1953.

The total number registered for the special course of lectures on Medical Proof, and Practice and Procedure before Administrative Tribunals, was 231. Of this number, 7 were students-at-law, and of the others a large percentage was from outside the Toronto Metropolitan Area.

The buffet luncheon was a particularly successful part of the occasion, and your Committee feels that this custom should become a permanent part of the programme, if possible.

After careful consideration your Committee was of the opinion that the difficulties of printing the lectures on Medical Proof were too great. Arrangements were made, however, with

Richard DeBoo Limited to print the lectures on "Practice and Procedure before Administrative Tribunals", and these are being sold to the profession and public at \$7.50 per volume.

Presentation copies for the lecturers and members of the Special Committee were specially bound at no extra cost. Copies for the County Law Associations were shipped direct with an account for \$3.50. Through the courtesy of Richard DeBoo Limited copies have again been made available to all students at the Law School at the special rate of \$3.50, provided the copy is purchased for the use of the student himself.

SPECIAL COMMITTEE, REVISION OF RULES—Mr Walker.

Your Committee met on the 7th day of January 1954.

Mr. R. F. Reid reported upon his progress to date and asked for directions before proceeding further with his work.

It was the opinion of the Committee that the principles upon which the revision should proceed should be settled first. After discussion the Committee authorized Mr. Reid to proceed with the revision upon the following principles:

1. The general rules of the Society should be separated from regulations made by standing committees, and these two matters should be considered and dealt with separate and apart from each other.
2. The rules should be divided into parts. The first part should contain rules relating solely to Convocation and include the duties of officers and related matters.
3. The second part should contain a list of the standing committees and the rules relating to these in general.
4. The third part should contain the powers and responsibilities of each standing committee clearly set out, in particular the matters upon which regulations may be made.
5. The final part should contain the rules governing the responsibilities and powers of special committees.

6. As appendices to the rules there should appear—

- (i) the regulations passed by the standing committees and approved by Convocation,
- (ii) the schedule of forms.

Your Committee reports further that a letter has been sent to the Chairman of all standing committees setting out the proposed form of the revision and the procedure proposed to obtain it, requesting the Committees' suggestions about any present rules and regulations now affecting them and drafts of desired changes or new rules.

THE REPORT WAS ADOPTED.

LEGAL AID COMMITTEE.

In the absence of the Chairman, Mr. Arnup presented the Report:

Your Committee met on the 17th instant, the following members being present: Messrs. Jamieson (Chairman), Arnup and Beaton.

REGINA v. ERIC KAIPIAINEN, *Thunder Bay*.

Eric Kaipiainen was charged with murder, and his defence was referred under the Legal Aid Plan to Mr. S. D. Pugsley who later withdrew and the matter was referred to Alfred A. Petrone of Fort William. The accused was convicted, and his counsel and Mr. A. N. Cooper, Barrister of Toronto, appealed. The appeal was allowed, and a new trial ordered to permit the taking of evidence on Commission in Finland. Mr. Clare Hope, Q.C., of the Attorney-General's Department, is making arrangements to take the evidence on Commission in Finland. On December 28, 1953, Mr. A. N. Cooper, on behalf of Mr. Petrone, wrote the Provincial Director as to the possibility of sending counsel for the accused to Finland when the evidence on commission is taken.

On January 20th your Committee recommended that the accused be represented on the Commission, either by counsel from England or Canadian counsel. It was suggested that Mr. D. A. L. Smout, formerly of the Law School staff, be requested to act, and he has agreed. The Supreme Court of Ontario has now issued a Commission to two solicitors in Helsinki, Finland, before either of whom evidence may be taken in this matter, and has also directed that Letters Rogatory issue to the appropriate courts in Finland. The Attorney-General's Department has agreed to pay the witness fees and expenses, but feels that the remuneration of the Commissioners should be paid by the Legal Aid Fund as counsel for the accused applied for the order.

Your Committee recommends that the Legal Aid Fund pay the remuneration of the Commissioners, and also that Mr. Petrone or Mr. Cooper instruct Mr. D. A. L. Smout acting for the accused on the Commission.

ONTARIO LEGAL AID PLAN, *Essex County*.

Charles Sale, Q.C., County Director, has written with reference to a very serious problem which has arisen in his County in connection with the defence of certain criminal matters arising out of prostitution and allied offences. Formerly the cost of defence on these charges was paid by the operators, but the County Director feels that there is now a serious abuse of the Legal Aid Plan, and that the operators of such institutions are not persons entitled to the benefits of the Legal Aid Plan. Pursuant to this interpretation the County Director proposes to refuse any further applications for aid when the offences disclosed are those referred to above or others which arise from such operations.

Your Committee recommends approval of this decision, subject to the approval of the Advisory Committee of Essex County.

THE REPORT WAS ADOPTED.

SPECIAL COMMITTEE, CONTINUING EDUCATION OF THE BAR.—Mr. Gregory.

Your Committee met on the 18th February 1954 when the following members were present: Messrs. Gregory (Chairman), Beaton, Haines and Jamieson.

SPECIAL LECTURES 1954—LABOUR LAW AND LABOUR RELATIONS.

Your Committee reported to Convocation on January 21, 1954 that it was planned to allow up to 250 members of the profession to register, and to invite 50 representatives of Management and 50 of Labour to be guests of the Law Society for the lectures and for the luncheon on Friday, March 19th.

The Canadian Manufacturers Association, Canadian Chamber of Commerce, Canadian Congress of Labour (Ontario Division), and the Trades and Labour Congress (Ontario Division), were each asked to nominate 25 representatives. Two of these associations have already sent in the list of their nominees.

The Canadian Manufacturers Association has suggested that if the registration of 250 lawyers is not complete, some of their members might be allowed to register and pay the usual fee. The Association already has many more requests than the 25 representatives nominated. The Secretary has also received many requests by letter and telephone to allow representatives of both Management and Labour to register at the usual fee.

Your Committee recommends that 50 of the 250 places reserved for the legal profession be made available to interested members of the public at the regular registration fee, and that the Secretary be authorized to allot these registrations.

PRINTING OF LECTURES.

Your Committee recommends that the Secretary be authorized to make arrangements for the printing of the Special Lectures.

THE REPORT WAS ADOPTED.

RE PROFESSIONAL FEES.

Mr. R. F. Wilson presented the Report of the Committee appointed to consider enacting a tariff of fees for corporate work and legal work under Federal Statutes:

The Treasurer appointed W. J. Beaton, Q.C., H. C. Walker, Q.C., and R. F. Wilson, Q.C., as a Committee to consider and report to Convocation on a proposal that The Law Society of Upper Canada consider enacting a tariff of fees for corporate work and legal work under Federal Statutes.

The proposal emanates from discussions on the point at the Annual Meeting of the Conference of Governing Bodies, held at Quebec on the 7th day of September 1953.

In Manitoba the Manitoba Bar Association adopted a tariff of fees covering non-litigious matters on the 31st day of October 1946.

The New Brunswick Barristers Society approved as of the 20th day of June 1953 of a tariff of fees to be followed by members of the Society practising outside Fredericton, Moncton and

Saint John. This tariff establishes minimum charges for legal services in conveyancing, company, personalities and certain other miscellaneous matters. The Saint John Law Society had earlier adopted a similar tariff of fees.

There does not appear at the present time to be any similar tariffs in the other provinces.

Your Committee finds that in Ontario practically every County Association has adopted a tariff of fees for the guidance of the members of their respective associations. An examination of these tariffs shows variations in charges and frequent revisions.

Your Committee having in mind the local tariffs, the economic differences existing in various areas in the province and the varied demands made on solicitors in similar types of matters, is unanimously of the opinion that a provincial tariff is neither desirable nor necessary and accordingly recommends that no action be taken.

THE REPORT WAS ADOPTED.

Convocation adopted the Report, including the Regulations. The proposed Regulations did not include the date on which the Fund is to come into operation.

The Law Society Amendment Act, 1953, section 2, provides:

“The benchers may by regulation fix the day on which The Compensation Fund is to come into operation.”

Your Committee recommends that paragraph 1 of the Regulations, a copy of which is attached hereto as part of this Report, be completed to read as follows:

“1. The Compensation Fund is to come into operation on the first day of April, 1954.”

REGULATIONS MADE BY THE BENCHERS IN CONNECTION WITH THE ADMINISTRATION OF THE COMPENSATION FUND PURSUANT TO SECTION 51b(9) OF THE LAW SOCIETY ACT—AS ENACTED BY THE LAW SOCIETY AMENDMENT ACT, 1953.

1. The Compensation Fund is to come into operation on the 1st day of April, 1954.

2. The Benchers shall determine each year the amount of the levy to be paid into The Compensation Fund for such year by every member of the Bar of Ontario (which expression includes a solicitor within the meaning of The Solicitors Act) engaged in practice or employed in Ontario and the Benchers shall also from time to time determine what class or classes of such members, if any, are to be exempt in whole or in part from the payment of the levy for such year.

3. After the amount of the annual levy has been fixed by the Benchers, the Secretary shall mail a notice of the levy to each person liable for the payment thereof and such notice shall refer to the statutory obligation to pay the levy imposed by section 51b(3) of The Law Society Act, as enacted by The Law Society Amendment Act, 1953.

4. The Finance Committee, at the request of the Discipline Committee, shall from time to time invest the funds available.

5. An applicant for a grant out of The Compensation Fund shall lodge a written application with the Secretary. Such written application shall contain full particulars of the loss alleged to have been sustained by the applicant including,

- (c) The business or transaction with the barrister or solicitor out of which it is alleged that the loss arose.
- (d) The date upon which the alleged loss first came to the knowledge of the applicant.

The Secretary may require an applicant to give further or better written particulars of the facts upon which the application is based.

