

Let 135

Barmathen 12th April 1796

Dear Esq. Osbourne

This will be delivered to you
by Mr. Synd my brother's father in law,
who is Clerk of the Court of Common Pleas,
& was Deputy Clerk of the Crown, untill
the late Mr. Smith got him removed from
the latter office to make way for a Mr. Ogden,
a protégé of his. As this appears to me
to have been an act of great injustice
towards Mr. Synd who had for 12 years
given entire satisfaction to his principals
& to the public, I hope you will have
no objection to co-operate in his re-in-
-statement, if it meets with the appro-
-bation of Mr. Pollock, the Patentee of

the office — which I dare say it will, as
I understand he was unwilling to consent
to the change. I remain

Dear B. Goode

Yours faithfully

Wm. W. W.