6. Upon receipt of an application for a grant out of The Compensation Fund the Secretary shall report the receipt of the application to the Discipline Committee.

7. The Discipline Committee shall consider the application and may make such inquiry as it in its discretion deems necessary for the purpose of,

- (a) Determining the facts upon which the applicant relies;

- (b) Determining whether the application comes within the terms of The Law Society Amendment Act, 1953;
- (c) Determining whether a grant out of The Compensation Fund to the applicant should or should not be made.

On any such inquiry the Discipline Committee shall have all the powers that it has under the Rules of the Law Society, including the power to enforce the attendance of witnesses, including the applicant and the barrister or solicitor named in the application, and to compel them to give evidence and to produce any document or thing, and for such purposes the Benchers delegate to the Discipline Committee the powers conferred on the Benchers by section 51b(8) of The Law Society Act as enacted by The Law Society Amendment Act, 1953.

8. (a) At the conclusion of such inquiry the Discipline Committee may determine that no grant be made or that a grant be made to relieve or mitigate the loss of the applicant in whole or in part, and if the Discipline Committee decides that a grant out of The Compensation Fund should be made, it may further decide that the grant be made subject to such conditions as it may deem advisable including the condition that the applicant will assign to the Society whatever rights the applicant has against the barrister or solicitor whose dishonesty led to the loss.
- (b) No grant shall be made unless the barrister or solicitor named in the application has been disbarred or struck off the rolls, or is deceased.

February 15, 1954.

THE REPORT WAS ADOPTED.

LEGAL AID CLINIC, TOWNSHIP OF YORK.

A letter from Howard A. Hall, Q.C., Township Clerk and Solicitor, states that the Council of the Township of York has requested him to organize a free Legal Aid Clinic for residents of the Township of York.

Your Committee recommends that the correspondence be referred for consideration to the County of York Law Association, and that the Association be informed that the Legal Aid Committee will be glad to be of assistance.

ONTARIO LEGAL AID PLAN 1953.

Attached hereto as part of this Report is the Report of the Provincial Director for the year 1953. Your Committee approves and adopts the Report, and refers it to Convocation for its information.

 TO THE LEGAL AID COMMITTEE.

The Provincial Director begs leave to report:

In 1953 all forty-four County Law Associations were organized in some form, but I regret to report once again that three Associations kept no records. These Associations report, however, that all applications for legal aid were taken care of. Figures given later in this report do not therefore give credit for a considerable amount of legal aid work that has been done.

Legal Aid Clinics were held in 17 counties, in 6 regularly, and in 11 as required by the receipt of applications for aid. The following Counties held clinics at regular stated times, and the number of clinics held during the year is indicated:

| | |
|-----------------|----|
| Carleton | 26 |
| Essex | 52 |
| Ontario | 18 |
| Stormont | 11 |
| Wentworth | 42 |
| York | 46 |

In all, 222 clinics were held throughout the province during 1953. The other 24 counties were organized, but do not hold clinics. Some of these are exceptionally well, if simply, orga-

nized, and legal aid may be obtained in proper cases by applying to the County Director, any member of the profession, or to the County Judge, Magistrates or Court Officials. In 2 counties no applications for legal aid were received, although the local Associations were organized.

In 24 Counties all members of the profession volunteered for legal aid work. In York County there were 132 lawyers available for clinic work, and for panel 132 individuals and 19 firms for civil cases and 80 individuals for criminal. In Essex there were 57 lawyers available for clinics, and 101 for panel work; in Wentworth, 40 for clinics and 80 for panel work; in Sudbury 24 for clinics and 22 for panel work; in Carleton, 7 for clinics and 48 for panel work. Again in all counties, with the possible exception of York, there appears to be adequate assistance to administer the plan.

In the year 1953, with the incomplete figures referred to above, there were 3,131 applications for legal aid, 2,234 in civil matters and 897 in criminal. Of the total, 2,169 were in York County alone. It is interesting to note that in Frontenac County 88 applications were received from inmates of the two penitentiaries, and in all cases legal aid was given either in Frontenac, or referred to other counties.

In the 44 counties, 1,531 applicants were given legal aid or advice in civil matters, 1,095 in York County alone. Of the 1,095 in York County, 216 applicants were referred to conducting lawyers. From the incomplete records available, civil matters appear to fall into the following categories:

| | |
|---|-----|
| General solicitor's work | 43% |
| Domestic relations, including divorce | 31% |
| Litigation | 16% |
| Landlord and tenant | 10% |

In the same counties, 770 applicants charged with criminal offences were given legal aid, 427 in York County. On the charges, 16 were for murder, 1 attempted murder, and 200 were for other serious charges.

In view of the contention to the effect that in many sections of the Province there was no need for legal aid, it is of interest to note that in only two of the 44 counties or districts were there no applications for legal aid.

As Provincial Director, I should like to express my appreciation for assistance given in the administration of the Plan by the Chairman and members of the Legal Aid Committee, by the County Directors, and the members of the local Advisory Committees. In particular I should like to mention the very valuable services rendered by Mr. J. Douglas Conover, County Director for the County of York, and his willing and over-worked staff of assistants. It will be noted that about two-thirds of the work done under the Ontario Legal Aid Plan was done in York County, and it has been handled most efficiently.

All of which is respectfully submitted.

Dated—March 17, 1954.

“W. Earl Smith”
Provincial Director.

THE REPORT WAS ADOPTED.

ANNOUNCING A NEW SERVICE
OF
TAX AND BUSINESS CONSULTANTS

Beset by high taxes and a great number of government regulations throughout your business activity and with heavy death duties lying in wait for your estate, retaining your income is just as much a problem as earning it.

If you, your estate, or your business, are subject to income, sales and excise taxes, or death duties, unless you have recently received competent and independent advice, you probably are paying or will pay substantially more in taxes than you should.

We offer a balanced service of legal and business experience to guide you.

Let us make a survey of your tax position."

As the letter from the Essex Law Association suggested, the correspondence was placed before the Committee on Unauthorized Practice. That Committee referred it forthwith to counsel for investigation and report, and recommended that the matter also be referred to the Discipline Committee.

The Discipline Committee instructed the Secretary to write both solicitors indicating that in the opinion of the Committee the advertisements and letterhead are in breach of a resolution of Convocation with reference to advertising as published in the Ontario Weekly Notes of November 11, 1938, and requesting their undertaking that they will cause both to be forthwith discontinued as far as they are concerned.

Your Committee met on April 9, 1954, the following members being present: Messrs. Arnup (Vice-Chairman) in the Chair, Beaton, Common, McCulloch, McGillivray, and Wilson, P. D.

Your Committee considered letters from both Mr. Quain and Mr. Goodman, both to the general effect that the material in question was not authorized by them and that they had requested that it be discontinued.

Your Committee recommends that both explanations be accepted as satisfactory, and that as far as the Discipline Committee is concerned, no further action be taken.

THE REPORT WAS ADOPTED.

COMPENSATION FUND—MAGISTRATES.

RE COMPENSATION FUND—*Magistrates.*

Following the announcement of the levy for the year 1953 there was considerable correspondence with Magistrates and others who paid the Bar Fee, and in particular a letter from W. F. Woodliffe, President, Ontario Magistrates Association. Approximately twenty Magistrates tendered their "resignations". The matter has been considered by the Discipline Committee on several occasions, and by a sub-committee.

Your Committee further considered the matter on April 9, 1954, the following members being present: Mr. Arnup (Vice-Chairman) in the Chair, and Messrs. Beaton, Common, McCulloch, McGillivray, Wilson, P. D. and Wilson, R. F.

Your Committee recommends to the Finance Committee that in the case of those Magistrates who have tendered their resignations, their record sheets be transferred to past, and that such other matters as payments under protest, refunds, &c. be also referred to the Finance Committee.

THE REPORT WAS ADOPTED.

UNAUTHORIZED PRACTICE COMMITTEE—Mr. Walsh.

Your Committee met on the 15th day of April 1954, the following members being present: Messrs. MacTavish (in the Chair), Creighton, Evans, Gregory, Seymour and Walsh (Chairman).

RE MR. X. *A Notary Public and Conveyancer.*

In September 1953 a solicitor of A County wrote the Society enclosing a letter from Mr. X, and the correspondence was referred to Mr. C. H. Walker, Q.C. for investigation and report.

In a letter dated November 18th Mr. Walker reported that he had made a full inquiry into the matter, including inquiries over a period of three days in A and B Counties. He stated that in his opinion the evidence was sufficient to support a charge against Mr. X of holding out or representing himself to be a solicitor, but that the solicitors in both counties appeared to be opposed to a prosecution. Mr. Walker suggested that the Law

Society write the President of both County Associations outlining the result of the investigation, and stating that the Law Society was prepared to prosecute Mr. X on a charge of holding out or representing himself to be a solicitor if that is the desire of the Associations.

Your Committee so recommended, and the Secretary wrote to both Associations. They both replied to the effect that they were reluctant to prosecute, but the B Association requested the Law Society to warn Mr. X with respect to his unauthorized practice, and to state in the warning specifically that any further violations would be prosecuted.

Your Committee further considered the matter at its meeting on January 21, 1954 and was of the opinion that there should be a prosecution in line with the general policy of the Committee for the past few years; but if there is to be no prosecution the B County Association must take the responsibility, and in that case the Association should be asked to obtain an undertaking from Mr. X that he will not offend in this regard in the future.

After further correspondence Mr. X on March 31st wrote the Secretary giving his undertaking that in future he will not practise as a solicitor nor hold himself out as such.

Your Committee recommends, therefore, that no further action be taken.

In view of the very careful consideration given to this matter and of the very full investigation made by counsel, your Committee was of the opinion that this matter should be reported to Convocation.

REVISION OF RULES.

This matter was referred to the Secretary, and he submits a revision of Rule 84 reading as follows:

“Rule 84. The Unauthorized Practice Committee shall consider and report on all matters relating to unauthorized practice of the law whether by way of complaint or otherwise, and shall make such recommendations as they think proper for the protection of the public and the profession.”

THE REPORT WAS ADOPTED.

COUNTY LIBRARIES COMMITTEE—Mr. MacTavish.

Your Committee met on the 15th day of April 1954, the following members being present: the Chairman and Messrs. Creighton, Gregory and Weir.

Your Committee reports to the Finance Committee that the following county law associations have filed their annual returns for the year 1953 in accordance with Rule 62 and have complied in all other respects with the requirements of the Rules adopted from time to time by Convocation in relation to county libraries, and recommends that grants be made to such associations as follows:

|----------------|------------|
| Carleton | \$1,850.00 |

THE REPORT WAS ADOPTED.

Your Committee recommends the purchase of 10,000 copies of an article "Buying or Selling a House—Lawyer is Money Well Spent", which appeared in the March 1954 issue of Canadian Homes and Gardens; and the publication of a Notice in Ontario Weekly Notes that copies are available to members of the profession on request.

THE REPORT WAS ADOPTED.

In the absence of the Chairman, Mr. Arnup presented the Report:

Your Committee met on the 14th April 1954, the following members being present: Messrs. Arnup (in the Chair), McGillivray and Gregory.

8. *Change of Status of Applicant:*

- (1) Where it comes to the attention of a conducting solicitor that a client is or may be ineligible for legal aid, the solicitor shall forthwith report the facts to the County Director.
- (2) If the County Director decides that the client is ineligible, the client shall be notified that the costs of all future proceedings are to be paid for by the client. Until such decision is made, all proceedings shall continue on a legal aid basis.

Your Committee recommends that no microfilming be done for the present and that further investigation be made of the microcard project.

On March 10, 1954 the Registrar, the Institute of Chartered Accountants of Ontario, wrote the Secretary with reference to

certain advertisements which had appeared in the Windsor press. On March 16th the Secretary of the Essex Law Association wrote with reference to the same matter. The details of this advertising and the disposition of the matter by the Discipline Committee is set out in a report of that Committee dated April 9th and adopted by Convocation on April 15.

This correspondence was before your Committee on March 18th, and was referred for investigation and report to Mr. C. H. Walker, Q.C. On April 15th your Committee considered Mr. Walker's interim report which stated in part that should International Tax Services Limited perform services as advertised for a fee the Company would in his opinion be practising or for gain or reward acting as a solicitor, contrary to the provisions of section 6 of The Solicitors' Act.

In view of the fact that the Company was so recently formed, your Committee recommended that a letter be written to the Company pointing out that the advertisement is an offence, and that the services which the Company propose to perform, would also constitute an offence under The Solicitors' Act, and requesting an undertaking from the Company that it will desist.

On May 14th the Secretary received a copy of a letter of May 13th from the President of the Company, to one of the solicitors referred to, stating in part:

"Because of the united opposition of the Law Society and the Institute of Chartered Accountants of Ontario, we have decided to discontinue the operation of this Company. The Company's solicitors have been instructed to proceed accordingly."

RE ADVERTISING.

In consideration of certain correspondence which has recently been brought to its attention, your Committee recommends that the Discipline Committee be requested to review the whole subject of professional advertising.

THE REPORT WAS ADOPTED.

ANNUAL GRANTS.

Your Committee reports specially that the following law associations, having failed to file their annual returns within three months from the 15th day of January 1954, have now filed their annual returns for the year 1953 and otherwise complied with the rules adopted from time to time relating to county law libraries, and recommends that grants be made to such associations as follows:

| | |
|-------------------|----------|
| Huron | \$413.47 |
| Lanark | 575.00 |
| Parry Sound | 173.33 |
| Sudbury | 780.00 |

RULES OF THE LAW SOCIETY.

Your Committee has made a study of the rules relating to county libraries and has agreed that certain minor changes be made. A copy of the rules with these suggested changes is being sent to the Chairman of the Special Committee on Revision.

GRANTS TO THE SMALLER ASSOCIATIONS.

Your Committee recommends to the Finance Committee that Rule 60 be amended by changing the maximum amount that may be paid by way of initial grant to a law association from twenty dollars to one hundred dollars for each member and by adding to Rule 61 a section providing for increased grants to smaller associations. The proposed new section would read as follows:

61. (4) Where the amount that would be paid to any association by way of annual grant in any year under the provisions of Rule 60 and of section (1) of this Rule is less than \$400, the grant may be increased to an amount not exceeding \$400 if the County Libraries Committee is satisfied that the Association has received a reasonable amount in fees from its members, that the number of members paying association fees is a reasonable proportion of the members of the profession practising in the county

or union of counties and that the provisions of Rule 62 have been observed.

THE REPORT WAS ADOPTED.

LEGAL AID CLINIC, TOWNSHIP OF YORK.

At a meeting on March 17th the Secretary submitted a letter of March 12th from Howard A. Hall, Q.C., Township Clerk and Solicitor, with reference to the organization of a Legal Aid Clinic in the Township. The matter was referred to the County of York Law Association.

In a letter of May 17th His Honour Judge A. H. Young, Secretary, County of York Law Association, reports that the matter was dealt with at the last meeting of the Board of Trustees, and he was instructed to advise the Secretary that the opinion of the Board was as follows:

- (a) The establishing of a Legal Aid Clinic as suggested by Mr. Hall would not lessen the amount of work done by Sheriff J. D. Conover;
- (b) If Mr. Hall is allowed to establish a clinic, it should be entirely under the direction of the Provincial Director;
- (c) The establishment of separate clinics within the County should only be done where it can be shown that there is a definite need for the clinic, and the proper personnel and facilities are assured to insure the continued success of the Clinic as it has been set up.

Your Committee recommends that Mr. Howard A. Hall be authorized to organize a Legal Aid Clinic in the Township of York under the direction of the Provincial Director rather than the Director of the County of York, as provided by the Regulations.

THE REPORT WAS ADOPTED.

SPECIAL COMMITTEE, COURT HOUSE
ACCOMMODATION — TORONTO.

Mr. Parkinson reported orally as follows:

Your Chairman and Mr. Haines attended on June 16th the first meeting of the Committee of Metropolitan Toronto. The Committee is called "SPECIAL COMMITTEE RE ACCOMMODATION AND FINANCIAL INVOLVEMENT OF COURTS AND GOALS". The Chairman of the Committee is Mr. Joseph M. Gould. Mr. F. G. Gardiner, Q.C., Mayor of The Municipality of Metropolitan Toronto, was present ex officio along with Mr. W. C. Davidson, Q.C., Messrs. Crockford, Seagrave and others. Your Committee was impressed by the serious way in which the matter is being dealt with on behalf of Metropolitan Toronto. The deputations did not appear to be in agreement by any means. Two Judges were present representing the High Court and the County Court, and expressed fairly strong views that the Court House should be moved away from the noise and congestion of the centre of the City. This idea was opposed by Sheriff Conover and your Committee on the ground that the Court House must be kept in the proximity of the various other legal offices, including Osgoode Hall. Your Committee was under the impression that the report of the Civic Advisory Committee concerning the renovation of the City Hall was practically accepted by the Metro authorities. There was considerable discussion about what the Court House must contain in the way of Court Rooms, accommodation for jurors, witnesses, counsel, and for the Library, County Court and Surrogate Court Offices, etc. There was considerable discussion of the staggering problem of providing necessary accommodation during changes. There was some discussion concerning the erection of an entirely new building. According to the newspaper next morning it appeared that later on several of the Committee members were of the opinion that a new Court House might be required. It may be advisable that your Committee be continued and be enlarged upon nomination of the Treasurer and be given directions and instructions by Convocation.

The report was received, and the Special Committee was instructed to confer with and support the efforts of the Court

House Committee of the County of York Law Association in an attempt to solve this difficult problem.

Moved by Mr. Walsh, seconded by Mr. McLaughlin, that in the opinion of Convocation it is essential that the Court House should be located in the downtown area adjacent to Osgoode Hall and other court offices.

Carried.

Moved by Mr. R. F. Wilson, seconded by Mr. Gregory, that in the opinion of Convocation it is desirable that a new Court House be erected, or failing this solution that the present City Hall should be suitably renovated for the purpose of court rooms and the relevant offices.

Carried.

Mr. Parkinson, the Chairman of the Special Committee, suggested that in view of the importance of the work of this Committee, two further members should be added.

Moved by Mr. Walsh, seconded by Mr. P. D. Wilson, that the Treasurer appoint two additional members to this Committee.

Carried.

The Treasurer appointed Messrs. Walker and R. F. Wilson, so that the Special Committee on Court House Accommodation, Toronto, is now composed of: Messrs. Haines, Parkinson, Sedgwick, Walker and R. F. Wilson.

CORRESPONDENCE.

The Treasurer read a letter from Dr. John D. Falconbridge expressing his appreciation on his appointment as Dean Emeritus of the Osgoode Hall Law School.

Ordered that the letter be received and filed.

Convocation notes with interest that Mr. W. Earl Smith was appointed Secretary of the Law Society of Upper Canada in

June 1934, and on this the 20th anniversary of his appointment Convocation records its appreciation of Mr. Smith's discharge of the many and increasingly difficult duties of his office through these years with great efficiency and unfailing courtesy.

INNS OF COURT—"The Honourable Society of Osgoode Hall".

In 1952 the authors of this book, C. H. A. Armstrong, Esq., Q.C., and Professor E. R. Arthur, agreed with the publishers, Clarke, Irwin & Co., Limited, that the royalties therefrom would be paid to the Law Society of Upper Canada as trustees only, to receive and pay them over to the Inns of Court as they request. The Secretary has received a cheque for \$255.90, representing royalty from publications to January 31, 1953. A further cheque will be received in November 1954.

THE REPORT WAS ADOPTED.

LEGAL AID COMMITTEE.

In the absence of the Chairman, Mr. Jamieson presented the Report:

LEGAL AID, CRIMINAL CASES.

Applicants with previous convictions.

On June 2nd F. J. Chauvin, Secretary, Essex Law Association, wrote the Provincial Director with reference to this problem which is particularly acute in Windsor. A copy of his letter and a copy of a recommendation of the Legal Aid Committee of February 17, 1954 were sent to all members of the Committee.

A report of the Legal Aid Committee of February 18, 1953 reads in part as follows:

“Your Committee is of the opinion that no action should be taken to limit the scope of the Legal Aid Plan as presently constituted, and recommends that if an applicant is eligible, legal aid should be given to applicants even if they have a previous conviction.”

On June 11th and 14th Charles Sale, Q.C., County Director, Essex, wrote the Provincial Director with reference to specific

cases of applicants with previous convictions and whose records since release from imprisonment indicated that they had no intention of refraining from a life of crime.

At its June meeting the Committee recommended that Mr. Sale be requested to proceed as he had in the past to deal with applications, even of previously convicted persons, on the merits. The Committee further directed that the Chairman discuss the matter fully with the Attorney-General. The Chairman asked that the matter again be considered by the Committee so that he may be fully informed before attending on the Attorney-General.

Your Committee recommends that without in any way repealing the principle presently in force, the County Directors be requested to keep a roster of repeaters in criminal cases who apply for assistance under the Ontario Legal Aid Plan; and in proper cases, on information and recommendation from the County Director, the Provincial Director may authorize the County Director to use his discretion in the granting or withholding of legal aid to such persons.

THE REPORT WAS ADOPTED.

SPECIAL COMMITTEE ON COURT HOUSE ACCOMMODATION, Toronto.

Mr. Parkinson reported orally as follows:

This Committee met this morning (September 16, 1954) and discussed the information that the committee of Metropolitan Toronto has re-engaged Professor H. H. Madill to reconsider the recommendations in the report to the Civic Advisory Council and to consult with the Chief Justice of the High Court, His Honour Judge Forsyth, Magistrate Elmore and your Committee as to the possibilities of converting the present City Hall into a satisfactory Court House. The Chairman reported that the resolutions of Convocation of 17th June 1954 had been placed in the hands of the Metropolitan Committee and the Chairman of the Metropolitan Council. The individual members of the committee were instructed to keep in touch with the matter for the purpose of a further report to Convocation.

THE REPORTS WERE RECEIVED.

SPECIAL COMMITTEE, CONTINUING EDUCATION OF THE BAR—Mr. Gregory.

In its report to Convocation, April 1954, your Committee outlined the arrangements made for printing of the lectures. Copies for the County Law Associations were shipped direct with an account.

Presentation copies for the lecturers and members of the Special Committee were specially bound at no extra cost. As in the past, Mr. DeBoo sent the Secretary, without charge, sufficient copies of the combined volume so that a presentation copy might be sent to each of the other Canadian Law Societies, the Law Society of England, and certain selected law libraries.

Mr. DeBoo has again been good enough to make arrangements to supply copies to students at the Law School at a special rate, provided the copy is purchased for the use of the student himself.

CONTINUING EDUCATION 1955.

Your Committee is of the opinion that the programme for continuing education of the Bar has become an integral and permanent part of the work of The Law Society of Upper Canada, and recommends that a Committee on Continuing Education of the Bar be made a Standing Committee of the Society.

Your Special Committee recommends that it be discharged.

THE REPORT WAS ADOPTED.

SPECIAL COMMITTEE, RETIREMENT OF JUDGES.

In the absence of the Chairman, Mr. Sedgwick reported orally that the recommendation of the Special Committee as adopted by Convocation, was communicated to the Honourable Dana H. Porter, Q.C., Attorney-General of Ontario, who had replied as follows:

“Following your letter of May 13th I have had an opportunity of discussing the question of retirement of judges at the age of seventy-five with the Cabinet Council.

“This government is in favour of supporting a constitutional amendment to give effect to the representations of The Law Society of Upper Canada and the Canadian Bar Association.”

THE REPORT WAS RECEIVED.

The Treasurer announced to Convocation that Mr. D. Park Jamieson, M.B.E., Q.C., had been elected President of the Canadian Bar Association at the recent Annual Meeting held in Winnipeg, Manitoba, and that Mr. Wilfrid P. Messrs. Clarkson, Gordon & Company, be approved for presentation to Convocation and for publication pursuant to the Rules.

An estimate of the probable receipts and disbursements for the year 1954-55 is recommended for approval.

RE STATUTES OF CANADA, ANNUAL EDITION 1954.

On August 24th the Supervisor of Government Publications wrote the Society intimating that the usual discount of 25 per cent. would no longer apply, and that the price of Volume I would be increased from \$5 to \$7.50. This would have meant a substantial loss to the Law Society, as subscribers to the Statutes had paid at the old rate less the usual discount; or it would have involved the collection of an additional amount from all subscribers. The matter was referred to Mr. D. K. MacTavish, Q.C., to take up with the Department, and in a letter of September 29, 1954, from the Queen's Printer to Mr. MacTavish it is agreed that the Statutes for 1954 will be charged to the Society at the old rate, less 25 per cent. discount.

In the original letter of August 24th advising that the discount would be discontinued and that the price would be increased, it was also stated:

"Intermediary organizations or agents do not benefit from a preferred price, and for this reason it would be preferable if the individual members were to deal directly with the Queen's Printer for all future editions."

For many years members of the Law Society have been able to subscribe for the Statutes (Canada and Ontario), and pay for them with their annual fees. They also obtained the advantage of discounts of 25 per cent. and 20 per cent. respectively. If the suggestion in the letter from the Department of Public Printing and Stationery is accepted, the Secretary asks instructions if it is to apply also to Ontario Statutes.

In consideration of the above information, your Committee recommends that the service provided in the past by the Law Society for members of the profession be discontinued.

CANADIAN BAR ASSOCIATION—ONTARIO MEMBERS.

Mr. W. P. Gregory, Q.C., Vice-President for Ontario, reports that the Mid-Winter Meeting of the Ontario Members of the Canadian Bar Association will be held at the Hotel London in London on February 4th and 5th, 1955. He suggests that consideration be given to the tendering of a luncheon by the Law Society at that time.

Your Committee recommends that the Treasurer and Benchers give a luncheon to the members of the Ontario Section of the Canadian Bar Association at their Mid-Winter Meeting, and that the Treasurer make his statement to the Section at that time; and that the matter be referred to a Special Committee to be appointed by the Treasurer.

FIRE PROTECTION, OSGOODE HALL.

Fire Alarm System—At the meeting on June 15th the Secretary reported to the Committee that the Department of Public Works was installing a system of fire detection units with fire alarm stations and control panels located at key points. The system would be installed to cover that portion of Osgoode Hall occupied by the Government, as well as the Great and West Library Rooms. The Committee approved of a recommendation by Mr. Heeney that the Law Society install a similar fire system in its part of the building at an estimated cost of \$3,000.00.

On October 5th Mr. Heeney reported that Mr. G. N. Williams, Esq., Deputy Minister and Chief Architect of the Department, had agreed to install the system in the Society's part of the buildings, at the expense of the Society. He points out that the

request appeared to possess merit, particularly since it will have the effect of producing a synchronised interlocking system throughout all of Osgoode Hall.

Approved.

COUNTY OF YORK LAW ASSOCIATION.

Asked permission to hold a dinner meeting in the Club Rooms and Convocation Hall on Tuesday, November 2nd, 1954.

Your Committee recommends that the request be granted.

THE MEDICO-LEGAL SOCIETY OF TORONTO.

Asked permission to hold a reception and dinner in Convocation Hall on November 9th, 1954.

Your Committee recommends that the request be granted.

THE OSGOODE HALL LEGAL & LITERARY SOCIETY—BRIDGE CLUB.

Asked permission to hold a regular weekly session in the students' third floor lounge every Tuesday evening at 7:45.

Your Committee recommends that the request be granted.

Moved by Mr. McLaughlin, seconded by Mr. R. F. Wilson that the report be adopted except for the recommendation with reference to the Statutes of Canada, Annual Edition, and that that matter be referred to a Committee composed of—the Treasurer, the Chairman and Vice-Chairman, with power to act.

Carried.

LEGAL EDUCATION COMMITTEE—Mr. Beaton.

Your Committee met on Wednesday, 20th October 1954, the following members being present: W. J. Beaton (chairman), D. Park Jamieson (vice-chairman) and Messrs: Arnup, Chitty, Foster, Gregory, MacTavish, Robinette, and Wilson, R.F.

PENSION PLAN FOR MEMBERS OF THE PROFESSION.

In its report of November 16, 1954 the Finance Committee recommended that the Pension Plan as proposed by Professional and Industrial Pensions Limited be referred to Convocation for consideration. Following the presentation of the Report it was moved, seconded and carried that consideration of the Plan stand to the January 1955 meeting of Convocation, and that the Special Committee on Pension Plan for Members of the Profession be instructed to send to members of Convocation such information as it considers material to the understanding of the Plan, and that the Special Committee be authorized to incur the necessary expense in connection therewith.

On January 11, 1955, the Secretary sent to members of Convocation a pamphlet including a suggested letter from the Society to its members, and a summary of the proposed pension assurance plan.

A letter dated January 14, 1955 from the Wyatt Company was also considered.

Your Committee recommends that the brochure and the proposed covering letter be referred to the Special Committee on Pension Plan for Members of the Profession for further consideration before presentation to Convocation.

DISCIPLINE COMMITTEE.

Mr. Sedgwick presented the Report of the Discipline Committee with reference to the Professional Conduct of Solicitors:

Your Committee met on the 10th day of December 1954, the following members being present: Messrs. Sedgwick (Chairman), Arnup (Vice-Chairman), Beaton, McCulloch, McGillivray, Seymour, Wilson, P. D. and Wilson, R. F.

During the past few years several cases have come to the attention of your Chairman, Vice-Chairman, or your Committee where the solicitor complained against had either borrowed money from or loaned money to a client. In some cases the solicitor had a direct interest in the matter complained of.

Your Committee has given serious consideration to this problem, and recommends that the following notice to the profession be published in the Ontario Weekly Notes in January 1955:

"On a few occasions solicitors appearing before the Discipline Committee on charges of improper use of clients' funds have pleaded that the moneys in question were loans made to them by the clients. The Committee reminds the profession that solicitors must at all times act towards their clients with the utmost good faith, and where a solicitor has any personal interest in any transaction he should make his position abundantly clear to the client. It is suggested that it is advisable that a solicitor involved in such a transaction should deliver to the client a full and explicit explanation in writing and should secure from the client a written acknowledgment. The Committee is of the opinion that transactions between solicitor and client in which the solicitor has a personal interest should not ordinarily be matters of oral agreement only, and the Committee inclines to the view that failure on the part of the solicitor to make such transactions of formal record may in some circumstances constitute professional misconduct."

All of which is respectfully submitted.

Dated—December 10, 1954.

"J. Sedgwick"

Chairman.

UNAUTHORIZED PRACTICE COMMITTEE—Mr. Walsh.

Your Committee met on the 20th day of January 1955, the following members being present: Messrs. Walsh (Chairman), Parkinson (Vice-Chairman), Brooks, Clement, Creighton, Gregory, Hamilton, Hayes, Jamieson, Raney, Seymour and Weir.

CHARTERED ACCOUNTANTS, TAX CASES, ADVERTISING.

At the meeting of the Committee on September 16, 1954, Mr. Gregory referred to an article which had appeared in the Taxation Bulletin of the American Bar Association, "Statement of Principles, Collaboration of Lawyers and Certified Public Accountants Desirable". Mr. Gregory pointed out that some members of the profession had called attention to advertisements in the yellow pages of the Toronto Telephone Directory under the heading, "Tax Consultants". Under this heading there were institutional advertisements by the Certified Public Accountants' Association of Ontario, and the Institute of Chartered Accountants of Ontario.

Mr. Gregory and the Secretary had conversations with the Secretary of the Institute of Chartered Accountants of Ontario, and at a meeting on November 18th Mr. Gregory reported on these conversations and stated that the Institute desired and was prepared to co-operate with the legal profession wherever possible. Mr. Gregory pointed out that the two Associations of Accountants listed advertisements under Tax Consultants because their individual members could not advertise as could other accountants not members of these Associations.

The Secretary, on instructions, wrote the Institute of Chartered Accountants that there had been a general discussion of the above matters, and that the Committee was pleased with the present co-operation of the two professions and hoped that it would continue, and that each would continue to respect the proper functions of the other and the services which each was qualified to render.

In December 1954 your Committee was informed that the Certified Public Accountants' Association of Ontario and the Institute of Chartered Accountants of Ontario had agreed to withdraw their advertisements under the heading of "Tax Consultants" and hoped to eliminate the section altogether.

Your Committee notes with approval and appreciation the action taken by the two Associations, and the Secretary was asked to write to this effect.

Your Committee begs leave to report:

COMMISSIONERS FOR TAKING AFFIDAVITS.

The attention of your Committee was drawn to the number of, and the method of appointment of Commissioners for Taking Affidavits.

Your Committee recommends that representations be made by the Law Society of Upper Canada to the Attorney-General and to the Provincial Secretary pointing out that the administration of justice is being brought into disrepute by the practice of appointing unqualified persons as Commissioners for Taking Affidavits; and requesting that serious consideration be given to making appointments in a manner similar to that provided by The Notaries Act, which would ensure that the appointment of Commissioners for Taking Affidavits would be made from competent persons, and that such appointments were necessary for the convenience of and in the interests of the public.

MR. X., NOTARY PUBLIC, CONVEYANCER, JUSTICE OF THE PEACE.

Mr. R. C. Hays, Q.C., brought to the attention of your Committee certain correspondence from Mr. X. with reference to an estate. The matter was referred to Mr. C. H. Walker, Q.C., for investigation, and his report showed the practice was the rather usual one in such cases with the Notary Public doing all the work in connection with the estate, except that the application (prepared by the Notary Public) was presented to the Court by a firm of solicitors. Following his investigation Mr. Walker recommended that no further action be taken with reference to the Notary Public.

Your Committee recommends that the correspondence be referred to the Discipline Committee for the possible investigation of the association of the solicitors with the Notary Public.

CANADA BONDED ATTORNEY and LEGAL DIRECTORY.

Mr. Fraser Raney, Q.C., a member of the Committee, brought to the attention of the Chairman recent correspondence from members of the Society concerning arrangements with Canada Bonded Attorney whereby the solicitors paid a percentage of fees earned on professional work received through the Canada Bonded Attorney.

The Secretary reported that his matter had been previously investigated by the Discipline Committee, and that on at least two occasions the following notice had been printed in Ontario Weekly Notes:

“For the attention of all Members of the Society.

“The attention of Convocation has been called to the fact that certain Solicitors are in the habit of splitting fees with a Company known as the Canada Bonded Attorney & Legal Directory Limited. Apparently some doubt exists in the minds of the members of the profession as to the propriety of this practice and the ethics of such arrangements. Convocation takes this opportunity of calling the attention of the profession to the fact that in a matter investigated by the Discipline Committee, Convocation was of the opinion that practice of this nature is to be regarded as professional misconduct and conduct unbecoming a Barrister and a Solicitor.”

Your Committee recommended that the matter be referred to the Secretary who discussed the matter with a representative of the Canada Bonded Attorney, and on February 14th, the President wrote the Secretary stating in part as follows:

“There are at present less than 15 listees in the Province of Ontario who pay for their listing on a percentage basis of commissions earned (as distinct from fees) and these can be changed by us to a cash basis, if held to be preferable.”

Your Committee recommends that the Canada Bonded Attorney be requested to terminate forthwith the practice where-

by a solicitor pays for his listing on a percentage basis of fees or commissions earned, and that a notice to the profession be published in Ontario Weekly Notes.

REAL ESTATE AGENTS, BUILDERS.

The attention of the Committee was directed to the alleged practice in parts of the Province where “deals” are made between solicitors, real estate agents and builders whereby professional business is directed to the solicitors for services rendered; and with reference to solicitors splitting profit costs with real estate agents.

Your Committee recommends that this correspondence be referred to the Discipline Committee for consideration.

THE REPORT WAS ADOPTED.

Your Special Committee met on November 18, 1954, when all members were present. Mr. Wilson was elected Chairman, and the Committee recommended that the Law Society of Upper Canada give a luncheon on Saturday, February 5th, to members only of the Canadian Bar Association registered for the Mid-Winter Meeting; and that the Law Society pay one-half of the cost of refreshment before luncheon.

Your Committee reports that on Saturday, February 5th, the Law Society was host to 396 members of the Ontario Section of the Canadian Bar Association. The Treasurer was not able to be present, and following the luncheon Mr. R. F. Wilson made to the members of the section a statement on the work of the Benchers for the year 1954.

Your Special Committee recommends that it be discharged.

ONTARIO LEGAL AID PLAN 1954.

Attached hereto as part of this Report is the Report of the Provincial Director for the year 1954. Your Committee approves and adopts the Report, and refers it to Convocation for its information.

TO THE LEGAL AID COMMITTEE.

The Provincial Director begs leave to report:

In 1954, 43 of the 44 county law associations were organized in some form, but a few in an informal manner. One association kept no records, and the Directors of Algoma, Lanark, Nipissing and Parry Sound failed to report on the year's work. Those associations which are not formally organized and the one which kept no records, state that all applicants for legal aid in these counties were taken care of by individual solicitors. The totals which appear later in this report do not, therefore, include credit for considerable legal aid work done during the year.

Legal Aid clinics were held in 17 counties—in eight regularly and in nine as required by applications for aid. The following counties held clinics at regular stated times, as follows:

| | |
|-----------------|----|
| Carleton | 24 |
| Essex | 49 |
| Ontario | 12 |
| Simcoe | 12 |
| Stormont | 12 |
| Sudbury | 4 |
| Wentworth | 43 |
| York | 46 |

A total of 218 clinics were held throughout the province during 1954. The other 21 counties, while organized, held no clinics. Some of these are well, if simply, organized, and legal aid may be obtained in proper cases by applying to the County Director, any member of the profession, or the County Judge, Magistrates, or court officials. In several counties all applications are considered by the Director, Local Director, or a member of the Advisory Committee. In Peterborough one member of the profession is appointed to administer the Plan each month, and this seems to have worked satisfactorily for the past few months.

In 3 counties of those reporting, no applications for legal aid were received.

In 20 counties all members of the profession are available for legal aid work. In York County there were 92 lawyers available for clinic work, and for panel, 148 individuals and 21 firms for civil cases and 48 individuals for criminal.

In Wentworth County members of the profession are available as needed;

In Essex County there were 60 lawyers available for clinic work, and for panel, 80;

In Sudbury District there were 27 lawyers available for clinic work, and 22 for panel;

In Carleton County there were 32 lawyers available for both clinic and panel work;

In Welland County the County Director or Local Director considers all applications, and all members of the profession are available for panel work.

With the exception of York County, in criminal matters, there appears to be adequate assistance to administer the Plan.

In the year 1954, with incomplete figures as indicated above, there were 3,602 applications for legal aid, 2,416 in civil matters and 1,186 in criminal. Of this total, 2,472 were in York County alone. In one county where there were 41 applications for legal aid, 40 were for assistance in domestic relations matters.

In the 43 counties, 1,677 applicants were given legal aid or advice in civil matters, 1,257 in York County alone. These figures include advice given or other disposition at the clinics or on the applicants' first interview. Of the total in York County, 182 applicants were referred to conducting solicitors.

From the records available, the civil matters fall into the following categories:

| | |
|--|--------------|
| General solicitor's work | 41 per cent. |
| Domestic relations, including divorce..... | 34 per cent. |
| Litigation | 16 per cent. |
| Landlord and Tenant | 9 per cent. |

In the same counties, 979 applicants charged with criminal offences were given legal aid, 482 in York County. Of these charges, 10 were for murder, and 185 were for other serious charges. In one county aid was given to four persons charged with escape from prison.

Legal aid in criminal matters has encountered some serious problems during the past year, one of the most serious being the question of whether or not aid should be given to repeaters. Two county law associations have suggested that legal aid in criminal cases be discontinued. This view is not general, however, and the Legal Aid Committee intends in the near future to review the whole administration of the Plan.

Perhaps the most dramatic case during the past year is that of a foreign born applicant charged with murder. On his first trial he was defended under the Legal Aid Plan, was convicted and sentenced. An appeal was taken, not under the Legal Aid

Plan, but by his counsel with the assistance of several members of the profession in Toronto. On the appeal a new trial was ordered, and evidence on commission was taken in Finland. A member of the Department of the Attorney-General represented the Crown on the commission, and the accused through the Ontario Legal Aid Plan was represented by counsel from London, England. On the second trial the accused was again convicted, but on representations from counsel, both here and in England and almost everyone connected with the trial, the penalty was commuted to life imprisonment.

As Provincial Director once again I should like to express my appreciation for the assistance given in the administration of the Plan by the Chairman and members of the Legal Aid Committee, by County and Local Directors, members of the local Advisory Committees, and by the members of the profession at large. Without taking any credit from other County Directors, an extra word of thanks must go to J. Douglas Conover, County Director for York, and his able and overworked staff of assistants for valuable services rendered. Approximately two-thirds of the work done under the Ontario Legal Aid Plan was done in York County, and it was well done.

The following is the financial statement for the year 1954:

THE REPORT WAS ADOPTED.

SPECIAL COMMITTEE ON LEGISLATION 1955— Mr. Walsh.

Your Committee met on the 28th February 1955 when the following members were present: Messrs. Arnup, Sedgwick and Walsh.

Mr. Walsh was elected Chairman.

Your Committee met again on March 17, 1955, the following members were present: Messrs. Walsh (Chairman), Arnup, Gregory and Jamieson.

Your Committee considered several Bills before the present session of the Legislature, but makes no recommendation.

THE REPORT WAS ADOPTED.

REPORT OF SPECIAL MEETINGS OF THE CHAIRMEN AND
VICE-CHAIRMEN OF STANDING COMMITTEES.

At the request of the Chairman, Mr. Beaton presented the Report of the meetings of the Chairmen and Vice-Chairmen of Standing Committees:

*Report of Special Meetings of the Treasurer, Chairmen and
Vice-Chairmen of Standing Committees.*

In April 1953 the Public Relations Committee reported that consideration was being given to the appointment of a full-time representative of the Law Society to assist the Committee in its

public relations programme. In June 1953 the Committee reported that it was of the opinion that it would not be justified at that time in recommending the appointment of a full-time public relations assistant particularly in view of the fact that careful consideration should be given to the selection and appointment of an assistant to the Secretary and if such appointment is made the Secretary or his assistant might assume some of the duties of a Public Relations Consultant.

Since that time it has been apparent that there is valuable public relations work to be done and it has been considered that the work could be better done from inside the Society than from out. It has been equally apparent that the duties of the Secretary have increased to a very considerable extent.

A special meeting of the Treasurer and the Chairmen and Vice-Chairmen of Standing Committees was held on February 16th 1955 when the following were present: The Treasurer (in the chair), Messrs. Arnup, Beaton, Chitty, Common, Jamieson, Parkinson, Wilson, P. D., and Wilson, R. F. The Committee unanimously decided to seek out a suitable assistant for the Secretary and appoint him at the earliest possible date having in mind that the assistant to be appointed should be approved by and acceptable to the Secretary.

The matter was referred to the Treasurer and Secretary for consideration.

Mr. Robert Franklin Reid, Barrister, a part-time lecturer at Osgoode Hall Law School, was approached and agreed to have his name submitted to the special meeting.

A special meeting of the Treasurer and the Chairmen and Vice-Chairmen was held on February 25th 1955 when the following were present: The Treasurer and Messrs. Arnup, Chitty, Parkinson and Wilson, R. F.

Messrs. Common, Sedgwick and Wilson, P. D., who could not be present, expressed approval of the recommendation of the meeting.

The Committee unanimously recommended the appointment from March 1, 1955 of Mr. Robert Franklin Reid as Deputy Secretary of The Law Society of Upper Canada.

All of which is respectfully submitted.

Dated—February 25, 1955.

“C. F. H. CARSON”

Chairman.

Moved by Mr. Beaton, seconded by Mr. Chitty, that the Report be adopted.

Carried.

The amount of the bond of the Secretary shall be \$10,000. Those of the Deputy Secretary and Assistant Secretary shall be \$5,000 each.

The Deputy Secretary and the Assistant Secretary shall perform all or any of the duties of the Secretary in the event of his absence, or at his request.”

SUPREME COURT CASES AND FACTUMS.

Your Committee recommended at the February 1954 meeting, that Supreme Court cases and factums should in future be microfilmed. Convocation approved that recommendation. Before any action was taken on it, a project was undertaken whereby this material would be filmed and put on cards—much more convenient to use than microfilm—and it is probable that work will start very soon on this. If 1954 cases and factums are to be included, those for the Winter session of that year will be needed. Your Committee recommends that when the firm which is carrying out this project is ready to start work, the cases and factums for the 1954 Winter session be handed to them.

number of guests at luncheon and dinner will be between 40 and 50.

LEGAL AID COMMITTEE—Mr. Blackwell.

Your Committee met on the 18th day of May 1955, the following members being present: Messrs. Blackwell (Chairman), Robinette (Vice-Chairman), Arnup, Chitty, McGillivray, Jamieson and Walker.

ONTARIO LEGAL AID PLAN.

For some time your Committee has been aware that certain problems have arisen in some counties in connection with the administration of legal aid. In January 1955 it was suggested that a meeting be arranged between a few members of the Committee, Mr. J. D. Conover, Director for York County, and Mr. John P. Nelligan, to discuss these problems and certain suggested changes in policy, particularly in criminal matters. In March the Legal Aid Committee referred the matter to Mr. J. J. Robinette, Q.C., Vice-Chairman, to name a sub-committee for this purpose. Mr. Robinette appointed a sub-committee composed of Messrs. Haines, McGillivray and Robinette.

The sub-committee met on April 6th, 1955 when all members were present, together with the Secretary, the Deputy-Secretary, three County Directors—Mr. Charles Sale, Q.C. of Essex, Mr. George T. Inch, Q.C. of Wentworth, and Mr. J. D. Conover of York—and Mr. John P. Nelligan. The sub-committee had the benefit of the views and experience of the three Directors, all of whom have administered the Plan in their Counties since its inception, and of Mr. Nelligan who has done a considerable amount of research in legal aid work in Canada for the Survey of the Legal Profession.

From the reports of the three Directors, it would appear that in civil matters the Ontario Legal Aid Plan is operating in a generally satisfactory manner, and has been of great service to the public.

In criminal matters there have been difficulties, some of them serious, and in at least two counties the members of the Bar have recommended that legal aid in criminal cases be discontinued. The main difficulties appear to be—shortage of panel lawyers, criticism by Crown officials, court room facilities, repeaters, minor offenders living at home, multiple offences where the accused elects trial in different courts, and applicants who refuse to take the advice of counsel.

It was suggested that in some of the larger centres where the problems arising out of legal aid in criminal cases were more serious, the situation might be met to some extent by giving paid assistance to the County Directors.

The sub-committee referred this information to the Committee, and asked for further instructions.

Your Committee, at a meeting on April 20, 1955, had before it the information obtained by the sub-committee, including the suggestion as to paid assistance to some County Directors.

Your Committee recommended that the sub-committee be continued, and that it confer with the Attorney-General on the problems arising under the Plan, including the cost of administering the Plan.

Your Committee recommended that, if necessary, the regulations be amended to deal with the problems of repeaters and applicants who refused to take counsel's advice, and that wider discretion be given to County Directors in refusing legal aid in criminal cases.

The sub-committee met again on May 17th when all the members were present, and further considered the material before it, and in particular the suggestion made to help solve the problem in criminal cases by providing a full-time assistant for Mr. Conover, and a part-time assistant for Mr. Sale. Mr. Inch had informed the sub-committee that he did not need an assistant, and Mr. W. H. Waugh, County Director, Welland, had stated in writing that he did not need an assistant, and that such an appointment would not be the solution of the problem in his county.

The sub-committee recommends to the Legal Aid Committee that legal aid in criminal cases be continued.

Your Committee approves the recommendation of the sub-committee that legal aid in criminal cases be continued, with the amendment that legal aid be discontinued where the applicant has had previous convictions except where special circumstances warrant the giving of legal aid, and that the regulations be so amended.

Your Committee approves of the recommendation of the sub-committee that the County Directors of York and Essex be given paid assistants.

Your Committee recommends that the Legal Aid Regulations be amended as follows:

"6. Legal aid SHALL NOT INCLUDE the following matters:

(7a) Criminal matters where the accused has previously been convicted of an offence punishable with imprisonment, unless as to indictable offences punishable with imprisonment the County Director is of the opinion that special circumstances warrant the granting of legal aid."

Your Committee recommends that the sub-committee interview the Attorney-General at an appropriate time with reference to these changes.

THE REPORT WAS ADOPTED.

SPECIAL COMMITTEE, CANADIAN BAR ASSOCIATION, ANNUAL MEETING 1955—Mr. R. F. Wilson.

DISCIPLINE COMMITTEE

Order

The Secretary placed before Convocation the following Order which, in compliance with Rule 79, is entered in the Minutes of Convocation:

Re JOHN JOSEPH SULLIVAN, order suspending from practice for three months.

RE PROFESSIONAL ADVERTISING—Mr. Sedgwick.

PROFESSIONAL ADVERTISING

In May 1954 the Unauthorized Practice Committee recommended to Convocation that the Discipline Committee be requested to review the subject of professional advertising. The Discipline Committee on May 20th, 1954, recommended that the matter be referred to a Sub-Committee to be appointed by the Chairman. The Chairman appointed the following Committee:

Messrs. Sedgwick, Arnup, Seymour and Wilson, P. D.

The Sub-Committee met on several occasions and had before it information on this subject from other provinces in Canada and from the American Bar Association. The Sub-Committee also had the benefit of reading a pamphlet, "A Lecture on Professional Conduct and Etiquette" by Thomas G. Lund, C.B.E., Secretary of the Law Society, England. The pamphlet is a reprint of a lecture delivered to the Law Society, England, in January 1950.

The Sub-Committee recommended:

(1) That the following Notice to the Profession be printed forthwith in Ontario Weekly Notes:

THE LAW SOCIETY OF UPPER CANADA

By direction of Convocation the following notice is called to the attention of members of the profession:

The attention of Convocation has been called to certain advertisements appearing in telephone directories and paid advertisements appearing in certain newspapers and periodicals which, in the opinion of Convocation, are solicitations for business, calling attention to the solicitor's alleged qualification for transacting certain classes of business. These advertisements, published in other than recognized legal publications, constitute, in the opinion of Convocation, a departure from the traditions of the Society and tend to lower the tone of the Lawyer's high calling and, in the opinion of Convocation, should not be tolerated; and in the event of the practice being continued Convocation will take the necessary steps to discipline those solicitors who, in the opinion of Convocation, are guilty of unprofessional conduct in the matter of advertising, contrary to the well established standard of the Society.

(2) That if Mr. Thomas G. Lund graciously grants permission, the pamphlet on Professional Conduct and Etiquette, by Mr. Lund, be printed and distributed to members of the profession.

Your Committee approves of the recommendations of the Sub-Committee.

Moved by Mr. Sedgwick, seconded by Mr. Arnup that the Report be adopted.

ORDERED that consideration of this Report stand to the September meeting of Convocation, and that a copy of the proposed Notice to the Profession be sent to all Benchers.

LIBRARY COMMITTEE—Mr. P. D. Wilson.

Your Committee met on the 14th day of June 1955, the following members being present: the Chairman and Messrs. Chitty and Foster.

SUPREME COURT CASES AND FACTUMS

Your Committee recommended in February 1954 that Supreme Court cases and factums should be microfilmed and that a microfilm reader should be purchased. This recommen-

dation was approved by Convocation. Before any action was taken it was discovered that the cases and factums might be microcarded. Cases and factums of cases which are to be reported are now being reproduced on Microlex cards, which will be easier to read and more convenient to handle than microfilm. Your Committee recommends that the library subscribe for the Supreme Court cases and factums on Microlex cards starting with those of 1954, and that a Microlex reader be purchased.

THE REPORT WAS ADOPTED.

UNAUTHORIZED PRACTICE COMMITTEE

In the absence of the Chairman, Mr. Creighton presented the Report:

Your Committee met on the 16th day of June 1955, the following members being present: Messrs. Creighton (in the Chair), Brooks, Clement, Evans, Hays, Maclaren, MacTavish and Weir.

Your Committee met on Wednesday, 15th June, when the Treasurer and Messrs. Arnup, Beaton, Walker, Wilson, R. F., the Secretary and Deputy Secretary were present. Mr. Mathers was also present by request.

Since the last meeting of your Committee on the 18th of May Mr. Mathers had prepared detailed sketches of the proposed building. These had been distributed by the Secretary to all members of the Committee on the 1st of June. The Treasurer invited the comments of the Committee on these plans. A general discussion ensued upon all aspects of the projected building, including the size and furnishings of the lecture rooms and the accessory rooms, the type of interior and exterior finish for the building, the accessibility of study and library facilities for the students, and students' dining or lunch room accommodation.

It was decided that further information relative to these problems should be gathered during the summer months. Each member of the Committee would make a personal effort to obtain relevant information, and arrangements were made for the obtaining of a report on these and other points. Mr. Mathers then left the meeting and a preliminary discussion occurred on the financing of the projected building.

THE REPORT WAS ADOPTED.

DISCIPLINE COMMITTEE

At the request of the Treasurer, Mr. P. D. Wilson presented the Report:

Your Committee met on June 16, 1955, when the following members were present: Messrs. Sedgwick (Chairman), Arnup (Vice-Chairman), Creighton, McCulloch, McGillivray, Rigney, Seymour and Wilson, P. D.

Your Committee recommends that the following Notice to the Profession be printed forthwith in the Ontario Weekly Notes:

“THE LAW SOCIETY OF UPPER CANADA

“By direction of Convocation the following notice is called to the attention of the profession:

“The attention of the Discipline Committee has been called to the making of arrangements between real estate brokers and solicitors, or between a builder, a real estate broker and a solicitor, under which the solicitor agrees to handle all of the purchases and sales and the advancing of mortgage moneys in return for a reduction in fees, or no fees, charged to the builder-client. Other variations of arrangements along similar lines have been drawn to the attention of the Committee.

“In the opinion of the Discipline Committee, any arrangement between a solicitor and a real estate broker which involves the real estate broker making a practice of suggesting to the purchaser that the services of the solicitor be retained is a form of solicitation constituting unprofessional conduct.

“Any arrangement whereby a solicitor permits a real estate agent or any other unauthorized person to share in the fees which are charged to a client is a breach of The Solicitors’ Act and constitutes unprofessional conduct.

“Any transaction which in substance infringes the above principles, even though indirectly, is nevertheless in breach of them and constitutes conduct unbecoming a solicitor.”

THE REPORT WAS ADOPTED.

“THE LAW SOCIETY OF UPPER CANADA

“Notice to the Profession.

“By direction of Convocation the following notice is called to the attention of members of the profession:

“The attention of Convocation has been drawn to certain advertisements of solicitors appearing in telephone directories, newspapers and periodicals calling attention to the solicitor’s purported qualifications for transacting certain

classes of business. Such advertisements, in the opinion of Convocation, constitute solicitation for business, are a departure from the traditions of the Society, and should not be permitted.

"In the event of the practice being continued Convocation will take the necessary steps to discipline those solicitors who, in the opinion of Convocation, are guilty of unprofessional conduct in the matter of advertising, contrary to the well established standard of the Society.

"The publication of legal cards as such is not regarded as unprofessional solicitation for business, and in cards published in recognized legal periodicals, the addition thereto of such terms as 'patents and trade marks', 'parliamentary agents', etc., is permissible."

Moved by Mr. Arnup, seconded by Mr. Seymour, that the Report of the Discipline Committee dated June 14th, 1955 be amended by substituting for the notice therein the notice as revised and set out above, and that so amended the Report be adopted.

"May I add my personal word of appreciation to you and the members of the Law Society for your splendid contributions to the Journal of the Canadian Dental Association. I am making special mention of these Articles in my addresses to local societies, and the Law Society's co-operation in making them available.

"Yours very sincerely,
" 'E. L. R. Williamson'."

SPECIAL COMMITTEE ON MEMORIAL TO THE LATE THE HONOUR-
ABLE ROBERT SPELMAN ROBERTSON.

Mr. Beaton presented the Report of the Special Committee appointed to prepare a Memorial to the late The Honourable Robert Spelman Robertson, formerly Chief Justice of Ontario, and it was ordered that it be recorded in the Minutes of Convocation and a copy sent to the family.

*Memorial to the late
The Honourable Robert Spelman Robertson.*

Convocation records with sincere regret the death on the 28th of May, 1955, at Toronto, of The Honourable Robert Spelman Robertson, a former Chief Justice of Ontario and a former Treasurer of the Law Society of Upper Canada.

The Honourable Robert Spelman Robertson was born at Goderich, Ontario, in 1871. He received his early education in the local Public School and High School at Goderich and read law with J. T. Garrow, Esquire, afterwards Mr. Justice Garrow. He was admitted as a matriculant student in Michaelmas Term, 1887, and admitted as a solicitor to the Supreme Court of Ontario, on the 22nd of November, 1892, and was called to the Bar in the Easter Term of 1894. After graduation he practiced law in Stratford, Ontario, in the firm of Idington and Robertson and he was for some time City Solicitor for Stratford. He was created a King's Counsel in 1921.

Chief Justice Robertson came to Toronto during the First World War, and in 1917 became a member of the firm of Fasken, Robertson, Aitchison, Pickup and Calvin.

He was an eminent authority on constitutional law and was a leading counsel in our Courts for many years, frequently appearing before the Supreme Court of Canada and the Judicial Committee of the Privy Council. In 1939, when he was appointed Chief Justice of Ontario, he was appearing before the Privy Council in London.

Chief Justice Robertson gave long and useful service to the Law Society of Upper Canada, becoming a Bencher on the 17th April, 1930, succeeding the late H. S. White, K.C., and was re-elected at quinquennial elections in 1931 and 1936.

He was appointed Vice-Chairman of the Discipline Committee in June, 1933 and Chairman of that Committee in 1934. He was elected Treasurer of the Law Society on the 21st of January, 1937, on the death of the late M. H. Ludwig, K.C., and was re-elected Treasurer in May 1937 and May 1938 and on the 3rd of January, 1939, he was appointed Chief Justice of the Supreme Court of Ontario.

He retired on the 1st of September, 1952, having served in that post longer than any other Ontario Chief Justice, and the Law Reports for the past 14 years contain many of his learned and erudite judgments.

He was a member of the Board of Governors of the University of Toronto and received a Doctorate of Law Degree from that University in 1943.

He was also a member of the Ontario Club, the RCYC, and was a member of the United Church.

His wife, the former Laura G. Sedgesworth, predeceased him. He was survived by one daughter, Mrs. K. Y. Bal, and four sons, Morton, Dr. Harold F., Fraser W., Financial Editor of The Telegram, and John F., a member of our Bar.

With his death, the profession lost a most valued and esteemed member, and one who exemplified its highest and best traditions.

ARTICLED CLERKS.

Percentage of fees.

A memorandum is submitted with reference to the alleged practice of students serving under Articles being paid a percentage of the fees from business which they bring in to their solicitors' office.

Your Committee recommends that action be taken by the Chairman and Mr. Arnup to deprecate this practice and call it to the attention of the profession.

BURSARIES.

The Lawyers Club.

A letter is submitted from J. O. Weldon, President of The Lawyers Club, stating in part as follows:

"At the annual meeting of the Club on April 14th, 1955 the following motion was passed:

"That this Club pay the sum of Eight Hundred Dollars to the Law Society of Upper Canada to be added to the funds available for bursaries for needy and deserving students-at-law enrolled in the Osgoode Hall Law School, and to be disbursed as the Benchers may deem advisable."

“ . . . The motion which was originally placed before the members called for a considerably smaller donation but that was increased, by amendment to the motion, to the sum of Eight Hundred Dollars. This matter of making a contribution of a sum of money to the Law Society of Upper Canada to be added to the funds available for bursaries will probably come up and be dealt with on an annual basis from now on. However, I would like to say that the sum of Eight Hundred Dollars was set spontaneously in a general meeting of the members without much discussion and it is my personal opinion that if the Club makes a donation next year it may be a much smaller amount. With this in mind you may feel like holding part of the present donation over until next year.”

Your Committee recommends that a letter be sent thanking Mr. Weldon for this generous offer by the Lawyers Club.

SPECIAL COMMITTEE, COMMONWEALTH AND EMPIRE
LAW CONFERENCE 1955.

The Treasurer begs leave to report with respect to the Commonwealth and Empire Law Conference 1955, as follows:

At the meeting of Convocation on February 18, 1954 the Treasurer read a letter from Mr. T. G. Lund, Secretary, with reference to the Commonwealth and Empire Law Conference 1955. The matter was referred to a Special Committee named by the Treasurer as follows: Messrs. MacTavish, Parkinson and R. F. Wilson.

At the meeting of Convocation on April 15, 1954 the Special Committee reported recommending that The Law Society of Upper Canada approve and endorse the proposal for a Commonwealth and Empire Law Conference 1955 to be held in London, England as suggested by the Council of the Law Society and the General Council of the Bar representing both branches of the

profession in England; that the Treasurer and Secretary attend the Conference as accredited delegates of The Law Society of Upper Canada; and that any member of The Law Society of Upper Canada in good standing may be accredited as a delegate at large and entitled to speak for himself only. The report was adopted.

On July 15th-17th 1955 the Secretary attended a preliminary conference of full-time Secretaries of Law Societies and Bar Associations of the Commonwealth and Empire held at Newnham College, Cambridge. The conference, which was held through the interest and generosity of the Nuffield Foundation, was a very rewarding and interesting meeting. The conference was attended by twenty-six Secretaries of Law Societies and Bar Associations, the Clerk of the Privy Council, and Mr. Leslie Farrer-Brown, Director of the Nuffield Foundation.

The Treasurer and Secretary attended all plenary sessions of the Conference in London, July 20th to 27th, and most of the Committee sessions. Although no definite action was taken on any matters, the discussion was interesting and informative. The Secretary was appointed to act as secretary to one of the committees.

The programme of social events was an outstanding one, and the hospitality of the English hosts most gracious. No one who was present will forget the opening ceremonies in Westminster Abbey, Westminster Hall, and the closing dinner at the Guildhall.

The total registration for the Conference was 1089, of whom 477—229 delegates and 248 guests—were from Canada.

The following is an extract from the Minutes of the Meeting of the Executive Committee of the Conference held on Thursday, July 28, 1955 at the Law Society's Hall, Chancery Lane, London, W.C. 2:

"3. The Committee considered, in the light of the Prime Minister's observations about the Conference in Guildhall and the views expressed by many delegates, the desirability of holding similar Conferences in the future.

"*Resolved* (1) to recommend to the Commonwealth Law Societies and Bar Associations that, on the basis that the legal profession in Canada are agreeable, the next Conference

be held in five years' time in Canada, when consideration might be given to the holding of a subsequent Conference at the expiration of a further period of five years possibly in Australia;

“(2) that the Conference Secretary be requested to write accordingly to the Law Societies and Bar Associations in the Commonwealth inviting their concurrence with this proposal.”

The Canadian Bar Association, at its annual meeting in Ottawa this year, directed that an invitation be extended to all Commonwealth and Empire Law Societies and Bar Associations to hold the next Conference in Canada in 1960, the place and date of the meeting to be determined later and that all Commonwealth and Empire Law Societies and Bar Associations be advised that the Canadian Bar Association is prepared to undertake the organization for such Conference.

It is the view of the undersigned that any invitation to hold the Conference in Canada should be extended by the Canadian Bar Association, but that the Law Society of Upper Canada should co-operate to the fullest extent in the organization and holding of such Conference.

THE REPORT WAS ADOPTED.

SPECIAL COMMITTEE, COURT HOUSE ACCOMMODATION, ONTARIO.

At the request of Mr. Parkinson, the Chairman, Mr. R. F. Wilson, the Vice-Chairman, reported orally to the following effect:

Convocation will recall that at May Convocation this Committee reported a draft resolution which suggested that it was the opinion of Convocation that the administration of justice would be better served if the Province owned, maintained and operated the Court Houses in the counties. I told Convocation at that time that there was not unanimity in the Committee with

respect to the resolution. The problem has received further consideration by the Committee which has been in touch with the Committee of the Judges appointed to consider the same problems.

Your Committee met jointly with the Judges' Committee at Osgoode Hall on 20th September last and a lively discussion ensued with the result that the resolution was tabled.

Following this meeting the matter was mentioned to The Honourable A. Kelso Roberts, Q.C., the new Attorney-General. On 30th September last a meeting was held at which all of the Judges' Committee were present—namely Justices LeBel, Wilson and Stewart, together with all the members of your Committee (with the exception of Mr. Weir, of London, who was unavoidably absent) and the Attorney-General, Mr. Magone and Mr. Donald, who were the invited guests. A full discussion of the problem was entered into and the Attorney-General and his assistants showed very great interest indeed.

It seemed apparent to the meeting that no general policy in respect of Court Houses should be decided upon until a survey of the physical aspects of the Court Houses and all the implications of the fiscal system in each individual County has been made.

The final result of the meeting was most encouraging. The Attorney-General said that he will now consider means of bringing about the necessary investigations in the individual Counties. In the meantime your Committee is to co-operate with him and with his assistants in the settlement of some sort of agenda for the guidance of whatever investigating body the Attorney-General may deem advisable to set up. It is understood that your Committee will co-operate with the Judges' Committee in respect of these matters.

THE REPORT WAS RECEIVED.

SPECIAL COMMITTEE, CONTINUING EDUCATION OF THE BAR.

In the absence of the Chairman, Mr. McGillivray presented the Report:

Your Committee met on the 19th October 1955, the following members being present: Messrs. Gregory (Chairman), Beaton, Jamieson, McGillivray and Robinette.

Your Committee recommends, in pursuance of the Law Society's policy of Continuing Education of the Bar, that two week-ends of lectures be given on—

1. Rights of Creditors.
2. Estates Planning—Wills, Trusts, Taxation

on Friday and Saturday, March 16th and 17th, and March 23rd and 24th, and that the matter be referred to a sub-committee consisting of Messrs. Haines, McGillivray and Robinette to consider detailed plans and report back.

THE REPORT WAS ADOPTED.

SPECIAL COMMITTEE, BLUE CROSS HOSPITAL PLAN.

Mr. Creighton reported orally to the following effect:

He reminded Convocation that at its meeting on September 15th the Treasurer read a letter from Austin B. Smith, Q.C. of Kingsville with reference to the possibility of a Blue Cross Hospital Plan for members of the Society. It was recommended that the matter be referred to a special committee to be appointed by the Treasurer, and he appointed Messrs. Haines, Foster and Creighton.

Mr. Creighton stated that the Committee had met, and had given consideration to the following matters:

At the present time several of the County Law Associations have insurance plans, including Blue Cross, in force; also some of the larger firms have Blue Cross plans:

The Blue Cross Plan is available to groups as small as six or eight:

The administration of the Plan and the administrative costs would be the responsibility of the Law Society:

There are somewhat the same objections to the Blue Cross Plan on a province-wide basis as there were to the proposed pension plan for members of the Society.

Your Special Committee is of the opinion that the Society should take no action in this matter, and so recommends.

THE REPORT WAS ADOPTED.

CORRESPONDENCE.

The Treasurer read the following correspondence:

Letter from D. L. McCarthy, Q.C., thanking the Treasurer and Benchers for the flowers and congratulations sent on the 60th Anniversary of his Call to the Bar.

Ordered that the letter be received and filed.
